 - f) Sidewalks- Discussion on funding, programs, and approach.
- 10. Council Communications:
- 11. Announcements:
- 12. Adjournment:

MEMORANDUM

Date: October 7, 2022

From: Gary Bradley, City Manager

To: Mayor & Council

RE: Council Meeting of Tuesday, October 11, 2022

CLOSED MEETING AT 6:00 P.M. REGULAR MEETING AT 7:00 P.M.

- 1. **Peanut Days** The Kiwanis Club of Kewanee plans to once again use club members along with members of club sponsored student leadership programs for their annual Peanut Days on October 21st and 22nd. As usual, volunteers will be set up to solicit donations in front of locations throughout the community. Funds raised support the nine student leadership programs supported by the club. Approval of this request is included on the consent agenda.
- 2. **Woodland Palace** Staff had a meeting earlier this week with an architect who specializes in historic preservation projects. The architect will assist the city in identifying planning grants that may be helpful in our efforts to develop an itemized cost estimate and prioritization of tasks related to the improvements to the Woodland Palace itself. His initial estimates are that the overall costs of needed maintenance exceed one million dollars. As the park's revenue stream is significantly less than would be needed to fund improvements on that scale, it is important that we are able to identify those things which are critically important versus items that would be good to do but do not have I have an impact on the overall preservation efforts
- 3. **Grant Applications** Applications for both ITEP and OSLA D Grant programs were completed and submitted to the state last week in accordance with resolutions previously adopted and work sessions which happened in August and September.
- 4. **A New Approach** The Public Works Director is investigating the use of pretreatment materials as a means of reducing expenditures for snow removal while improving our level of service, particularly at intersections that have historically presented difficulties due to geometric profiles that result in slick conditions. This approach should reduce operating costs marginally while improving public safety on emergency routes, at intersections, or particular stretches of roadway that have been a concern in the past. This isn't a new approach, per se, but a new approach to us.
- 5. **OSHA** The Fire Department will host staff from the Illinois Department of Labor on October 12th for a voluntary OSHA compliance walk-through. The voluntary precheck should help to identify any concerns, which can then be addressed to help ensure that any subsequent visit by the Department of Labor does not reveal OSHA violations.

- 6. **Staff Development** Community Development staff attended training last week which included information about new editions IRC and IBC.
- 7. **Demolitions** Community Development has three demolitions that have advanced through the court portion of the process. Two of those structures are suitable for use by the Fire Department in conducting training for staff.
- 8. **Cemetery Decorations** Staff has spoken with a family member of approximately half of the grave sites where decorations were an issue.
- 9. **HCEDP** There is a Henry County Economic Development Partnership meeting scheduled for next week in Geneseo. Among the agenda items for discussion are the use of funds provided by DCEO through the RISE Grant to Henry County for the development of a tourism plan for the area. Another item on the agenda is the Enterprise Zone, along with its benefits, and an explanation of how the program works in a general sense, along with discussion about potential expansion of the Enterprise Zone as a means of adding employment opportunities in the region.
- 10. **City-wide Cleanup** The city-wide cleanup will be held on October 15th from 7 AM to noon, at the site of the former Kewanee Hospital. Volunteers are both welcome and needed.
- 11. **City Clerk** The new City Clerk has been in contact with American Legal Publishing to codify previously adopted ordinances, which will ensure that our most up-to-date code of ordinances is what appears both online and in written form should anyone need to view them. The City Clerk is also having her first exposure to the election process and has packets available for anyone desiring to seek candidacy in the upcoming primary (if one is necessary) and the upcoming general election in April.
- 12. **Flu Shots**—To help ensure the health of our workforce, Fire Chief Welgat has coordinated with the Henry County Health Department to provide employee vaccinations and against influenza virus on October 20th.
- 13. **Seasonal Employees** Seasonal Employees working for the City in the maintenance of parks and cemeteries will end their employment with the city on or about October 14th. IDOC Residents currently employed by the City will see their employment run through December 1st.
- 14. **Police Department Staffing Changes** Officer Josh Carpenter, the lateral transfer from the Galesburg Police Department, has completed his Field Training Program and is currently working on 2nd Shift patrol. Officer Trey Kazubowski graduated from the police academy last month and is in the final phase of his Field Training Program. He is expected to begin working solo on patrol on November 6th. Eric Peed, who was promoted to Sergeant at the last City Council meeting, is now operating as the 3rd Shift Patrol Sergeant. Sergeant Jason Gibbs has moved to the position of 1st Shift Patrol Sergeant. Sergeant Michael Minx returned to the Investigations Division as the Sergeant of Investigations.

- 15. **Sidewalk Funding and Approach** Information is included in the packet on the yea-to-date and projected spending. Budgeted and expended funds in this fiscal year and recent years far exceed what was traditionally spent, but are less than recently budgeted amounts that were subsequently trimmed. In FY 19, for instance, there was about \$67,000 initially budgeted for sidewalk programs, while actual expenditures were limited to about \$18,500.
- 16. **Sludge** Per the last report provided by Bock, Inc., 546,000 gallons of sludge were applied in august/Sept compared to 516,000 applied during the same period last year. The sludge basin has a significant amount of remaining capacity.
- 17. **Halloween** Barring objections from the City Council, staff will block off Prospect on October 31st from 5-7 p.m. to better ensure the safety of pedestrians on Halloween, as has been done for the past several years.

The September 26th, 2022 Council Meeting was called to order at 6:00PM. 5 Members of the City Council were present.

Motion to go into a Closed Session was made by Councilmember Faber, seconded by Councilmember Komnick. Motion passed 5-0.

Motion to adjourn to Open Session was made by Councilmember Colomer, seconded by Councilmember Baker. Motion passed 5-0.

Open Session was called to order at 7:00PM.

The Consent agenda included the following items:

- A. Payroll for the pay period ending September 10th in the amount of \$228,708.40
- B. Minutes from the Council Meeting on September 12th and Work Sessions on August 29th and September 19th
- C. Reports from Bock, Inc.

Motion made by Councilmember Komnick to approve the consent agenda, seconded by Councilmember Faber. Discussion: None. Motion Passed 5-0.

• Bills were presented in the amount of \$557,660.62

Motion made by Councilmember Faber to approve the bills, seconded by

Councilmember Baker. Discussion: Councilmember Colomer asked for clarification/update on the SCBAS and was updated by Captain Stout. He also questioned the training for Locis 8. The City Manager let him know that was for the staff's training on the updated software. The payment for Dorman Trucking was for the sludge hauling. Councilmember Komnick questioned the payments for Vision software. Kevin Newton explained that we are currently on a month to month contract rather than a yearly while he figures out some of the sanitation projects. Motion passed 5-0.

- Public Comments: Joel Hasse came forward and stated that he appreciated that we
 updated the slogan in the Chambers. He also checked the website and noted some of
 the updates the City Manager shared with him previously but that it is still out of date. He
 is pleased with the upcoming crime discussion and would like to see people from the
 state present to share information as well.
- **Promotion:** Eric Peed was promoted to Patrol Sergeant and received his new Shield.

New Business:

- A. Consideration of Resolution #5362 ratifying the purchase of two dump trucks to be used in the Public Works Department. Motion was made by Councilmember Faber, seconded by Councilmember Komnick. Discussion: Mayor Moore asked what would be done with the old trucks. Kevin Newton said they would probably be declared excess and would be sold. Motion passed 5-0.
- **B. Consideration of Resolution #5363** Certifying that the City of Kewanee has sufficient resources available to complete its proposed OSLAD project as specified within the program

requirements Motion was made by Councilmember Baker, seconded by Councilmember Komnick. Discussion: Councilmember verified that this was based off of information given and received at a previous Council workshop to which the City Manager confirmed. Motion passed 5-0.

- C. Consideration of Resolution #5364 authorizing the execution and submittal of documents that are necessary for the ITEP Grant program and acknowledging the City's intent to accept the award and complete its proposed project Motion was made by Councilmember Faber, seconded by Councilmember Colomer. Discussion: None. Motion passed 5-0.
- D. Consideration of Resolution #5365 to affirm the Mayor's recommendation for appointment to the Board of Trustees of the Fire Pension Fund of the City of Kewanee. Motion was made by Councilmember Komnick, seconded by Councilmember Faber. Discussion: Mayor Moore stated that Mr. Webb is interested in taking the position to better understand and serve the City. Motion passed 5-0.
- E. Consideration of an Ordinance #4107 amending Chapter 91 of the City Code to allow for the keeping of hens under certain conditions. Motion was made by Councilmember Baker, seconded by Councilmember Komnick. Discussion: Mayor Moore stated that this would be a no-win situation whereas there will be unhappy people no matter the outcome. He felt that the Council had already spent time discussing the matter and should get to the vote. Councilmember Colomer agreed with both statements and stated that this would be a difficult vote. Motion Failed 2-3 with Councilmembers Baker and Komnick voting Aye.

F. Discussion on Crime Statistics and Response

 Police Chief Nick Welgat and Deputy Police Chief Stephen Kijanowski presented information regarding the idea of community policing including Neighborhood Watch Programs and a QR Code system for checking businesses. They also shared crime statistics for the current and previous years for the City of Kewanee. All the graphs and charts are available in the City Council packet for this meeting, located on the City's website. They shared some goals for the City and Police Department in lowering crime in the community.

Mayor's Communications: Mayor Moore wanted to compliment the Police Department on how they handled the recent threat situation at Great Dane. The plant manager asked that Mayor Moore passed on his appreciation for a job well done. Congratulations to Kewanee High School on their 2nd place finish in the Geneseo band competition as well as the Drum Majors for receiving first place. Mayor Moore attended a conference over the weekend where he was able to talk with various elected officials from the state and other municipalities. He feels that the state legislators will be working very hard for our best interests.

Council Communications:

Councilmember Baker: He thanked everyone for coming to the meeting. He also wanted to thank the Police Department for all of the work on a daily basis as well as the work they put into tonight's discussion.

Councilmember Komnick: He mentioned attending the IML Conference recently. He went to a session that discussed being socially equitable within the community. He stated that we need a new approach regarding sidewalks and having them replaced. There are too many bad sidewalks in town that need attention. It was decided that this topic would be put on the Council agenda as a Discussion Item. Komnick also mentioned that he liked the new slogan on the Chamber wall.

Councilmember Colomer: He stated that he also attended IML and that a main take away was about budgeting and that many people don't realize how little of the property taxes actually com to the city as well as positions on the safety tax. Colomer wanted to state that the vote concerning hens was a hard decision and that the majority of people he heard from were not for having them in the city so that was how he felt he should vote. He thanked the Chief and Deputy Chief for being forward thinking and having ideas for the community.

Councilmember Faber: He thanked everyone for coming to the meeting and thanked the Chief and Deputy Chief for their work on the presentation. He knows it is something we need to work on and he is motivated to keep the discussion and ideas coming. He also agreed with Councilmember Colomer about the hen vote.

Announcements: City Hall and the Transfer Station will be closed Monday October 10th, 2022. No landscape pick up will be done that day. Trash and recycling pick ups will remain the same. The next City Council meeting will be held on Tuesday October 11th, 2022. The City-Wide Clean up will be held on Saturday October 15th at the old hospital site.

Motion to adjourn was made by Councilmember Colomer, seconded by Councilmember Baker. Motion passed 5-0. Meeting was adjourned at 8:34PM.

End Zone Sports Bar Hayrack Ride Route

The hayrack ride will make the following stops in order. The ride will leave at 5:00 p.m. from 116 East Third Street - End Zone Sports Bar. The first stop will be 315 East 3rd St - Jays, the second stop will be 831 Lake St. - Guppy's Lake, The third stop will be 200 East 7th Street – Timeout, The fourth stop will be 213 W 3rd St – Cerno's Bar & Grill. The ride will then return to the starting point at 9:30 pm.

The ride begins at 5:00 p.m. and will leave from 116 East 3rd St. - End Zone Sports Bar. They will head eastbound on East 3rd St. for 2 blocks to the 1st stop 315 East 3rd St – Jays. Once leaving the first stop the ride will head east bound down East 3rd St. They will cross across Route 34 and continue down East 3rd St until North Lakeview Ave. where they will turn northbound. They will continue down North Lakeview Ave. to the 2nd stop 831 Lake St. - Guppy's Lake. After leaving the 2nd stop they will turn east bound on Lake St. and travel to Florence St. where they will turn north bound. They will cross Route 34 onto E. 9th St. The ride will continue down E. 9th St. till N. Elm St. where they will turn south bound. The ride will go south bound turning right onto E. 7th St. Arriving at the 3rd stop Timeout. Once the ride leaves the 3rd stop it will turn north bound on N. Burr St. till it makes a left turn on E. 8th St. From there they will head west bound crossing Route 78. The ride will turn south bound onto N Tremont St. Heading south bound the ride will cross Route 81 to N. Tremont St. till it intersects W. 3rd St. to the 4th stop Cerno's Bar and Grill. Once finished the ride will head east bound on W. 3rd St. crossing Route 78 onto E. 3rd St back to the start location of End Zone Sports Bar. The ride is not allowed on any State of Illinois route. The tow vehicle shall be properly insured, have flashing amber lights, and an amber beacon light on its roof. The rack should have flashing amber lights and a slow moving vehicle triangle. A safety UTV following the rack will have an amber beacon light on the roof and a slow moving vehicle triangle. The UTV shall be licensed with the city and properly insured. All riders will sign a waiver, be 21+ years of age and No open alcohol is allowed at any time on the hayrack during the ride.

RESOLUTION NO. 5366

A RESOLUTION TO AFFIRM THE MAYOR'S RECOMMENDATION FOR APPOINTMENTS TO VARIOUS COMMISSIONS AND BOARDS AND DECLARING THAT THIS RESOLUTION SHALL BE IN FULL FORCE IMMEDIATELY.

WHEREAS,	The Mayor is responsible for the appointment of individuals to serve on various
----------	---

boards and commissions that serve the Council, and the community; and

WHEREAS, The Mayor hereby recommends the following individuals for appointment to serve on a board or commission as delineated, and for a term as indicated.

BE IT RESOLVED, BY THE CITY COUNCIL OF KEWANEE:

Section 1 The following citizens of the City of Kewanee are appointed to the following

board or commission, and for the term, indicated:

Board	Expires	City Code Sec.	Name	Address
Commission on Human Relations	May 1, 2024	Sec. 33.1101	August Wolf	220 ½ E Oak St

Section 2 This Resolution shall be in full force and effect immediately upon its passage and approval as provided by law.

٩do	pted b	y the Counci	I of the City	of Kewanee, Illinois this	11th da	y of October 2022.

ORDINANCE NO. 4107

AN ORDINANCE DESIGNATING NELSON AVENUE AS A ONE WAY SREET BY AMENDING SCHEDULE III ONE-WAY TRAFFIC RESTRICTIONS OF CHAPTER 77 TRAFFIC SCHEDULES, OF TITLE 7 TRAFFIC CODE OF THE CITY CODE, AND DECLARING THAT THIS ORDINANCE SHALL BE IN FULL FORCE AND EFFECT IMMEDIATELY UPON ITS PASSAGE AND AS PROVIDED BY LAW.

WHEREAS, the City received a request from an area resident to limit the direction of travel on

Nelson Avenue; and

WHEREAS, Nelson Avenue is unusually narrow, not heavily populated, and poses a potential

hazard to motorists as a two-way street; and

WHEREAS, staff has reviewed the request and finds that it is in the best interest of public

safety to restrict the direction of travel on Nelson Avenue; and

WHEREAS, the Mayor and City Council hereby accept the recommendation, and find it to be

in the best interest of motorist and pedestrian safety to establish a regulated speed

zone.

NOW, THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF KEWANEE, ILLINOIS, AS FOLLOWS.

SECTION ONE: Schedule III "One-way Traffic Restrictions" of Chapter 77 Traffic Schedules of the

City Code shall be, and hereby is, amended by inserting the underlined words

(sample) shown below in the appropriate alphabetized location:

Street	Location	Direction
Nelson Avenue	Between Goodrich and East Street	West

SECTION THREE: This Ordinance shall be in full force and effect immediately upon its passage and as provided by law.

Adopted by the Council of the City of Kewanee, Illinois this 11th day of October 2022.

ORDINANCE NO. 4108

AN ORDINANCE AMENDING THE CITY'S COMPREHENSIVE PLAN AND DECLARING THAT THIS ORDINANCE SHALL BE IN FULL FORCE AND EFFECT IMMEDIATELY UPON ITS PASSAGE AND AS PROVIDED BY LAW.

WHEREAS, the City of Kewanee adopted its revised comprehensive plan on October 23,

2000; and

WHEREAS, numerous changes have been adopted since the adoption of the revised

comprehensive plan; and

WHEREAS, it is unclear as to whether or not some amended or updated information has been

formally incorporated into the plan; and

WHEREAS, an amendment to the plan can provide a great deal of clarity with regard

applicability of the plan and the components that make up the plan; and

WHEREAS, the Mayor and City Council find that it is beneficial to update the comprehensive

plan until such time as a new one is developed and adopted.

NOW, THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF KEWANEE, ILLINOIS, AS FOLLOWS.

SECTION ONE: The City of Kewanee's Comprehensive Plan is amended by incorporating the

attached as the first two (2) pages of the plan.

SECTION TWO: Staff is directed to develop and update appendices as necessary after the last page of

the adopted plan in order to keep the plan up to date.

Adopted by the Council of the City of Kewanee, Illinois this 11th day of October 2022.

Comprehensive Plan

Originally Adopted July 24, 1995
Originally Revised October 23, 2000
Numerous revisions incorporated by reference October 11, 2022

Prepared by:

About this plan:

As is noted in the introduction of this plan, "A comprehensive plan examines a community's existing conditions and projects future needs and wants. Goals of the community are identified and strategies to achieve those goals are detailed. The comprehensive plan provides the framework for decision-making for land use, infrastructure and a variety of public investments." The more frequently and drastically a community changes, the more its comprehensive plan should change to reflect its altered existing conditions or wants and needs. The age of a plan does not dictate a need for amendment so much as altered conditions or the applicability of the plan.

To a large extent, the infrastructure in place at the time of adoption/revision and the land use and zoning in effect at that time are substantively the same. To the extent that there are changes in the city's boundaries, land use, and zoning, updated maps available on the City's website are hereby incorporated by reference. The goals identified in the plan remain goals for Kewanee as a community and the city as an organization until such time as they are amended or rescinded. Such goals do not limit the ability of the City Council to adopt additional or more specific goals that support development, redevelopment, or operational improvements within the community or the organization.

Additional plans such as area plans, master plans, capital improvement plans, or plans specific to an objective or initiative are likewise incorporated by reference. Additional amendments or alterations to the plan are further detailed as/or in appendices after the body of the originally developed and amended plan and may be viewed at City Hall during normal business hours or on the City's website.

COMPREHENSIVE GOALS

The following goals for the City of Kewanee are overall guidelines for development, land use and public investment. These goals reflect the results of the initial and subsequent public hearings and the previous community survey. The goals were reviewed during the 2000 Plan update process and affirmed as the vision for Kewanee. Specific methods to reach the goals are described more fully in the implementation strategy for each element of the Comprehensive Plan.

Goal #1. HOUSING

Ensure that housing opportunities exist in the City that are safe, standard, affordable and meet the needs of all the City's residents.

Goal #2. LAND USE

Ensure an appropriate pattern of land uses in the City which will provide for controlled growth to preserve the character, safety and welfare of the community.

Goal #3. INFRASTRUCTURE

Consider infrastructure needs and available capacity in the development and approval process for future development.

Goal #4. ECONOMIC DEVELOPMENT

Maintain a strong centralized business district for the City and encourage suitable commercial and industrial development.

Goal #5. RECREATION

Plan for recreational development that addresses unmet needs of the City and maintain existing facilities.

Goal #6. INTERAGENCY COOPERATION

Work with all groups providing public services such as education, emergency medical aid, libraries and police and fire protection to support their continued existence and growth and development.

Sidewalk Reimbursement Program Fund Analysis

Please see the attached Sidewalk Maintenance Program Budget Cost Projection. Only those with dates in the first column titled "Date Submitted For Payment" have been completed. Those without dates have started the process with the first inspection but have not proceeded any further.

The "Projected Total" column includes all sidewalk projects completed and those potentially in progress. The "Actual Total" column is the total of only those projects that have been completed and have been paid. The actual dollar amount left in the program is highlighted in yellow at the bottom right of the spreadsheet.
