- 7. A decision is rendered on the application is Special Land Use request is approved or denied by the City Council.

Standards Used by the City For Approval Considerations

6.2.10 General standards for approval The approving authority shall approve special land uses when it determines that the proposed use does and will conform to any special requirements specified elsewhere for that specific use and also meets the following general requirements and standards:

- A. The use must be a "reasonable use" as and where proposed to be located, (see question 10 on the application for a definition of "reasonable use")
- **R** The use must conform to all of the other regulations of this ordinance and the other ordinances of this city.
- The location, intensity, and periods of operation of the use must be such as to eliminate any reasonable likelihood that it will be, cause, or create a public or private nuisance in fact.
- D. The use, as and where proposed, must not be inconsistent with the spirit and purpose of this ordinance nor contrary to the principles of sound community planning.
- The use must be of such character and be so arranged on the site so as not to cause or create adverse effects on neighboring properties or the community at large by reason of noise, dust, glare, order, fumes, pedestrian or
- The use must not diminish the fair market value of neighboring lands or buildings to any substantial degree.
- G The site design and proposed manner of operation of the use must provide for the maximum reasonable and feasible enhancement of the environment of the surrounding area. In determining whether this standard has

City of Lathrup Village Special Land Use Process

Project Requires Special Land Use Approval

This is most commonly applied to projects located in commercially zoned areas. Based upon the specific zoning district some projects require special "permission" to allow their use or site plan to be approved. These projects are not banned form a zoning district they are simply subject to higher level of standards.

Application Materials Submitted

The applicant submits all application materials to the City Hall 30 days prior to the regularly scheduled date of the Public Hearing. Failure to supply all required information will result in the rejection of the application by the Administration or the Planning Commission.

- Three (3) completed and signed copies of the Special Land Use application
- Three (3) Copies of the proposed or existing Site Plan
- The \$400.00 Special Land Use Application Fee

Application is Reviewed by City Staff

Application Materials are simultaneously reviewed by City Officials to make sure they are complete and the Planning Commission and City Council have enough information to render a decision based upon Section 6.2.10 General Standard for Approval. Staff will issue reports based upon their findings.

Public Hearing is Scheduled and Noticed

The Planning Commission must hold a public hearing for all Special Land Use requests. Per state law a notice must be published in a local newspaper at least 15 days in advance of the meeting and notice must be mailed to all parcel owners within 300 feet of the requested variance.

Public Hearing is held by Planning Commission

The Commission holds public hearings on the second Tuesday of the month at 7:00pm in the City Council chambers. The Public has the opportunity to speak in opposition to and/or support of the proposed variance. The Commission will also hear from the Applicant and request more information if the needs arises.

Recommendation is Made by Planning Commission

The Commission, after holding a public hearing and performing all the fact finding, makes a recommendation to the City Council to approve or deny the project based upon the standards set forth by the Zoning Code.

This non-binding recommendation is placed on the following City Council Agenda.

City Council Hears the Special Land Use Request

Based upon the Planning Commission findings a draft Special Land Use agreement is drafted by the City Attorney for the City Council. The Council performs additional fact finding and questions the applicant during the public meeting. The Council will either approve draft agreement as is, approve an amended agreement, or deny the request for a Special Land Use specific to the applicant and location.

Approved as Is

Applicant can proceed with Business or Site Plans as proposed.

Approved as Amended

Applicant must alter business or site plan to meet the amended Special Land Use Agreement.

Denied

Project cannot include those elements that require Special Land Use.

License/Permit Application and Approval

Based upon the Special Land Use Agreement Businesses Licenses and Building Permits can be obtained and projects can proceed through approval process
