

## **PRELIMINARY CONSENT AGENDA**

### **FLORIDA INLAND NAVIGATION DISTRICT**

#### **Board of Commissioners Board Meeting**

**7:45 a.m., Friday, June 19, 2015**

**Hilton Cocoa Beach Oceanfront**

**1550 N. Atlantic Avenue**

**Cocoa Beach, Brevard County, Florida 32913-3268**

**Item A. Pelican Island Interpretive Signs, Small-Scale Spoil Island Restoration and Enhancement Program Project, Miami-Dade County, FL.**

Miami-Dade County has submitted an application for Small-Scale Spoil Island Restoration and Enhancement Program funding for the installation of interpretive signs on Pelican Island, a spoil island within Miami-Dade County. The project will install three (3), 3x3 ft, 12-color educational signs. The project is in consistent with the District's program rules.

(Please see back up pages 3- 5)

RECOMMEND      Approval of assistance funding in the amount of \$7,500.00 for the Miami-Dade County Pelican Island Small-Scale Spoil Island Restoration and Enhancement Project.

-----

**Item B. Waterway Cleanup Assistance to the Marine Industries Association of the Treasure Coast for the 8th Annual Treasure Coast Waterway Cleanup Project in Martin, St. Lucie and Indian River Counties.**

The Marine Industries Association of the Treasure Coast has submitted requests for Annual Waterway Cleanup Projects in Martin, St. Lucie and Indian River Counties. The District has funded these cleanups for the last five years and it has been very successful. The request is for \$5,000 per county for Martin and Indian River Counties, and \$10,000 for St. Lucie County. The District participates in one other annual cleanup in Martin and IRC, but not in SLC. The proposal is consistent with the District's program rules.

(Please see back up pages 6 - 14)

RECOMMEND      Approval of the request from the Marine Industries Association of the Treasure Coast for assistance with the Waterway Cleanup Project in Martin, and Indian River Counties in an amount not to exceed \$5,000 per county and \$10,000 in St. Lucie County.

---

**Item C.        Keep Jacksonville Beautiful Annual Waterway Cleanup Request, Duval County.**

Keep Jacksonville Beautiful, Inc. has submitted an assistance request for their International Coastal Cleanup (September 19, 2015). The District has funded this successful cleanup for several years. The request is consistent with the District's program rules.

(Please see back up pages 15-17)

RECOMMEND        Approval of Keep Jacksonville Beautiful, Inc.'s request for \$5,000 in assistance with its waterway cleanup.

**Small-Scale Spoil Island Enhancement Program Grant  
Application  
For  
Interpretive Signs for Pelican Island, a Spoil Island in  
Biscayne Bay  
Attachment E-1**

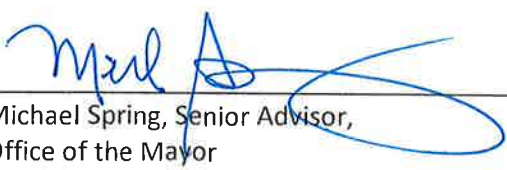

• Miami-Dade Parks, Recreation and Open Spaces Department (MDPROS) would like to enhance visitors' enjoyment and education of Pelican Island, a bird sanctuary and nature preserve, located on a spoil island managed by MDPROS through a 1985 Management Plan Agreement between the State of Florida and MDPROS, by adding interpretive signs to explain the critical ecology on and around the island. We propose to install three, 3 by 3 foot, 12 color, signs, mounted on posts all of which are estimated to last 20 years or more. We request that FIND provide a grant of \$7,500 toward the cost of this project. The Parks Foundation will provide the required \$750.00 match, in cash, as detailed on the budget form attached to this request.

The content of the signs will be determined by our Natural Areas Management (NAM) staff, then designed, constructed and installed by an outside vendor.

The staff of NAM is charged with managing the flora on the island which consists of periodically clearing exotic foliage. At least annually, NAM arranges to host a group of devoted volunteers who assist in managing the foliage .

Other current improvements to the island include a project to replace the deteriorated ADA accessible day dock used by the Pelican Skipper to ferry patrons to and from the island and add a floating dock to provide capacity for smaller water craft which we expect to increase usage of the island.

Office of the Mayor

# PROJECT COST ESTIMATE

**PROJECT TITLE:** Interpretive Signs for Pelican Island

**APPLICANT:** Miami-Dade Park,s Recreation and Open Spaces Department

<b>Project Elements</b> <i>(Please list the MAJOR project elements and provide a general cost break out for each one. For Phase I Projects, please list the major elements and products expected)</i>	<b>Quantity Estimated Cost (Number and/or Footage)</b>	<b>FIND Cost</b>	<b>Applicant's Cost</b>
<b>Fused Graphic panels</b>	<b>3 to 5 = \$3,750</b>	<b>\$3,050</b>	<b>\$700.00</b>
<b>Single Steel posts</b>	<b>3 to 5 = \$1,200</b>	<b>\$1,200</b>	
<b>Steel Pedestals</b>	<b>3 to 5 = \$1,200</b>	<b>\$1,200</b>	
<b>Shipping</b>	<b>= \$600</b>	<b>\$600</b>	
<b>Installation</b>	<b>= \$750</b>	<b>\$700</b>	<b>\$50.00</b>

**\*\* TOTALS =**

**\$8,250**

**\$7,500**

**\$750**

## PLAN FOR SIGNS AT PELICAN ISLAND

The three proposed signs will be three by three foot, twelve color, interpretive signs mounted on posts.

Sign 1.- Placed at the trailhead. Sign would contain a map of the island which highlights the trail, dock pavilions, natural area and other important features.

Sign 2. – Located at the midpoint in the trail. Sign would tell history of the island, restoration efforts and pictures.

Sign 3. – Placed at the end of the trail, this sign will describe the ecology species and environmental purpose. It will include pictures of plants and animals.

March 10, 2015

Janet Zimmerman  
Florida Inland Navigation District

Jupiter, FL 33477

Dear Ms. Zimmerman:

The Marine Industries Association of the Treasure Coast will be conducting the 8th Annual Treasure Coast Waterway Cleanup in Indian River County, to be held in conjunction with St. Lucie and Martin counties on Saturday, July 25, 2015. Since 2008, our combined efforts have removed more than 53 tons of trash from our waterways. We have engaged more than 5,600 volunteers and 1,900 boaters. In 2014, we removed 1.7 tons of debris from Indian River County waterways and had more than 174 participants.

This is our request for FIND sponsorship for the event. Our request is for \$5,000. In addition to FIND sponsorship we will be soliciting local businesses for sponsorship. Our proposed budget is included.

Our plan is to conduct a three county wide coordinated effort to clean up the Intracoastal Waterway including the spoil islands and area canals. We will utilize multiple drop off locations throughout Indian River County.

We have received many calls and e-mails from folks who participated in past years and are anxious to make this year's clean-up bigger and better. The MIATC covers Martin, St. Lucie, Indian River and Okeechobee counties.

I look forward to your response. Please feel free to contact me at (772) 285-1646, if you have any questions.

Sincerely,

April Price,  
Event Producer

Janet Zimmerman  
Florida Inland Navigation District  
1314 Marcinski Road  
Jupiter, FL 33477

Dear Ms. Zimmerman:

The Marine Industries Association of the Treasure Coast will be conducting the 8th Annual Treasure Coast Waterway Clean Up in Martin County, to be held in conjunction with Indian River and St. Lucie counties on Saturday, July 25, 2015. Since 2008, our combined efforts have removed more than 53 tons of trash from our waterways. We have engaged more than 5,600 volunteers and 1,900 boaters. In 2013, we removed 2 tons of debris from Martin County waterways and had more than 533 participants.

This is our request for FIND sponsorship for the event. Our request is for \$5,000. In addition to FIND sponsorship we will be soliciting local businesses for sponsorship. Our proposed budget is included.

Our plan is to conduct a three county coordinated effort to clean up the Intracoastal Waterway including the spoil islands, Manatee Pocket, Willoughby Creek and both the North and South Fork of the St. Lucie River. We will utilize multiple trash drop off locations throughout Martin County. We also plan to include a underwater dive cleanup at Pecks Lake Reef.

We have received calls and e-mails from folks who participated in past years and are anxious to make this year's clean-up bigger and better. The MIATC covers Martin, St. Lucie, Indian River and Okeechobee counties

I look forward to your response. Please feel free to contact me at (772) 285-1646, if you have any questions.

Sincerely,

April Price,  
Events Coordinator

Jupiter, FL 33477

Dear Ms. Zimmerman:

The Marine Industries Association of the Treasure Coast will be conducting the 8th Annual Treasure Coast Waterway Clean Up in St. Lucie County, to be held in conjunction with the Indian River and Martin counties on Saturday, July 25, 2015. Since 2008, our combined efforts have removed more than 32 tons of trash from our waterways. We have engaged more than 5,600 volunteers and 1,900 boaters. In 2013, we removed 2.3 tons of debris from St. Lucie County waterways and had more than 380 participants.

This is our request for FIND sponsorship for the event. Our request is for \$10,000. In addition to FIND sponsorship we will be soliciting local businesses for sponsorship. Our proposed budget is included.

Our plan is to conduct a three county wide coordinated effort to clean up the Intracoastal Waterway including the spoil islands, Taylor Creek and the North Fork of the St. Lucie River. We will utilize the same drop off locations as in 2015.

We have received calls and e-mails from folks who participated in past years and are anxious to make this year's clean-up bigger and better. The MIATC covers Martin, St. Lucie, Indian River and Okeechobee counties.

I look forward to your response. Please feel free to contact me at (772) 285-1646, if you have any questions.

Sincerely,

April Price,  
Event Producer

Ms. Janet Zimmerman  
Florida Inland Navigation District  
1314 Marcinski Road  
Jupiter, Florida 33477

Dear Ms. Zimmerman:

On behalf of the Keep Jacksonville Beautiful Commission and the City of Jacksonville, thank you for allowing KJB to apply for financial assistance for the organized removal of refuse within the District's waterway in Duval County.

Keep Jacksonville Beautiful is grateful for the past support the Florida Inland Navigation District has provided, allowing the removal of trash and debris from the St. Johns River, International Coastal Waterway, the Atlantic Ocean and local creeks and streams.

Keep Jacksonville Beautiful coordinated cleanups in March 2015, during the annual St. Johns River Celebration Cleanup, removing 35,940 pounds of debris from the St. Johns River, tributaries and other locations and will continue organizing cleanups for the remainder of the year.

Keep Jacksonville Beautiful will sponsor cleanups on September 19 in conjunction with the International Coastal Cleanup event, and on November 14 as part of the annual Right While Festival. Those events will involve the removal of debris from waterfront parks tributaries, the Inter Coastal Cleanup, Atlantic Ocean and the St. John's River. Attached for your consideration are maps of these locations.

Because of Florida Inland Navigation District's past generosity, Keep Jacksonville Beautiful has been able to purchase needed supplies for its annual cleanups. Attached for your approval is a budget outlining the expenditure all District funds.

We are grateful for the District's past support and look forward to working together in the future.

Sincerely,

*Daniel Durbec*
