

**PRELIMINARY CONSENT AGENDA**

**FLORIDA INLAND NAVIGATION DISTRICT  
Board of Commissioners Meeting**

**9:00 a.m., Saturday, November 14, 2015**

**Hutchinson Island Marriott Beach Resort & Marina  
555 NE Ocean Boulevard  
Stuart, Florida 34996-1620**

**Item A. Keep Brevard Beautiful, Inc. Waterway Cleanup Program Funding Request,  
Brevard County, FL.**

Keep Brevard Beautiful, Inc. has submitted a funding assistance request for the Trash Bash (April 16), St. Johns River Cleanup (May 7) and the annual International Coastal Cleanup on September 17, 2016. The District has funded these successful cleanups in the past. The request is consistent with the District's program rules.

(Please see back up pages C2-C7)

RECOMMEND Approval of Keep Brevard Beautiful's request for \$15,000 from the District's Waterway Cleanup Program for the 3 Waterway Cleanups, Brevard County, FL.

October 23, 2015

Mr. Mark Crosley  
Florida Inland Navigation District  
1314 Jupiter, Florida 33477

Dear Mark,

Keep Brevard Beautiful, Inc. is in the preliminary stages of planning our 2016 cleanups. We appreciate all of your financial support in the past. We hope you will support our large community cleanups again next year.

We begin with the Trash Bash on April 16<sup>th</sup>. Different sites will be targeted on this date. We would like to target more volunteers in the St. Johns River Cleanup. The 2015 event brought out 71 volunteers who collected 3460 pounds of trash at 3 sites.

As an affiliate of Keep America Beautiful, we begin the year with the Great American Cleanup. Trash Bash is an annual opportunity to motivate our community to take action to control litter on the shorelines of the Indian River Lagoon with over 30 check-in sites throughout Brevard County. Next year it will be held on April 16, 2016. Competitions between cities and county commission districts hope to create added enthusiasm. Commemorative t-shirts are worn the day of the event. The 2015 Trash Bash results are: 1,1217 volunteers who collected 14 tons of trash.

The Coastal Cleanup, which is held on the 3<sup>rd</sup> Saturday in September, is another traditional large community cleanup event. The Ocean Conservancy asks for a survey of items found. Volunteers are also given commemorative t-shirts for the occasion. The 2015 cleanup brought out 1,201 volunteers who collected over 4 tons of trash. The lagoon portion of the cleanup alone saw seven check-in sites having 238 volunteers who collected 2,820 pounds of trash.

Beginning in 1988, FIND has provided waterway cleanup assistance for the Trash Bash. Our volunteer based cleanup effort is a high profile event which serves to motivate community pride while educating the community about the conditions which affect the Indian River Lagoon and St. Johns River. It is our sincere hope that FIND will continue to support these large

community cleanup events on the Indian River Lagoon and the St. Johns River, as we plan to make this year the best yet!

Keep Brevard Beautiful, Inc. is requesting \$15,000.00 for the year 2014 which will include three programs, one cleanup event in the St. Johns River and two in the Indian River Lagoon. If you have any questions regarding this request, please call me. Thank you for your consideration of this request.

Sincerely,

A handwritten signature in black ink that reads "Tony Sasso". The signature is written in a cursive style with a horizontal line above the first name and a horizontal line below the last name.

Tony Sasso  
Executive Director
