REGULATORY PLAN FOR FY 2022-2023

I. **Background and Purpose.** Section 2 of Chapter 2015-162, Laws of Florida, which became effective on July 1, 2015, substantially reworded Section 120.74, Florida Statutes “Agency annual rulemaking and regulatory plans; reports.” Under the reworded statute, “[b]y October 1 of each year, each agency shall prepare a regulatory plan.” Florida Inland Navigation District (“District”), by virtue of being a multicounty special district whose governing board is comprised of nonelected persons, is an “agency” pursuant to Section 120.52(1)(a), Florida Statutes. This Regulatory Plan is adopted to satisfy the requirements of Section 120.74, Florida Statutes (2015).

II. **Section 120.74(1)(a).** This paragraph requires the District to “list each law enacted or amended during the previous 12 months which creates or modifies the duties or authority of the agency.”

A. During the previous 12 months, no laws have been enacted or amended which create or modify the duties or authority of the District.

B. Consequently, the District is not required to adopt any rules.

III. **Section 120.74(1)(b).** This paragraph requires the District to “include a listing of each law not otherwise listed pursuant to paragraph (a) which the agency expects to implement by rulemaking before the following July 1, except emergency rulemaking. For each law listed under this paragraph, the plan must state whether the rulemaking is intended to simplify, clarify, increase efficiency, improve coordination with other agencies, reduce regulatory costs, or delete obsolete, unnecessary, or redundant rules.”

IV. **Section 120.74(1)(c).** This paragraph requires the District to “include any desired update to the prior year’s regulatory plan or supplement published pursuant to subsection (7).” Also, “[i]f, in a prior year, a law was identified under this paragraph or under subparagraph (a)1. as a law requiring rulemaking to implement but a notice of proposed rule has not been published: 1. The agency shall identify and again list such law, noting the applicable notice of rule development by citation to the Florida Administrative Register; or 2. If the agency has subsequently determined that rulemaking is not necessary to implement the law, the agency shall identify such law, reference the citation to the applicable notice of rule development in the Florida Administrative Register, and provide a concise written explanation of the reason why the law may be implemented without rulemaking. ”

A. The District does not desire to make any updates to the prior year’s regulatory plan, and no supplements have been published pursuant to subsection (7).

B. No laws were identified in a prior year under paragraph 120.74(1)(c) or under subparagraph 120.74(1)(a)1. as a law requiring rulemaking to implement. Therefore, the requirements of subparagraphs 120.74(1)(c)1. and 2. are not applicable.

The certification must: 1. Verify that the persons executing the certification have reviewed the plan. 2.
