### A STRATEGIC PLAN

**FOR** 

# CENTRAL BROWN COUNTY WATER AUTHORITY

(2018 - 2020 +)

November 29, 2017

#### MAIN OBJECTIVE

The Central Brown County Water Authority supplies drinking water to the six member communities that comprise the Authority. These communities include:

- City of De Pere
- Village of Allouez
- Village of Bellevue
- Village of Howard
- Town of Lawrence
- Town of Ledgeview

These six communities share a similar need for quality drinking water and have joined together to create the Authority. Following the formation of the Authority, the group developed a partnership with the City of Manitowoc and Manitowoc Public Utilities to obtain fresh water from Lake Michigan.

The Authority Board is comprised of one member each of the six communities. The member is appointed by the community and each member has one vote.

The Authority also has a Technical Committee comprised of one member each of the six communities. The member is appointed by the community and each member has one vote.

#### ATTRIBUTES

- RELIABLE: We consistently deliver safe, quality water.
- COST-EFFECTIVE: We provide water at reasonable costs.
- COLLABORATIVE: We proactively cooperate among members and regionally.
- INNOVATIVE: We are a best-practice model for other communities.

#### STRATEGIC GOALS: 2018-2020+

- 1. EXPANSION We will create processes to strategically sell to new communities to make greater use of water capacity.
- 2. INFRASTRUCTURE & MAINTENANCE We will have efficient asset evaluation plans and use innovative technology to continuously enhance our system.
- 3. COLLABORATION & COOPERATION We will seek methods to positively work together to reduce expenses and have a best-practice model for others.
- 4. TRAINING & EDUCATION We will create processes and tools for effective orientation, engagement and succession of all key stakeholders.
- 5. VALUE We will achieve the optimal balance of operations for the lowest total cost for all member communities.

PLAN: 2018 - 2020+

#### ACTION PLAN: 2018 - 2020+

GOAL #1: EXPANSION

1. EXPANSION – We will create processes to strategically sell to new communities to make greater use of water capacity.

| STRATEGIES & TASKS: EXPANSION  | OWNER & DATE:                     | NEXT<br>STEPS: | STATUS:<br>Red=behind<br>Yellow=@risk<br>Green=on<br>track |
|--|-----------------------------------|----------------|--|
| Update and revise the MPU agreement – or submit paperwork to contest the agreement – by March 31, 2018,  | Board:<br>March 31, 2018          |                |  |
| <ul> <li>Initial draft completed and reviewed by Board by Feb. 28,<br/>2018; or letter from Board to MPU requesting: (a) lower<br/>rates based on "lower than PSC rates" and (b) will not pay<br/>for expanded MPU plant capacity by Jan. 31, 2018 –<br/>removal of contributing to MPU capital costs</li> </ul> | Jan. 31, 2018 or<br>Feb. 28, 2018 |                |  |
| Completed and approved by Board by March 31, 2018  | March 31, 2018                    |                |  |
| <ul> <li>NOTE: If this gets contested it is approximately a 1-year<br/>process so this Strategy would move to March 31, 2019.</li> </ul>   | March 31, 2019 or<br>later        |                |  |
| NOTE: Once resolved, should incorporate Optimization<br>Study which focuses on 30+ capital year plan to determine<br>optimal balance of operations for all communities regarding<br>interconnectedness, valves, water treatment, and all other<br>long-term maintenance/infrastructure.                          |                                   |                |  |

| STRATEGIES & TASKS: EXPANSION   | OWNER & DATE:  | NEXT<br>STEPS: | STATUS:<br>Red=behind<br>Yellow=@risk<br>Green=on<br>track |
|---|--|----------------|--|
| Continue discussions with Green Bay Water Utility for all collaborative agreements, including mutual back-up/emergency service agreement and any/all other items which make sense for joint collaboration. RELATES TO GOAL #2/STRATEGY #2.  | Technical<br>Committee:<br>Requirements<br>Board: Finances |                |  |
| <ul> <li>Continued discussions and need to address<br/>interconnectedness among communities. Does this make<br/>sense, and will it guide future capital expenditures? There<br/>needs to be mutual understanding of value by both parties.<br/>If this proceeds, implement in 2019-2021.</li> </ul> | Feb. 28, 2018  |                |  |
| If needed: Board members speak with Green Bay Mayor to discuss topic and benefits/advantages.   | March 31, 2018   |                |  |
| <ul> <li>Identify technical requirements and associated costs by<br/>Dec. 31, 2018.</li> </ul>  | Dec. 31, 2018  |                |  |
| <ul> <li>Initial draft of agreement presented to Board by April 30,<br/>2019.</li> </ul>  | April 30, 2019   |                |  |
| PSC approval for compensation.  | July 31, 2019  |                |  |
| <ul> <li>Agreement finalized and approved by Board by Nov. 30,<br/>2019.</li> </ul>   | Nov. 30, 2019  |                |  |
| <ul> <li>Interconnectedness could serve as CBCWA back-up and<br/>back-up for all communities, so all communities could shut<br/>down their back-up wells. CBCWA may be able to partially<br/>serve as GBWU back-up; although doesn't have full<br/>capacity to do so.</li> </ul>                    |  |                |  |
| <ul> <li>NOTE: Other options are for CBCWA to take over<br/>community wells, and discuss joint use of Cityworks<br/>management software.</li> </ul>   |  |                |  |

| Based on Master Plan and dependent upon Green Bay Utility discussions, create Asset Evaluation Management Plan by Nov. 30, 2019. RELATES TO GOAL #2/STRATEGY #1.   | Board &<br>Technical<br>Committee<br>Nov. 30, 2019 |                |   |
| <ul> <li>Draft plan completed and presented to Board by June 30,<br/>2019. Collaborate with GBWA and gain input from MPU.</li> </ul>   | June 30, 2019                                      |                |   |
| Plan finalized and approved by Board by Nov. 30, 2019.   | Nov. 30, 2019                                      |                |   |
| Implement 2020+  | 2020+  |                |   |

## GOAL #3: COLLABORATION & COOPERATION

3. COLLABORATION & COOPERATION – We will seek methods to positively work together to reduce expenses and have a best-practice model for others.

| STRATEGIES & TASKS: COLLABORATION & COOPERATION   | OWNER & DATE:                     | NEXT<br>STEPS: | STATUS:<br>Red=behind<br>Yellow=@risk<br>Green=on track |
|---|-----------------------------------|----------------|---|
| <ol> <li>Create RFQ, interview and hire consultant to work with CBCWA members to evaluate and prioritize items for collaboration based on savings, need/want, and other factors. This may include consulting services – consulting with member communities and expanding outside of external communities – similar to MPU – for guidance and expertise.</li> </ol>  | Board &<br>Technical<br>Committee |                |   |
| <ul> <li>Create RFQ by Dec. 31, 2017, which includes inviting GBWU<br/>to participate; and approved by Board by Feb. 28, 2018</li> </ul>  | Dec. 31, 2017;<br>Feb. 28, 2018   |                |   |
| <ul> <li>RFQ sent by March 1, 2018 and responses back by April 1,<br/>2018</li> </ul>   | March 1, 2018;<br>April 1, 2018   |                |   |
| <ul> <li>Evaluate consultants and interviews; as well as select<br/>consultant by April 30, 2018</li> </ul>   | April 30, 2018                    |                |   |
| <ul> <li>Develop contract, project scope and schedule/timeline for<br/>implementation and next steps by June 30, 2018.</li> </ul>   | June 30, 2018                     |                |   |
| <ul> <li>Consultant provides recommendations by Dec. 31, 2018 with<br/>clear timelines, priorities, and accountability.</li> <li>Recommendations should include prioritization and ROI of<br/>items to collaborate with each other. Discussions within<br/>CBCWA member communities first; and then expand to<br/>GBWU assuming they are part of the process. Goal is to<br/>achieve efficiency and be cost-effective.</li> </ul> | Dec. 31, 2018                     |                |   |

| Implement consultant priorities and best-practice elements into CBCWA members by Dec. 31, 2020 and possibly beyond.  | Board & Technical Committee Dec. 31, 2020+                |
|--|---|
| Determine which elements to implement by April 30, 2019.   | April 30, 2019  |
| <ul> <li>Implement into CBCWA structure by Dec. 31, 2020 and<br/>ongoing. Items dependent upon Consultant review and<br/>recommendations.</li> </ul>   | Dec. 31, 2020+  |
| <ol> <li>Based on prioritization and implementation of CBCWA and GBWU collaboration efforts, begin discussions with other regional entities (i.e. MPU, etc.) on items to collaborate related to joint purchasing and shared services. This should be an evaluation of feasibility and ROI. Goal is to achieve efficiency and keep costs low.</li> </ol>  | Technical<br>Committee                                    |
| <ul> <li>Create a new consulting agreement/contract with revised<br/>project scope to identify top priorities by April 30, 2021; which<br/>is discussed and evaluated by Technical Committee.</li> </ul>   | April 30, 2021  |
| Determine prioritized list and timelines for items to collaborate by Dec. 31, 2021. This includes items such as: pipes, valves, contracting, tower painting, billing, operations and maintenance, mechanical/electrical engineering, meter testing, space for crews/trucks, equipment, etc.  | Dec. 31, 2021<br>2021+                                    |
| <ul> <li>In parallel with collaboration discussions regarding shared services/joint purchasing with member communities and other regional entities; consider pros/cons and determine a conceptual plan by Dec. 31, 2021 of becoming a Regional Water Authority or other regional collaboration efforts such as: Cooperative agreements, co-permitting relationships, consolidation of functions, regional capacity contracts – which would be implemented long after 2021 and beyond.</li> </ul> | Dec. 31, 2021<br>(Info may come<br>from initial<br>study) |
| If decision is to proceed with broader regionalization, implement in 2022+. Could include municipal electrical utility as well as regional water authority.  | 2022+   |

GOAL #4: TRAINING & EDUCATION 4. TRAINING & EDUCATION – We will create processes and tools for effective orientation, engagement and succession of all key stakeholders.

| STRATEGIES & TASKS: TRAINING & EDUCATION  | OWNER & DATE:  | NEXT<br>STEPS: | STATUS:<br>Red=behind<br>Yellow=@risk<br>Green=on track |
|---|--|----------------|---|
| Utilize Orientation and Onboarding Manual with new Board members as appointed and review annually with current Board members (each October).  | Board and<br>Technical<br>Committee<br>October Annually<br>(ONGOING) |                |   |
| <ul> <li>Incorporate MPU tour into Manual and do tour every other<br/>year with entire Board and/or Technical Committee.</li> </ul>   | June every other<br>year<br>(ONGOING)                                |                |   |
| 2. Create Succession Plan for Manager.  | Board  |                |   |
| <ul> <li>Manager plan created and approved by Board by Dec. 31,<br/>2017; which includes position description.</li> </ul>   | Dec. 31, 2017  |                |   |
| <ul> <li>Should include list of responsibilities, expectations and<br/>determination of how to address future staffing based on rest<br/>of CBCWA Strategic Plan. Includes: keeping Manager as a<br/>person/role; seek someone with management/administration<br/>experience – not necessarily a P.E.; keep skills are<br/>Negotiate, Facilitate, Lead, be Opportunistic/Forward<br/>Thinking.</li> </ul> |  |                |   |
| <ul> <li>Board needs to determine if Clerical/Admin duties are part of<br/>Manager role or done by a CBCWA member and also if<br/>performance-based incentives are part of total compensation<br/>package.</li> </ul>   | Dec. 31, 2017;<br>April 1, 2018                                      |                |   |
| <ul> <li>New Manager Hired by April 1, 2018 and works with current<br/>manager through April 30, 2018.</li> </ul>   | April 1, 2018  |                |   |

GOAL #5: VALUE 5. VALUE – We will achieve the optimal balance of operations for the lowest total cost for all member communities.
