MEMORANDUM

Date: April 6, 2017
From: Gary Bradley, City Manager
To: Mayor & Council
RE: Council Meeting of **Monday, April 10, 2017**

CLOSED MEETING AT 5:30 P.M.
BUDGET WORKSHOP AT 6:00 P.M.
REGULAR MEETING AT 7:00 P.M.

1. **Murphy's** – The agreement developed for your consideration provides for a mutually beneficial agreement as provided for in the City's codes.
2. **Chlorides** – We're getting closer to a definitive answer. We know for certain now that in the testing, the chlorides have been lowered enough for us to be compliant. We still have a little more analysis to complete regarding the capacity of the well before we make a recommendation.
3. **BR&E** – The next breakfast meeting is scheduled for next Tuesday. We're hoping the event will be as well received as the first one was.
4. **BR&E 2** – as a result of the first meeting, some training and informational programs have been put together as a "Lunch and Learn" series that will begin May 9th. The program will consist of four topics, each of which came up during the initial BRE Breakfast.
5. **Walldogs Sign** – The contractor has been contacted and is waiting on better weather and dry ground, but the sign will be up sometime soon.
6. **Springfield** – The Mayor and I attended the Henry County Legislative Day in Springfield. I felt like the meetings were helpful, and some of the contacts we made will come in handy in the future.
7. **AFSCME Negotiations** – Negotiations continue. I will provide an update in closed session on Monday prior to the regular meeting.
8. **OSF Business Relations Committee** – I participated in an OSF Business Relations Committee meeting. The group provides a great opportunity to collaborate with others from the community on projects that are important to businesses. The annual golf tournament, for instance, raises funds for immunizations for children. Businesses often fail to see the link between such an event and their productivity, but one of the leading

causes of employee absences is the need to care for a sick child. With immunizations, there are fewer sick children, thus fewer absent workers.

9. **911** – The consultants came to visit the telecommunications facility as a part of the study that is being conducted for the Henry County 911 Board. Their report is scheduled to be complete in about 60 days.
10. **Ameren** – I'm working on a grant application for submission to Ameren to help fund improvements that will be required to the downtown area, as discussed in my last memo. The Mayor and/or I will attend the Hog Days Committee meeting on April 11th, to gain their input.
11. **NWS** – The City will be hosting spotter training next week, which will help improve our ability to respond during inclement weather involving potential tornadoes.
12. **Mass Casualty Drill** – The City will observe a Mass Casualty Drill at the Prison next week, with the intention of participating in similar training events in the future.

CITY OF KEWANEE CITY COUNCIL AGENDA ITEM		
MEETING DATE	April 10, 2017	
RESOLUTION OR ORDINANCE NUMBER	Resolution #5043	
AGENDA TITLE	Consideration of a Resolution authorizing the City Manager to enter into an agreement with Murphy's Container Service	
REQUESTING DEPARTMENT	Administration	
PRESENTER	Gary Bradley, City Manager	
FISCAL INFORMATION	Cost as recommended:	N/A
	Budget Line Item:	N/A
	Balance Available	N/A
	New Appropriation Required:	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
PURPOSE	Authorizes the City Manager to enter into an agreement with Murphy's Container Service in regards to billing and transfer station usage.	
BACKGROUND	Section 50.10 of the City Code(E)(1) authorizes the City Manager to negotiate with commercial solid waste haulers in order to arrive at a rate that is beneficial to the City in regards to a long term contract with a commercial hauler delivering solid waste to the transfer station. In order to establish negotiated rates an agreement must be for a minimum of three years and a minimum tonnage guaranteed. The negotiated rates are then approved by the City Council. The agreement is under review and will be sent to Council as soon as the review is complete.	
SPECIAL NOTES	N/A	

ANALYSIS	The proposed resolution provides some certainty to a local business regarding our pricing, which impacts their ability to provide services. At the same time, it provides assurances to the City that we won't make improvements to the transfer station, only to have one of our largest customers take their business elsewhere, and provides other tangible benefits including but not limited to helping to maintain local employment, and continues assistance with programs that help to enhance the appearance of the community.

STAFF RECOMMENDATION	Staff recommends adoption.

RESOLUTION NO. 5043

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE AN AGREEMENT BETWEEN THE CITY OF KEWANEE AND MURPHY’S CONTAINER SERVICE CONCERNING TRANSFER STATION RATES AND USAGE AND DECLARING THAT THIS RESOLUTION SHALL BE IN FULL FORCE IMMEDIATELY.

WHEREAS, the City of Kewanee owns and operates a solid waste transfer station; and

WHEREAS, use of the transfer station by local private sector haulers helps to offset the cost of operations incurred by the City; and

WHEREAS, § 50.10 “Solid Waste Transfer Station” of the City Code authorizes the City Manager to negotiate rates with commercial haulers “in order to arrive at a rate that is to the benefit of the city in regards to a long term contract,” provided that “an agreement must be a minimum of three years” and “the agreement will specify a minimum tonnage that must be guaranteed to be delivered to the transfer station by the solid waste collector.”; and

WHEREAS, the City has an interest in maintaining locally owned businesses that contribute to the local economy and support endeavors such as efforts to improve the appearance of our community; and

WHEREAS, the proposed agreement helps to ensure a steady and consistent flow of revenue to the transfer station, provides assurances to a local business, and otherwise meets the interests of the City, along with its residents and businesses; and

WHEREAS, the proposed Agreement is attached to this Resolution as Attachment A.

BE IT RESOLVED, BY THE KEWANEE CITY COUNCIL, AS FOLLOWS:

Section 1 The City Manager of the City of Kewanee is hereby authorized and directed to execute the attached agreement.

		CITY OF KEWANEE CITY COUNCIL AGENDA ITEM	
MEETING DATE	April 10, 2016		
RESOLUTION OR ORDINANCE NUMBER	Ordinance #3880		
AGENDA TITLE	Consideration of an Ordinance Amending Chapter 155.140(A)(1)(b) Permitted signs in residential districts for multiple family dwellings.		
REQUESTING DEPARTMENT	Community Development		
PRESENTER	Keith Edwards, Director of Community Development		
FISCAL INFORMATION	Cost as recommended:	N/A	
	Budget Line Item:	N/A	
	Balance Available	N/A	
	New Appropriation Required:	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	
PURPOSE	To allow for a non-illuminated sign up to 32 square feet in area for multiple family dwellings.		
BACKGROUND	<p>Director of Community Development, Keith Edwards, was contacted by the new owner (Havenpark Management) of Southwind and Reecy's Mobile Home Park, now known as Kewanee Mobile Home Park, on March 30th, 2017. They were inquiring about sign placement and size restrictions. Under the current ordinance the sign should be restricted to a maximum size of 12 square feet. However, Havenpark Management wishes to install a 4' x 8' (32 square feet) sign.</p>		
SPECIAL NOTES	N/A		

ANALYSIS	<p>After reviewing Havenpark's request and discussion with City Manager Bradley, Edwards investigated signs already in place within the City at multiple family dwellings. The sign located on Lake St. for Prairie Green Apartments measures 4' x 8' (32 square feet), the sign located at E. 3rd St and Lakeview Ave. for Fairview Apartments measures 3' x 8' (24 square feet). Edwards did not get a measurement for the sign at Courtyard Village but it is obvious that it surpasses the existing ordinance of 12 square feet by several square feet.</p> <p>Not all signs were measured throughout the community, in the interest of making the best use of time, but by spot checking a few signs that were allowed to be installed in the past that are not in compliance with the existing ordinance, staff feels this change in size restriction is not out of character with what has been allowed in the past. It is also business friendly and allows a management company to place a good source of advertising upon their property to promote their dwelling units.</p>
PUBLIC INFORMATION PROCESS	N/A
BOARD OR COMMISSION RECOMMENDATION	N/A
STAFF RECOMMENDATION	Staff recommends passing the amendment.
REFERENCE DOCUMENTS ATTACHED	

ORDINANCE NO. 3880

AN ORDINANCE AMENDING CHAPTER 155.140(A)(1)(b) OF THE CITY CODE WHICH ESTABLISHES SIZE RESTRICTIONS ON SIGNS FOR MULTIPLE-FAMILY DWELLINGS ALLOWING FOR THE PLACEMENT OF NON-ILLUMINATED SIGNS UP TO 32 SQUARE FEET IN SIZE, AND DECLARING THAT THIS ORDINANCE SHALL BE IN FULL FORCE UPON PUBLICATION AS REQUIRED BY LAW.

WHEREAS, The City of Kewanee has previously established standards by which a single nonilluminated sign not exceeding 12 square feet in area and indicating only the name and address of the building and the name of the management thereof may be displayed ; and

WHEREAS, The City Council has found that the current ordinance fails to meet the needs of existing and any potential new multiple-family dwelling units in the City of Kewanee; and,

WHEREAS, The City Council believes that it is important to remain business friendly and that allowing properly installed, professional signage for a multiple-family dwelling unit helps to promote such uses within the community; and,

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF KEWANEE, ILLINOIS, IN COUNCIL ASSEMBLED, AS FOLLOWS:

Section 1 The City Council hereby amends Chapter 155.140(A)(1)(b) of the City Code by inserting text shown as underlined and omitting text shown as ~~striketrough~~ as follows:

(b) For multiple-family dwellings, for apartment hotels, and for buildings other than dwellings, a single identification sign not exceeding ~~12~~ 32 square feet in area and indicating only the name and address of the building and the name of the management thereof may be displayed.

Section 2 This ordinance shall be in full force and effect immediately upon its passage, approval and publication as provided by law.
