

PRELIMINARY CONSENT AGENDA

FLORIDA INLAND NAVIGATION DISTRICT

Board of Commissioners Board Meeting

9:00 a.m., Friday, October 14, 2016

Marriott Hotel Pompano Beach

1200 North Ocean Blvd.

Pompano Beach (Broward County), FL 33062-4061

**Item A. Miami Dade County Small-Scale Derelict Vessel Removal Program
Application, Miami Dade County, FL.**

Miami Dade County has submitted a Small-Scale Derelict Vessel Removal Program application in the amount of \$30,000.00 to remove nine (9) vessels from the District's waterways. The application is consistent with the District's program rules.

(Please see back up pages 2-9)

RECOMMEND: Approval of the Miami Dade County Small-Scale Derelict Vessel
Removal Application in the amount of \$30,000.00.

**Item B. Palm Beach County Small-Scale Derelict Vessel Removal Program
Application, Palm Beach County, FL.**

The Palm Beach County has submitted a Small-Scale Derelict Vessel Removal Program application in the amount of \$30,000.00 to remove fourteen (14) vessels from the District's waterways. The application is consistent with the District's program rules.

(Please see back up pages 10-17)

RECOMMEND: Approval of the City of Fort Lauderdale Small-Scale Derelict Vessel
Removal Application in the amount of \$30,000.00.

Jupiter, FL 33477-9427

Re: FIND Small-Scale Derelict Vessel Removal Program Application Fiscal Year 2016-2017 – Miami-Dade County

Dear Mr. Crosley:

Please find enclosed a completed Small-Scale Derelict Vessel Removal Program Application submitted on behalf of the Miami-Dade County Department of Regulatory and Economic Resources' Division of Environmental Resources Management (DERM). DERM is applying for funding for the removal and disposal of nine (9) derelict vessels located in the District's waterways within Miami-Dade County. All of the vessels were removed from Biscayne Bay in late May and early June of 2016. The vessels' locations were within approximately one-half mile to two miles of the Intracoastal Waterway and all the vessels represented hazards to navigation and the environment.

The contracted cost for the removal and disposal of these vessels totaled \$40,100.00. We are requesting that FIND fund approximately 75 percent of these costs (i.e. \$30,000.00). The remaining contracted costs will be paid for by Miami-Dade County's Biscayne Bay Environmental Enhancement Trust Fund. Please note that the contracted costs are based on the lowest bids received from pre-qualified vendors via a competitive bidding process. Additionally, all costs related to management and oversight of the project were born by Miami-Dade County and are not included in the \$40,100.00 contracted cost.

In addition to the required Attachments A and B of the application, enclosed are FWC derelict vessel database reports for each of the nine derelict vessels, photographs of the derelict vessels before and during removal, aerial photo maps showing the vessels' locations, and contractor invoices. We respectfully request that this application be considered at the next scheduled meeting of the FIND Commission.

Thank you very much for your assistance and for this funding opportunity. If you have any questions or require any additional information, please do not hesitate to contact me at (305) 372-6581 or at ricisj@miamidade.gov.

Sincerely,

John Ricisak, Project Supervisor
Coastal & Wetlands Resources Section
