

PRELIMINARY CONSENT AGENDA

**FLORIDA INLAND NAVIGATION DISTRICT
Board of Commissioners Board Meeting**

9:00 a.m., Friday, December 13, 2013

**Hampton Inn New Smyrna Beach
214 Flagler Ave.
New Smyrna Beach (Volusia County), FL 32169**

**Item A. Miami-Dade County Small-Scale Derelict Vessel Removal Program
Application, Miami-Dade County.**

Miami-Dade County has submitted a Small-Scale Derelict Vessel Removal Program Application in the amount of \$20,000.⁰⁰ to remove eleven vessels from the District's waterways. The application has been reviewed by staff and is consistent with the District's program rules.

(Please see back up pages 2 - 30 that follow colored page)

RECOMMEND Approval of Miami-Dade County's Small-Scale Derelict Vessel Removal
Application in the amount of \$20,000.⁰⁰.

Re: FIND Small-Scale Derelict Vessel Removal Program Application FY13-14 – Miami-Dade County

Dear Mr. Crosley:

Please find enclosed a completed Small-Scale Derelict Vessel Removal Program Application submitted on behalf of the Miami-Dade County Department of Regulatory and Economic Resources' Division of Environmental Resources Management (DERM). DERM is applying for funding to be used for the removal and disposal of eleven (11) derelict vessels currently located in Biscayne Bay in the vicinity of Dinner Key. These vessels are all located within approximately one and one-half to two miles west of the Intracoastal Waterway and all represent an actual or potential hazard to navigation and to the environment.

DERM estimates that the contracted cost for the removal and disposal of these vessels will be \$41,000.00. We are requesting that FIND fund approximately forty-eight percent of these costs (i.e. \$20,000.00). The remaining costs will be paid for by Miami-Dade County's Biscayne Bay Environmental Enhancement Trust Fund. Additionally, all costs related to management and oversight of the project will be born by Miami-Dade County and are not included in the \$41,000.00 contracted cost.

Please note that in addition to the required Attachments A and B of the application, enclosed are FWC derelict vessel database reports and photographs of the eleven derelict vessels to be removed, an aerial photo map showing the vessels' locations, and contractor bid sheets. We respectfully request that this application be considered at the next scheduled meeting of the FIND Commission.

Thank you very much for your assistance. If you have any questions or require any additional information, please do not hesitate to contact me at (305) 372-6581 or at ricisj@miamidade.gov.

Sincerely,

John Ricisak, Project Supervisor
Coastal & Wetlands Resources Section
