

**Town of Hartland  
Planning Board Meeting Minutes**

---

**Thursday Oct 20, 2022**

In attendance: Robert Harris, Robert Spencer, Beverly Spencer, Steven Urtel and Secretary Jennifer Mason

Margaret Darroch - Absent

Public Attendance: Town Supervisor - Ross Annabelle - left at 7:12

Meeting called to order at 6:37

**Chairman Bob Harris** informs the board that Kevin Campbell, with EDF, would like to take everyone on a tour throughout the Town of Hartland to point out the prospective locations.

The board agreed weekdays would be better than weekends.

**Ross Annabelle:**

He has met with the attorney and town board to discuss the proposed law.

EDF is contributing \$25,000 to us for attorney/engineer fees.

94c will cover battery storage if it is part of the original solar project, if the battery storage is brought up after the solar project we, the town, can make our own decisions regarding those scenarios.

Niagara county put in a new law, they have to have some kind of recycling plan.

EDF has not received all of the easements they need, however, they do have other solutions that would result in longer line distances.

Battery storage ideas were discussed.

Comprehensive plan: Was turned over to Wendell Associates to be rewritten or updated.

November training was discussed.

Next regularly scheduled meeting will be held on **Thursday November 17, 2022 at 6:30pm.**

Meeting adjourned at 8pm.

Respectfully submitted,

*Jennifer Mason*

Jennifer Mason  
Planning Board Secretary
