**Board Discussion**

Mr. Casey asked Ms. Spaugy about the Ft. McKinley cleanup which took place this past Saturday. Ms. Spaugy reported that there were 75/80 volunteers (less than expected due to the inclement weather). The cleanup was sponsored by the Keep Montgomery County Clean and the Dayton Dragons. There are two more cleanups to be scheduled in the Township. Ms. Spaugy will keep the Board informed when the dates are finalized.

Mrs. Godsey thanked the Sheriff’s Office for speaking at Steam Academy on the importance of thinking before you act and how not doing so can impact you later in life. The Township hosted the First Suburbs meeting and they used the new media equipment which worked very nicely. Discussion was held on how to make older homes more
appealing to residents and how it would they would like to see a judge assigned to hear code enforcement hearings only.

Mr. Winburn commented that he attended the 16th annual I70/75 Economic Development Summit recently. There was discussion on workforce development issues, Over-The-Rhine design concepts, opportunity zones and remodeling/demotion funding. Ms. Spaugy also attended the summit and she noted it was brought up that by 2025, millennials and generation Z population will completely take over the workforce and the way we do things now will be a thing of the past.
