BUILDING DEPARTMENT

## OWNER/ CONTRACTOR CONSENT FOR THE INSTALLATION OF A WATER PERMEABLE PAVER SYSTEM

Property Address: \_\_\_\_\_

Permit Number \_\_\_\_\_ Section: \_\_\_\_\_ Block: \_\_\_\_\_ Lot: \_\_\_\_\_

**Important Note:** This installation requires 3 inspections by the Building Department:

- (1) Excavation and permeable substrate soil condition.
- (2) Installation of gravel base to the required depth.
- (3) Final installation of pavers.

I, the undersigned, understand the requirements for the installation of this water permeable paver system and will contact the Building Department for the designated inspections. I understand that if I do not arrange for the required inspections or do not follow the approved drawings, removal of the pavers and substrate may be required to confirm the proper installation.
