Phone: (716) 735-7234 Fax: (716) 735-7561  
Email: JanetSlack@townofhartlandny.us

Keith E. Hurtgam, *Highway & Water Superintendent*

## Procedures for Culvert Pipe Installation

### **On Town Roads:**

1. Contact Highway Superintendent at 735-7234. He will inspect the site and determine size and type of pipe required.
2. Highway Department will notify property owner about the size and type of pipe required and will send out a Driveway Permit Application along with a copy of the Driveway Installation Law of the Town of Hartland.
3. Property owner will sign the Permit Application and return it to Highway Department.
4. Property owner is responsible for purchasing the required size and type of pipe.
5. After the pipe has been purchased, the Highway Department will provide the stone; and installation will be completed as soon as our work schedule permits.

### **On County Roads (Orangeport, Stone, Hosmer, Quaker, Carmen, and Hartland Road and Johnson Creek Road from Route 104 to Bradley Road):**

1. Contact Niagara County Highway Department at 439-7360 for their procedure and permit.

### **On State Roads (Route 104 and Route 269):**

1. Contact New York State Department of Transportation at 438-2396 for their procedure.
