KNOW WHAT STEPS TO TAKE IN AN EMERGENCY

If you encounter or suspect a gas leak you should immediately take the following steps to protect yourself and others in the area:

- Leave the area immediately
- Warn others
- Do not light a match, start an engine, use a telephone or cell phone in the immediate area, turn on/off a light switch or do anything that can potentially create a spark.
- Call 911

If a strong odor of natural gas is present in your home or business or if you hear a hissing sound of escaping natural gas:

- Get everyone out of the building immediately
- Leave the door open
- Use a neighbor's telephone or cell phone on the outside of the building to call the City of Camilla Gas Department at (229) 336-2220, (229) 336-2211, or after hours at (229) 336-2209.

If you smell a faint odor of natural gas inside your home or business:

- Investigate immediately to determine location of odor, if possible
- If the source of the odor cannot be located, call the City of Camilla at (229) 336-2220, (229) 336-2211, or after hours at (229) 336-2209. Gas Department personnel will come to your home or business and make an inspection at no charge.

DO NOT operate any electrical switches, appliance controls, or pull any plugs from outlets.

DO NOT use the telephone or cell phone inside the building.

DO NOT re-enter the area and/or premises until a leak investigation has been conducted by City of Camilla personnel; only gas and emergency personnel should enter the area and/or premises.
