

NAME: _____

ADDRESS: _____

**TOWN OF NORWOOD
REQUEST FOR ADDITIONAL TRASH CART
COST \$80.00**

In requesting an additional trash cart, we hope you are fully aware of the goals of our new automated collection of your trash and your recycling. Our goals are as follows:

- To divert as much as possible the amount of material which you dispose of from the trash stream to the recycling stream,
- To save money for the Town. Each ton of material recycled saves us \$57.55.
- Experience in other communities shows that a 96 gallon recycling cart and a 64 gallon trash cart are sufficient for a family unit of about four people.

Date: _____ Number of residents in the home: _____

Name: _____

Home Phone #: _____

Cell Phone #: _____ Other: _____

Email: _____

Day of week your trash is picked up: _____

Single Family	Yes _____	No _____
