Dear Resident:

On behalf of the Board of Trustees and residents, welcome to the Village of Great Neck. I hope that you and your family enjoy your new home! Please visit our Village website at [www.greatneckvillage.org](http://www.greatneckvillage.org), for important updates and useful information.

Village staff are here to assist you at the Village Hall, located at 61 Baker Hill Road, Great Neck, or by calling (516) 482-0019, Monday thru Friday 8:30 am to 4:30 pm.

I would like to share with you some helpful tips and reminders:

- Sanitation pickup is performed twice a week and recyclables are picked up every Wednesday. Please see the attached schedule.
- If you need a special pickup for large items such as household furniture and appliances, please call (516) 482-0019, extension 142 to notify the Sanitation Department. Remember, Sanitation Department is prohibited from removing any construction materials.
- If you would like to perform any constructions at your home, such as a kitchen or bathroom renovation, extensions, paving your driveway or repairs to your sidewalk, building or expanding a patio or a deck, replacing sidings, updating your windows, building a fence or shed, installing HVAC units, etc., please be sure to check with the Building Department to obtain a proper permit. Remember, safety inspections are required to keep you and other Village residents safe.
- Maintaining your lawn and trees is your responsibility. Village Code does not allow for overgrown grass and shrubs. If you are hiring a landscaping professional, they must be registered with the Village. No commercial landscaping is allowed on Saturdays and Sundays and gas-powered blowers are prohibited from June to September. To prevent clogging storm drains, all grass and shrubs clippings must be properly discarded.
- If you need to remove a tree from your property, please contact the Building Department to obtain a permit for safe removal.
- Be considerate when planning a gathering. Any unreasonable, loud, disturbing, and unnecessary noise of such character, intensity, and duration as to be detrimental to the health of our neighbors, particularly between the hours of 11 PM to 7 AM, is prohibited. Courtesy is contagious!
- Maintenance of the sidewalk and the area to the curb is the responsibility of the adjacent property owner. As such, please remember to clear your sidewalk after snow and keep a safe passageway for pedestrians.

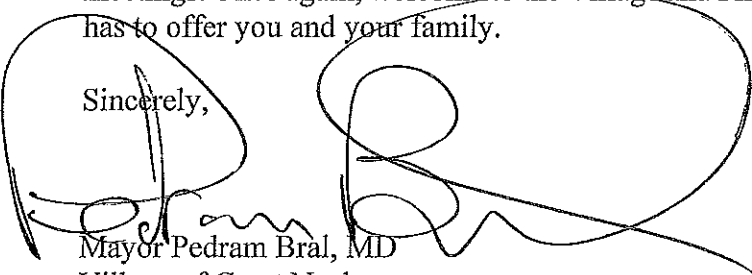

- There is no parking on any Village roads or parking lots between 3 am and 6 am.
- Village taxes are due once a year; tax bills are mailed at the end of May and due by July 1<sup>st</sup>.
- If you notice a streetlight out, pothole, missing street signage, concern for a Village tree or any other issue, please do not hesitate to contact the Village Hall at (516) 482-0019 so we may address the matter.

Here are some important contact numbers to have handy:

The Village can no longer dispose of TV's. Residents must contact the Town of North Hempstead or the retailer you purchased the new TV from to get disposal information.

Under no condition should the following be put out for collection: gasoline, waste oil, medical waste and pharmaceuticals, oil based paints, flammable liquids or toxic substances. For information on the disposal of these substances, see information on the 2018 S.T.O.P Program below.

**Your Contractor is Responsible for All Building Debris Resulting from Work Done on Your Property.**

### 2021 S.T.O.P Program

The Town of North Hempstead's S.T.O.P. (Stop Throwing Out Pollutants) program offers residents the opportunity to dispose of their household hazardous waste in an environmentally friendly manner.

For more information, please call the Town of North Hempstead's hotline by dialing 311 or visit [www.northhempsteadny.gov](http://www.northhempsteadny.gov)

### Snow and Ice Alert

Garbage and recyclable collections may be delayed or canceled due to weather conditions. In the event of snow or ice, a clear path free of ice and snow must be made from the street to the collection point. Failure to provide a clear path may result in a non-pickup. All sidewalks must be cleared of ice and snow within 24 hours.

**Remember: No motor vehicles may be parked on a public street or lot between 3 a.m. and 6 a.m., except where signage otherwise permits.**
