Timber Assessed Value (TAV) is used in the base to set levies for voted bonds and capital projects for schools, fire districts and cities. One-half (1/2) of the TAV is used in calculating school district enrichment levies.
NOTE: The 1983 timber roll is used instead of 1/2 TAV if the timber roll is greater.

The above is the 'Final' assessed valuation of the various taxing districts in Grays Harbor County.

Grays Harbor County Assessor,
Dan Lindgren

December 17, 2019
