## **MEMORANDUM**

**Date**: October 21, 2022

**From**: Gary Bradley, City Manager

**To**: Mayor & Council

**RE**: Council Meeting of **Monday**, **October 24**, **2022** 

WORK SESSION AT 5:30 P.M. CLOSED MEETING AT 6:00 P.M. REGULAR MEETING AT 7:00 P.M.

- 1. **Cemetery Decorations** Staff has spoken in person with a family member of the grave sites where decorations were an issue. Fall cleanup of the facilities is continuing as scheduled.
- 2. **Equipment** The new backhoe purchased for the cemetery has been delivered and is in use.
- 3. **Fiber** IMEG is reviewing plans submitted by Frontier for their first phases of extending their network throughout the community. Staff will follow up this week to confirm where they are in that process and when/where Frontier expects the work to begin.
- 4. **CDL Changes** The state has changed the process for obtaining a CDL, now requiring an in-person/certified class as part of the process. Naturally, such classes have a tuition cost, which increases the cost of hiring new staff. We hope to obtain funding similar in nature to what we received for paramedic training/police academy.
- 5. **Public Works Hiring** Due to a recent resignation, we have an opening within the Public Works Department and have another one expected in the coming months. We have advertised for the openings and hope to fill the positions soon, as one of the first things a new employee might be required to complete would be attending a course to obtain a CDL, which is only taught one time per semester.
- 6. **Tourism Bureau** The Henry County Tourism Bureau, once thought to have been eliminated as an entity, is minimally functional again. County employees are serving as the principle board/staff members at this time. At an upcoming meeting next month, the remainder of the board positions will be filled and the organization can begin the process of hiring a person to develop and implement a tourism program. Funding for the program comes from the RISE grant applied for by Henry County/HCEDP.
- 7. **OSHA** The Fire Department hosted staff from the Illinois Department of Labor two weeks ago. Only minor issues were identified during the voluntary compliance walkthrough.

- 8. **Career Fair** Central will be holding a career fair for its students next month. City staff will assist in the program, helping to promote career in the various field represented within local government.
- 9. **Air Packs** Delivery of the air packs ordered by the City for the Fire Department has been delayed until November.
- 10. **Demolitions** In addition to the demolitions to be award at this meeting, there are two other houses that are making their way through the demolition process.
- 11. **RAP** The property at 719 Gilbert was cleaned up through the Residential Assistance Program, with volunteers provided by Hill Church assisting the senior citizen who was unable to maintain the property.

The October 11th, 2022 Council Meeting was called to order at 7:00PM. 3 Members of the City Council were present, with Councilmembers Faber and Colomer absent.

## • The consent agenda included the following items:

- A. Payroll for the pay period ending September 24<sup>th</sup> in the amount of \$207,266.27
- B. Minutes from the Council Meeting on September 26<sup>th</sup>
- C. Staff Reports
- D. Kiwanis Peanut Days
- E. Halloween

Motion was made by Councilmember Baker to approve the consent agenda, seconded by Councilmember Komnick. Discussion: None. Motion Passed 3-0.

• Bills were presented in the amount of \$1,108,948.72

Motion made by Councilmember Komnick to approve the bills, seconded by Councilmember Baker. Discussion: None. Motion passed 3-0.

### Public Comments:

- Dan Stollenwerk came forward to discuss his feelings on the proposed Ordinance for Nelson Ave. He was told that he could discuss that when the Council reached that item on the agenda.
- Kimberly McDonald returned to speak with the Council. She had previously requested that a No Parking sign be placed in front of her property. She lives near the bar on Lake St and cars consistently park in the Right of Way in front of her home. It causes issues with the yard and noise. She also had complaints regarding the bar and its beer garden. She was instructed to call the Police Department when she saw issues so that they could be addressed in real time. She was also told that the City is looking into placing a No Parking sign where she requested. The KPD is gathering pictures/footage/info to make a recommendation.
- Keith Richardson asked the Council for permission to have a live band at his residence on Saturday October 15<sup>th</sup>. He was told that the Council cannot act on an item not listed on the agenda. In the future, he should give enough notice so that the Council could talk to neighbors. Police Chief Welgat said there is nothing prohibiting him from having a live band perform however, he must follow noise ordinances and if complaints were filed they would have to be looked into.

## New Business:

- A. Endzone Hayrack Ride allowing End Zone Sports Bar to conduct a Hayrack Ride on Saturday October 15th starting at 5pm. Motion was made by Councilmember Baker to approve the Hayrack Ride, seconded by Councilmember Komnick. Discussion: Councilmember Komnick asked if this was the same ride they have done before. Police Chief Welgat stated that it was different but that he had spoken with the owners and they have everything in order. Chief stated that from the Police's point of view, everything is good to go. Motion passed 3-0.
- B. Consideration of Resolution #5366 to affirm the Mayor's recommendation for appointments to various commissions and boards. Motion was made by Councilmember Komnick to approve, seconded by Councilmember Baker. Discussion: None. Motion passed 3-0.

- C. Consideration of Ordinance #4107 designating Nelson Avenue as a one-way street by amending Schedule III One-way Traffic Restrictions of Chapter 77 Traffic Schedules, of Title 7 Traffic Code of the City Code. Motion was made by Councilmember Komnick to approve the ordinance, seconded by Councilmember Baker. Discussion: Four area residents came forward to voice their opinions on the ordinance. There was a consensus that there is an issue with the road being narrow and people speeding down the street. However, they are not sure that a One-Way is the right option. Police Chief Welgat stated that he could have the speed sign posted on Nelson to give us more information on how many cars use the street and at what speeds. The council agreed that more information was vital to making a decision. Both Councilmember Baker and Komnick rescinded their motions and Councilmember Komnick made a motion to table the discussion until more information was available, seconded by Councilmember Baker. Motion to table the discussion passed 3-0.
- D. Consideration of Ordinance #4108 amending the City's Comprehensive Plan. Motion was made by Councilmember Baker to approve the amendment, seconded by Councilmember Komnick. Discussion: Gary Bradley stated that this says the City has a Comprehensive Plan and that we plan to keep it in use and when we approve changes in Zoning or Land Use that they are incorporated by reference. Motion passed 3-0.
- E. Discussion on Alternate Revenue Bonds. The City Finance Director, James Webb, gave the Council information on the current situation with the Bonds the City has and how we might proceed this year and in coming years. There are options of rolling over those bonds or discontinuing them. There will always be flexibility with having bonds or not.
- F. Discussion on Sidewalks: funding, programs, and approach. This item was tabled so that the full council may be present for the discussion.

## Council Communications:

- Councilmember Komnick: He wanted to remind everyone of the Ice Cream Social being held by the Henry County Mental Health Alliance on Wednesday 10/13/22 at Windmont Park.
- Councilmember Baker: He had a question regarding the gambling parlor on East Third St.
   He wanted to know when it opened. He was informed that it opened recently.

## Mayor's Communications:

- Mya Mirocha had an 8th place finish at the state golf meet. Congratulations to Mya.
- Kewanee High School Band competed in Metamora; they placed 3rd overall in class 5A, and took 1st with their drum major.
- Several weeks ago, Brady Clark set the Kewanee High School record for career points after touchdown. Brady is a junior now, so he has another full season to add to his own record. Congratulations to Brady.

## **Announcements:**

- City Wide Clean Up will be this Saturday October 15th at the old hospital site. Due to this, it will not be a burn day.
- Cemetery clean up will be this month from 20th-30th. Please remove all flowers and decorations prior to the 20th. Anything remaining will be discarded.

Motion to adjourn was made by Councilmember Komnick, seconded by Councilmember Baker. Motion passed 3-0. Meeting was adjourned at 7:55PM.

The Honorable Mayor Gary Moore and City Council of Kewanee 401 East Third Street Kewanee, IL 61443

Dear Mayor Moore and City Council Members:

Good Fellow's Christmas Basket Club requests permission to hold a "Tag Day" on Saturday, November 5 and Tuesday, November 8, 2022. The times on Saturday and Tuesday will be from 9:00 am through 5:00 pm

All money raised will remain in Kewanee to prepare baskets of food to help economically deprived families at Christmas. Last year 721 families were assisted.

Thank you in advance for considering this matter.

Emron Buchanain

Sincerely,

Amron Buchanan, President

Good Fellow's Christmas Basket Club, Inc.

We need this on the consent agenda Oct. 24

Honorable Mayor and City Council Kewanee City Hall 401 E. Third Street Kewanee, Illinois 61443

RE: Report from Zoning Board of Appeals for October 19, 2022, meeting.

The Zoning Board of Appeals convened at 5:00 p.m. October 19, 2022, in the Council Chambers at Kewanee City Hall. ZBA member Martinez was absent. For business, there was one variance petition application upon which to conduct a public hearing.

#### CASE ONE:

550 Whitney Ave., A variance of 8% (772 Sq Ft) to the allowable lot coverage and 12 feet to the required rear yard setback in a R1 one-family dwelling district to allow for an addition to the existing house and garage.

#### **Background Information:**

Chad & Penny Williams met with me at City Hall to discuss their plans for a large addition to their existing house and garage. Their plans include attaching the existing garage to the house which will require footings to be placed under the slab foundation and under pinning the footings to the slab. Chad and Penny agreed to this and were already aware of that requirement.

Besides attaching the existing garage to the house, their plans include adding an additional 24' x 24' addition to the East of the existing garage which will put the structure 18' off the rear (East) lot line. This puts the structure 12' too close to the lot line without a variance.

The other part of their plan includes adding additional living space to the existing house which will put them over the maximum lot coverage of 35%. A variance of an additional 8% (for a total of 43%, an additional 772 square feet) is requested.

Phone 309-852-2611, Ext. 222 Fax 309-856-6001

Lot size:	66' x 150'	9900 sq. ft.	
Permitted lot coverage 35%:		3465 sq. ft.	
Current buildings coverage 23%:	House	1700 sq. ft.	
	Garage	576 sq. ft.	
	Total	2276 sq. ft.	
Lot coverage with proposed additions	43%:	4237 sq. ft.	8

Please see the attached satellite photo and drawings for visual representation of the proposed additions.

If the variances are approved, all work will be inspected to ensure compliance with all adopted building codes.

#### The Subject Property:

Address: 550 Whitney Ave.

Legal Description: LT 11 BLK 1 CRABTREES SUB VILLAGE OF WETHERSFIELD CITY OF KEWANEE,

County of Henry, State of Illinois.

Location: Northeast corner of Whitney Ave. and W. College St.

Zoning: R-1 One-Family Dwelling District.

Dimensions: 66 feet North to South by 150 feet East to West, 9,900 Sq. Ft area.

Existing Buildings or Uses: Single-family dwelling and detached garage.

Existing Land Use Map: Low Density Residential. Proposed Land Use Map: Low Density Residential.

#### The Surrounding Area:

Zoning District(s): Surrounding land is zoned R-1 One-Family Dwelling District.

#### Uses of Land:

The surrounding land contains single-family dwellings.

#### Variance Requested:

A variance of 8% (772 Sq Ft) to the allowable lot coverage and 12 feet to the required rear yard setback in an R1 one-family dwelling district to allow for an addition to the existing house and garage.

The city has no objection to the variance request.

#### **The Public Hearing:**

At 5:00 p.m. October 19, 2022, the hearing on the variance request at 550 Whitney Ave. was held. Chad and Penny Williams were present to represent the petition.

- Edwards read the background information to the Zoning Board.
- Edwards said that ZBA Member Kuffel contacted him a few weeks ago concerning an
  alley that possibly runs through the middle of the block to the North and South.
  Edwards did some research on the possible alley and discovered there has never
  been an alley; however, there does exist a utility easement, for sewer, which
  extends 5 feet into the Williams' yard. This 5 feet of easement would be 13 feet off
  the proposed garage addition. Edwards consulted Public Works Manager Kevin
  Newton. Newton stated that he has no issues with the proposed variance.
- Edwards reminded the board that the Williams' have requested two variances, one for the setback and the other for lot coverage. So there will need to be two separate motions etc.
- Chad Williams addressed the board. Williams stated they need the extra garage space for extra room for his tools. He also stated that the current house is just too small when they have family gatherings, and they also want to increase the size of the kitchen. They also like the neighborhood and do not want to relocate.
- Board member Brackett made mention that he had relation that lived there in the past and agreed that the existing kitchen is small.
- Board members Ensley, Kuffel and Thompson stated they spoke with some of the neighbors and heard no opposition.
- Denise Marsh who lives one house North of the Williams addressed the board. She stated she wanted to make sure that the Williams were not encroaching upon her property. Marsh was assured that the variance requested will not go North any closer than they are right now.

#### **Recommendation:**

After discussing the facts and testimony presented, the Zoning Board of Appeals recommends, based on the authority of §33.062 of the City Code, by a vote of 6 in favor of the application, none opposed and one absent, that the City Council grant the variance petition for 8% (772 Sq Ft) to the allowable lot coverage allowing for total lot coverage of 43%.

Additionally, the Zoning Board of Appeals recommends, by a vote of 6 in favor of the application, none opposed and one absent, that the City Council grant the variance petition for 12 feet to the required rear yard setback in an R1 one-family dwelling district to allow an 18 feet rear yard setback for an addition to the existing house and garage.

#### MICRO-LOAN PROGRAM

#### **PURPOSE**

The purpose of the Micro-Loan Program is to assist small businesses and start-ups, helping to ensure entrepreneurial spirit and job creation within the community. Microloans are typically defined as very small, short-term loans with a low-interest rate, extended to self-employed individuals, new startups with very low capital requirements, or small businesses with only a few employees. Microlending organizations usually offer microloans between \$500 and \$50,000 in financing, and SBA microloans average about \$13,000 each. Other microloan programs remain available for larger loans.

#### AUTHORIZATION

The City of Kewanee is the administrator of this program. Budgetary approval for the program rests with the authority of the City Council, while authorization for program implementation is the responsibility of the City Manager and assigned staff.

#### **ELIGIBLE AREAS**

Financing under this program is available to all eligible businesses located within the city limits of the City of Kewanee.

#### **ELIGIBLE APPLICANTS**

Applicants for the program must be existing legal businesses, located within the City of Kewanee, with a proper local business license (if applicable), insurance, and required permits per local, state and federal requirements, or corporations in good standing looking to locate or relocate in Kewanee. If an applicant is a new start-up business and does not have proper licenses or insurance, then these items can be made a condition of approval. The business can be a tenant leasing space or an owner of property where the business is located.

Applicants with a long-term presence in the

community and/or that have greater potential to create or retain larger numbers of jobs or have circumstances which are more urgent in nature will be viewed more favorably than those for which such circumstances are not present.

#### PROGRAM BENEFITS/ELIGIBLE USES

Eligible use of program funds include but are not limited to:

- Working capital
- Inventory or supplies
- Furniture or fixtures
- Machinery or equipment

The City of Kewanee and program participants shall negotiate benchmarks and goals for employment, sales, and other measurables to ensure that the City's investment of funds is merited.

#### **FUNDING INFORMATION**

The program operates year-round, with applications accepted on a continual basis and funded on a first come, first served basis until budgeted resources are exhausted. The minimum loan under this program is \$2,500 and the maximum loan amount is \$20,000.

## APPLICATION/APPROVAL PROCEDURE

Applications are available at City Hall and online through the City's website. The City will evaluate applications based on the information submitted and the project's conformance with adopted goals and desired outcomes of the City's Community and Economic Development Plans.

A completed application form and required submittals shall be submitted to the City, including a detailed description of the intended use of funds and collateral to be pledged as security for the note, if applicable.

Approval of applications, though dependent upon available funding as budgeted by the City Council, is conducted at the staff level based on project eligibility and applicability and requires no action from the governing body for loans under \$25,000.

Typically, loans under the program are for a period not to exceed 60 months. Terms and conditions of each loan will vary based on circumstances. Options including loan forgiveness require city council approval.

PURPOSE	water and sewer utilities curbside collection to ac	,

BACKGROUND	The last rate increases for water and sanitation services were in July 2016 and September 2017 respectively. While sewer rates were raised in May 2021 to address capital improvements to the Waste Water Treatment Plant and sanitary sewer collection system, a rate increase is required to account for the debt service payment associated with the water and sewer bond. The tax previously levied used to cover that cost will not be levied moving forward negating the financial impact to residents of the water and sewer rate increase.  While the water and sanitation rates have been able to sustain the level of service provided, the rising costs associated with operations and personnel, and the capital needs in sanitation, the funds will be
SPECIAL NOTES	unable to remain self-sufficient.  N/A
ANALYSIS	The proposed increases to the individual funds would collectively generate the \$300.000 necessary for the payment of the water and sewer bond and fund the capital purchases necessary in sanitation. Additional revenues would address the rising operational and personnel costs, and provide funding used in the maintenance and repair of the City's infrastructure  Staff benchmarked our fixed/base rates for water, sewer and sanitation services and found we are on
	average 15.6% lower in overall cost compared to other cities. Indicating rate increases to cover the funds' costs, short and long term, are in line with our caparables.
	Please see the attached documentation outlining the recommend rate increases with implementation timeline and utility rate comparison.

#### ORDINANCE NO. 4111

AN ORDINANCE TO AMEND SECTION 52.20(A.1) ESTABLISHMENT OF RATES AND CHARGES OF CHAPTER 52 WATERWORKS, SECTION 51.097(A) WASTEWATER SERVICE RATES AND CHARGERS OF CHAPTER 51 SEWERS, AND SECTION 50.09(A) RATES AND RULES FOR SOLID WASTE PICKUP OF CHAPTER 50 SOLID WASTE MANAGEMENT, OF TITLE V PUBLIC WORKS OF THE KEWANEE CITY CODE, AND DECLARING THAT THIS ORDINANCE SHALL BE IN FULL FORCE IMMEDIATELY.

- WHEREAS, Changes to water rates were last approved in 2014 with the last increase in 2016; and
- **WHEREAS,** Changes to sanitary sewer rates were last approved in 2021 with planned increases already adopted to account for increases in operating costs; and
- WHEREAS, Changes to solid waste rates were last approved in 2017 with the last increase in 2017; and in 2016; and Sanitary sewer rates were last approved in 2014, with the last increase occurring five years ago in 2016, and;
- **WHEREAS,** The rates previously adopted did not include funding for debt service attributable to the respective enterprise funds; and
- **WHEREAS,** the rates previously adopted for water and solid waste service did not provide adequate funding for increases in operating costs; and
- **WHEREAS,** It is considered a "best practice" in the field of governmental accounting for enterprise funds to charge rates and fees sufficient to cover operating costs and capital costs or debt service incurred to cover the cost of capital improvements, and;
- **WHEREAS,** The Council finds the best practice is to institute incremental rate increases over a period of time to address the incremental increase in expenses to operate the enterprise funds and the services they provide.

NOW THEREFORE BE IT ORDAINED, BY THE KEWANEE CITY COUNCIL, IN COUNCIL ASSEMBLED, AS FOLLOWS:

Section 1 Section §52.20 of the Kewanee City Code is hereby amended by striking the words shown as stricken through (sample) and inserting the words shown as underlined (sample) at their respective locations.
