Tony Brown, Executive Director

As LagoonKeepers.org continues to cleanup our local waters we have an opportunity to leverage our local dollars in ridding our waterways of derelict boats.

We are requesting support in acquiring the needed matching funds for a removal grant from Florida Inland Navigation District. We are in need of \$ 2,472.50 to removal three vessels from the waters of Riviera Beach.

The total cost of removing those three vessels are \$ 11,350.00. with Florida Inland Navigation District picking up the balance.

Your participation is greatly appreciated as we make our waters safer and cleaner.

Thank you,

RE: International Coastal Cleanup 2014: Lake Worth Lagoon sites and other intracoastal areas.
 Request for Funding

Dear Mr. Crosley:

The Ocean Conservancy has notified us that the date of the 2014 International Coastal Cleanup will be September 20, 2014. As you know, KEEP PALM BEACH COUNTY BEAUTIFUL, INC (KPBCB) is the local coordinator of the cleanup in Palm Beach County and the Florida Inland Navigation District (F.I.N.D) has been most generous in awarding us a \$10,000 grant for last year's cleanup to help defray the cost of the supplies and t-shirts commemorating the event that we give to the volunteers.

This year marks the 29th year of the Cleanup and we expect our number of volunteers to increase. We continue actively participating in the Lake Worth Lagoon Initiative Public Outreach Task Force, with the goal of continuing to expand our cleanup focus on the Lake Worth Lagoon and other intracoastal areas.

As always, we will prominently recognize the role of F.I.N.D. in our promotion of this annual event by displaying your logo on the marketing materials, shirts, banners and advertisements for this Cleanup.

Please send me the necessary grant application or agreement for this project for 2014-15 grants. I expect to have the final report on the 2014 International Coastal Cleanup and a request for payment to you by November 2014.

As always, please accept our sincere thanks for the opportunity to be the organization to receive the financial support allocated for Palm Beach County. Our success hinges on your continued help for which we are most appreciative!

Sincerely,

Lourdes U. Ferris
 Executive Director
