APPLICATION FOR A STANDBY EMERGENCY GENERATOR INSTALLATION

This form is to be type written or hand written in a clear and legible format and accompanied with two copies of an accurate marked up survey or site plan showing the location of the proposed generator in conformance with Section 575-170.3 of the Village of Great Neck Village Code.

The New York State Workers Compensation Law requires that the installer/contractor provide a NYS Workers Compensation and Disability Insurance Certificate naming the Village of Great Neck as additionally insured. For more information visit www.wcb.state.ny.us. Homeowners may in lieu provide a completed Workers Compensation Exemption Form BP-1 accompanied with a copy of the Homeowners Property Insurance Certificate.

A gas pressure test witnessed and approved by the Building Inspector will be required and an Approved Third Party Electrical Agency Certificate of Compliance will be required prior to the issuance of a Certificate of Completion.

Application is hereby made to the Village of Great Neck for the approval of the details statement and plans herewith submitted for the installation of an emergency standby generator herein described.
