

**AGENDA FOR  
CITY COUNCIL MEETING**

*Council Chambers*

401 E Third Street

Kewanee, Illinois 61443

**Open Meeting** starting at 7:00 p.m.

**Monday, July 23, 2018**

Posted by 5:30 p.m., July 20, 2018

1. Call to Order
2. Pledge of Allegiance
3. Consent Agenda
  - a. Approval of Minutes
  - b. Payroll
  - c. Staff Reports
  - d. Request from the Kewanee to Peoria St Jude Run for the use of City streets during the 7<sup>th</sup> Annual Kewanee to Peoria St. Jude Run to be held on August 4, 2018.
  - e. Request from OSF Saint Luke Medical Center for the use of City Streets during the annual Saint Luke Medical Center 5K to be held on August 2, 2018 at 6:00 pm.
4. Presentation of Bills and Claims
5. Citizen Participation
6. Business:
  - a. **Consideration of a Request** from the Relay 4 Life committee for a fireworks permit to be used in conjunction with their event to be held on August 25, 2018.
  - b. **Consideration of an Ordinance** declaring certain bicycles excess and allowing for the disposal of the same.
  - c. **Consideration of a Resolution** authorizing the purchase of a storm water pump for the Wastewater Treatment Plant.
7. Council Communications:
8. Announcements:
9. Adjournment

## MEMORANDUM

**Date:** July 20, 2018  
**From:** Gary Bradley, City Manager  
**To:** Mayor & Council  
**RE:** Council Meeting of **Monday, July 23, 2018**

### REGULAR MEETING AT 7:00 P.M.

1. **Enterprise Zone** —The Enterprise Zone Board Meeting that was to be held on the 18th at the DCEO offices in Chicago and televised in Springfield was cancelled. The first meeting will be in Springfield on August 29, at 9 am. Another meeting will be held in Chicago on September 12, at 9 am. Each meeting will be on television in the other location. We will be able to find out where we are in the rankings at the meeting in August.
2. **Downtown Electric** — The installation of the pedestals and fixtures in Berrien Park was completed prior to the Prairie Chicken Festival. Because we were led to believe that the park would be full of vendors all day on Friday of the festival, no work took place to complete the wiring and energize the project. The contractor boring the conduit had to make in excess of 25 attempts for the main stretch of line because of subsurface concrete that was unknown to engineering at the time.  
  
The contractor is currently on vacation and will complete the wiring for the project after returning next week.
3. **Prairie Chicken Festival**— Despite the oppressive daytime heat and rain on Friday of the event, the festival appeared to be a big hit. It appeared that attendance was down from the past two years, but no specific headcount is ever taken, so that's simply an observation. Though the chalk art has washed away, the addition of the mural at B&B Printing provides a highly visible reminder of the 2018 PCF.
4. **Fire Academy Training** —Information provided by the academy indicates that Blair and Horn are doing well in the Peoria Fire Academy. They have a night operations event coming up next Thursday that will necessitate an overnight stay in Peoria rather than their typical commute.
5. **Street Maintenance Program** — Staff will be focusing their efforts next week on painting and striping, and as is typically the case, paying particular attention to cross walks in the vicinity of school zones. Work began earlier this week on the sidewalk portion of the improvements adjacent to where surface improvements were made. Improvements to streets that are not hot mix asphalt have not yet been scheduled because we are waiting for a period when the contractor's crews can work together at the same time (rather than scarify and rock at one point then come back weeks later to lay down oil and roll the streets).

6. **Illinois Speed Awareness Day**— The Kewanee Police Department will be joining other agencies throughout the state next Wednesday to bring attention to role of speed in injuries and fatalities and the need for drivers to be aware of their speed and obey posted speed limit signs. The effort will provide both education and enforcement.
7. **Right of Way Trimming**— We received complaints from Great Dane that trailers were being damaged along route 34 in various places. City crews worked with a contractor to remove obstructions from along the route.
8. **Fire Hydrants** — Fire Department employees have flushed and flow tested more hydrants this year and last year than in the previous 17 years combined. The downside to the process is that it stirs up a lot of rust in the lines that can cause discoloration to water and clothes that are washed in it. The good news is that the problem lessens when lines are flushed on a regular basis, and the great news is that the program could help to save a life. The Water Division replaced three hydrants this week and approximately 20 so far this year, some of which would not have been able to provide any water at all if needed in an emergency.
9. **Smoke Trailer** — The Fire Department will be taking the smoke trailer to the “Day with Dad” event at the Life Skills Re-entry Center to help provide educational information and a fun activity for the children who will be visiting the community.
10. **FD Retirement** — The Fire Department has an employee who will be retiring next month. Chief Shook has begun the process for the top candidate on the hiring list.
11. **DUI recognition** — The Alliance Against Intoxicated Motorists recently provided certificates of appreciation for exceptional DUI enforcement to Sergeant Reed, Patrolman Gruzezcka, and Patrolman Gibbs. Their hard work to maintain the safety of our community is greatly appreciated.
12. **County-wide Economic Development**— The County failed to hire an Economic Developer at its most recent meeting and I heard on the radio that they now anticipate hiring someone to fill the position next year. However, I have heard that the county is still talking to the preferred candidate and that his hiring is still an option. I believe that additional delay may cause entities that had agreed to fund the measure to rethink their commitments.

## **COUNCIL MEETING 18-13 JULY 9, 2018**

The City Council met in Council Chambers at 6:00 PM with the Mayor calling the meeting to order and the following answering to roll call:

Andy Koehler	Council Member
Steve Faber	Council Member
Michael Yaklich	Council Member
Chris Colomer	Council Member
Steve Looney	Mayor

Council Member Colomer made a motion to adjourn to executive session pursuant to Section 2 (c) (1) of the Open Meetings Act to discuss personnel. Council Member Faber seconded the motion. Roll call showed 5 ayes, no nays. The motion passed.

The executive session was adjourned at 6:53 PM on a motion made by Council Member Koehler and seconded by Council Member Faber. Roll call showed 5 ayes, no nays. The motion passed.

Mayor Looney called the regular Council Meeting to order at 7 PM, stating that the Council was reconvening following a closed session pursuant to Section 2(c)(1) of the Open Meetings Act to discuss personnel.

News media present was as follows:

Mike Helenthal	Star Courier
Shawn Kernan	WKEI

The Pledge of Allegiance was said.

Mayor Looney asked for a moment of silence for our troops still fighting overseas.

Mayor Looney explained that the next items were placed on the consent agenda and were considered to be routine in nature to be passed as a whole with one vote of the Council. Mayor Looney requested that any member of the Council or the audience wishing to have an item removed from the consent agenda for individual consideration to make the request and the item would be removed and considered following the approval of the remaining consent items. The consent agenda included minutes from the June 25, 2018 Council Meeting, payroll for the pay period ending July 7, 2018 in the amount of \$211,070.07, reports from Building & Zoning, Community Development, and Water Loss Report, and a request from the Kewanee Area Church Fellowship to conduct Tag Days on Saturday, September 15. The consent agenda items were approved on a motion made by Council Member Faber and seconded by Council Member Yaklich. Roll call showed 5 ayes, no nays. The motion passed.

Bills submitted for approval totaling \$703,143.86 were approved on a motion made by Council Member Colomer and seconded by Council Member Faber. Roll call showed 5 ayes, no nays. The motion passed.

## **CITIZEN PARTICIPATION**

Mayor Looney then asked if anyone wished to speak regarding a non-agenda item. There being no such requests Mayor Looney moved on to new business.

## **NEW BUSINESS**

The Plan Commission minutes from its meeting held on June 28, 2018 were accepted on a motion made by Council Member Colomer and seconded by Council Member Faber. Roll call showed 5 ayes, no nays. The motion passed.

Ordinance #3934 granting a special use permit to Armando Rosas and Rosa LLC d/b/a Belico for the sale of alcohol by the glass at 202 North Tremont Street was approved on a motion made by Council Member Colomer and seconded by Council Member Faber. Mr. Rosas explained that Belico would be a bar & grill with mostly bar food to begin with. Roll call showed 5 ayes, no nays. The motion passed.

Resolution #5119 to authorize the use of the public sidewalk and a portion of the city street in the 200 block of North Chestnut and the 200 block of West Second Street by A Segura LLC d/b/a Boiler for the extension of their beer garden during an entertainment event on July 12, 2018 was approved on a motion made by Council Member Faber and seconded by Council Member Colomer. Tony Segura, owner of Boiler Room, advised that the layout would be as it was in the prior events. Roll call showed 5 ayes, no nays. The motion passed.

A Discussion regarding City Maintenance of streets that have traditionally been considered as private streets was held. City Manager Bradley presented each Council Member with the plats of some of the streets in question. Council Member Yaklich noted that the discussion had taken place in the past. He cautioned staff from over promising. City Manager Bradley noted that he had been approached by residents about bringing the street up to standard and then dedicating to the City, or having the city perform the work and have a special service assessment on their property taxes. Council Members seemed to show a consensus to continue the research on the status of the streets. Council Member Yaklich suggested that City Attorney Raver review everything for legalities.

Ordinance #3935 amending Section 155.003 Definitions and 155.060 R-1 Family Dwelling Districts by including salon as an allowable special use was approved on a motion made by Council Member Colomer and seconded by Council Member Faber. Roll call showed 5 ayes, no nays. The motion passed.

Resolution #5120 to authorize an agreement with Missman, Inc now a part of IMEG CO, for engineering services related to Phase II Final Design and submittal to IDOT for the East Street Project was approved on a motion made by Council Member Yaklich and seconded by Council Member Colomer. Council Member Yaklich questioned if the engineering firm was of the three groups that were chosen. City Manager Bradley confirmed that they were indeed from the three contracted engineering firms, and they were selected due to their background with FAU projects.

Council Member Faber asked about re-profiling the street to a lesser incline. City Manager Bradley noted that this resolution would allow the city to hire the engineer that could decide if re-profiling would be feasible. Roll call showed 5 ayes, no nays. The motion passed.

Ordinance #3936 allowing for Electric Vehicle Charging Stations (EVCS) within specific zoning districts was approved on a motion made by Council Member Koehler and seconded by Council Member Faber. Council Member Colomer noted that the section regarding the removal should contain the language that the area would be returned to its original condition. Frank Polowy electrician reported some of the EVCS he had seen in other areas of the state. Roll call showed 5 ayes, no nays. The motion passed.

## **OTHER BUSINESS**

Council Member Koehler noted the nice crowd at the fireworks on July 4<sup>th</sup>. He asked for a report on the electrical work at Berrien Park. City Engineer Nobel reported that the work would move forward the next day. The delay was caused by the boring company hitting a brick wall when trying to place the last conduit. When that is complete they will be able to move full speed ahead. Mr. Koehler then asked for an update for the solar power at the east end of town. City Manager Bradley reported that the state would be reviewing applications in September.

Council Member Yaklich reported a concern at 120 West Division Street regarding the erection of a garage. He also made it a point to remind citizens of their right to contact the City Council. He finally asked about the repair to the road on Division Street that was the responsibility of a contractor. City Manager Bradley noted that we would be billing for the repair.

Council Member Faber noted the upcoming Prairie Chicken Festival. He also thanked the paramedics that assisted a gentlemen after a heart attack, the wife of the patient noted that they were very professional. Mr. Faber also apologized to Community Development Director Edwards for comments made at the previous meeting.

Council Member Colomer noted the upcoming Chalk Art Festival and the hard work put in by Joy Hernandez for getting the new mural together. He also thanked Council Member Faber for all of his volunteer work.

Mayor Looney thanked all of the volunteers for the recent fireworks, July 4<sup>th</sup> celebration at Francis Park, the upcoming Prairie Chicken Festival.

## **ANNOUNCEMENTS**

City Clerk Edwards announced that several events taking place over the next weekend during the Prairie Chicken Festival.

There being no further business, Council Member Colomer moved to adjourn the meeting and Council Member Faber seconded the motion. Roll call showed 5 ayes, no nays. The meeting adjourned at 8:11 PM.

---

MELINDA EDWARDS, CITY CLERK

---

DATE APPROVED

***BOCK INC.***  
***MONTHLY REPORT FOR***  
***JUNE, 2018***

***SUBMITTED BY:*** Stan Bocheny

## **IEPA SUMMARY**

No communications with the IEPA for the month of June.

## **MAINTENANCE SUMMARY**

BOCK INC. generated 33 preventive work orders for the month. All 33 work orders were completed. In addition to the preventive work orders, there was 3 corrective maintenance work orders performed.

## **SAFETY SUMMARY**

Because safety is an important part of our daily practice, we have been without a loss time injury at the plant for 41 months.

## **OPERATIONS SUMMARY**

Flow for the month averaged 3.167 MGD with the rainfall totaling 5.82 inches.

Total KWH used for the month was 163,200.

All permit limits on the effluent were met for the month. Sludge applied to the field totaled 0 gallons for the month.

The semi-annual sludge report for the first six months of 2018 has been prepared and sent to the IEPA. A copy of the report is attached.

To: Mayor Looney and Council Members of City of Kewanee

My name is Tara Mosley, coordinator of the 7th Annual Kewanee to Peoria St. Jude Run. We are requesting for approval for the usage of a few city streets.

The date of this amazing event will be Saturday, August 4<sup>th</sup>, with a start time of 5:15am. We will be starting at the Kewanee YMCA, traveling to Chestnut St. left on Division, then a right on Tenney Street and exiting on Route 78.

Each individual runner is mandated to complete and sign a waiver. The vehicles and recreational vehicles used are fully insured. There will be a chase vehicle directly following the runners with flashers on, also a police escort. I have been in contact with the Kewanee Chief of Police and the Henry County Sheriff's Department with arrangements and approval for escort. There will also be escort from the Kewanee Fire Department.

Please feel free to contact me with any questions.

Thank you,

Tara Mosley  
Co-coordinator  
Kewanee to Peoria St. Jude Run  
Cell # 309-312-0086

**From:** Christiansen, Lori A.  
**To:** [Gary Bradley](#)  
**Subject:** OSF Saint Luke 5K  
**Date:** Friday, July 13, 2018 12:57:59 PM

---

Hi Gary,

Hoping to get on your consent agenda for the July 23<sup>rd</sup> City Council meeting – We'd like to hold our Annual Saint Luke Medical Center 5K race on Thursday, Aug. 2<sup>nd</sup> at 6:00 p.m. We start at the main hospital entrance on W. South Street, head west, then north on Burlington to Page St., then loop back on Beach St. and finish at the same main entrance.

This is a relatively small and quick event that we try to hold each year as part of our OSF Wellness program.

Thank you!

Lori

CITY OF KEWANEE CITY COUNCIL AGENDA ITEM		
<b>MEETING DATE</b>	July 23, 2018	
<b>RESOLUTION OR ORDINANCE NUMBER</b>	Ordinance #3937	
<b>AGENDA TITLE</b>	Consideration of an Ordinance to declare certain recovered/unclaimed Bicycles as excess.	
<b>REQUESTING DEPARTMENT</b>	Police Department	
<b>PRESENTER</b>	Troy Ainley Chief	
<b>FISCAL INFORMATION</b>	Cost as recommended:	N/A
	Budget Line Item:	N/A
	Balance Available	N/A
	New Appropriation Required:	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
<b>PURPOSE</b>	To clear excess recovered bicycles	
<b>BACKGROUND</b>	Large number of bikes that have been recovered by Police Department.	
<b>SPECIAL NOTES</b>	N/A	
<b>ANALYSIS</b>	A large number of bikes have been recovered and gone unclaimed. Due to space limitations they need to be sold or disposed.	
<b>PUBLIC INFORMATION PROCESS</b>	The bikes will be taken to the Kewanee Sale barn to be sold. Notice of the sale date will be sent to the local newspaper and radio station.	
<b>STAFF RECOMMENDATION</b>	Staff recommends passage	

ORDINANCE NO. 3937

AN ORDINANCE TO DECLARE CERTAIN ITEMS EXCESS AND NO LONGER REQUIRED IN THE OPERATIONS OF THE CITY OF KEWANEE AND DIRECTING THE CITY MANAGER TO DISPOSE OF SAME, AND DECLARING THAT THIS ORDINANCE SHALL BE IN FULL FORCE IMMEDIATELY.

**WHEREAS,** The City Manager finds, subsequent to the recommendation of the staff, that various items are no longer necessary or useful to, or for the best interests of the City and its operations, and are considered excess; and,

**WHEREAS,** The items determined to be excess are:

MISCELLANEOUS
Approximately 75 abandoned and unclaimed bicycles

**NOW THEREFORE BE IT ORDAINED, BY THE KEWANEE CITY COUNCIL, IN COUNCIL ASSEMBLED, AS FOLLOWS:**

**Section 1** The items listed above are hereby declared to be excess property of the City of Kewanee, and the City Manager, or his designee, is authorized to execute any documents necessary to transfer ownership of said excess property.

**Section 2** The City Manager, or designee, is hereby authorized to solicit bids, whether they be sealed bids, bids at public auction, or bids via electronic methods on the items listed above. All proper commissions charged by any third party to list or sell any given item shall be deducted from the proceeds of the sale of the item. The City reserves the right to reject any or all bids, or to retain any item or piece of equipment at its discretion, or to dispose of any item or piece of equipment for scrap value if not deemed appropriate for sale.

**Section 3** This Ordinance shall be in full force and effect immediately upon its passage and approval as provided by law.

Passed by the Council of the City of Kewanee, Illinois this 23<sup>rd</sup> day of July, 2018.

CITY OF KEWANEE CITY COUNCIL AGENDA ITEM		
MEETING DATE	July 23, 2018	
RESOLUTION OR ORDINANCE NUMBER	Resolution #5121	
AGENDA TITLE	<b>Consideration of a Resolution</b> approving the purchase of a storm pump for the Wastewater Treatment Plant	
REQUESTING DEPARTMENT	Waste Water Treatment Plant	
PRESENTER	Dale R. Nobel, P.E., City Engineer	
FISCAL INFORMATION	Cost as recommended:	\$34,122 + Freight
	Budget Line Item:	52-93-512
	Balance Available	Yes
	New Appropriation Required:	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
PURPOSE	Replaces a 30+ year old pump at end of service life	
BACKGROUND	This is one of six critical pumps in the storm water overflow pump station at the WWTP. As it stands now three of these pumps are newer and in good order. The other three are nearing or past 30 years old and need to be replaced. This pump will replace one of them. It is the intention of staff to try and replace one pump per year over the next few years so all six of the pumps will be in good working order.	
SPECIAL NOTES	N/A	
ANALYSIS	N/A	
PUBLIC INFORMATION PROCESS	Area vendors who handle this pump were contacted for written quotes.	

<b>BOARD OR COMMISSION RECOMMENDATION</b>	N/A
<b>STAFF RECOMMENDATION</b>	Staff recommends approval
<b>PROCUREMENT POLICY VERIFICATION</b>	Over \$25,000 must be approved by Council
<b>REFERENCE DOCUMENTS ATTACHED</b>	Copy of Quotes are attached.

RESOLUTION NO. 5121

A RESOLUTION AUTHORIZING PURCHASE OF A STORM WATER PUMP FOR THE WASTEWATER TREATMENT PLANT AND DECLARING THAT THIS RESOLUTION SHALL BE IN FULL FORCE IMMEDIATELY.

WHEREAS, one of the storm water pumps at the City's wastewater treatment plant is at the end of its service life and is barely functioning; and,

WHEREAS, this is a critical piece of equipment that pumps the excess storm water received at the plant to the storage lagoons preventing pollution of the outfall stream, West Fork of the Spoon River; and,

WHEREAS, staff solicited bids on a 75 HP Ebara submersible stormwater pump to be used in the stormwater overflow pump station in the City's wastewater treatment plant; and,

WHEREAS, Quotations were solicited by City staff for this pump from four vendors and three quotes were received as follows: (Freight Not Included)

Vendor	Cost
Pump Supply, Inc., Elgin, IL	\$34,122
Pollution Control, Vinton, IA	NO QUOTE
General Pump, Peoria, IL	\$42,625
Mississippi Valley Pump, Inc., Bettendorf, IA	\$46,575

WHEREAS, the purchase of equipment such as this is included in the FY 2019 budget as part of the 52-93-512 line item for Maintenance Service Equipment and the bid is below the amount budgeted; and,

WHEREAS, City staff has recommended the purchase of the pump from Pump Supply, Inc. of Elgin, IL in the amount of \$34,122.

**THEREFORE, BE IT RESOLVED, BY THE CITY COUNCIL OF KEWANEE THAT:**

**Section 1** The City Manager, or his designee, is hereby authorized to execute the documents necessary to order and purchase the pump as quoted.

**Section 2**        This Resolution shall be in full force and effect immediately upon its passage and approval as provided by law.

Adopted by the Council of the City of Kewanee, Illinois this 23rd day of July 2018

<b>RE: Ebara Pump Quote</b>	

Hi Bill,

Thank you for the request for quotation on the pump and bracket. Here is your pricing:

**300DSC4GOFM66075** – Ebara Submersible pump with a 75HP 3ph 460V motor  
Net: \$29,231 each

**KDP01-1006** – Ebara custom guide bracket adapter for QC-LL300  
Net: \$4,891 each

Total: \$34,122 + freight

Delivery: 4-6 weeks

FOB: Factory

Terms: Net 30 with government tax exempt form

Note: pricing is based on ordering both parts together. If ordered separately, pricing may change. Also, Net 30 terms are based on an order from the City of Kewanee. If an order is placed through another company, terms will be subject to a credit verification.

Please feel free to contact me with any other questions or concerns you may have.

Best Regards,

# Model DSC4/DSCA4

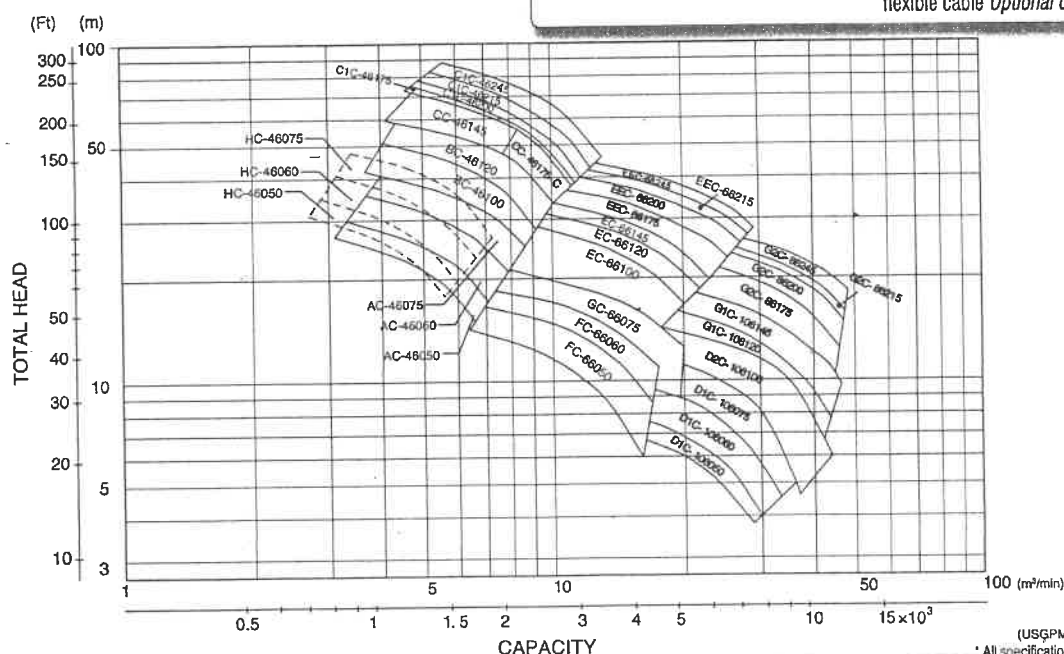

## Features

- New! 32 enclosed impeller models with extended hydraulics, higher horsepowers, higher flows, larger discharge and suction sizes, and ICS options now available!
- Watertight cable entry system with redundant protection assures safe operation and protects against water leakage into terminal casing; reduces maintenance costs
- Terminal board provides easy cable connection
- Heavy duty, high efficiency, compact designed motor with thermal detector for each phase of winding; inverter duty rated and FM approved
- Self cooling system with cooling jacket eliminates the need for external pumping devices or special heat transfer fluids; offers simplicity and high reliability by effectively dissipating heat, ICS option available for 4P/6P 50-145 HP models
- Float type leakage detector provides early warning of mechanical seal failure; avoids costly motor repairs
- Cartridge type\*, duplex mechanical seals assembled in tandem arrangement; easy maintenance and high reliability (\*standard models)
- Available with semi-open or enclosed impellers
