WATER REPORT: Read and filed

The Town of Ridgeway will be installing water down South Countyline Road, since we have on home on that road that does not have water hookup, we could piggyback with Ridgeway to supply that property.

PARK:

The splash pad is near completion. The parking area has been dug out, installed stone and put a barricade to prevent cars from driving down to the splash pad. The driveway is for emergency and maintenance vehicles only. The dirt areas have been seeded and covered with hay. The park rules for the splash pad have been posted and cement garbage cans have been ordered. The security cameras have been installed and will be in service by the July 3rd celebration.

Supervisor Annable, along with the board, commended the highway department for all their work on the splash pad and sent their appreciation to the crew.
