Timber Assessed Value (TAV) is used in the base to set levies for voted bonds and capital projects for schools, fire districts and cities. One-half (1/2) of the TAV or 80% of the 1983 timber roll is used in calculating school district maintenance and operation levies, whichever is greater.

The above is the 'Final' assessed valuation of the various taxing districts in Grays Harbor County.

Grays Harbor County Assessor,
Rick Hole

December 17, 2014
