#### Appointments

##### 7:00 P.M. – Chief William G. Brooks III, NPD:

General Manager Tony Mazzucco spoke about Chief Brooks' contract, which expires in April of 2019 and under state statute he has just under two years until he reaches the mandatory retirement age. The Chief has come to the conclusion that he wants to stay on in Norwood beyond his contract date, and beyond his mandatory retirement age. This will require a special act of legislature.

Chief Brooks said he has a genuine affection for the men and women he works with. The month of October has been busy. In January 2014, a dismembered body was found on the grounds of Coakley Middle School. A man had been murdered and dumped there. Investigation by Norwood Detectives and State Police quickly determined the man was from Somerville. Today Anthony Canejo pled guilty to manslaughter and will serve eighteen to twenty years in state prison for that homicide. His son, Anthony Jr. awaits trial as an accessory after the fact. At the request of Selectman Bishop, the Chief included parking ticket information in his report. On Saturday morning an eighty one year old Norwood resident was struck by a car while crossing Everett Street from McDonald's. The victim is in serious condition, but is improving. The accident is under investigation by Officers Kyle Cordero and Brett Baker. The accident will be reconstructed tomorrow morning, so part of the road will be shut down. Detective Brendan Green has been assigned to be the new ABCC Officer, replacing Detective Richie Giacoppo, who retired. There will be a rape aggression defense class on November 6-8, 2018, run by Sgt. Sarah Lyden. The police department has run evacuation drills at six schools to show the children how to evacuate and go to a prearranged location. This effort was headed up by Chris Padden with support from School Resource Officers and School Liaison Officers. There will be a test of the emergency alert system in the US tomorrow. The test will be at 2:18 p.m. Tomorrow is National Coffee with a Cop Day. Officer Austin Glaser will be at Perk's at 7 a.m. Some Norwood Officers went to Lawrence and Andover and worked midnight shifts on bikes in areas with no lights. Selectman Donohue inquired about the National Chiefs of Police Convention held in Norwood recently. Chief Brooks said this is the fourth year in a row he has hosted the convention. Three hundred and two Chiefs and Deputy Chiefs attended.

##### 7:15 P.M. – Chief George T. Morrice, NFD:

Chief Morrice gave the highlights of his monthly report of department's activities. His first month as Chief was very busy. The first weekend there was mutual aid fire in Walpole from a lightning strike at a house. There were some small issues at Norwood Day with a small fire at a vendor booth, and an individual being kicked by a horse. September 9<sup>th</sup> there was a two alarm fire at 599 Washington Street. Norwood had firefighters as a part of mutual aid task force. There was a Mutual aid fire in Westwood from another lightning strike. Two fires in past month were caused by electrical issues. The Fire Department will be purchasing a new engine which will be a pumper and a committee of eight will work on that. They have received funds and are working on revamp of dispatch area along with Chief Brooks. The department has two vacancies to fill and they have four candidates who are all currently paramedics. The Open House is coming up October 20<sup>th</sup>.

Selectman Bishop mentioned smoke detectors and changing the batteries and testing that the detectors work. Selectman Donohue asked which fire equipment has the highest ladder. Chief Morrice said ladder truck has a 110 ten foot aerial ladder. The new vehicle will be a pumper. It is replacing Engine One, which will be turned back in to the manufacturer. Chairman Maloney spoke about life expectancy of these vehicles.
