Hartland Happenings

As 2024 comes to a close, I would like to thank everyone in the town for their overwhelming support in assuring the future of Hartland remains bright.

We were able to secure funding for our inclusive playground and a roof and windows for our town hall. Our Highway Superintendent was awarded monies to rebuild two bridges within town.

We updated our Comprehensive Plan and passed the updated Solar and Battery Energy Storage laws.

Please join us June 14th, 2025, as plans are underway for our 2025 Flag Day Celebration! The day will begin with the Dedication of the Eastern Niagara Veterans Helicopter Memorial.

The Dedication Ceremony will be followed with a full day of food, music and fundraising for our Volunteer Fire Department, Veterans, and other community organizations.

Please mark your calendars!

Thank You,

Margaret M. Zaepfel

Keep Up-To-Date on Everything Hartland!

Keep checking the Town Facebook page or the website at www.townofhartland.org for upcoming events and special announcements!

Pay in person at the Hartland Town Hall
Monday -Friday 9AM-3PM.

Dropbox outside of the Hartland Town Hall that payments can be deposited after hours.

Caitlin Clark

The construction of our new inclusive playground at the Hartland Town Park is making great progress. This exciting addition to our current playground was made possible through a grant awarded to the town by Niagara County. We look forward to celebrating the opening of this fantastic structure with a grand opening ceremony along with our Flag Day Celebration.

SUMMER.
I MISS YOU
SO MUCH

While it is cold out now, the Summer months will be here before we know it! Summer Recreation will begin July 1st, 2025 and run until July 31st, 2025.
