Re: Neighborhood Revitalization Program

Property Tax Owner (Applicant):

In reviewing the Neighborhood Revitalization Program, on Criteria for determining eligibility is that the property owner shall not have any delinquent taxes and/or special assessment while in the five (5) or ten (10) year programs.

Since the program is subject to this criterion, please be advised that if your real estate taxes become delinquent during the five (5) or ten (10) year period which you are on the program, this will automatically cause you to forfeit any current or future rebates.

To be "a part of" or "to maintain" your status in the program, the Appraiser's Office will require a signature on this form to acknowledge that you have been notified of the delinquent tax issue at hand.
