14.06	8.3	7.2
13.56	7.8	6.7
13.06	7.3	6.2
12.56	6.8	5.7
12.06	6.3	5.2
11.56	5.8	4.7
11.06	5.3	4.2

NOTE: The above chart was created to provide mariners with a guide for navigating Route 1. This chart is based upon bathymetric surveys of the Okeechobee Waterway performed by the Corps of Engineers. Conditions are subject to change and mariners should remain alert and aware of the actual on water conditions. Available water depth may be temporarily impacted up to 1.1 feet by strong winds.
