

# MORE THAN WORDS

## HOST A BOOK DONATION CONTAINER AND HELP YOUTH TRANSFORM THEIR LIVES!

More Than Words empowers youth who are in the foster care system, court involved, homeless, or out of school to take charge of their lives by taking charge of a business. All collected donations support MTW's hands-on job training program-empowering youth to work as a team to manage their own retail and online bookstore and café. With your support, our youth develop real life skills and self-confidence for their transition to adulthood.

**YOU Can Help!** Help MTW collect books by hosting a MTW Donation Container – it's EASY and FREE! Collecting books for More Than Words not only helps our youth run their business and transform their lives – it also saves trees, keeps books out of landfills and helps clean the environment. MTW is the socially and environmentally conscious, nonprofit option for you and your friends, family and colleagues to donate books, cds and dvds!
