

Franklin Public Schools
Lifelong Learning Institute – Summer 2017

Enrichment STAR

Tuition \$152 full morning, one-week class, Monday - Friday

July 10 to 14, 8:30 AM to 12:30 PM

Let's Get Growing, entering grades K, 1

Join the fun as we experience vegetable and flower plants and gardening. Our gardening fun basics will include hands-on activities with soil, seeds, flowers, vegetables, bugs, water, weather and more.

Frozen Princess Party, entering grades 1 & 2

This class will be a sparkling winter wonderland for all princesses to enjoy. Fun activities will include singing, dancing, books, videos, cooking, acting, dress-up, crafts, and games.

July 17 to 21, 8:30 AM to 12:30PM

Frozen Princess Party, entering grades K & 1

This class will be a sparkling winter wonderland for all princesses to enjoy. Fun activities will include singing, dancing, books, videos, cooking, acting, dress-up, crafts, and games.

Out of this World, entering grades 1, 2, 3

Come learn about outer space! We will explore the moon, the solar system, and constellations.

July 31 to August 4, 8:30 AM to 12:30 PM

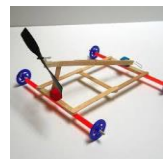

Itty Bitty Acting, for entering grades K, 1, 2

Play improvisation games, develop characters, read from a script, learn a song, move your body and bring out your hidden talent for acting. Great for budding performers to get rid of stage fright and shine in the spotlight.

Invention Convention, entering grades 1, 2

This course is a hands-on, science-based class filled with fun activities that foster creativity and inventive-thinking skills.
