FOR IMMEDIATE RELEASE

Cibola County Updates Local Business Registration Ordinance

Grants, NM, October 7, 2019—On September 27, 2019 The Cibola County Board of Commissioners voted unanimously to approve updates to the existing business registration ordinance (91-02). The Cibola County Business Registration Ordinance 2019-02 applies to businesses located within the unincorporated areas of Cibola County excluding Tribal Lands.

The updates to the existing ordinance are minor and bring the ordinance more in line with the ever-changing state regulations. The over all structure of the ordinance has not been modified. The \$35.00 annual fee remains the same as in the previous ordinance, and the renewal continues to be required annually. All businesses that are required by state statute to obtain a Combine Report System (CRS) Tax ID number are required to register with Cibola County

Currently registered businesses will notice a change in the application form. Businesses, new and returning, will be able to obtain an information packet along with the application form. Business Registration renewals will begin January 1st through March 1st of 2020. New business registrations are due within 30 days after a new business is established.

The ordinance, registration application, and information packet are available on the Cibola County Website at http://www.cibolacountynm.com/businesses/business_information.php

For additional information you may also contact the Cibola County Clerk’s office (505) 285-2535 or the Cibola County Planning Coordinator at (505) 285-2555.
