PRESS RELEASE

Grand Island town-wide equity reassessment update

Grand Island NY, February 14, 2020: Emminger, Newton, Pigeon & Magyar, Inc. was awarded the town-wide equity reassessment project by the Grand Island Board last year.

In an effort to keep the property owners informed as to what information they will receive in the mail in March 2020, a public meeting will take place on Thursday, February 27, 2020 in the court room of the Town Hall at 6:30 p.m. At the meeting, information will be given as to exactly when the “new” assessment notices will be mailed out to the property owners and what the property owners’ next course of action is once they receive the notice. In addition, we will review the timeline and process for exemptions and answer any other questions the public may have.

If anyone has questions but cannot attend the meeting, they may call the Grand Island Project Hotline at 716-453-4300 or the Assessor is available at 2255 Baseline Road, Grand Island, New York/Phone 716-773-9600, Ext. 648, Ext. 651 or Ext. 653.
