Monday July 20, Township Board Meeting, 7 p.m.

Monday July 27, Zoning Board of Appeals, 7 p.m.

Monday July 27, Historical Commission 7 p.m.

Tuesday August 11, Parks and Recreation Meeting, 7 p.m.

Monday August 17, Township Board Meeting, 7 p.m.

Thursday August 20, Planning Commission Meeting 7 p.m.

Monday August 24, Zoning Board of Appeals, 7 p.m.

Monday August 24, Historical Commission 7 p.m.

Thursday September 17, Planning Commission Meeting, 7 p.m.

Monday September 21, Township Board Meeting, 7 p.m.

Monday September 28, Historical Commission, 7 p.m.

Monday September 28, Zoning Board of Appeals, 7 p.m.

## Supervisor's Report ...

*Greg Madura*

Happy Summer!

We have a changed country these last three months. A microscopic bug has changed how we interact with family and friends, going to the store is no longer simple, and work rules have changed. There are still many questions about day care and schools, going to the movies and eating out at restaurants. It is an unsettling time.

The Township Board decided to waive late fees on this quarter's sewer bills because so many are struggling to pay in a timely manner: a decision I supported.

The Township office is now again open to visitors, but we recommend that you try to conduct as much of your business by phone or email as you can. Payments can be made by mail, by credit card online or by telephone, or you can use the black drop box outside the west door to drop off payments. The drop box also works for voting documents. If you do come inside the Township office, you will need to sign in and wear a mask. Some Township employees and officials are physically compromised, so we need to be careful for them, and for you.

Road work is in full swing, I am sorry for any inconvenience. Just over ten miles of road will be reworked in the township this year., making for a much smoother ride. I hope you noticed that with the 6 Mile and 7 Mile road work, we asked the road commission to put in paved shoulders so walkers and bikers have a smooth surface to use. It will be safer and nicer.

Finally, please take advantage of the great outdoors and enjoy what Mother Nature has to offer. Walk the neighborhood and say hello to those you see. Enjoy this time of year, it really is lovely. Keep social distancing, wear a mask when you are at an indoor business, and be smart about it. If we all do our part, we can keep the economy moving forward, and prevent a second wave of the virus. Have a great summer. Greg

## TREASURER'S CORNER

Beth Alt

### Sewer Bills

Alpine Township Board waived the penalty for the second quarter sewer bills because of the Coronavirus. This was for the second quarter ONLY! If you are paying your sewer payment electronically, please allow extra time for your bank to print the paper check and mail it. The third quarter sewer bills will be mailed July 1 and are due August 28.

### Tax Bills

The tax bills will be mailed July 1 and taxes are due September 14, 2020. We are suggesting that you use the black drop box at the west township door for payment, mail the payment, or you may always pay online (3% fee), either by calling the office or at our website ([www.alpinetwp.org](http://www.alpinetwp.org)). A one percent penalty is applied on any unpaid tax on September 15, and a one percent the beginning of each month is applied to the balance.

### EZ Pay

If you have E-Z Pay for your sewer and/or tax bills, please let us know if you are moving or changing account numbers. If you are interested in signing up for E-Z Pay, please call the office (616)784-1262 and a form will be sent to you.

### Fund Balances

The Township holdings are divided into five funds. The General Fund holds money for most types of Township expenses. The Water and Sewer Funds concern the freshwater and wastewater infrastructures in the Township.

The Trust & Agency Fund holds developers' and other businesses' deposits with the Township. The Capital Improvement /Restricted Funds holds money earmarked for future projects and maintenance in Alpine Township. The fund balances as of March 2020 are:

General Fund	\$3,219,236.90
Water Fund	\$376,629.12
Sewer Fund	\$4,582,144.11
Trust & Agency Fund	\$97,434.53
Capital Improvement/Restricted Fund	\$1,405,263.12

**Beth Alt, Deputy Treasurer**

## CLERK'S COMMENTS

Jean Wahlfield

### ELECTION INFORMATION

**TUESDAY, AUGUST 4, 2020** is the next election date.

At the present time, all six Alpine Township precincts **will be open** for voters on Tuesday August 4 which is the Primary Election. Due to the COVID 19 virus you will be asked to wear a facial covering and keep social distancing if you come in person to a precinct to vote. Hand sanitizer will be available. You should anticipate that it will take a little longer to vote in the precinct and expect some waiting time in line as some of our precinct buildings are very small in size. Please bring your ID as usual.

Using an absentee ballot to vote is another option. Absentee applications have been mailed to registered voters. If you did not receive an application the Alpine Clerk can mail you the application or you can go on-line to [michigan.gov/vote](http://michigan.gov/vote) to obtain a fillable form. At the State website you can obtain an application which can be printed/mailed or emailed directly to our office. You can also track your application and ballot on the site.

As always you can call the Clerk's office at (616) 784-1262 with questions.

**Next Election – TUESDAY, NOVEMBER 3, 2020 – General Election-**

Jean Wahlfield, Clerk

### Alpine Township Fire Department News Volume 4

In a previous issue of the Harvester, I supplied you with directions on where to go in order to access the Comprehensive Fire Department Strategic Plan. I hope that all of you had success in doing so, as the plan gives a clear understanding of why the Alpine Township Fire Department (ATFD) is in need of a new Fire Station along with full-time personnel. If you have any questions regarding the Comprehensive Plan, please feel free to contact me at 784-5750.

In this volume, I would like to introduce the women and men that make up the ATFD, but first here are some abbreviations to be aware of:

Firefighter (FF)  
Lieutenant (Lt)  
Captain (Capt)  
Deputy Chief (DC)  
Chief (C)

Medical First Responder (MFR)  
Emergency Medical Technician-Basic (EMT-B)  
Emergency Medical Technician-Paramedic (EMT-P)  
Instructor Coordinator (IC)  
Administrative Assistant (AA)

It's my pleasure to introduce the members of the ATFD that serve the community of Alpine Township:

Brian Alt (FF MFR)  
Jason Bergsma (FF EMT-B)  
Abby Beurmann (FF EMT-B)  
Drew Demeester (FF)  
Brent Dontje (FF EMT-B)  
Dan Duffy (FF EMT-B)  
Ashley Gosla (FF EMT-P)  
Adam Guigue (FF EMT-P)  
Ron Heinbeck (Capt MFR)  
Adam Host (FF MFR)  
Tom Katerberg (FF EMT-B)  
Jeremy Kelly (DC EMT-P IC)  
Dave Klomparens (C EMT-B)

Jim Kremer (Capt EMT-B)  
Allen Mayo (FF MFR)  
Mark Nawara (FF EMT-P)  
Dan Olney (FF EMT-B)  
Lance Olney (FF EMT-B)  
Diana Post (AA)  
Rob Scheidel (FF EMT-B)  
Tim Schweitzer (Capt MFR)  
Andy Stachowiak (FF MFR)  
Brian Stalsonburg (Lt EMT-B IC)  
Todd VerDuin (FF MFR Mechanic)  
Charlee Weatherwax (FF EMT-B)

Now that you have been introduced to everyone, let me explain what these women and men do for you! ATFD provides fire, rescue, and emergency medical response services to the residents, businesses, and visitors of Alpine Township. In addition to answering alarms, the ATFD tries to be active in the community as much as possible. The ATFD performs duties such as; Fire Prevention at the local schools, community activities at the local "Big Box" stores, Apartment complexes, and Manufactured Home Communities.

ATFD's staff consists of one full-time chief officer, one full-time firefighter, one part-time administrative assistant, and 21 paid-on-call firefighters who offer a combined total of 317 years of experience!

These firefighters respond to alarms 24 hours a day, 7 days a week. Most of our firefighters respond from home. Fire Station-1 is staffed 7 days a week during daytime hours. In the event the ATFD gets an alarm that requires multiple firefighters, the response may be delayed due to the station not being staffed full-time, 24 hours a day.

These women and men train for many hours throughout the year in an effort to stay efficient in the skills necessary to handle an unfortunate incident that may occur anywhere in the infrastructure of Alpine Township.

The critical infrastructure of Alpine Township consists of chemical storage, farms that have large Controlled Atmosphere Storages (CA), three large apartment complexes, a railroad, two water towers, two-miles of "box store" shopping centers, three school districts, an American Natural Resources (ANR) natural gas pipeline, and an AT&T central office.

In this section, I would like to expand on the critical infrastructure of Alpine Township.

There are many different kinds of chemicals used and stored in Alpine Township, due to farming and industry, including CA storage rooms that use Anhydrous Ammonia as a refrigerant agent.

There are three densely populated apartment complexes that host 2,292 dwellings with 69 out of 87 buildings being three stories in height.

The railroad runs the length of the Township. It transports bulk commodities of various materials such as feed for animals to hazardous materials. The firefighters and fire officers of ATFD have been trained in emergency response to these types of incidents. Through continuing education, ATFD strives toward a common goal of being able to identify, promptly report, and responsibly address all environmental hazards pertaining to the railway.

Alpine Township also houses two water towers storing 1,000,000 gallons of water (which are part of a multi-township water system), including three townships and one city with a total coverage area of 46 square miles. A total of 13,600,000 gallons of water are stored at thirteen additional facilities, some of which are outside Alpine Township. In addition, there are 477 public fire hydrants in Alpine Township. These hydrants cover approximately 6 square miles with 30 square miles of the township being non-hydrant.

Alpine Township has a two mile stretch of large commercial "box store" shopping centers and strip malls (employing nearly 2,000 people daily).

There are three school districts in Alpine Township which include Comstock Park, Kenowa Hills, and Sparta. Kenowa Hills High School (KHHS), has five large assembly structures and a student enrollment of 1,111, K H Middle School, with a student enrollment of 705, and four Elementary Schools, with a student total enrollment of 1,155. The KHHS also has a Performing Arts Center that seats 750 people.

A portion of the privately owned ANR natural gas pipeline traverses the Township. The ANR pipeline includes three natural gas transmission lines ranging from 24" to 42" in diameter all running 750 pounds per square inch (psi). Transmission pipelines move refined natural gas from refineries to marketing and distribution terminals. This gas is delivered via pipelines through Alpine Township and is stored in underground fields off Kent County's northern boundary.

Also located in Alpine Township is an AT&T central office. A central office exists to house the switching equipment that provides telecommunications service to the community, region, and nation. The telecommunications switching equipment processes all calls and signals within the local exchange and provides for interconnection to regional, national, and international networks. This electronic equipment performs signal processing operations and paths that include, but not limited to, switch and transport of audio, video, cable television, internet, U-Verse, broadband, wireless, and data signals.

The ATFD is asking for your support for the proposed millage specific to a new Fire Station along with full-time personnel, to be held in the November election. The ATFD wishes to be more efficient with our responses to the Alpine Township residents, businesses, and visitors. Having full-time personnel 24-hours a day will enable us to better serve our community. We appreciate and thank you for your continued support!

Please Be Safe,

*Dave Klomparens, Fire Chief  
Alpine Township Fire Department*

### **OPEN HOUSE**

You are invited to see the new plans and visit the site for the proposed Future Fire Station and Community Room located at 1100 Henze Avenue. Tour the existing building and view plans for its proposed transformation and expansion. People will be available to answer any questions and provide a tour. Join other community members at 6 p.m. on August 12th, or September 16th.

## **DEPUTY DOUGLAS'S SAFETY TIPS**

During the summer months, the Kent County Sheriff's Office receives numerous complaints of speeding throughout the county. I know that during the summer months as you cruise down the street in your nice clean car with the sunroof open or windows down and feeling the summer breeze that it could be very easy to lose track of your speed. Please be mindful that more people are out walking or riding bicycles during the summer. Please help keep everyone safe by obeying the posted speeds.

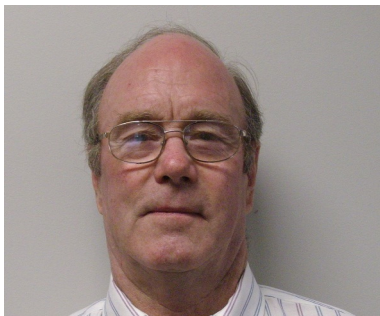

Please remember to lock your homes, car doors, sheds and report any suspicious activity to the Kent County Sheriff's Office. Outdoor lighting is a great theft deterrent. LED motion detector lights work best because they are brighter and they last longer.

For up to date information about crimes in your area please download the FREE Kent County Sheriff's Office application onto your mobile device.

## CANDIDATE PROFILES SUBMITTED FOR ALPINE BOARD OF TRUSTEES

**Ron Cordes:** "As a lifetime resident of Alpine Township, I raised my family and started our family business here. I care greatly about this township's well-being. My many personal and professional experiences along with my common sense approach ensure that I continue to be a great fit for the trustee position."

**Gary Potter:** Connie and I have been married for 48 years, we have two children, and two grand children. I served from 1967-69 as a Sargent / Paratrooper in the US Army with the 509th Airborne. My education was with Davenport College in Computer Programming/Accounting. I was a Volunteer for thirty-five years as a Firefighter with Alpine Township Fire Department, retired as a Lieutenant last year. Started at Sparta Foundry in 1970 as a molder, then worked up to Second Shift General Supervisor. I am the owner of Connie's Auto Parts of Sparta. We have been in business for twenty-eight years serving northern Kent County. I am currently serving Alpine Town-

ship citizens as a Commissioner on the Alpine Township Planning Commission. My goals are to help manage government overhead, preserve the history of Alpine, and its agricultural heritage as well as work to promote business, and the future growth of the Alpine Community. My name is Gary Albert Potter, and I am running as a candidate to serve you as a Alpine Township Trustee.

**Rob Scheidel:** My name is Rob Scheidel and I am 32 years old. I am also a lifelong resident of Alpine Township. I grew up here and in 2014, I purchased my own home.

My work experience started when I was 14 years old, milking cows for Max Dunneback. I worked at his dairy farm for two years before going to Cordes Trenching. I worked at Cordes for eight years and then went on to drive for D & J Trucking for two years. I returned to Cordes Trenching where I continue to work today. I successfully supervise people and projects on a daily basis.

At the age of 19 I joined the Alpine Township Fire Department. I went through Firefighter I and II and also became one of the township's licensed EMT's. I continue to serve the fire department and after 13 years, I've run several hundred calls. At times I have to make difficult and life saving decisions quickly and effectively.

I have been an active member of the township and have the best interest of the other residents in mind when making this a great place to live and if applicable, raise a family. I am a current board member serving as Trustee and I hope to get elected in the fall so I can continue to serve.

**Mike Wahlfield:** Mike is a lifetime resident of Alpine Township and owner of Wahlfield Drilling. He brings over 40 years of business experience to the Board. He is a director with the Michigan Ground Water Association, a member of the Better Business Bureau and a lifetime member of Holy Trinity Catholic Church where he serves on the Finance Committee. Mike was elected to the Alpine Township Trustee position in 2012 and along with the current Board continues to sustain the financial stability of the Township. Important goals for Mike are to maintain adequate police and fire department protection within the Township. Mike is interested in small business growth and the protection of property owner rights. He enjoys meeting and talking to residents as he works within and serves Alpine Township. Mike is married to Jean Wahlfield and they have three adult children.

## CANDIDATE PROFILES FOR ALPINE TOWNSHIP TREASURER

**Beth Alt:** Hello! My name is Beth Alt, and I would be honored and privileged to be your next Alpine Township Treasurer. I am a lifelong resident of Alpine Township, and I love this township and the people. I am married to Dan Alt, who is a dairy and fruit farmer. Together we have five children and seven grandchildren.

I have worked at the township since 1985, and I have been Deputy Treasurer since 2010. I have learned about township government from both past and current officials. As Deputy Treasurer, I am acquainted with the Treasurer's duties and responsibilities, and what I don't know I am very eager to learn. I promise to bring the same honesty and integrity to the position that Alpine has always known. I pledge to be fiscally responsible. Due to the coronavirus, Alpine's major funding source, "State Shared Revenues," is expected to decrease. With that in mind, I will not make any promises I cannot keep.

As Treasurer and Board member I vow to vote in the best interest of the township. I realize current decisions can impact future generations for decades to come. I pledge to keep our township open and transparent. I want citizens to feel welcome and comfortable to come to me with their ideas, opinions and questions.

**Sabra Szczepaniak:** Hello neighbors! I'm Sabra Szczepaniak: mother of three, two-time small business owner, and one candidate that will put your needs first. Paying your local taxes and seeing a breakdown of how your dollars are spent should be simple and understandable for every citizen. I will modernize the office by creating online tools to pay taxes and be part of setting our budgeting priorities. I will digitize our records for your ease of access. Transparency is essential for a Treasurer.

I currently work as a residential aid, after spending nearly 20 years raising my three sons and running a licensed daycare. From taking care of our community's youngest minds to assisting our elders, I know the importance of customer service and providing a positive experience for all residents.

I believe that Alpine Township should be a place where all residents can thrive. On the school board, my son Eric-John made sure that Kenowa Hills did not contract with businesses that discriminate based on sexual orientation and gender identity and expression. I believe that our Township should do the same and build a more inclusive economy. Our dynamic group of Democratic candidates are focused on bringing more people to work and more people to the table.

## CANDIDATE PROFILES FOR ALPINE TOWNSHIP CLERK

**Eric-John Szczepaniak:** Hello Alpine! My name is Eric-John Szczepaniak and I believe that you deserve a champion. As your Township Clerk, I'll ensure that more members of our community have their voice heard while continuing to strengthen our democracy. As a special advisor to Secretary of State Jocelyn Benson, I have advocated for bipartisan common sense solutions to make democracy more accessible to all, including pre-paid postage on absentee ballots and working with apartments and mobile homes to keep the list of qualified voters up to date and secure.

Since before I could vote, I have been working in the precincts on election day, most recently as a precinct chair. I will work with area schools to attract new talent to work in our precincts and make your voting experience as efficient as possible.

It has been an honor to serve this community's kids on the Kenowa Hills school board for the past four years. On the school board, we were prepared for the onset of the coronavirus. I championed wifi access for our students and our District was able to cover every single household that lacked internet access so that students could continue their learning. You might have even seen me visit your house on a bus route providing food for all kids in our community.

In December I will graduate from GVSU where I study Public and Nonprofit Administration and Budgeting & Finance. With this knowledge, I am well equipped to ensure that your Clerk's office is effective and efficient.

**Jean Wahfield:** Jean Wahfield has served the residents of Alpine Township as the Clerk for 20 years. The ability to adapt to changes and work with residents, employees, consultants, and vendors has been the key to her longevity in the Clerk's office. Jean earned her Certified Municipal Clerk certification in 2007 and attends education and training classes to stay up to date with new election law and Township government practices. The Clerk's department is typically associated with running elections and maintaining the voter file. Additional Alpine Clerk duties include bi-weekly payroll, accounts payable, cemetery matters, and the safekeeping of all Township records. Her experience and dedication will continue to be an asset to Alpine community. Jean has lived in the Township for 42 years. She is married to Mike Wahfield who is a life-long resident of Alpine Township. I would be honored and grateful to be your experienced local Clerk for the next four years and thank you for your vote.

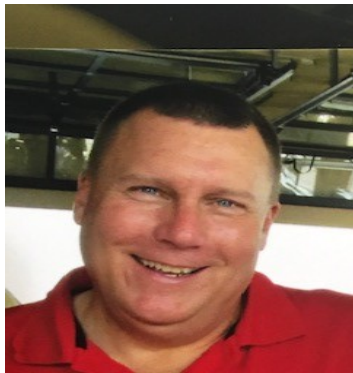

## CANDIDATE PROFILES FOR ALPINE TOWNSHIP SUPERVISOR

**Joe Cadreau:** Greetings, Alpine Township! My name is Joe Cadreau, I am a member of a federally recognized Tribal Nation, from the Upper Peninsula, where I grew up on a reservation. I hold an Associate's Degree from Muskegon Community College in Criminal Justice and Mass Communications. I also hold a Bachelors of Science Degree in Public and Nonprofit Administration from Grand Valley State University where I earned my Intercultural Competency Certificate. While attending GVSU, I served on its Student Senate where I formed relationships with the administration and helped to change numerous policies.

I am involved with a variety of organizations in the community, and an ally to many others. I have worked with groups in addressing issues from living conditions, environmental concerns, and social issues. I am the co-founder of Bimose-Ode, a diversity training organization that gives presentations in public schools, universities, and corporations here in West Michigan and throughout the state.

I truly believe my education, community organizing, and life experiences would be beneficial to every community member and business owner of Alpine Township as Supervisor. Some issues I feel need to be addressed to help keep our Township growing and economic prosperity continuing are: #1 Our RAPID bus services, #2 Continued improvement of township roads, #3 Maintaining fiscal responsibility, #4 Improvement of parks and recreational programs, to help support our youth, and #5 Enhancing the standard of life for every community member.

**Greg Madura:** It has been a pleasure to represent Alpine Township as Supervisor for the past four years, and as Planning Commission Chair before that. It has been a very busy time. The Township board and I have strived to include you, our residents, in all decisions. Together we have resurfaced more roads than at any previous time, we have made major improvements to the sewer system, and continued upgrading our parks.

Working with the community, our Planning Commission and Board have approved Master Plan revisions, and purchased land behind Sam's Club on Henze Street where we hope to build a new Fire Station and Community Center. I also sought and received Board approval to fund programs for seniors, tutors for disadvantaged youth and minorities, and programs for family activities.

I have worked hard to bring more commercial and industrial growth to Alpine Township, which means more jobs. You can expect more growth in the next year. I also worked closely with other municipal leaders to create an Infrastructure Plan building a long-term blueprint for the future. Being a part of the Lower Grand River Organization of Watersheds we provided up to \$1.25 million in grants to landowners on Indian Mill Creek to prevent erosion and restore fish habitat.

I plan to continue volunteering in our schools, youth programs, Little League, Feeding America, with the Hand-to-Hand program that helps feed school children lunches on weekends and during the summer. As part of Comstock Park Rotary, I helped with the efforts to expand scholarships to Kenowa Hills and Comstock Park high school students. I also plan to continue working with our township board in being fiscally responsible to keep our stellar bond rating. Alpine Township is a wonderful community, and I pledge to preserve it and nurture it, protecting our future.

## ALPINE TOWNSHIP HISTORICAL COMMISSION

The ALPINE TOWNSHIP HISTORICAL COMMISSION was disappointed when we had to cancel all of our planned spring events starting in March. However, we are hoping for possible events during the fall season. Please keep in touch with our plans and other news on the township website [www.alpinetwp.org](http://www.alpinetwp.org) or on the Facebook site, Alpine Township. These sites can help us share questions, photos, and stories concerning Alpine's history. Please stay safe and well.

### EVERYBODY COUNTS! 2020 U.S. CENSUS

This summer, the U.S. Census will be taken. You may not be aware that the Census population count has a financial impact on Alpine Township. State Revenue Sharing is distributed to municipalities on a per capita basis (\$65.00 per person in 2010). By now you should have received a letter asking you to respond to the Census at "my2020census.gov". If an e-mail reply is not received by the Census Bureau, a reminder will be sent in April, a post card reminder will be sent in May. Finally a Census interviewer will make an in-person visit to your location.

Your response is important to Alpine Township and your country. By law, your response is required, and your answers are confidential.

### COMMUNITY EVENTS

#### **Hunter's Safety Classes**

This year Hunter Safety Classes will be offered, but because of the Covid-19 virus we are not sure if will offer an in-person class or a On-Line Class. Please check out the Township web site for more information, or go to the Natural Resources Department web site for more information.

#### **Fruit and Vegetable Stands**

All the Alpine Township farmers market stands will soon be open. Please consider them when going to find fresh locally grown produce.

## **KDL CURBSIDE**

KDL is open for curbside service!

The new curbside service is an easy and safe way for people to pick up checked-out materials from the convenience of their car. To use curbside service:

Visit [kdl.org](http://kdl.org), search the catalog and place items on hold, indicating the branch location for pickup.

After receiving notification that items are ready for pick-up, visit the branch during curbside hours and park in one of the designated Curbside Pick-up spots.

Call the number listed on the signs in the parking lot; please have your library card number ready.

A library staff member will bring the items to the car.

## **MEET UP EAT UP**

Kent District Library is pleased to partner with Feeding America to present Meet Up and Eat Up, a summer food program at 12 KDL locations. Anyone 18 years old and younger can come and pick up a free lunch.

Alpine Township Branch: Monday - Friday 12:30-1:30 pm, June 22nd through August 14th

Comstock Park Branch: Monday – Friday 12-12:30 pm, June 22nd through August 14th

## **SUMMER WONDER**

Summer Wonder has gone virtual this summer. Kids, Teens, and Adults can log their progress online and pick up prizes via curbside, or in branch once KDL locations re-open. To learn more visit [kdl.org/summer](http://kdl.org/summer) or call 616-784-2007.

While in-branch program is suspended, KDL is streaming a full menu of programs online this summer, including storytimes, book talks, special performers and more. [Visit kdl.org/events](http://kdl.org/events) for more details.

## **REOPENING PLAN**

On July 6, KDL plans to reopen our branches to the community! KDL is excited to continue offering curbside service when our branches re-open. Curbside service will be offered from 12-5pm. Library buildings plan to resume normal opening hours. For the safety of patrons and staff, KDL will reopen with limited services.

**For your SEWER payment please mail, pay online or use the drop box on the west side of the Township Offices. Thank You, Stay healthy and safe.**

**Fun for Seniors, Meet New Friends with the Golden Panthers**

Senior programs have been put on hold for the current time. We are planning fall programs currently. Please look us up on-line for updates, of some great programs.

At Greenridge School

3825 Oakridge Ave. NW

Programs begin at 11:00 AM

For more information call 616-254-5243

E-Mail: [cpgoldenpanthers@cpschools.com](mailto:cpgoldenpanthers@cpschools.com)

Alpine Township has 3 facilities that are available for the residents of Alpine Township to rent. All three have a capacity to seat about 45 people. Rental cost is \$100.00 for the day. They are located at : 610 9 Mile Road. On the east side of Fire Station #3.

841 Alpine Church Street. On the lower level of Fire Station #1.

2015 7 Mile Road. In the Community Building.

Call Beth Alt at 784-1262 for more information.
