A N N U A L T O W N R E P O R T

Sincere greetings to all of the residents of the Town of Norwood. It has been my pleasure in this year of 2005 to serve you as the second woman in the history of our town to serve as Chairwoman of the Norwood Board of Selectmen.

Susan McQuaid, who was elected to the Board of Selectmen in 1995, was the first woman Chairwoman of the Board. Susan made further history in the town when her husband, Thomas J. McQuaid was elected to the Board in 2005. He had been a member of the Finance Commission for eight years previously.

Olga A. Abdallah, my sister, was the first woman elected to the Board of Selectmen in 1969. Olga also makes history as being the first Selectwoman to have a father who served as a Selectman, John Alec Abdallah, elected in 1956, and the first Selectwoman to have a sister serve as a Selectwoman, myself, elected in 2001.

My husband, Paul J. Donohue, has been serving as a member of the Planning Board for the past thirty years, including my terms as a Selectwoman.

Denis Drummey, who was elected to the Board of Selectmen in 2002, made history in our town, as he was the second son whose father was elected to the Board. Denis' father, James J. Drummey, was elected to the Board in 1956. The first father and son team were Harry B. Butters and William F. Butters.

Selectman William J. Plasko is another history maker in our town. Selectman William Plasko serves as a member of the Board of Selectmen while his son, William J. Plasko, Jr., serves as a member of the School Committee. They have both served as Chairman of each board.

Norwood, "The Crown Jewel of the Commonwealth", continues to be a wonderful place to live. We are blessed with individuals and families who care about the Town, who are willing to keep our Town as a great place to live. Thank you very much for allowing me to serve you.

A Very Grateful Norwood Board of Selectmen,

*Helen Abdallah Donohue*

Helen Abdallah Donohue, Chairwoman

Gary M. Lee

William J. Plasko

Gerard J. Kelleher

Thomas J. McQuaid

## REPORT OF THE SELECTMEN FOR THE YEAR 2005

Helen Abdallah Donohue 1027 Washington Street	2007
Gary M. Lee 31 Peabody Road <i>Resigned effective January 4, 2006</i>	2007
William J. Plasko 507 Nahatan Street	2006
Gerard J. Kelleher 115 Vernon Street	2008
Thomas J. McQuaid 50 Churchill Drive	2008

### ORGANIZATION

Helen Abdallah Donohue, Chairwoman  
Julia A. Liddy, Clerk  
Frances L. Jessoe, Secretary

The Meetings of the Board of Selectmen during the year 2005 were held primarily in the Harry B. Butters Chambers, Room 34, Norwood Memorial Municipal Building, on Tuesday evenings, with some meetings being conducted in other locations from time to time as required.

Gerard J. Kelleher and Thomas J. McQuaid were elected to the Board at the Annual Election which took place on Monday, April 4, 2005. The Board elected Mrs. Donohue Chairwoman. Selectman McQuaid is the husband of former Selectman Susan W. McQuaid and took the seat vacated by Denis Drummey who announced he would not run because of family commitments and a new job opportunity.

During forty three regular meetings and a number of special or emergency meetings in calendar year 2005, the Board of Selectmen conducted public hearings as mandated by statute or policy. They also held innumerable public meetings and conferences on specific problems and subjects of interest and concern to the community.

During the Year, the Norwood Board Of Selectmen, the Chief Elected Officials of the Town, brought forward and oversaw:

The continued efforts to investigate ALS, Advanced Life Support, brought forward and chaired by Selectman Plasko, to assure our ambulances, public safety and fire Rescue Operations are state of the art and fully equipped in a First Response.

The Schools Task Force Committee, co-chaired by Selectman Kelleher, to assure, as a Town, we study and explore the scope and costs of much needed repairs and renovations to our Senior High School. The Committee developed a plan and during November and December discussions were held with the Board concerning the question of a debt exclusion override. Action was taken for an article for Special Town Meeting in January and a ballot question will be on the April election ballot. Selectman McQuaid was appointed as the Board's second representative.

The Pedestrian Safety Task Force organized by the Board and met with the Board to make recommendations to improve all traffic intersections throughout Town, in particular public access points approaching and leaving the elementary, middle and senior high schools to assure public safety.

The Board met several times with Caritas Norwood Hospital's President and department heads to voice concerns raised by our residents – especially emergency room diversion plans involving the Fire Department ambulance. The Board stressed how important Caritas Norwood is to our community and the lines of communication shall remain open with the Town.

After countless hours of meetings and negotiations, the Board, and the Due Diligence Committee brought forward to Town Meeting the YMCA proposal for pool, skating rink and a state of the art health, fitness & recreation facility that will be used and enjoyed by citizens and families of all ages. Town Meeting passed the articles. The Board formed a Safety Committee, chaired by Selectman McQuaid, to address safety issues going to the facility. The Board thanked both Chris and Phil Balboni for their donation of over five acres of land to enable this dream to become a reality.

The Town has received a grant from the state to begin the revitalization effort in South Norwood. This continues the progress the Board started to improve the Uptown Area, the Ward and South Norwood.

The Board continues to push forward and find better ways to improve the quality of life for its residents. The new Willett Field was dedicated on June 4<sup>th</sup> with the unveiling of the statue "The Natural" donated by Peter Catonese in memory of his son who was killed in a terrible automobile accident.

The Board continues to meet with the State and Massachusetts Highway Department for a firm commitment to improve traffic & gridlock along Route 1, Dean Street, Neponset Street and Washington Street in South Norwood.

Working through the General Manager the Board continued its efforts to bring Buckmaster Pond on-line as a secondary water supply and as a buffer to the escalating MWRA water rates.

The Board and its DPW task force committee, chaired by Selectman Plasko, continue to explore sites in which to better house our DPW personnel, staff and equipment, and to provide a more efficient and professional service to the Town. The Board permanently took off Hennessey Field as a potential site.

Anthony Mastandrea was appointed to serve as Norwood's representative to the MBTA Advisory Board. Bernard S. Cooper was appointed to serve as Norwood's Alternate.

Former Selectman Thomas A. Riolo was appointed as the Board's representative to the Norfolk County Advisory Board. Superintendent of Public Works, Joseph Welch, and Alternate, Gary Schorer, continued to serve as Designees to the Neponset River Watershed Association.

Budget meetings were held on February 8, 2005, and the approach to various items was very cautious. Town Accountant

## BOARD OF SELECTMEN / LICENSES & PERMITS

Robert M. Thornton provided an overview before the budget was discussed. The state of the economy was foremost in everyone's mind and concern for town finances cast a long shadow. The initial budget requests showed a shortfall of \$8.9 million. During February and March numerous subcommittee meetings were held in an effort to bring the budget into line. On April 6, final budget discussions were held so that everyone was ready to go to Town Meeting in May. The Board appreciated all the time and effort spent by Management, Department heads and Fin Com in trying to come up with a balanced budget.

Student Government Day was held on Wednesday, May 12<sup>th</sup>. Students representing the Board were Joe Carroll, Mark El Bach, Alex Jones, Jaesang Lee, and Paul Lopez. Students representing elected and appointed positions were Sarah Balal, Ian Johnston, Chris Piccirilli, Carla Vilaboa, Leigh Loughlin, Blair Marsh, Don Chambers, Peter Schock, Sameira Preto, Jen Finn, Rob Zodda, Michelle Thompson, Galvin Pereira, Charles Stellberger, Rob McGuire, Dianne Kamfonik, Denise Cofsky, Ted Aronson, Meredith Murphy, Michael Underhill, Jessica Cofsky, Adam Aronson, and Claire Bouffard.

Ernest Boch Jr. increased his family's donation and asked that the fund be named in honor of his father. The Board reviews and considers each request and this year's recipients include Norwood Historical Society, Exchange Club of Norwood, American Legion Baseball, Friends of the Council on Aging, Morse House Restoration, Morrill Memorial Library, Norwood Food Pantry, Norwood High School Gymnastics, Concerts on the Common, Friends of Norwood Football, Meals on Wheels, Norwood High Girls and Boys Hockey, Norwood Art Assoc., Veterans Memorial Plaque Program, Neponset Valley Humane Society, Norwood Adult English as a Second Language, Norwood Senior Babe Ruth Baseball, Neponset Valley Health Coalition, Norwood Police Assoc. Fruci/Murphy Memorials, Balch PTO, Prescott School PTA, Willett Early Childhood Center and SADD Scavenger Hunt and Norwood High Spirit Club.

Letters of commendation were awarded to members of the Police Department, Fire Department and Public Works Department for performing over and above the call of duty.

A letter of commendation was sent to Philip J. McManus, General Foreman, and the employees of the Cemetery Division for the consistently fine job they do maintaining the grounds. Their hard work and efforts made the holidays, especially Memorial Day, even more meaningful.

A number of Norwood residents, including the Girls Scouts, Cub Scouts and Norwood Circle of Hope, were able to enjoy the beauty of the Walter J. Dempsey Memorial Bandstand. Joyful brides and grooms used the Bandstand as a background for their wedding vows and photographs. Young and old alike were brought together at the Bandstand on Sunday evenings to listen to the music of our Summer Concert Series.

The Board issued proclamations recognizing the following: March as American Red Cross Month and October 1, 2005 as Kahlil Gibran Day.

The Board was very proud to recognize the efforts and athletic achievements of the young people in Town for their training,

dedication and talent.

Norwood Day was held on Sunday, September 18, 2005. The event is put together by the Town under the sponsorship of Recreation Superintendent Jerry Miller and his committee. Although this year's festivities were dampened by a terrible rain storm, on September 17<sup>th</sup>, many members of the community participated in Norwood Day. We hope this will be another much anticipated annual community event. Because of the rainstorm, the Fireworks Display sponsored by the Norwood Exchange club took place on Nov. 11<sup>th</sup> Veterans' Day.

The Board of Selectmen would like to express our sincere gratitude to the hundreds of citizens who volunteer their time and energy on committees and commissions to make Norwood the great American Town that it is. This involvement is integral to the professional and participatory nature of town government in Norwood. We are also very grateful to the dedicated and effective service rendered by the Town's work force. These employees are dedicated to the ideals of public service. Finally, the Board expresses its sincere appreciation to its department heads and the General Manager for their leadership and hard work.

### LICENSES AND PERMITS

On application therefore and after appropriate investigation, licenses and permits were granted, renewed or transferred for various activities as delineated under Massachusetts General Laws, as amended, including, but not limited to, the following: on and off-premises liquor licenses, common victualer licenses, one-day all alcoholic beverages licenses, dance permits, music and entertainment licenses, juke box and automatic amusement device licenses, lodging house licenses, licenses for storage of volatile inflammable fluids, taxi-cab and limousine licenses, Class I, II and III Motor vehicle licenses, billiard parlor licenses, tag days, parades, and other special event permits.

**2005 ANNUAL REPORT OF THE SEALER OF WEIGHTS AND MEASURES**

This office continues to inspect all devices mandated by our Massachusetts General Laws. These inspections include all devices for weighing and payment of our goods. This year has seen gasoline prices above \$3.00 per gallon, then return to the lower/mid \$2.00 range. These record high prices are making consumers more upset and also more aware of their purchases. These high prices on gasoline have also generated more complaints than in recent years. These complaints must be followed up by proper re-inspections. Gasoline stations continue to remodel and install more self-serve motor fuel dispensers with more advanced technology. These as well as new and existing scales, oil trucks, taxi meters and other devices continue to be inspected, sealed and monitored for the protection of our consumers.

The Weights and Measures Office operates in conjunction with our Building Department as part of our towns' inspectional services.

Respectfully submitted,  
 Paul D. Starratt  
 Sealer of Weights & Measures

**WEIGHTS AND MEASURES DEVICES**

Gasoline Meters	271
Vehicular Meters	5
Commercial Scales	198
School Scales	7
Cash Registers & Scanners	44
Taxi Meters	19
Devices Not Sealed	5
Metric Weights	26
Apothecary Weights	32
<b>TOTAL</b>	<b>607</b>

Total Fees Collected & Paid to Treasurer     \$4,120.00

# AIRPORT COMMISSION

## 2005 REPORT OF THE NORWOOD AIRPORT COMMISSION

The Norwood Airport Commission (NAC) is pleased to submit its annual report for calendar year 2005.

A five-member commission, the NAC is appointed by the Board of Selectmen, with individual members serving three-year terms. The NAC's responsibilities include overseeing care, custody and management of Norwood Memorial Airport, which encompasses about 672 acres.

For the first half of 2005, day-to-day operations at the Airport were handled by the Interim Airport Manager, Mark Raymond. However, in July, U.S. Army Chief Warrant Officer, Russ Maguire, returned to his civilian job as the Airport Manager. During an 18-month military activation, Russ had served as a helicopter pilot with the 249<sup>th</sup> Medical Company (Air Ambulance) supporting Operation Noble Eagle. Rumor has it that Russ is very happy to be back at his old job, while Mark is equally glad to return to his as the Assistant Manager.

Norwood Memorial Airport is one of 36 airports within the Commonwealth that provides general aviation (non-military, non-airline) services. These include providing transportation alternatives for corporate officers and business persons, television and sports personalities, as well as local, state, national and international politicians. Other airport services include: charter flights; electronic newsgathering for three major Boston news stations; pipeline patrol; aerial spraying for the Norfolk County Mosquito Control; flight instruction and cargo services.

The Airport operates 24 hours a day, which is especially critical for emergency medical transports. Air ambulance and inter-hospital organ donor flights provide medical benefits to residents throughout the Commonwealth and north-eastern United States. With specialized medical centers available in Boston, Providence and New York, these air ambulance services provide time-critical, life-saving access for the residents of Norwood and surrounding communities. The State Police Air Wing, though no longer a tenant on the Norwood Airport, still utilizes fueling/maintenance services at the Airport. And our weather station provides up-to-the-minute meteorological conditions that are reported throughout the day by Boston's news stations.

As you can see, Norwood Airport is not a one-dimensional transportation hub benefiting a handful of private pilots. We all benefit from this wonderful and historic facility!

In fact, a 1997 economic impact study of the 41 public use airports in Massachusetts—excluding Logan International and Hanscom Field, Bedford—ranked the Norwood Airport fourth in total economic impact. In Norfolk County alone, the study showed that the Norwood Airport generates about \$49 million in annual economic returns. Norwood Airport users take advantage of our hotels, restaurants and retail outlets. Businesses, from the Fortune 500 class to small micro companies, routinely use our facility.

As for the diversity of our services, in addition to the private pilots who use Norwood Airport for personal transport, a number of aviation companies also call Norwood Memorial Airport home. The following is a list of companies based at Norwood Airport, to include the services they provide:

- *Eastern Air Center* Charter services, medical Flights, organ donor flights, aircraft maintenance, fueling, car rentals
- *Boston Air Charter* Charter services
- *Kestrel Aviation* Charter services
- *A.D.S. Flight Center* Fixed-wing flight training, sightseeing tours, aircraft rentals
- *New England Helicopter Academy* Flight training/aircraft rentals
- *Swift Air Service* Aircraft maintenance
- *Aerial Productions* Aerial video production, power line surveys
- *Midwest Air Traffic Services* Air traffic control (under FAA's purview)
- *Norwood Flight Center* Flight training/aircraft rentals
- *The Pilot Shop* Pilot training supplies and general retail
- *Avigate Air* Charter services
- *AirShares Elite* Fractional aircraft ownership

In 2000, we instituted a comprehensive noise education/abatement program—consisting of airfield signage and a flight publication insert for both our based and transient pilots. This continues to be a high priority program. The piloting community has also embraced our efforts, and this is reflected in the overall decrease in noise complaints. Throughout 2005, noise complaints remained on the decline. Out of respect for the surrounding community, and most especially, for our neighbors, the Commission remains dedicated to further reductions in noise complaints, whenever possible, through pro-active management and pilot education.

The installation in 2001 of a wildlife fence around the perimeter of the runways, taxiways and aircraft parking aprons continues to be a huge success. In 2005, the number of incidents involving wildlife and aircraft was virtually non-existent. This is surely a safety benefit to the users of the Airport, and it negates the need for seasonal hunting of deer on the Airport grounds.

Following the events of September 11, 2001, the NAC moved forward with enhanced security measures. Several years ago, an enhanced lighting project was completed to further increase airport security. The project also added security cameras to the physical plant while upgrading our security card-reading system, allowing airport access only to those conducting business on the Airport. The system electronically records all entrants, which in turn, gives airport management more direct control. The NAC is grateful for the support provided by the Norwood Board of Selectmen, the Norwood Finance Commission, the Massachusetts Aeronautics Commission and FAA in funding these security upgrades. The residents of Norwood and surrounding communities are the indirect beneficiaries of these improvements which make Norwood Memorial Airport one of the safest general aviation airports in the Commonwealth!

In 2005, the Airport continued to address physical plant upgrades by reconstructing yet another aircraft parking apron, which supports charter services. Also this year, the NAC continued to update the Airport master plan. This comprehensive "blue-print" will serve as a vision for the Airport over the next 25 years, while being the "guiding light" for future airport commissions.

# AIRPORT COMMISSION/CABLE COMMISSION

The success of Norwood Memorial Airport is due to many but we would be remiss in not mentioning our gratitude to the Board of Selectmen, the Finance Commission, and Town Meeting representatives who all recognize the importance of the Airport to the nation's air transportation system, plus the economy of Norwood and the Commonwealth. The Commission is especially grateful for the support—financial and otherwise—that the Massachusetts Aeronautics Commission has provided to the Airport in the past. We look forward to continuing this productive partnership in the future.

Finally, for flight enthusiasts and natural lovers alike, the open spaces here at Norwood Airport provide an ideal viewing locale, especially with the surrounding vista that includes the Blue Hills. The NAC continues to upgrade our public viewing areas, and we invite all to pay a visit to this tremendous asset known as NORWOOD MEMORIAL AIRPORT.

The Airport administration office is located 125 Access Road. Please feel free to contact the Airport Manager's office with your questions or comments at 781-255-5615. For you web surfers, check out the Airports web page located at [www.ci.norwood.ma.us](http://www.ci.norwood.ma.us). Click on Norwood Airport and enjoy the ride!

Respectfully submitted,

## 2005 Annual Report of the Norwood Cable Commission

The Norwood Board of Selectmen is the licensing authority for cable operations in the Town of Norwood. The Board of Selectmen has appointed a five member Cable Commission to act as agents for the Board and advise them on matters related to licensing and other issues regarding cable operations in the Town of Norwood.

The five members are appointed in staggered terms of three years. The Cable Commission members for 2005 were as follows: Chairman: Bryan Corbett, Vice Chairman: Joan Jacobs, Members: Al Fiske, Paul McGee and Peter Strano.

The Commission is scheduled to meet on the third Monday of each month at 7:30 p.m. in the Drummey Room at the Norwood Town Hall. The public is invited to attend these meetings.

The License renewal for both cable operators (Comcast and Norwood Light) is now behind us. Rates and charges for cable service (or bundled service) is outside the control of either the Board of Selectman (as Licensing Authority) or the Cable Commission. Rates are set and approved through the Cable Television Division of the Massachusetts Department of Telecommunications and Energy.

The focus for the Commission currently is to act as advocate for the Town of Norwood and its residents. The Commission receives and acts on complaints about service or service providers, or other issues brought to our attention by residents. The Commission also encourages technical advances in the systems for the residents. Both providers are updating their systems to include telephone service (Voice over IP or VOiP expected in 2006) and Video on Demand (VOD) (Comcast now complete, Norwood Light Broadband early 2006). The ability to choose a service provider and services is a benefit to Norwood residents.

Revenues received from the cable providers are used by the Norwood Public Access Corporation (NPA TV). This provides local origination programs and special events broadcasting such as the Selectmen's Meeting, School Committee Meetings, Town Meetings, as well as coverage of Summerfest, Concerts on the Common, Parades, and sporting events. Norwood residents can sign up and be trained on equipment to shoot their own video for broadcast on the Public Access Channel.

The Cable Commission would like to thank the Board of Selectmen, Administrative Assistant Julia Liddy, and other Town officials for assistance and support to the Norwood Cable Communications Commission and its members.

Respectfully submitted,

## NORWOOD CABLE COMMUNICATION COMMISSION

Joan Jacobs, Vice Chairman

Al Fiske, Member

Paul McGee, Member

Peter Strano, Member

Harriet Simons, Commission Secretary

# TOWN CLERK

## REPORT OF TOWN CLERK

### TOWN CLERK AND ACCOUNTANT'S STATEMENT TO THE BOARD OF SELECTMEN

The Honorable Board of Selectmen:

The annual report of the Town Clerk and Accountant for 2005 is hereby respectfully submitted. Included in this report is a summary of the major activities that transpired in the Office of the Town Clerk and Accountant during fiscal 2005.

#### TOWN CLERK'S REPORT

The following represents a summary of some of the significant events in the Town Clerk's facet of this department during 2005.

#### Licenses and permits issued:

The issuance of various licenses and permits through this office resulted in a collection of \$134,480 in fees to be used to offset the tax levy in FY 2005.

#### Elections:

During Fiscal 2005 the Town Clerk's Office presided over three (3) elections. The State Primary Election in September, 2004, the State Election in November, 2004, and the Annual Town Election in April, 2005. Complete results are listed elsewhere in this report.

#### Census and Voter Registration:

The results of the January 2005 census conducted by this office revealed that there were 28,429 residents in Norwood. The number of registered voters in Norwood in 2005 was 16,518. The following analysis of the population and number of registered voters in Norwood in the last five (5) years reveals a continued condition of stability, with negligible growth or decline patterns noted.

Year	Population	Registered Voter
2005	28,429	16,518
2004	28,410	17,009
2003	28,399	16,252
2002	28,434	16,424
2001	28,587	17,058

#### Town Meetings:

The results of the votes taken at town meetings were recorded and made a part of the town's permanent records by this office. During fiscal 2005 there were four (4) Special Town Meetings held in addition to the Annual Town Meeting held in May. A complete listing of each town meeting held during the fiscal year is incorporated as part of this report.

#### TOWN OF NORWOOD

#### Vital Statistics:

The Town Clerk's office is responsible for recording, issuing and maintaining all records relating to births, deaths and marriages in the town. A summary of the last three (3) years' vital statistic records accumulated in this office is as follows:

Births:	2003	2004	2005
Norwood Residents born in Norwood	104	100	88
Norwood residents born out of town	<u>244</u>	<u>214</u>	<u>202</u>

#### TOWN ACCOUNTANT'S REPORT

Separate accounting reports and the town's audited financial statements for Fiscal 2005 are filed hereunder after the conclusion of the Clerk's report

#### CONCLUSION

I would like to publicly acknowledge and thank the entire staff of the office of the Town Clerk and Accountant for their continued dedication, courtesy and patience in serving the public in 2005. Their efficiency in responding to the many telephone calls, letters and personal requests for the various public documents, licenses, and financial data that this office maintains is sincerely appreciated.

Thank you also to the Board of Selectmen for their continued support to this office during the year.

Respectfully submitted,

Robert M. Thornton  
Town Clerk and Accountant

#### IN MEMORIUM

Sadly, Helen (Ellie) Gallant passed away on February 23, 2005. Ellie served as a Census Clerk in the Town Clerks Office. The Town of Norwood and the Town Clerk's Office extends their deepest sympathies to the family of Ellie Gallant and will remember Ellie for her dedicated service to the Town of Norwood.

**COMMONWEALTH OF MASSACHUSETTS**

**SPECIAL TOWN MEETING**

**(SEAL)**

**TOWN OF NORWOOD**

Norfolk, ss.

In pursuance with the foregoing warrant, the inhabitants of the Town of Norwood and Town Meeting Members qualified to vote in elections and Town affairs, to meet in the Auditorium of the Dr. Philip O. Coakley Middle School on Washington Street in said Town on Monday, July 12, 2004, at 7:30 o'clock in the afternoon.

The Moderator, David Hern Jr. declared a quorum present and called the meeting to order. The Warrant calling the meeting to order was read by the Town Clerk and Accountant. Tellers being appointed and sworn the following action was taken on the articles of the foregoing warrant.

ARTICLE 1. To see what sum of money the Town will raise and appropriate from taxation, transfer from surplus revenue or other available funds for the FY05 Blue Hills Regional School budget, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: Indefinite Postponement

Motion declared Carried by Voice Vote.

Meeting Adjourned.

**COMMONWEALTH OF MASSACHUSETTS**

**TOWN OF NORWOOD**

**STATE PRIMARY ELECTION**

**(SEAL)**

SEPTEMBER 14, 2004

Norfolk, ss.

In pursuance with the foregoing warrant, the inhabitants of the Town qualified to vote in elections met in the various voting precincts designated for their districts in Norwood on Tuesday, the fourteenth of September, 2004 at 7:00 A.M.

The following election officers were sworn by the Warden in each precinct to the faithful performance of their duty.

District 1 and 2 - Oldham School: Marilyn A. May, Mary H. Hemman, Frances C. Sullivan, Emily W. Tibbetts, Jacqueline

Herman, Dorothy L. Rich, Ellen Marie Baker, Phyllis A. McDonough, Mildred E. Bowan, Theresa Sampson and Robert Sullivan.

District 3 and 5 - Civic Center: Frances A. Phipps, Juliette A. Bugeau, Arlene E. Lindblom, Mary C. Amirault, Julia O'Malley, Louise M. Conton, Mary Burns Bodge, Charlotte Bashian, Angela M. Daly, Gloria J. Lind, Floreen Thomas and Pius J. Amirault.

District 4 - Cleveland School: Elizabeth J. Sullivan, Anne P. Shannon, Porta Fruci, Myra A. Romanelli, Angela R. Smith, Anna Murphy and Thomas M. Sullivan.

District 6 & 7 - Balch School: Helen Ivatts, Ann K. Rogers, Robert H. Ivatts, Charles J. Jurgelewicz, Ruth M. Sullivan, Catherine Esper Moseley, Christine B. Hanscom, Margaret M. Bonvouloir, Dennis Hayes, Beverly A. DiFlaminies, A. Virginia Cardile and Samera E. Mike.

District 8 - Callahan School: Eileen T. Barss, Lillian K. Gorski, Janet F. McAuliffe, William V. Gorski, Suzanne Maciejewski and Normand P. Bugeau.

District 9 - Prescott School: Maureen P. MacEachern, Edith A. Buck, Dolores Elias, Anna M. Greene, Barbara V. Dias and Jean W. Buck.

In accordance with the laws of the Commonwealth of Massachusetts governing elections, the voting precincts designated for their districts were fitted up as polling places, a place railed off and compartments provided for the convenience of voters in marking their ballots, and each compartment was supplied with cards of instruction and other necessary facilities.

Cards of instruction and specimen ballots were posted in five different parts of each polling place outside the railing. The Town Clerk and Accountant delivered to the ballot clerks packages marked "Official Ballots September 14, 2004" and their receipts thereof.

The ballot Clerks were provided with duplicate sets of registered voters of the Town, as prepared by the Registrars of Voters for use at this election. They were supplied with official ballots taken from the packages received from the Town Clerk and were stationed by the entrances and exits of the polling places with instructions to deliver such ballots only to voters whose names were found and checked on the voting list. The ballot boxes used in elections were opened in public meeting, examined by the Wardens and other officials and found to be empty. The registers were then set to zero.

The polls were declared open for the reception of ballots at 7:00 o'clock in the forenoon and were declared closed at 8:00 P.M. At the close of the polls an actual canvass of the ballots showed that two thousand two hundred and six (2,206) votes were cast in the Democratic Party; one hundred and fifty-two (152) were cast in the Republican party; two (2) votes were cast in the Libertarian party; and one (1) vote was cast in the Green-Rainbow party.

The names checked on the voting list by the ballot clerks at the entrances of each polling place were counted and found to agree, and the total number of names so checked equalled the same as above.

## TOWN OF NORWOOD

## STATE ELECTION

(SEAL)

NOVEMBER 2, 2004  
Norfolk, ss.

In pursuance with the foregoing warrant, the inhabitants of the Town qualified to vote in elections met in the various voting precincts designated for their districts in Norwood on Tuesday, the second of November, 2004 at 7:00 A.M.

The following election officers were sworn by the Warden in each precinct to the faithful performance of their duty.

**District 1 and 2 - Oldham School:** Marilyn A. May, Mary H. Hemman, Frances C. Sullivan, Joyce A. DeCosta, Catherine Esper Moseley, Jacqueline Herman, Dorothy L. Rich, Ellen Marie Baker, Phyllis A. McDonough, Mildred E. Bowan, Theresa Sampson and Robert T. Sullivan.

**District 3 and 5 - Civic Center:** Juliette A. Bugeau, Edith A. Buck, Arlene E. Lindblom, Mary C. Amirault, Julia O'Malley, Joan P. Fruci, Floreen Thomas, Charlotte Bashian, Angela M. Daly, Gloria J. Lind, Anne L. Scoble, and Pius J. Amirault.

**District 4 - Cleveland School:** Elizabeth J. Sullivan, Anne P. Shannon, Porta Fruci, Myra A. Romanelli, Angela R. Smith, Anna Murphy and Thomas M. Sullivan.

**District 6 & 7 - Balch School:** Helen Ivatts, Ann K. Rogers, Robert H. Ivatts, Charles J. Jurgelewicz, Ruth M. Sullivan, Virginia Abromowski, Christine B. Hanscom, Margaret M. Bonvouloir, Dennis Hayes, Beverly A. DiFlaminies, Ruth C. Nemeth and Samera E. Mike.

**District 8 - Callahan School:** Eileen T. Barss, Emily W. Tibbetts, Lillian K. Gorski, William F. Pellowe, William V. Gorski, Suzanne Maciejewski and Normand P. Bugeau.

**District 9 - Prescott School:** Maureen P. MacEachern, Anna M. Greene, Agnes C. Ball, Dolores Elias, Shirley A. Praino, Barbara V. Dias and Jean W. Buck.

In accordance with the laws of the Commonwealth of Massachusetts governing elections, the voting precincts designated for their districts were fitted up as polling places, a place railed off and compartments provided for the convenience of voters in marking their ballots, and each compartment was supplied with cards of instruction and other necessary facilities.

Cards of instruction and specimen ballots were posted in five different parts of each polling place outside the railing. The Town Clerk and Accountant delivered to the ballot clerks packages marked "Official Ballots November 2, 2004" and their receipts thereof.

The ballot Clerks were provided with duplicate sets of registered voters of the Town, as prepared by the Registrars of Voters for use at this election. They were supplied with official

ballots taken from the packages received from the Town Clerk and were stationed by the entrances and exits of the polling places with instructions to deliver such ballots only to voters whose names were found and checked on the voting list. The ballot boxes used in elections were opened in public meeting, examined by the Wardens and other officials and found to be empty. The registers were then set to zero.

The polls were declared open for the reception of ballots at 7:00 o'clock in the forenoon and were declared closed at 8:00 P.M. At the close of the polls an actual canvass of the ballots showed that fourteen thousand sixteen (14,016) votes were cast.

The names checked on the voting list by the ballot clerks at the entrances of each polling place were counted and found to agree, and the total number of names so checked equaled the same as above.

COMMONWEALTH OF MASSACHUSETTS

SPECIAL TOWN MEETING

(SEAL)

TOWN OF NORWOOD

Norfolk, ss.

In pursuance with the foregoing warrant, the inhabitants of the Town of Norwood and Town Meeting Members qualified to vote in elections and Town affairs, to meet in the Auditorium of the Dr. Philip O. Coakley Middle School on Washington Street in said Town on Monday, November 15, 2004, at 7:30 o'clock in the afternoon.

The Moderator, David Hern Jr. declared a quorum present and called the meeting to order. The Warrant calling the meeting to order was read by the Town Clerk and Accountant. Tellers being appointed and sworn the following action was taken on the articles of the foregoing warrant.

## ARTICLE 1. (Instron TIF)

On a motion offered by Gary M. Lee seconded by William J. Plasko it was

Moved by the Board of Selectmen:

That the Town vote to approve the Tax Increment Financing Agreement between the Town, CFRI/Doherty University Avenue, LLC and the Instron Corporation substantially in the form as is on file with the Town Clerk (the "TIF Agreement"), pursuant to GL c. 40, section 59, and to confirm the Board of Selectmen's designation of the location of the project shown on Norwood Assessors' Map 22, Sheet 12, Lot 1, as an Economic Opportunity Area designated as the "University Avenue Economic Opportunity Area"; ("University Avenue Economic Opportunity Area"), and to authorize the Board of Selectmen to submit an Economic Opportunity Area Application, Tax Increment Financing Plan, and Certified Project Application to the Massachusetts Economic Assistance Coordinating Council, all relating to the project as described in the TIF Agreement to be located in the University Avenue Economic Opportunity Area, and to take such other actions as may be necessary to obtain approval of the Certified Project Application, the Economic Opportunity Area, the Tax Increment Financing Plan and TIF Zone and to implement the TIF Agreement.

Motion declared Carried by Voice Vote.

## ARTICLE 2. (UTI TIF)

On a motion offered by Gary M. Lee seconded by Denis Drummey it was

Moved by the Board of Selectmen:

That the Town vote to approve the Tax Increment Financing Agreement between the Town and Universal Technical Institute of Massachusetts, Inc., substantially in the form as is on file with the Town Clerk (the "TIF Agreement"), pursuant to MGL c. 40, section 59, and to authorize the Board of Selectmen to submit an Economic Opportunity Area Application, Tax Increment Financing Plan, and Certified Project Application to the Massachusetts Economic Assistance Coordinating Council, all relating to the project as described in the TIF Agreement and to take such other actions as may be necessary to obtain approval of the Certified Project Application, the Economic Opportunity Area, the Tax Increment Financing Plan and TIF Zone and to implement the TIF Agreement.

Motion declared Carried by Voice Vote.

ARTICLE 3. On a motion by E. William Bamber, seconded by Ernest Paciorkowski it was

Moved that the Town vote to amend the existing Zoning Map of the Town of Norwood as follows: By removing the following from a General Residential Zone (G) and establishing the same

# SPECIAL TOWN MEETING - NOV. 15, 2004

as a Manufacturing District (M).

**DESCRIPTION:** Area to be rezoned from General Residence to Manufacturing:

Beginning at a point, said point being S 62-28-33 E a distance of 285.01 feet from a point on the easterly line of the Boston-Providence Turnpike and the northwesterly corner of the land owned by Providence Highway Realty Trust II; thence

S 62-28-33 E Seventy Five and 00/100 (75.00) feet along a property line and an existing district zoning boundary line; thence

S 28-00-30 W Four Hundred Sixty Five and 11/100 (465.11) feet to a point on a property line and an existing district zoning boundary line; thence

N 43-27-00 W Seventy Nine and 11/100 (79.11) feet along a property line and an existing district zoning boundary line; thence

N 28-00-30-E Four Hundred Thirty-Nine and 32/100 (439.32) feet along an existing district zoning boundary line to the point of beginning.

Motion declared Carried by Unanimous Vote.

ARTICLE 4. To see what sum of money the Town will vote to raise from taxation or transfer from surplus revenue or other available funds or borrow and appropriate for increases in Fire Department wages and salaries, or take any other action in the matter.

On a motion offered by Judith A. Langone, seconded by Thomas J. McQuaid it was

Recommended by the Finance Commission:

VOTED: Indefinite postponement.

Motion declared Carried by Voice Vote.

ARTICLE 5. To see what sum of money the Town will vote to raise from taxation or transfer from surplus revenue or other available funds or borrow and appropriate for repairs to Fire Department apparatus, or take any other action in the matter.

On a motion offered by Judith A. Langone, seconded by Thomas J. McQuaid it was

Recommended by the Finance Commission:

# ANNUAL TOWN ELECTION

## COMMONWEALTH OF MASSACHUSETTS

### TOWN OF NORWOOD

#### ANNUAL TOWN ELECTION

(SEAL)

APRIL 4, 2005  
Norfolk, ss.

In pursuance with the foregoing warrant, the inhabitants of the Town qualified to vote in elections met in the various voting precincts designated for their districts in Norwood on Monday, the fourth of April, 2005 at 7:00 A.M.

The following election officers were sworn by the Warden in each precinct to the faithful performance of their duty.

**District 1 and 2 - Oldham School:** Marilyn A. May, Mary H. Hemman, Frances C. Sullivan, Emily W. Tibbetts, Jacqueline Herman, Dorothy L. Rich, Ellen Marie Baker, Phyllis A. McDonough, Mildred E. Bowan, Theresa Sampson and Robert T. Sullivan.

**District 3 and 5 - Civic Center:** Evelyn A. Jurgelewicz, Edith A. Buck, Janet McAuliffe, Julia O'Malley, Louise M. Conton, Floreen Thomas, Mary Burns Bodge, Charlotte Bashian, Angela M. Daly, Gloria J. Lind, A. Virginia Cardile, and Joyce A. DeCosta.

**District 4 - Cleveland School:** Elizabeth J. Sullivan, Anne P. Shannon, Porta Fruci, Myra A. Romanelli, Angela R. Smith, Anna Murphy, and Thomas M. Sullivan.

**District 6 & 7 - Balch School:** Helen Ivatts, Ann K. Rogers, Robert H. Ivatts, Charles J. Jurgelewicz, Virginia Abromowski, Christine B. Hanscom, Margaret M. Bonvouloir, Catherine Esper Moseley, Beverly A. DiFlaminies, Ruth C. Nemeth and Samera E. Mike.

**District 8 - Callahan School:** Juliette A. Bugeau, Lillian K. Gorski, William F. Pellowe, William V. Gorski, Marie V. Wilkinson and Normand P. Bugeau.

**District 9 - Prescott School:** Maureen P. MacEachern, Anna M. Greene, Agnes C. Ball, Dolores Elias, Barbara V. Dias and Jean W. Buck.

In accordance with the laws of the Commonwealth of Massachusetts governing elections, the voting precincts designated for their districts were fitted up as polling places, a place railed off and compartments provided for the convenience of voters in marking their ballots, and each compartment was supplied with cards of instruction and other necessary facilities.

Cards of instruction and specimen ballots were posted in five different parts of each polling place outside the railing. The Town Clerk and Accountant delivered to the ballot clerks packages marked "Official Ballots April 4, 2005" and their receipts thereof.

The ballot Clerks were provided with duplicate sets of registered voters of the Town, as prepared by the Registrars of Voters for use at this election. They were supplied with official ballots taken from the packages received from the Town Clerk

and were stationed by the entrances and exits of the polling places with instructions to deliver such ballots only to voters whose names were found and checked on the voting list. The ballot boxes used in elections were opened in public meeting, examined by the Wardens and other officials and found to be empty. The registers were then set to zero.

The polls were declared open for the reception of ballots at 7:00 o'clock in the forenoon and were declared closed at 8:00 P.M. At the close of the polls an actual canvass of the ballots showed that three thousand six hundred Sixty-Eight (3,668) votes were cast.

The names checked on the voting list by the ballot clerks at the entrances of each polling place were counted and found to agree, and the total number of names so checked equaled the same as above.

The vote is as follows:

#### SELECTMEN (For Three Years -Vote For Not More Than Two)

## **RUN-OFF ELECTON FOR TOWN MEETING MEMBER DISTRICT 6 MONDAY, MAY 9, 2005**

There were two vacancies in District Six resulting from the following:

- A tie for the tenth seat for a 3-year term from the Annual Town Election, Monday, April 4, 2005.

•The tie vote was between Kevin J. Shaughnessy and John D. Warner, Jr.

•The second vacancy was caused by the Death of Town Meeting Member Wayne D. Norwood who passed away at the end of April. His term was to expire, 2007.

The members of the District elected: Mr. William Phipps as Chairman and Mrs. Helen Ivatts as Clerk.

There were 14 Town Meeting Members from District 6 in attendance.

A Quorum was present at 7:00 PM.

Both candidates, Mr. Kevin Shaughnessy and Mr. John D. Warner, Jr. were present at the meeting.

Kevin Shaughnessy expressed interest in filling the 2-year Vacancy seat. According to Section 10 of the Representative Town Meeting Acts he can fill this vacancy until the next Annual Town Election and then his name will appear on the April, 2006 Annual Town Election Ballot for the remaining 1-year term.

A vote was taken and unanimously approved by the members of District 6 to elect Mr. John D. Warner, Jr. to fill the 3-year term and Mr. Kevin Shaughnessy to fill the vacancy for the 1-year term.

Meeting adjourned.

# ANNUAL TOWN MEETING - MAY 9, 2005

## THE COMMONWEALTH OF MASSACHUSETTS

### ANNUAL TOWN MEETING

#### TOWN OF NORWOOD

Norfolk, ss.

In pursuance with the foregoing warrant, the inhabitants of the Town of Norwood and Town Meeting Members qualified to vote in elections and Town affairs, to meet in the Auditorium of the Junior High South on Washington Street in said Town on Monday, May 9, 2005, at 7:30 o'clock in the afternoon.

The Moderator, David Hern declared a quorum present and called the meeting to order. The Warrant calling the meeting to order was read by the Town Clerk and Accountant. Tellers being appointed and sworn the following action was taken on the articles of the foregoing warrant.

ARTICLE 1. To see what sum or sums of money the Town will vote to raise by taxation and/or transfer from Surplus Revenue for the purpose of appropriating such sum or sums for wage increases for all Town employees, including the School Department, or take any other action in the matter.

On a motion offered by, Judith A. Langone seconded by Alan D. Slater, it was

Recommended by the Finance Commission

VOTED: That the sum of \$375,000 be raised from taxation and appropriated for the purpose of General Government Wage Increases for Fiscal Year 2006,

And be it further

VOTED: That said \$375,000 appropriation will be transferred into specific departmental budgets at future Special Town Meetings as collective bargaining agreements are negotiated.

A motion to amend offered by Paul Poznick, seconded by Stanley Wasil:

To see what sum or sums of money the Town will freeze from taxation and/or transfer from surplus revenue for the purpose of maintaining the same level of wages for all town employees, including the school department, until the next Annual Town Meeting, or take any other action in the matter.  
Request a Standing Vote.

Motion to amend declared Lost by Voice Vote.

Main motion by the Finance Commission declared Carried by Voice Vote.

ARTICLE 2. To hear and act on the reports of Town Officers and Committees.

On a motion offered by Judith A. Langone, seconded by Alan D. Slater, it was

Recommended by the Finance Commission:

VOTED: That the report of the Finance Commission and its recommendations with respect to appropriation estimates for the fiscal year 2006 be received and acted upon. And be it further voted that all sums voted for salaries are to be expended in conformance with the official budget of the Finance Commission unless otherwise voted by the town meeting.

All sums voted for new equipment shall be expended for items listed in the budgets approved by the Finance Commission unless otherwise voted by the town meeting.

Motion declared Carried by Voice Vote.

ARTICLE 2. To hear and act on the reports of Town Officers and Committees.

On a motion offered by Helen Abdallah Donohue, seconded by William J. Plasko, it was

Recommended by the Board of Selectmen:

VOTED: That the Annual Report of the town officials of the Town of Norwood be received and accepted as printed.

Motion declared Carried by Voice Vote.

ARTICLE 3. To see if the Town will vote to authorize the Collector of Taxes to use the same means as a Town Treasurer may use when acting as Collector.

On a motion offered by Helen Abdallah Donohue, seconded by William J. Plasko, it was

Recommended by the Board of Selectmen:

VOTED: That the Town Treasurer and Collector of Taxes, as Collector of Taxes be and hereby is authorized to use all means of collecting taxes which a Town Treasurer may use, according to law, when acting as Collector of Taxes.

Motion declared Carried by Voice Vote.

ARTICLE 4. To see if the Town will vote to authorize the Board of Selectmen to accept and enter into contract for the expenditure of funds allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of public ways under the provisions of Section 34, Chapter 90 of the General Laws, Ter. Ed., and acts in amendments thereof and in addition thereto, or take any action in the matter.

On a motion offered by Helen Abdallah Donohue, seconded by William J. Plasko, it was

Recommended by the Board of Selectmen:

VOTED: That the Board of Selectmen are hereby authorized to accept and enter into contract for the expenditure of any funds allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of public roads under the provisions of Section 34, Chapter 90 of the General Laws.

# ANNUAL TOWN MEETING - MAY 9, 2005

Motion declared Carried by Voice Vote.

ARTICLE 5. To see what sum of money the Town will vote to raise, borrow, or transfer from available funds in the treasury and appropriate for the fiscal year beginning July 1, 2005 through June 30, 2006 for the following purposes, or take any other action in the matter. "All sums voted for salaries are to be expended in conformance with the official budget of the Finance Commission unless otherwise voted by the Town Meeting. All sums voted for New Equipment shall be expended for items listed in the budgets approved by the Finance Commission and voted by the Town Meeting."

## SPECIAL TOWN MEETING - JUNE 6, 2005

Town on Monday, June 6, 2005, at 7:30 o'clock in the afternoon.

The Moderator, David Hern Jr. declared a quorum present and called the meeting to order. The Warrant calling the meeting to order was read by the Town Clerk and Accountant. Tellers being appointed and sworn the following action was taken on the articles of the foregoing warrant.

First item of business:

A motion was made by Paul Poznick, seconded by John W. Hayes Motion to address Article 2 before we address Article 1.

Reason: Article 2 would authorize the Board of Selectmen to accept as a gift the 5 ½ acre parcel adjacent to the 10 acre parcel referred to in Article 1.

Article 2 requires a 2/3 vote by this body, if it fails to pass, then Article 1 is in limbo.

Motion declared Lost by Voice Vote.

Next item of business:

A motion was made by John Paras, seconded by Paul Poznick The entire contract package is returned to the Investigating Committee and the YMCA representatives, to address the Infrastructure changes necessary, to provide safe lanes and sidewalks to their proposed site.

Motion declared Lost by Voice Vote.

ARTICLE 1. To see if the Town will vote to authorize the Board of Selectmen to execute a lease on the Town's behalf of the YMCA of Greater Boston, Inc., or its non-profit designee, of ten acres more or less within Parcel B, as shown on a plan of land entitled "Compiled Plan of Portion of Town of Norwood Water Supply Land on University Avenue in Norwood, Mass." Dated May 1, 1997, the term of which lease shall not exceed 75 years, and such lease to be substantially in the form on file in the office of the Town Clerk, all in accordance with authority granted by C. 375 of the Acts of 2004, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, seconded by William J. Plasko

Recommended by the Board of Selectmen:

MOVED: That the Town authorize the Board of Selectmen, acting under the authority of C. 375 of the Acts of 2004, and under the authority hereby granted by this body, to execute a lease on the Town's behalf of the YMCA of Greater Boston, Inc. for the term and substantially in the form of a proposed lease on file in the office of the Town Clerk on land referred to as Parcel B, as shown on a plan of land entitled "Compiled Plan of Portion of Town of Norwood Water Supply Land on University Avenue in Norwood, Mass." Dated May 1, 1997 and more specifically as shown on a plan of land entitled "Plan of Land in Norwood, Mass.", dated March 29, 2005 by Mark P. Ryan, Town Engineer.

Motion declared Carried by Standing Vote: Yes: 139 No: 49

ARTICLE 2. To see if the Town will vote to authorize the Board of Selectmen to accept a gift of land or of any interest in land consisting of five and one half acres more or less off Everett Street in Norwood, as shown on a Plan entitled "Plan of L and in Norwood, Mass." Dated April 28, 1959 by Arnold E. Schailer,

C.E., which plan is on file in the office of the Town Clerk, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, seconded by William J. Plasko

Recommended by the Board of Selectmen:

MOVED: That the Town authorize the Board of Selectmen to accept the gift of a remainder interest in a parcel of five and one-half acres more or less off Everett Street and as described in the warrant article, such remainder interest being subject to the right of the YMCA of Greater Boston, Inc. to build and operate a community-based facility on the site for as long, and only as long as the YMCA of Greater Boston, Inc. shall have the right to utilize contiguous Town-owned land pursuant to a lease under C. 375 of the Acts of 2004, the interests hereby addressed having kindly been offered by the owners of this parcel, P. Christopher Associates, Limited Partnership.

Motion declared Carried by Standing Vote: Yes: 141 No: 46

# NORWOOD PUBLIC SCHOOLS

## Norwood Public Schools 2005 System-Wide Annual Report

This section of the Superintendent's Annual Report covers the calendar year January 1, 2005 to December 31, 2005 and summarizes major system-wide initiatives and activities. Following this section are reports from each of the Building Principals.

### SCHOOL COMMITTEE

During the last year, some of the issues the School Committee undertook were: (1) the Permanent Building Construction Committee hired Symmes, Maini & McKee Associates in March, 2005 and worked with the Committee of 21 to evaluate the educational needs and space and code requirements of the Senior High School for the purpose of preparing a feasibility study which was presented in August, 2005; (2) the Committee of 21, PBCC and SMMA have continued to work diligently all year to find the best solution to meet the needs of the Senior High School as well as address the NEASC Evaluation requirements to bring the school into compliance; (3) instituted a bus fee and athletic fee to help with the budget shortfall; (4) worked with the Middle School Safety and Discipline Task Force to ensure all students feel safe and are nurtured at the Middle School; (5) approved the position of Middle School Dean of Students for a 2006-2007 pilot program to handle discipline and assist the Principal and Vice Principal in the organization, supervision and administration of the school; (6) approved a 2004-2009 School District Improvement Plan; and (7) approved the 2005-2006 School Improvement Plans for all schools.

Incumbents, Mr. Mark P. Joseph (1997-98; 1998-99; 1999-02; 2002-05; 2005-08) and Mr. William J. Plasko, Jr. (1999-02; 2002-05; 2005-08) were re-elected. The other five members are Mrs. Toni M. Eosco, Mr. Christopher M. Morrison, Mrs. Phyllis H. Norwood, Mr. Joseph M. Pentowski and Mr. Richard M. Power. Mrs. Eosco was elected Chair in June.

The Norwood School Department operating budget for the 2005-2006 school year, as voted by Town Meeting, was \$29,015,780. For the fourth year in a row since the passage of the Educational Reform Act in 1993, the School Department budget exceeded Net School Spending. The original request by the School Committee was \$30,588,744 that was reduced by \$1,572,964 which was the result of a combination of offsets, reductions, instituting Bus and High School Sports Fees, and increasing the Fine Arts and Middle School Intramural Fees. Difficult cuts were made in all line items in order to reach a budget that was approved by the School Committee and presented to Town Meeting.

### ADMINISTRATIVE CHANGES

Between January, 2005 and December, 2005 the following administrators were hired: Dr. David Fisher (Acting Oldham School Principal); Mrs. Catherine Connor-Moen (Director of Fine Arts), Ms. Mary Lou Motyka (Gr. K-12 SPED Coordinator); Ms. Janice Mitchell (Out-of-District SPED Liaison).

In addition, Mr. John Burns (Oldham School Principal) retired; and Dr. Roseli W. Weiss (Assistant Superintendent for Instruction); Mr. William Drury (Informational Technology System Administrator), Mrs. Jo Feldman (Gr. K-12 SPED Coordinator) and Ms. Kathleen Davis (Out-of-District SPED Liaison) resigned.

### TECHNOLOGY

Following Year 2 of the Technology Plan, the staff purchased and deployed PCs, network printers, servers, Smartboards and software across the district. At the elementary level, select teachers were given multi-media portable carts (laptop and projector) for technology integration in the classroom; training classes and workshops were conducted throughout the year focusing on integrating the current software with the curriculum; elementary report cards were automated through iPASS allowing teachers to enter grades on-line and Principals were able to print the report cards at the end of each term; a Summer Laptop Lending Program allowed teachers the use of a laptop loaded with elementary software so they could explore the available applications; and 2 new websites were designed for elementary staff regarding technology and curriculum. At the Middle and High Schools, new servers were configured and installed for data, applications and hosting teacher web pages; and ceiling mounted projectors were installed in the labs and library. At the James R. Savage Educational Center, 2 workspaces were created for teacher resources and lab work; a curriculum lab houses 12 PCs and multi-media equipment for application training and demonstrations; and a teacher workroom contains 4 PCs, a poster printer, laminator, binding machine and other resources. We continue to enhance our staff's use of productivity tools to aid them in increasing their efficiency and effectiveness. The Central administration and school web sites ([www.norwood.k12.ma.us](http://www.norwood.k12.ma.us)) are also being continuously updated and enhanced.

### SCHOOL SECURITY

The Norwood Emergency Planning Committee, consisting of members of the School Department, Norwood Police and Fire Departments, Norwood Board of Health, and local and state public safety agencies continue to meet to ensure we are well-versed in the implementation of our Emergency Response Plans, should the need arise, including security, prevention, preparedness response and recovery.

### BUILDINGS & GROUNDS

A new boiler and two new burners were installed at the Balch School; at the Prescott School a wall was removed in order to construct the new Primary Skills classroom, and 4 offices were relocated moving the speech area to a former Kindergarten classroom; and at the Senior High School, all chemicals were removed from the Science classrooms by Clean Harbors. Ongoing maintenance throughout the school system included painting of the schools interior and exterior; replacement of window shades; handicap improvements were made; boiler, electrical and plumbing maintenance were done; floors were retiled or carpeted; and fire alarm systems were brought up to date.

### SPECIAL EDUCATION DEPARTMENT

The Student Services Department provides health, counseling, educational and assessment services to students in Pre-School to age 22. Local funds, as well as state and federal grants, permit the Department to provide specialized instruction to students who meet eligibility standards under Individual Education Programs, 504, or Individual Health Plans. Special Education services are provided to nearly 800 students. The range of services offered within the system continues to expand as new technology, programs and curriculum offerings develop. The range of services also varies to meet the individual needs

of each identified student. The Student Services Department, in conjunction with its staff, students and parents, continuously assesses the ever-changing needs of our students to explore new program development and to meet the needs of the students in the 21<sup>st</sup> century.

Special education students in Grades K-12 have access to the services of Special Education teachers, Speech/Language Pathologists, Occupational and Physical Therapists, Adaptive Physical Education Specialists and Adjustment Counselors. Guidance Counselors in both the Middle and Senior High Schools work with students on course selection, learning and social issues, career and vocational planning and college placements. The Guidance staff plays a key role in transitioning students from the Elementary Schools to the Middle School, the Middle School to the Senior High and Senior High to college or the work environment. In addition, there are full-time nurses in each building who address the increasing medical issues facing our students. These nurses, under the direction of the Nurse Leader for the Department, conduct regular health, dental health, and screenings throughout the school year.

Quality programs exist at all levels that provide our students and staff with education both in health and social issues. Some of the programs offered include peer mediation, social competency, professional teacher development and new teacher mentoring.

## ENROLLMENTS

The Norwood Public Schools provides educational services for three thousand six hundred seventeen (3,617) students. Enrollment by grade level as reported October 1, 2005 was: Pre-School-**101**; Kindergarten-**251**; 1<sup>st</sup> Grade-**246**; 2<sup>nd</sup> Grade-**251**; 3<sup>rd</sup> Grade-**260**; 4<sup>th</sup> Grade-**289**; 5<sup>th</sup> Grade-**279**; 6<sup>th</sup> Grade-**246**; 7<sup>th</sup> Grade-**275**; 8<sup>th</sup> Grade-**304**; 9<sup>th</sup> Grade-**294**; 10<sup>th</sup> Grade-**280**; 11<sup>th</sup> Grade-**262** and 12<sup>th</sup> Grade-**279**. Of this population, nearly eight hundred students qualify for Special Education services which represents 22% of the total enrollment. In addition, one hundred sixty-two (162) students received ELL services which represents 4.5% of the total enrollment.

## RETIREMENTS

From the period January 1, 2005 to December 31, 2005, the following individuals retired from the Norwood Public Schools: **Senior High School** – Paula DeCoste (Math), William Neviackas (Science), David Powell (English); **Middle School** – David Jenkins (English); **Balch School** – Carole Cappuccio (Nurse), Janice Riolo (Grade 2); **Cleveland School** – Mary Brown (Grade 1); **Oldham School** – Carole Whitty (Grade 1); **Fine Arts** – Doris Howard (Elementary Art); **Health/Physical Education** – Mary Jane Kelley (Elementary), David McKenna (Elementary), Sharon Steih (Middle School); **Student Services** – Mary Lou Fitzpatrick (Core Facilitator); **Special Services** – Joan Zwible (EUREKA); and **Cafeteria** – Jane Bell (Callahan).

## RESIGNATIONS

From the period January 1, 2005 to December 30, 2005, the following individuals resigned: **Senior High School** – Emily Abrahamsen (Foreign Language), Maryann Byrne (Social Studies), Matthew Christ (Math), Carl Ciplinski (Social Studies), Janet Curley (Art), Elaine Fiorillo (Foreign Language), Christina Harris (English), Rachel Holt (English), Cassandra Leiter (PACS), Nancy Leung (Foreign Language), Marcia Notarangelo

(Fine Arts Secretary), Samuel Porazzo (Technology/IA), Thomas Shaw (Science), Christine White (English), Kathy Flynn, John Gilmore, James Sweeney (Paraprofessional Aides); **Middle School** – Frank Bowen (Health/PE), Amy Dalo (Resource Room), Benjamin Gibson (Health/PE), Ralph Henry (Technology/IA), Karen Lawrence (Foreign Language), David Schoorens (Science), Win Tower (Math), Farah Ferris, Theresa Sanchez, Patricia Schultz, Lindsey Winselaar (Paraprofessional Aides); **Balch School** – Donna O'Malley (Secretary), Mary Pudsey (Library Aide), Kristen Zabbo (Title 1); Andrea Zanelli (Grade 2), Rose Marie Fruci, Sheila Girvan, Mason O'Neal, Laurie Perry, Stephanie Vozzella (Paraprofessional Aides); **Callahan School** – Maura Flaherty (Learning Center); **Cleveland School** – Lisa Drenkhahn (Resource Room); **Oldham School** – Kristin Burke (Grade 1 Cooperative), Katherine Sheehan (Library Aide); **Prescott School** – Suzanne Druker (Paraprofessional Aide); **Willett Early Childhood Center** – Andrea Parisi (Kindergarten), Trevor Taylor (Occupational Therapist), Amanda Fitzgerald, Marilyn Fruci (Paraprofessional Aides); and **James R. Savage Educational Center** – Claire Mulrey (Accounts Payable), Cynthia Paulsen (Payroll Clerk).

## NEW STAFF

From January 1, 2005 to December 31, 2005, the following new staff were hired to fill vacancies created by retirements, resignations, promotions and new positions: **Senior High School** – Michael Adams (Math), Jennifer Avedian (English), Jessica Barber (Foreign Language), Jaime Berry (English), Mary Ann Bodajla (Foreign Language), Danielle Kayal (English), Amy Kiely (Foreign Language), William Klements (English), Andrew Koller (Science), Patricia Mogan (Math), Anna Maria Nogueira (ELL), Deborah Salaun (PACS), Roger Sweeny (Science), Eileen Tomkiewicz (Learning Center); **Middle School** – Katlyn Bohan (Foreign Language), Kathleen Bousquet (Science), Walter Chambers (English), Catherine Ciccolo (Art), Barbara Dupre (Learning Center), Jay Dupuis (Health/PE), Tracy Howard (Health/PE), Christian Huizenga (Health/PE), Christopher Martin (Music), Terence Martin (Social Studies), Laurie Norris (Math), Michelle Samuelson (Math), James Tighe (Social Studies), Henry Toulmin (Science), Tara Wilson (Guidance Counselor), Shawn Wood (Art); **Balch School** – Rose Marie Hart (Grade 3), Anne McGlame (Title 1), Catherine Sastri (Grade 5), Amy Thomsen (LTS Grade 2), Michelle Weeks (Adaptive PE); **Callahan School** – Aaron Reuland (Librarian); **Cleveland School** – Meghan Charpentier (Resource Room), Oren Kuhn (Pragmatic Language), Maureen Meldrim (LTS Grade 1), Meghan Wickham (Grade 5); **Oldham School** – Gina Capodilupo (Grade 1); **Prescott School** – Laurel Oberg (Primary Skills); **Willett Early Childhood Center** – Margaret Drummey (Occupational Therapist), Joan MacLean (LTS Kindergarten), Elisabet Proppe (Pre-School), Karen Wilson (LTS Kindergarten); and **Student Services** – Rebecca Eaton (Elementary Team Chair).

**Instructional Aides** – Lauren DeVasto, Sara Ryan (Willett); **SPED Paraprofessional Aides** – Deborah Trevisone, Joan Whalen (Senior High School); Jennifer Niden, James Sweeney, Linda Venskus (Middle School); Katie Jones (Oldham); Mary Flynn, Claudine Gover, Sally Luce, Christine McIntosh (Prescott); Denise Gardner (Willett).

# NORWOOD PUBLIC SCHOOLS

## MCAS

The eighth round of the MCAS was administered to 3,4,5,6,7,8 & 10<sup>th</sup> graders in April and May, 2005 and in October, 2005 the Department of Education released the results of the test. The following chart shows the percentage of students scoring at each Performance Level:

		Advanced		Proficient		Needs Improvement		Warning	
		Norwood	State	Norwood	State	Norwood	State	Norwood	State
<b>Grade 3</b>	Reading			69%	63%	25%	30%	5%	6%
<b>Grade 4</b>	English/Language Arts	14%	11%	57%	45%	25%	35%	4%	9%
	Mathematics	18%	14%	36%	28%	40%	44%	5%	14%
<b>Grade 5</b>	Science & Tech/Engineering	21%	20%	41%	35%	34%	33%	5%	13%
<b>Grade 6</b>	Mathematics	25%	17%	30%	26%	34%	32%	12%	25%
<b>Grade 7</b>	English/Language Arts	17%	9%	62%	59%	19%	25%	3%	7%
<b>Grade 8</b>	Mathematics	12%	13%	24%	26%	34%	32%	30%	29%
	Science & Tech/Engineering	8%	5%	29%	28%	37%	36%	25%	31%
<b>Grade 10</b>	English/Language Arts	28%	19%	49%	44%	18%	27%	5%	10%
	Mathematics	30%	29%	34%	28%	28%	28%	9%	15%

## PROFESSIONAL DEVELOPMENT

Norwood has a comprehensive program for Professional Development. All teachers are provided with opportunities for professional development within the district as well as at other sites. The goal of our Professional Development Plan is to provide staff with opportunities to expand their knowledge, examine assumptions, take risks and devise mechanisms to support collaboration and sharing of ideas. The main goal of our professional development offerings is to assist Norwood educators to: (1) improve student learning through high quality classroom instruction; (2) acquire new knowledge and skills to enhance performance; (3) access opportunities for ongoing support; and (4) assist educators in meeting the state requirements for recertification.

Workshops were held during the full day in September, 2005 followed by two (2) early release days in October and December, 2005. During these days teachers participated in various workshop topics. In addition to these days, other early release days during the year allowed teachers to work in department and grade level groups to write and revise curriculum and collaborate on developing instructional strategies to meet the needs of all learners.

Some of the in-district offerings this year included: Dimensions of Learning, Mentor Training, Skillful Teacher, Open Circle Training, Using Technology, Balanced Literacy, Curriculum Mapping, Current Trends and Modifications in Special Education. In addition, iPASS Training, Writing with Young Authors, Differentiating Instruction through Readers' Workshop and Issues in Second Language Acquisition were available. We continue to offer workshops and training sessions in the implementation of the Massachusetts Curriculum Frameworks.

## CURRICULUM DEVELOPMENT

The **English Language Arts Department** continued curriculum mapping by developing essential questions and examining types and a variety of assessments. The staff updated mid-year writing and final assessments at both the Middle School and Senior High School. The **Foreign Language Department** began creating performance-based benchmark assessments in alignment with the Foreign Language Curriculum Frameworks and continued to update the curriculum maps. The **History/Social Science Department** realigned its

curriculum from Pathway 3 to Pathway 1 to give students taking the History MCAS in 2009 a better chance of success. Curriculum maps were completed and edited. The **Math Department** focused on a new program selection and after months of examining and comparing program materials chose the Glencoe Middle School Math Program for Grades 6-8. In Grades 9-12 curriculum work focused on rewriting course outlines and refining departmental mid-year and final exams, as well as completing the curriculum mapping. The **Science Department** used the professional development days to assure each course reflects the State Standards and continued to revise and edit their subject-based curricula to better serve the students. The **Technology/Engineering Department** continues to work on writing curriculum maps to reflect the State Standards and textbooks were chosen at both the Middle and Senior High Schools to supplement the primarily project-based curricula. The **Art Department** completed curriculum maps for all courses in Gr. 6-12 and the grading rubric was revised. The Senior High added a new course of Sculpture 2 and a new textbook for the Middle School is under review. The **Fine Arts Department** completed curriculum mapping for all grades in General Art and Music classes, as well as all performance ensembles and High School Drama. **Health and Physical Education Department** continued to offer a comprehensive approach and students received updated information and resources, as well as a variety of offerings in all their classes. Curriculum mapping is progressing in order to have a system-wide picture of the curriculum. The **Guidance Department** compiled a comprehensive Guide to the College Admissions process for parents. The Guide covers everything from investigating and visiting colleges, to the testing, application and financial aid process and is given to every 11<sup>th</sup> and 12<sup>th</sup> grader to bring home.

At the elementary level, the Norwood Public Schools continued its partnership with Tufts University to provide sustained professional development for our staff focusing on a balanced literacy model of reading instruction which was expanded to include Grades PreK-5. In Mathematics, implementation of the Everyday Math continues in Grades K-5. The Science Center staff continues to review and refine curriculum with staff, providing hands-on approaches to science. In Social Studies, Grades K-5 uses a combination of textbooks and trade books for classroom instruction and discussion focuses around the Curriculum Frameworks topics. Technology is integrated into the curriculum through focused lessons and centers work to match the standards set by the Norwood Public Schools. All curriculum areas are continually edited and refined to meet the mandates of the Massachusetts Curriculum Frameworks.

## SUMMARY

It is my pleasure to submit my fourth Annual Report as Superintendent of the Norwood Public Schools. I would like to thank the School Committee, administration, faculty, support staff and Town officials for all their assistance in helping the School Department achieve the many accomplishments outlined in this report despite another very difficult fiscal year. I am confident we will continue to work collaboratively to improve our schools to be one of the best in the Commonwealth and look forward to working with everyone to achieve this goal.

Respectfully submitted,

Edward P. Quigley, D.Ed.  
Superintendent of Schools

**NORWOOD SENIOR HIGH SCHOOL  
2004-2005 ANNUAL REPORT**

On September 8, 2004, a total of 1112 students enrolled at Norwood High School. The School Council again had an aggressive agenda with four (4) goals targeted for improvement: (1) To review the NEASC Commission response to our 5-year Progress Report submitted in May, 2004; (2) to work with the Committee of 21 to promote a needs assessment for the building addition/renovation project for the High School; (3) to work with the town-wide committee, Healthy Norwood Coalition, to promote a healthy lunch and snack program for students at the High School; and (4) to work with the Student School Committee representatives elected in May, 2004 and develop solutions to their Town Government Day agenda. Our building needs continue to be a top priority as we reviewed plans with the Committee of 21 to build a new High School. We continued to review important school issues with the Faculty Senate, School Council, PTA and student body. Our on-going discussions center around how to make Norwood High better in order to serve the educational needs of the future. We continue to be well supported by the community and the staff and students are sensitive to their generosity.

**ENGLISH/LANGUAGE ARTS DEPARTMENT**

During the school year, the Department worked to evaluate and update our assessment tools, mid-year writing and final exams. The 10<sup>th</sup> grade mid-year writing prompt was changed and the rubric was revised to match it in order to improve scores in the content area of the MCAS essay. Both the 10<sup>th</sup> and 11<sup>th</sup> grade final exams were updated to include additional questions that more closely match the type of questions which appear on the new SAT. We continued to phase-in McDougall Littell's newly published Language of Literature 10 and 12 anthology for both college preparatory and standard English classes, and this year we added the 9<sup>th</sup> grade edition, including access to the online version. Additions to the summer reading list in were well received. Alternative AP level assignments were introduced in Grade 10 in an effort to prepare those students who wish to pursue our AP curriculum in Grades 11 and 12. Thanks to the generosity of the Dedham Bank for Savings all 9<sup>th</sup> graders enjoyed a performance of Romeo and Juliet by Shakespeare Now.

**FOREIGN LANGUAGES DEPARTMENT**

For the first time, the Department was able to offer Spanish V Accelerated and Spanish V College. The classes were run simultaneously in the same classroom and eighteen (18) students took advantage of the opportunity. Students continued to master vocabulary and grammar, to read literature and explore history and culture within the context of the course. In November, students in Spanish IV and V elected to attend a performance of Evita at the Colonial Theatre in Boston and; in December, the New Repertory Theatre visited the High School to perform Cyrano for students in French III, IV and V and 10<sup>th</sup> grade English classes. In March, the Department celebrated National Foreign Language Week by collaborating to create a "Celebration of Languages and Cultures" which boasted performances by Irish Step and Indian Classical dancers; ethnic food stations; an induction of eligible 11<sup>th</sup> and 12<sup>th</sup> graders into newly established Chapters of the National French, Spanish and Latin Honor Societies; and over 100 people

attended this event. Forty (40) students participated in the National Spanish Exam and thirty-three (33) participated in the National French Contest with Joao Mendes placing 5<sup>th</sup> in the Spanish Exam and Nicholas Bunker and Andrew MacLeay placing 10<sup>th</sup> in the National French Contest.

**HISTORY/SOCIAL SCIENCE DEPARTMENT**

The Department realigned its curriculum from Pathway 3 to Pathway 1 to give our students taking the History MCAS in 2009 a better chance of success; and continued to improve mid-terms and final exams with the staff analyzing the tests to ascertain their successes on stated goals and objectives. In February, the Department commemorated Black History Month with classes creating special projects on different aspects of African American. In May, students participated in Student Government Day at both the Town and School levels with students participating in a mock Town Meeting as well as a mock School Committee Meeting which were very successful.

**MATHEMATICS DEPARTMENT**

Grades 9-11 are using very contemporary material published by three different groups. One of the Geometry texts relies very heavily on related computer software and the discovery and hands-on components of this approach are exciting to staff and students. The Math Academic Support class, in its third year, served over fifty (50) students very well and two (2) staff members assisted students with Algebra, Geometry and MCAS materials. MCAS tutoring services were also provided in several formats: routine review during Math classes, after-school sessions supported by state funding and intensive help sessions for students in danger of failing. The Math Department elected the following students as "Math Student of the Year": Brendan Dawson and Albert Nadjarian (2005); Nick Bunker (2006); Andrew Sullivan and Yoonhee Lee (2007); and Joseph Christi (2008). The Rensselaer Medal Winner for the highest combined Math/Physics average was Paul Chang.

The Internet continues to be the single greatest opportunity for technology inclusion at the High School and teachers from every discipline are incorporating Internet use as a tool for learning. In addition, the High School athletic schedules were published daily. A growing number of teachers and students are generating Microsoft PowerPoint presentations to be used for classroom demonstrations. The six (6) computer labs are in use almost every period of every day. A library of computer presentations has been established to share the student and staff work. Students and teachers are using this valuable tool to present solid academic ideas in a new and interesting way and PowerPoint presentations are becoming standard pedagogy in many classes.

**SCIENCE & TECHNOLOGY EDUCATION DEPARTMENT**

The Technology Education Department, previously Industrial Arts, was consolidated with the Science Department in order to provide consistent leadership between the two areas. The consolidation reflects the State's combined Science and Technology Curriculum Frameworks. The 10<sup>th</sup> grade Science and Technology MCAS exams are subject-based in Biology, Chemistry and Physics. All Department members participated in mapping the curriculum they plan to teach and attended presentations of special education topics. The mapping process has identified a timeline, standards, objectives and

## SENIOR HIGH SCHOOL

essential questions for each course; and staff will complete their maps by adding assessment and teaching methods next year. In addition, new textbook editions were purchased and used for AP Biology, Human Anatomy and College Level Physics. The Technology Education Program is requesting the purchase of a technology textbook to reinforce the state standards and the courses will retain a hands-on approach. The Department Chair and a group of teachers worked as a team to choose the textbook and five (5) were studied and compared on a number of characteristics: state standards, readability, bias, presentation and teacher ancillaries. It is the Department's hope that the new textbook will be used in the Electronics, Metal and Wood Technology courses.

### ART DEPARTMENT

The Department has developed a strong standards-based curriculum at the High school for all art courses. This year we continued the process of curriculum mapping and the following supplemental art history texts were purchased to enhance the curriculum: American Art History, Understanding Modern Art, Computer Graphics and Exploring Art History. The 8<sup>th</sup> Annual Fine Arts Festival was held at the Apollo and artwork representing Grades K-12 were featured. At the state and national level, over 30 postcard sized art pieces were sent to the National Art Educational Convention in Boston and several prints were part of a juried Printmaking Art Show at Boston University in the spring. Once again, the Department participated in the Regional Globe Art Scholastics where we received one Gold Key, one Silver Key and two Honorable Mentions and the students' works were part of the Annual Century Scholarship Dinner. Sara Garver and Alicia Mobley were the recipients of the "Albie Award;" Sara Garver and Kristen DiMarzo were recipients of the Art Association Scholarships; James Erlich, Kara Loo, Kevin Breen, Andrew McFarland, Sara Kennedy, Sarah Driscoll, Amanda Brown, Betsy Joseph and Tiffany Chan were recipients of the Departmental Art Awards. Michelle Sullivan and Betty Olibrice were selected to be part of a special art class for 11<sup>th</sup> graders with Boston University; and Betty Olibrice received a scholarship for a summer pre-college course at the Rhode Island School of Design. Sara Kennedy and Samantha Sklar represented the High School at Art Allstate which is a juried competition and normally only one student is allowed from each high school. The Student Chapter of the National Art Honor Society inducted twenty (20) new members in April. Neela Paramkusham designed the CD cover for the Music Department's annual collection of musical pieces. Lastly, the following new initiatives were introduced this year: (1) the Ceramic Classes raised scholarship money for art students by making and selling ceramic holiday ornaments; (2) the Computer Graphics Class designed the new Norwood Housing Authority Logo; and (3) the Studio Art 3 students made a community connection through "Art In Bloom" that was a partnership between the Norwood Evening Garden Club, the Historical Society and schools.

### HEALTH/PHYSICAL EDUCATION/FAMILY & CONSUMER SCIENCES DEPARTMENT

The Department continues to be involved in constant evaluation and subsequent curriculum revision wherever needed and this year's efforts continued as we near the end of curriculum mapping throughout the school system. During the fall, 9<sup>th</sup> grade Health classes participated in a Library Orientation

Program in conjunction with the school Librarian where they were introduced to the Library and given research assignments based on their health unit of study. Mr. Bill Philips from New Beginnings, Inc. spoke to the entire 10<sup>th</sup> grade class regarding addiction and recovery; he brought two (2) young speakers with him to talk about youth addiction and recovery; and all three (3) speakers were highly effective and well received by the students. Officer Giacoppo conducted a lesson for all 11<sup>th</sup> grade Health classes about drinking, driving and the law; he brought with him "fatal vision goggles" that actually simulate what it would be like if a person was legally drunk and had to perform a field test. Once again, all 12<sup>th</sup> graders were certified in Adult CPR through their Senior Health classes.

Respectfully submitted,

George S. Usevich  
Principal

## **DR. PHILIP O. COAKLEY MIDDLE SCHOOL 2004-2005 ANNUAL REPORT**

In September 2004 we welcomed 884 students to the Middle School. The year started with the following goals established in the spring of 2004: (1) creating a Middle School Task Force to explore teaming and the Middle School model; (2) continuing the long-range process of improving the facilities and book collection in the library; (3) continuing to recognize academic achievement and strong character and respect in the Middle School; and (4) continuing to plan the implementation of the Character Education Program. The Character Education Committee (ROAR) consisted of students, teachers and parents who met regularly to develop and conduct a survey for parents, students and staff. Using the results of the survey, a program will be designed to instill respect and responsibility as two (2) core values of the school. The Committee will begin to develop monthly themes that will help instill in students these core values. The School Council met seven (7) times throughout the year and offered their expertise to help administration achieve the goals set for the year. The PTA met eight (8) times and continued to contribute to the School; again took on the challenge of improving the facilities of the school library; held several fundraising events to help achieve this long-range goal; and new books and furniture have been purchased as a result of their efforts.

The Community Center for Counseling & Education in Walpole once again provided the following programs for girls: (1) weekly social/emotional sessions that addressed the issues of self-esteem and girls "having a voice"; and (2) The Stand By Me Lunch Group was available to 7<sup>th</sup> and 8<sup>th</sup> graders who met the criteria. The goal was to give each participant an opportunity to learn about herself and grow through art, drama and poetry in order to draw attention to the issues that sometimes quiet girls at this age; the girls were recommended by faculty as leaders, potential for leadership, showing signs of low self-esteem and strength in the arts area; and evaluations from this program were very positive.

Mrs. Mitchell organized and chaired monthly meetings of the Image Plus Committee with the emphasis being to identify programs and strategies to deter students from inappropriate or dangerous behavior. The Middle School hosted the following two (2) programs with District Attorney Bill Keating: (1) was a parent forum on the increased use of heroin; and (2) was on Internet Safety which were extremely informative and helped make parents aware of how they can help their children to remain safe.

The Faculty Senate continued to meet for the purpose of improving the climate at the Middle School. The Senate received proposals from the faculty, evaluated the suggestions for change and made recommendations to administration. The Senate met once a month to discuss concerns from the various departments and effective communication results and positive changes were made throughout the year. A Discipline Committee was formed in April to get information from other Middle Schools regarding policies and practices. This information was passed on to the Discipline/School Safety Task Force that was formed by the School Committee in June.

For the 5<sup>th</sup> consecutive year, the Partnership In Norwood Service (P.I.N.S.) continued to encourage 8<sup>th</sup> graders to "give back" to the community through volunteer work. We believe this will not only create a stronger link between the students and Town, it will start a precedent of volunteerism that will carry on in the high school years and beyond. Six hours of verified community service were required and we are proud to say that most of our 8<sup>th</sup> grade students completed their P.I.N.S. points.

### **STUDENT SERVICES DEPARTMENT**

The major goal of the Department is to support students in their academic, social and emotional growth; to encourage students to accept themselves while understanding the differences among their peers; and to foster a respectful environment. The Department continues to upgrade the 5<sup>th</sup> Grade Orientation Program that incorporates a video highlighting the school's programs, showing 6<sup>th</sup> graders in classes during a regular school day, and includes a tour of the building and classroom visitation. In November, a presentation was arranged for the 8<sup>th</sup> graders to hear about course offerings at Blue Hills Regional School, and students interested toured the school, and were interviewed in January. Programming for the school year consisted of the following activities: in March, an evening presentation for parents and guardians of 5<sup>th</sup> graders to acquaint them with the Middle School and the programming procedures for Grade 6; meetings with Grade 5 teachers; a presentation by High School Guidance Counselors for Grade 8 students; and individual conferences with each student regarding course selection. Counselors met throughout the year with individual students to review progress reports and term grades, individual meetings with parents and teachers were ongoing, and weekly progress reports and arranging for parent meetings with teachers were continuous.

### **ENGLISH/LANGUAGE ARTS DEPARTMENT**

The Department continued working to improve MCAS results by resuming the process of curriculum mapping. By the end of Year 2, all English/Language Arts staff will have completed the portions of their individual maps that cover standards, content, instructional strategies, assessment and essential questions. For the 2<sup>nd</sup> year, teachers administered, and holistically corrected, a writing assessment to gather data on both individual and group performance in the area of organization, content and presentation. This helped teachers identify students who need individual help with specific skills and to make decisions about whole class instruction, guides the department in short-term goal setting and provides indicators for curriculum adjustments. When compared with last year's results, some improvement in content was noted in all grades. In December, Mrs. Mullen's 7<sup>th</sup> graders attended an informative presentation on the Boston Lighthouse because they placed 1<sup>st</sup> and 3<sup>rd</sup> in the Boston Duck Tour and Boston Historical Society's Writing Contest. Matt Davenport was awarded 3<sup>rd</sup> Place in the Massachusetts Society for Medical Research Essay Contest. All 8<sup>th</sup> grade classes enjoyed a performance of A Midsummer Night's Dream by Shakespeare Now. The entire 7<sup>th</sup> grade class attended the annual presentation of Dickens' A Christmas Carol at the North Shore Music Theater. Ms. Fiore's class participated in the traditional 6<sup>th</sup> grade Literary Luncheon.

# COAKLEY MIDDLE SCHOOL

## FOREIGN LANGUAGE DEPARTMENT

In March, the Department celebrated National Foreign Language Week. The school-wide mystery voice and trivia contests were a huge success with winning homerooms enjoying a hot chocolate and croissant breakfast hosted by the Department. Classes made posters to promote the study of foreign languages and decorated the halls with their creations. On the morning announcements, students were greeted each day in a different language. The entire Department sponsored a "Celebration of Languages and Cultures" and the evening was replete with ethnic foods and dancing. Over 60 students participated in the National French and Spanish Exams and Michael Burns, William Cunningham, Alexander DeSilva, Tanya Cordero and Margarita Cordero received awards from the American Association of Teachers of Spanish and Portuguese; and Arushi Singh, Chelsea Harper and Lisa Hourihan from the American Association of Teachers of French. Winners of the Annual Foreign Language Department Awards were: John Muller and Alexandra Koktsidis in French; and Michael Burns and Tanya Cordero in Spanish.

## MATHEMATICS DEPARTMENT

Math teachers in Grades 6-8 continue to use Everyday Math for Grade 6 and Impact Math for Grades 7-8 which are consistent with the new K-5 Everyday Mathematics Program. Recognizing the need for a Math program more suited to our students, the School Committee authorized the Math Department to search for a new program for Grades 6-8. Department members embarked on a six month study of 4 major programs and concluded that the Glencoe series, Mathematics, Applications and Connections was the best choice; the School Committee approved the series in the early spring; and the program was implemented in September, 2005. Teachers are in the third year of the Literacy in the Content Area course that is one term in length and every 6<sup>th</sup> grader uses the new program. Teachers received training in the implementation of new Math series; and training, sharing and refining goals continued for the entire academic year. Curriculum days have been used for grade level meetings to review content, continue curriculum mapping, and construct mid-year and final exams. These exams assist the Department in assessing student progress, determine future material to be covered and set benchmark guidelines for student performance. For six months, students in Grades 6-8 participated in the Continental Math League Competition and the winners were: Grade 6 – Kathryn Berger, Adam Guisti, Shavanji Shah and Andre Heil; Grade 7 – Darius Babel, Mark Herman and William Gearty; and Grade 8 – Arushi Singh, John Muller, Nicholas O'Neill and Nathaniel Bradley.

## SCIENCE AND TECHNOLOGY DEPARTMENT

The Technology Education Department, previously Industrial Arts, was consolidated with the Science Department in order to provide consistent leadership between the two areas. The consolidation reflects the 8<sup>th</sup> grade Science and Technology MCAS exam that assesses students with approximately 75% of the exam assessing the Science standards and 25% assessing the Technology standards. In recent years, the Department has identified a number of areas for improvement, has more closely aligned the Science and Technology courses with the Frameworks and increased the use of student-centered instruction. The Science teachers are in the 2<sup>nd</sup> year of implementing the sequence change for the Science Voyages

textbook that will make topics more grade level appropriate and give teachers the opportunity to reinforce student learning from previous years. In addition, the State has given guiding principles for science educators. Two of those guiding principles are: "investigation, experimentation and problem-solving are central to science education" and "an effective program in Science gives students the opportunities to collaborate and communicate their ideas." To that end, teachers are identifying and facilitating appropriate student experiments and cooperative group lessons with 7<sup>th</sup> graders investigating genetics in Boston University's mobile lab which is equipped with investigative tools that are similar to those used in hospitals and scientific labs. Also, teachers facilitate cooperative group lessons by having students work in small groups for focus discussions on specific scientific topics. The Technology Education Program is requesting the purchase of a technology textbook to reinforce the state standards and the courses will retain a hands-on approach. After months of review, the Department Chair and a team of teachers chose a textbook that was presented to the Middle School Task Force for questions and input. It is the Department's hope that the new textbook will be used in a two-year course of study for Grades 7-8.

## HISTORY/SOCIAL SCIENCE DEPARTMENT

The Grade 6 Ancient Civilization course covers pre-civilization and ancient civilizations such as Egypt, Greece, Rome, China and India to approximately 900 AD. The Grade 7 World Cultures and Geography class did extensive map work with emphasis on Asia, Europe, Middle East, Africa and Latin America; and studied the environment, climate, landforms, religions, history, government, economics and the lifestyle of each region. Great emphasis was placed on the modern era; and students did special units on the problems in Northern Ireland, Bosnia, North Korea, the Arab-Israeli conflict, changes in the new Europe and Russia, the threat of world terrorism, trade imbalance with Japan, new trade with China and human rights violations. The Grade 8 US History course studied the exploration period to 1877 and included extensive units on the American Revolution, Constitution and workings of the government, elements of good citizenship, Civil War, slavery, civil rights, black history, women's movement, 20<sup>th</sup> century Presidents, native Americans, immigration and the Holocaust. There was continued collaboration between the History and English Departments in writing and evaluating research reports. All 7<sup>th</sup> and 8<sup>th</sup> graders were required to write essays throughout the school year on prejudice, the changing role of women, black history, Civil Rights Movement and the impact of Martin Luther King. The Departments also worked collaboratively in teaching the American Revolution, Holocaust and other units by assigning related readings and reports, and analyzing content and grammar. Teachers spent time on the importance of treating all people with respect and stressing multi-culturalism. During the year the following activities were used to enhance the curriculum: (1) current events were discussed daily; (2) 7<sup>th</sup> graders were assigned overseas pen pals and reported to the class on what they learned regarding crisis situations throughout the world in Bosnia, North Korea, Israel/Palestine and northern Ireland; (3) the Department initiated and directed a Tsunami Relief which generated over \$10,000 for the Red Cross sponsored program; (4) films were shown on civil rights, M.L. King and the Civil War; (5) Living Voice Presentations, where an actor uses interactive video, were given on civil rights and

the story of Anne Frank; (6) a Holocaust survivor from Schindler's List spoke to 8<sup>th</sup> graders; (7) a speaker posing as a Civil War soldier shared thoughts and left inspiring messages; (8) a Norwood policeman spoke to students concerning their rights upon arrest, the role of a police officer and issues related to the Town; (9) Grade 6 saw a presentation on Egyptian life from an expert speaker in the field; and (10) there were classroom debates on issues such as gun control, capital punishment, drunk driving and the media. In addition, the 8<sup>th</sup> graders went to Lexington, Concord and Boston to visit historic sites, meet local politicians and have a guided tour of Boston; and visited the JFK Museum.

## **ART DEPARTMENT**

The Department offered the following after school activities: The Artists' Circle for 7<sup>th</sup> and 8<sup>th</sup> graders who have shown a strong interest and ability, 3Dimensional Art Group and Photography Club. The Rhode Island School of Design's Art Museum was the destination of this year's annual field trip for a selected group of art students. The Department was actively involved with the PTO fundraising project of Square 1; all initial designs were created in the art class; and project guidelines were set with the Curriculum Frameworks and Middle School curriculum for this special endeavor. The 8<sup>th</sup> Annual Fine Arts Festival was held in April at the Apollo and artwork representing the K-12 Art Program was featured. Student artwork was also displayed at the James R. Savage Educational Center throughout the school year. At the state and national level, over 80 postcard sized art pieces were sent to the National Art Educational Convention in Boston and several prints were part of a juried Printmaking Art Show at Boston University in the spring. Once again, the Middle School placed in the Regional Globe Art Scholastics with two (2) students receiving Honorable Mentions.

## **HEALTH & PHYSICAL EDUCATION/FAMILY & CONSUMER SCIENCES DEPARTMENT**

The Department continues to address the goals of good health, fitness and positive decision-making for all students because this a critical age when many habits and attitudes around health and wellness are formed. The Physical Education curriculum continues to focus on each student's fitness and testing in the fall and spring assist in assessing their overall fitness. Students utilize their personal fitness charts and set up goals for the spring. Some highlights from this year's activities include: the Personal Fitness Challenge, Cooperative Games, Paddleball, Volleyball units, and the "High Five Award" to deserving students who the staff feel show leadership, enthusiasm, cooperation and dedication during Physical Education and the 40 winners received a tee shirt, award certificate and school-wide recognition. Topics covered by the Health curriculum included nutrition, stress management, depression, alcohol/drug prevention, puberty, sex/sexuality, first aid, teen dating violence, conflict resolution, communication and self-esteem. The Norfolk County District Attorney's office put on an assembly for 7<sup>th</sup> graders on the legal issues surrounding bullying and harassment and several students from the High School's Mentors in Violence Prevention (MVP) Program addressed the Health classes and spoke on the issue of violence prevention. The focus of the Family & Consumer Sciences Department continues to be on preparing students in the area of life skills. Emphasis is put on nutrition, kitchen/food safety and current

trends in food preparation. Students learn about making healthy food choices, as well as proper serving sizes, by using the food pyramid and reading labels. During class, as students are preparing food, they compare, discuss and choose products.

Respectfully submitted,

Marjorie Tessier  
Principal

# ELEMENTARY SCHOOLS

## BALCH, CALLAHAN, CLEVELAND, OLDHAM AND PRESCOTT ELEMENTARY SCHOOLS 2004-2005 ANNUAL REPORT

It is with great pleasure that we submit the following combined Annual Report for the Balch, Callahan, Cleveland, Oldham and Prescott Elementary Schools. The school year saw a great many educational accomplishments which could not have been achieved without the support of the community, the dedication of our PTO's and volunteers, the talents of our teachers and support staff, and the involvement of parents. The following is a summary of these efforts.

### BALCH SCHOOL COUNCIL

The following people comprised the Balch School Council: John Condlin (Principal and Co-Chair); Elisabeth Kelly (Teacher and Co-Chair); Jane Gentilli; Sean Richardson (Teachers); Sean Geary, John Sabbag, Rosemarie Spada and Jack Warner (Parents) and submitted the following goals to the Superintendent of Schools:

1. To increase student achievement and promote high academic standards for all students.
  - A. Refine assessment strategies, including MCAS analysis/student remediation process.
  - B. Implement Math and ELA MCAS related curriculum activities, evaluate effectiveness and revise, as needed.
  - C. Implement results of the focus groups pertaining to the Everyday Math Program.
  - D. Continue to support system-wide initiative of balanced literacy.
  - E. Continue with school-wide Math Night.
2. To increase performance of special education students.
  - A. Analyze standardized test scores relative to students who receive special education services.
  - B. Continue to evaluate the effectiveness of special education service delivery.
  - C. Provide a forum for staff to discuss effective instructional practices.
3. To improve communication and dialogue within the Balch School community.
  - A. Update regularly the Balch web site utilizing parent volunteers.
  - B. Investigate ways to publish children's writings on a school/web site bulletin board.
  - C. Increase the use of parent/teacher e-mail communication.
  - D. Use Balch School rules as basis to develop core values.
4. To assure a safe, orderly and productive learning environment for Balch School students.
  - A. Move library to a centralized location.
  - B. Investigate site issues at the Balch School.
  - C. Resurface playground/parking lot.
  - D. Evaluate traffic patterns to improve parking lot safety.
  - E. Continue the improvements to the main office space and its administrative functions. Installation of window to enhance visibility of visitor traffic and telephone/intercom system to align with current technological standards.

- F. Evaluate Balch security procedures.
- G. Continue identifying and communicating safety issues.

### CALLAHAN SCHOOL COUNCIL

The following people comprised the Callahan School Council: Robert Griffin (Principal and Co-Chair); Carolyn Lynch, Katie Breen (Teachers); Dianne Carroll, Tim Maguire, Kelly O'Malley (Parents). The following School Improvement Plan Goals were identified and accomplished this year:

1. The Report Card Committee made revisions to the district's standards-based reporting system. We believe the report card and accompanying rubrics present a product that reflects the priorities and addresses the concerns of all stakeholders.
2. Continued our balanced literacy initiative in Grades K-2 and expanded professional development into Grade 3 this year. Continued to work in partnership with consultants from Tufts University and formed a building-based literacy team with Reading Specialist, Mrs. Dottie Druker, as Chairperson.
3. Worked collaboratively with Mrs. Ceruti and her staff at the Willett Early Childhood Center to assist in the successful implementation of the full-day kindergarten.
4. Mr. Griffin and Mr. Fitzpatrick served on the District's Professional Development Committee during 2004-05. A five-year plan was developed to provide educational opportunities that will ensure professional growth for our staff and result in optimum student achievement.
5. Our staff was trained in the usage of IPASS; Mrs. Joan Ryan, school secretary, served on this committee and has assisted in our on-line reporting of student attendance and data. Mr. Michael Downs, technology facilitator, has expedited the use of our digital photography, laptop computer lab and Smartboards.

### CLEVELAND SCHOOL COUNCIL

The following people comprised the Cleveland School Council: Michael Czyryca (Principal and Co-Chair); Cynthia Campagna, Janet Maher, Maryanne Rakauskas (Teachers); Linda McCarthy, Timothy McDonough, Amy Sobchuk (Parents), and Austin Poirier (Community Representative). The following School Improvement Plan Goals were identified this year:

1. Literacy – To implement a comprehensive literary model in Grade 3; provide DRA training to Grade 3; and establish/implement in-class literacy labs in Grades 1-12.
2. History and Social Science – To support staff with materials to differentiate instruction through primary and secondary sources. Continue to integrate the use of open-response questions in the Social Studies Curriculum.
3. Technology – To increase the use of technology across the curriculum of all grade levels.
4. EUREKA Program – Review the results of a EUREKA Survey and continue the refinement of program offerings.
5. Buildings/Grounds: Safety and Improvements Needs – Replace, install, reconfigure and investigate defined areas that need work done throughout the entire school and grounds.

6. Report Cards – Continue to evaluate the format, rubric profile and clarifying language in each grade level.
7. Full-Day Kindergarten – Assist with the implementation of the full-day kindergarten program.

## OLDHAM SCHOOL COUNCIL

The following people comprised the Oldham School Council: John Burns (Principal and Co-Chair); Jackie Carta, Jody Smith, Meghan Walsh (Teachers), Tracy Brown, Rita Caulfield, Elizabeth Gassoway (Parents), and Frank Bilotta (Community Representative). The following goals were established this year:

1. Implement and utilize new Social Studies text on Massachusetts in Grade 3.
2. Attend professional development workshops in Grades K-3 in Balanced Literacy and Developmental Reading Assessment (DRA).
3. Continue the established literacy team to support balanced literacy in Grades 1-5 that supports reading performance.
4. Pilot a Summer Homework Program in math and reading for children entering Grades 2-5.
5. Establish a writing team to evaluate student writing, analyze the MCAS scores and random writing samples to determine strengths and weaknesses.
6. Evaluate the Pilot Program of "Rebecca Sitton's Spelling" for Grades 2-3 and possibly Grade 1.
7. Include curriculum updates in the Zebra Newsletter to keep parents informed.
8. Continue the Oldham Literacy Club for "Teachers as Readers".
9. Establish a "Students as Readers" Book Club.
10. Utilize the laptops and Alpha Smarts to support the curriculum and make connections between math, science and language.
11. Staff will establish teams to analyze math by grade and school level.

## PRESCOTT SCHOOL COUNCIL

The following people comprised the Prescott School Council: Brianne Killion (Principal and Co-Chair); Linda Carta (Teacher and Co-Chair), Jennifer Dube (Teacher); Karen DePoutot, Joanne Prendergast, Sherri Theos (Parents) and Marion Boch and Pat Rose (Community Representatives). The following goals were identified and accomplished this year:

1. High academic achievement for students continues to be a major goal of the School Council.
2. The Balanced Literacy Program was implemented in Grades 1-3 and will continue in Grades 4-5 next year. Professional development was provided for teachers throughout the school year.
3. The goal of integrating the arts into the curriculum was accomplished with the artists-in-residence, Elaine Sisler and Jo Sallins, visiting the school numerous times this year.
4. Technology use continues to be a priority and is integrated into all areas of the curriculum using classroom computers, laptop cart, Alpha Smarts, in-focus projectors and 2 Smartboards.
5. Parking continues to be a major concern of the School Council and Mrs. Killion joined the Pedestrian Safety Committee hoping to find a solution to the problem.

6. The Tsunami Relief effort was a great success and the school raised \$1,600.00.

## ELL PROGRAM

The ELL Program serviced 162 students who spoke many different languages from Albania, Bangladesh, Brazil, Bulgaria, Canada, Cape Verde, China, Columbia, Dominican Republic, Egypt, El Salvador, France, Greece, Guatemala, Haiti, India, Korea, Lebanon, Lithuania, Nigeria, Palestine, Philippines, Puerto Rico, Romania, Russia, Ukraine and Vietnam. After testing was completed, students were broken up into three (3) groups: Non-English Speakers who received 45 minutes of pullout ELL classes daily; Support Students who received pullout or inclusion services that ranged from daily to 3 times a week for periods of 30-45 minutes depending on their grade and language level; and Monitored Students who are recently exited from the program that may need additional help. All ELL classes focused on increasing vocabulary, rhyming ability, reading and writing skills and supporting classroom subjects such as Science and Social Studies.

## LIBRARY

This was another productive year in the libraries and children continue to be enthusiastic users of the library with an average circulation of approximately 500 books each week. Each elementary school now has 1 FTE Librarian and many library skills were acquired or reviewed this year. It is the mission of the Library Media Program of the Norwood Public Schools to foster the development of skills, strategies and proficiencies that enable students to become lifelong, independent learners. It is also the responsibility of the program to provide the services and resources that will meet this important objective. In October, the new Norwood Elementary School Libraries Website was up and running allowing students, teachers and families to access relevant and appropriate categorized websites, electronic databases, award-winning children's literature and information and resources specific to each elementary school library. As usual, the PTO/PTA's were very active in raising money to purchase new books to help students become enthusiastic and habitual independent readers.

## TECHNOLOGY

Technology is used in all areas of the curriculum at the Elementary Schools. Students use the Internet for research in their classrooms and library. Curriculum software is used for reading, math and social studies; and students produce art, reports, projects and PowerPoint presentations using technology. Lessons are taught using projectors connected to Smart Boards and computers so the entire class is able to see using a large screen.

## READING PROGRAM & TITLE ONE

The Reading Specialist and Title I teachers worked within each classroom to offer reading modifications to those students who need the extra support for the regular classroom curriculum during the scheduled reading time to improve reading, writing, listening and speaking. They also used a pullout model for those students who needed additional help aside from the regular classroom curriculum, as well as other individualized programs, as necessary. The Specialist and Title I teachers helped to administer many assessments and all testing results were graphed and presented to the

## ELEMENTARY SCHOOLS

classroom teachers to help further their instruction for their students. The classroom teachers used individual assessments to better understand the needs of individual students; evaluated the student's strengths and weaknesses; and provided classroom modifications. In addition, there were many additional activities arranged by the Reading Specialist and Title I teachers in each school to make reading enjoyable so our students strive to become proficient readers and writers.

### **STUDENT SUPPORT TEAM**

The Student Support Team (SST) is available to meet with classroom teachers to discuss ways to help children who are experiencing difficulty achieving success. The team consists of a classroom teacher, Reading Specialist, Adjustment Counselor, Learning Center/Resource Room teacher and Principal. The SST provides an alternative for teachers, other than the SPED referral process, for obtaining input from colleagues on ways to help children achieve success.

### **SPEECH/LANGUAGE PROGRAM**

The Speech/Language Program provides supportive services to children individually or in small groups, depending on the child's need. The responsibilities of the Speech Therapist include participation on the SST as well as performing recommended speech and language evaluations; and a formal report with test results, observations and recommendations is written and presented at the evaluation meetings. The Therapist also works closely with teachers, parents and other specialists to coordinate programs suited to the individual needs of a given student and is part of a team that provides a screening process annually for students entering Kindergarten.

### **LEARNING CENTER**

The Learning Center teacher is a member of the SPED Core Evaluation Team and SST and is responsible for academic support and testing, interpretation of test results and development of Individual Educational Plans (IEPs). Students are supported in a variety of ways including one-on-one, small group, and/or inclusion settings depending upon their individual needs. Students may need modification of classroom materials; extra time to complete class work; repetition of material with several demonstrations; special visual reinforcements; need to take tests in a separate setting; or need tasks broken down into more manageable steps. Students who are assigned to the Learning Center take evaluative tests such as the MCAS in small groups in the Center. The Center is also a resource for teachers, assisting with modifications and teaching strategies that are appropriate in the classroom. The teacher evaluates students who are referred for special services and participates in Kindergarten screening.

### **RESOURCE ROOM**

The Resource Room services children who have a wide variety of needs and meet the criteria for SPED services with disabilities ranging from autism, communication, neurological disability, mild to severe specific learning disabilities and behavioral/emotional issues. The SST meets annually to discuss whether the child is making effective progress with this support. Children are serviced in the Resource Room according to the service delivery that is written into their IEP that requires small group instruction and/or one-on-one

assistance and instruction in one or more academic areas. The Resource Room is also available for students to take tests, complete unfinished work or serves as a place for a "time out" or "sensory break". The Resource Room teacher collaborates with the classroom teacher to provide instruction and work on the grade level curriculum, provide modifications and accommodations within the classroom and to include the student in the classroom routine. Behavioral plans are developed and implemented to assist the child in his/her inclusion in the classroom and in unstructured settings (i.e., recess, gym and lunch).

### **COOPERATIVE CLASSROOM**

In each Cooperative Classroom, a regular and Special Education teacher work together to meet the various needs of students, and lessons and activities are modified and planned collaboratively. Therapies and related services are provided both in and out of the classroom and students benefit from having 2 full-time teachers in their classroom that allows for more hands-on activities; differentiated instruction; one-on-one attention for all students; and the stigma is reduced for those students who would otherwise be pulled from the regular education classroom to receive academic support services. Humor, communication and a high degree of comfort truly define the cooperative classroom.

### **SCHOOL ADJUSTMENT COUNSELOR**

The School Adjustment Counselor services those students who have emotional problems, social issues or exhibit behavior problems in school. Classroom teachers, who are in a position to recognize symptoms of emotional upset, unusual behavior or poor social adjustments, usually refer these students. The Counselor meets with students individually or in a group setting on a regular basis; is in regular contact with parents and teachers regarding concerns they may have; and will observe the student and provide individualized behavior plans as needed. The Counselor is part of the SPED Evaluation Team and meets with parents of incoming Kindergarteners sharing information about the screening process and helps parents prepare their child for Kindergarten. The Counselor has been trained in the Social Competency Program and leads social skills groups within some of the classrooms.

### **ADAPTIVE PHYSICAL EDUCATION**

The Adaptive Physical Education program coincides with the regular Physical Education Program and offers students a chance to improve their gross motor skills. They also learn the rules and regulations of games that will be part of the Physical Education Program.

### **HEALTH/PHYSICAL EDUCATION**

The Health/Physical Education program involves participation in sports, games and other activities with the following goals in mind: (1) to develop physical skills such as strength, stamina, balance, timing, coordination, body awareness, spatial awareness and more; (2) to improve socialization skills by bettering self control, fair play, sharing, honesty, following the rules, kindness, problem solving and teamwork; and (3) educate students about sports, rules, strategy, fitness, skills, nutrition, safety, substance abuse, becoming stronger and more mature and what healthy living has to offer. When you put

these three basis goals together and work toward accomplishing them, it is our hope to create a healthy, well adjusted and well-rounded individual who will some day contribute to society in a positive way.

**HEALTH AND SAFETY**

Students participated in the following programs throughout the year. Grades 1-5 participated in the Reach Out to Schools: A Social Competency Program that enables teachers and students to better understand themselves and their peers, develop self-esteem and learn strategies for resolving conflicts peacefully. Grades K-5 participated in the Norwood Police Program "Adopt A Cop" to help students realize police officers are their friends and are there to help when needed; and Safety Officer Giacompo spoke to Grades K-1 about Halloween Safety and Grade 5 about the Say No To Drugs Program. Fire Safety Officer Faye McDonough presented and actively engaged Grades K-5 in a Fire Awareness Safety Program. The American Red Cross presented a Safe on my Own Program to Grades 3-5. High School students involved in the Alcohol Awareness Peer Leadership Program visited the 4<sup>th</sup> Grade Health classes and spoke about drugs, alcohol and how peer pressures can sometimes effect the decisions you make.

**MUSIC PROGRAM**

The Music Program offers all students many enriching musical experiences that meets all state and national standards emphasizing the basic elements such as rhythm, melody, harmony, tone, expression, music composition and dance movement. Music appreciation, listening skills and the study of composers are stressed in the upper grades. During the school year, the Department collaborates with classroom teachers on multi-curricular projects and all students have the opportunity to perform in concerts during the school year. In addition, general music is taught by a music specialist and meets once a week in Kindergarten and twice a week in Grades 1-5. In Grade 3, all students begin their instrumental experiences by playing the recorder and are given the opportunity to begin violin lessons. Instruction for all band and orchestra instruments is offered in the 4<sup>th</sup> grade and continued in 5<sup>th</sup> grade.

**ART PROGRAM**

The Art Program is filled with the learning of new skills and knowledge of different media. The multicultural curriculum continues to expand while closely coordinating with classroom teachers and the Social Studies curriculum to include lessons involving Early American art, regional America, Native Americans, Egypt, China, Canada, Mexico,, to name a few.

**EUREKA PROGRAM**

EUREKA is a district-wide program for Grades 2-5 that includes students who are unequivocally gifted as well as those whose talents are just beginning to be realized. A new model of service delivery was tried for the 2004-2005 school year whereby the EUREKA specialists spent 8 weeks in the spring and classroom lessons focused on the infusion of critical and creative thinking skills into content areas, with emphasis on those skills needed for clarifying ideas, assessing the reasonableness of ideas and honing the thinking processes. Lessons on note taking for doing research and writing reports and the use of a strategy for answering multiple choice and

essay questions were also carried out. During the winter months, Independent Study offers a chance for students to pursue in-depth research on a topic of special importance to them. All interested students must submit an application form in which they have to consider their choice in well-written questions and communicate in writing why they selected that particular topic. Students taking part in this year's study totaled 122 and showcased their work at the Celebratory Night Gathering in March at the Senior High School. In addition the following enrichment activities were held: (1) a Junior Great Books discussion group for Grades 2-5 used grade-appropriate classics for engaging students in shared interpretive questioning and reflective thinking; and (2) the 2005 Geography Bee which made up the first round of the 2005 National Geographic Bee was given to Grade 5.

**BALCH PTO**

The PTO is an active and essential part of our school community. Presidents Joyce Higgins and Ann Warner provided leadership that allowed the PTO to continue to support the students and teachers throughout the year. The major goal this year was to complete the construction of a new library and students enjoyed access to the new library for the first time in the fall. In addition, teachers were given funding for their individual classroom needs, as well as field trips, educational supplies, a 5<sup>th</sup> grade yearbook, a Teacher Appreciation Luncheon, assemblies every month, two scholarships were awarded to graduating High School Seniors who attended the Balch School, and various other projects were supported. The calendar of events included the Fall Ice Cream Social, Family Game Night, Pancake Breakfast, The Italian Festival, Balch Math Week, the Balch Hall of Science, and two Scholastic Book Fairs were enjoyed by all. The students continued to participate in the "Save for American Banking Program" and collected donations in the amount of \$1,108.36 for the "Save the Children Asian Relief Fund."

**CALLAHAN PTA**

The PTA provided our children with a multitude of educational programs, field trips and family activities that included the following: Fall Fun Night, Holiday Shopping, a Family Breakfast, Bowling Nights, Bingo Nights, Paw Sox Night, Literacy Night, Teacher Appreciation Breakfast and Luncheon and grounds improvements. Our Board of Directors for 2004-2005 were: Kelly O'Malley (Co-President), Marie Ryan (Vice President), Kate Schick (Secretary), Linda Reilly and Annmarie Ringler (Co-Treasurers), Lynda Gundlach (Newsletter), Julie Lyons and Chris Larson (Programs), Brenda McAndrews and Sherry Thambash (Book Fairs), Tracey Black and Claire Ryan (Fundraising), Nancy Kelly (Appreciation Luncheon) and the Executive Board served on (Hospitality).

**CLEVELAND PTA**

Over 210 parents and teachers supported the PTA. Local businesses supported the school by advertising in the school calendar; and parents, students, relatives and friends purchased items at our Book Fairs, Gift Wrap and Candle Fundraisers, Bake Sale and Pumpkin Sale. The money raised funded field trips, cultural arts programs, books for the library, supplies for the Art Department, an Ice Cream Social in the fall, Teacher and Staff Appreciation Luncheons, and numerous other PTA sponsored activities. In addition, the PTA sponsored 4

## ELEMENTARY SCHOOLS

cultural arts programs, the Math and Science Night, Astronomy Night, Read Across America, Literacy Fairs and various activities during American Education Week. Lastly, the PTA collected coats for charity, a stipend was given to every teacher and specialist to support additional educational needs; four scholarships were awarded to graduating High School Seniors who attended the Cleveland School; and the Cleveland School Directory and bi-monthly newsletters were published and distributed free of charge to our families.

### OLDHAM PTO

Essential to the school community is an active PTO and under the enthusiastic leadership of President Robyn Cronin it has provided the necessary support that supplements the educational environment for our students. Fundraisers provide for enrichment activities, playground equipment, academic support materials, field trips and donations to help a family in financial need. In addition, the following enrichment programs were presented: Museum of Science – Motion, Forces and Work; Jeff Davis – American Sampler; Potato Hill Poetry – Presentation and in class workshops; Norwood Middle School Jazz Band; and Judlie The Clown – Bully Program. When called upon to assist others in need, the following donations were collected and given to: The American Heart Association, American Cancer Society, Multiple Sclerosis Society, Circle of Hope, Tsunami Relief Effort and Ecumenical Food Pantry. Lastly, the Zebra Newsletter was published monthly to display student' artwork and writings, important information regarding activities and educational initiatives; and four scholarships were awarded to graduating High School Seniors who attended the Oldham School.

### PRESCOTT PTO

The PTO is an integral part of the school and is committed to providing programs and activities that enrich and expand the educational, social and cultural opportunities of the children. PTO Co-President, Sarah Sullivan, and the Executive Board encouraged all parents to volunteer their time and talents and to be actively involved in the Prescott community. One of the goals was to work hard to bring new ideas to the school for events. This resulted in bringing two Artists-in-Residence to the school, Elaine Sisler who worked with the integration of movement into the curriculum, and Jo Sallins who integrated African drumming into the curriculum. Throughout the year, the PTO hosted the following events: Halloween Party and Holiday Supper; Game Nights and Movie Nights; and a Bike-A-Thon on the last day of school. Lastly, a sampling of other PTO activities are: monthly publication of the Prescott Press; publication of the Prescott Web Page; seasonal video publication for the local cable channel – Prescott Press Live; Monthly PTO meetings; Book Fair, School Store/Holiday Store; two Prescott Graduate Awards; playground supervision and clerical help; financial assistance to the staff; enrichment programs and support for technology projects; buses for field trips; purchasing library books, videos and DVDs; supporting community projects; and Teacher/Parent Appreciation Luncheons.

### CONCLUSION

In conclusion, the reputation we have achieved within the community and the positive spirit that permeates all our school buildings can only be enjoyed when all stakeholders are

working collaboratively to support the mission. We would like to express our appreciation to the Norwood School Committee, Central Office administrators, staff, secretaries, cafeteria workers and custodians. We would like to extend our sincere thanks to our PTO/PTA board members for all their hard work throughout the year to help ensure another successful year. Once again, parents and teachers have worked in collaboration to enhance the education of our students by working on the School Council's School Improvement Plan, PTO goals and other initiatives during the school year.

Respectfully submitted,

John W. Condlin, Balch School Principal

Robert M. Griffin, Callahan School Principal

Michael T. Czyryca, Cleveland School Principal

John C. Burns, Oldham School Principal

Brianne M. Killion, Prescott School Principal

# WILLETT EARLY CHILDHOOD CENTER

## GEORGE F. WILLETT EARLY CHILDHOOD CENTER 2004-2005 ANNUAL REPORT

This was a very exciting year that saw a major change for Kindergarten students. With funding from the Department of Education and the Quality Full-Day Kindergarten Grant, all Kindergarten classes changed from half-day to full day. The integrated Preschool Program and new Full-Day Kindergarten Program are both now housed at the Willett Early Childhood Center.

### INTEGRATED PRE-SCHOOL PROGRAM

The Integrated Preschool is a developmentally appropriate, language-based program that serves children with special needs and typically developing peer role models. This is a tuition-based program for those students who do not have special education issues. In September, 2004 there were four (4) Preschool classrooms. Students were enrolled in a two (2) or three (3) half-day program, or an extended day, five (5) hour program. A certified special education teacher leads each classroom, assisted by a highly qualified paraprofessional and an assistant.

### FULL-DAY KINDERGARTEN PROGRAM

In the fall we welcomed 241 full-day Kindergarten students into 12 classrooms. While some students were driven to school by their parents and caregivers, most students traveled to the Willett on school buses from the neighborhood elementary schools. An instructional aide from the Kindergarten Program accompanied the children on each bus. A certified teacher and an instructional aide staffed each of the 9 full day classrooms. Two cooperative classrooms were co-taught by a regular education teacher and a certified special education teacher. The program provided students with five (5) hours of developmentally appropriate, center-based learning and was inclusive for students with special needs who were taught in classrooms alongside their peers. The longer day allowed the children more time to explore, practice and develop skills that will help them become successful learners. Students ate lunch in the cafeteria and had the choice to buy a hot or cold school lunch or bring lunch from home.

### SPEECH/LANGUAGE PATHOLOGISTS

Services were provided to students with a variety of delays in the areas of speech production, receptive and expressive language, pragmatic language and hearing impairments, and were provided primarily in an inclusion setting, with some children receiving additional pullout support. The goal of therapy is to help students further develop their speech and language skills while enabling them to access Preschool and Kindergarten curriculums.

### OCCUPATIONAL THERAPISTS

Services varied according to the individual student's needs, grade level and the explicit goals developed to enhance classroom and academic performance. In addition to direct service, inclusion-based services are provided in the classroom to address sensory processing and motor planning, behavioral self-regulation, pre-writing skills, fine motor and visual motor integration skills. Occupational Therapists also consult with our classroom teachers to enhance the development of all our students.

### PHYSICAL THERAPISTS

Physical therapy services were provided to students with identified needs in this area. The goal of this program is to assist the student's development in strength, endurance and stability.

### LIBRARY

The library had two major goals during our first year: to enlarge the small collection of books and to encourage the children in their enjoyment of good books. From a grant we received from Dedham Institute for Savings, along with donations from parents, staff and the community, we were able to add a total of 756 new books and videos to the collection. The Kindergarten classes had a scheduled 30 minute library visit each week where they were read many different kinds of books. They also learned about the care of books, the arrangement of the library, the different parts of the book, and selected a book each week to take home and share with their families. Time was also spent during class sharing books with the goal of having children recommend books to each other. Preschool teachers also had opportunities throughout the year to introduce their classes to the library during class hours.

### SCHOOL COUNCIL

The following people served on the School Council: Ginny Ceruti (Principal and Co-Chair); Maria Malouf (Parent and Co-Chair); Lori Jordan, Denise Kiley (Parents); Christina Jenkins, Colleen Angelico, Patricia Doucette (Teachers); and Jean Babel (Member-at-Large). As we looked to build the School Improvement Plan, the Council first created and sent home a survey to the parents asking for their input. Using this information, the Council defined the following goals:

1. Increase student achievement in Preschool and Kindergarten.
2. Evaluate the Preschool application and screening process to insure equitable and consistent policies.
3. Continue implementation of the Full-Day Kindergarten Program in accordance with the Department of Education's Full-Day Kindergarten Grant Guidelines.
4. Continue to develop and support programs that create and support an inclusive and accepting school environment.
5. Continue to evaluate and improve safety procedures.
6. Address building repairs and enhancements.

### PTO

The parents of the PTO were an enthusiastic and creative group. An election was held in September and Sarah Quinn and Amy Carr were elected Co-Presidents. During the year, PTO meetings were scheduled to inform parents about the Preschool Program, the Kindergarten progress report and "Young Children as Writer's" program. In addition, the PTO sponsored the Scholastic Book Fair, Tanglewood Marionettes, "Johnny the K", Clifford's Big Movie Night and a miniature golf day called "Eighteen Holes Around the Willett." They also ran a raffle of Patriots and Red Sox tickets, which were generously donated by the Bourne family, and applied for, and were given funds, from the Massachusetts Cultural Council and The Ernest Boch Grant. Through these fundraising efforts, we now have an outdoor classroom of 4 tables and benches that is used by all our students. In addition, the Playground Committee continues fundraising for additional playground equipment. The PTO is

# BLUE HILLS REGIONAL DISTRICT SCHOOL

committed to helping us create a welcoming, inclusive learning environment for Norwood's youngest students.

## SCHOOL/COMMUNITY OUTREACH

The children in Ms. Rossi and Mrs. Peterson's Kindergarten class initiated a food drive in November asking families to bring in food products that were donated to the Ecumenical Food Pantry. The entire school, along with their families, contributed to a coin drive for victims of the Tsunami disaster. The money collected was donated to the Save the Children Foundation.

## CONCLUSION

The successful first year of the Willett Early Childhood Center was the result of hard work and the dedication of many people. I would like to thank the Norwood School Committee and Central Office Administrators for their support, encouragement and assistance; and the Principals for their thoughtful advice and guidance in my first year as Principal. I am also grateful to the staff for their sincere dedication and commitment to the children of Norwood. Finally, I extend sincere and heartfelt thanks to the School Council, PTO and parents for their enthusiasm and hard work throughout the year.

Respectfully submitted,

Virginia R. Ceruti  
Principal

## 2005 ANNUAL REPORT OF THE BLUE HILLS REGIONAL DISTRICT SCHOOL

The Blue Hills Regional District School Committee is pleased to submit its Annual Report to the residents of the Town of Norwood. The school proudly marks its 40th anniversary in 2006.

Blue Hills Regional Technical School continues its steadfast commitment to providing the highest caliber academic and vocational instruction to district students in grades nine through twelve, and to those receiving postgraduate training. The nine towns in the district include Avon, Braintree, Canton, Dedham, Holbrook, Milton, Norwood, Randolph, and Westwood.

William T. Buckley, the Holbrook representative, serves as Chairman of the Blue Hills Regional District School Committee for the 2005-06 school year. Kevin L. Connolly is the Norwood representative. The Committee meets on the first and third Tuesday of each month at 7:30 p.m. in Room 207A at the school at 800 Randolph St., Canton. The public is invited to attend. The following members comprise the 2005-2006 School Committee:

AVON - Francis J. Fistori  
BRAINTREE - Matthew R. Sisk  
CANTON - Wayne E. Homer (resigned effective Jan. 2, 2005).  
Gary Titus - sworn in on Jan. 4, 2005.  
DEDHAM - John J. Lyons  
HOLBROOK - William T. Buckley  
MILTON - Festus Joyce  
NORWOOD - Kevin L. Connolly  
RANDOLPH - Richard Riman  
WESTWOOD - Alan L. Butters

The composition of the Blue Hills District School Committee underwent one change. Mr. Wayne E. Homer resigned from his position as Canton representative because he moved out of state. Mr. Gary Titus, a 1975 graduate of Blue Hills Regional, was appointed to complete Mr. Homer's unexpired term, which ends in 2006.

Mr. Joseph A. Ciccolo of Braintree, a veteran educator who formerly held key leadership positions at the Rindge School of Technical Arts (RSTA) in Cambridge and the Joseph P. Keefe Technical School in Framingham, was appointed Assistant Superintendent-Principal. At RSTA, Mr. Ciccolo served as Assistant Director from 2002 to 2005, and as Interim Executive Director from April 2003 to July 2004. He was lead teacher in the Graphic Arts and Commercial Art departments at Keefe Technical School. Mr. Ciccolo joins the Blue Hills Regional administrative team headed by Superintendent-Director Kenneth M. Rocke.

Ellen Borgenicht was appointed director of Blue Hills' Adult Basic Education (ABE) program. She has been associated with the program since 2001 as site coordinator/counselor at its Norwood branch.

Beverly Woods of Norwood was selected to appear on the Channel 5 (WCVB-TV) feature, "A+ Student of the Week." This weekly segment profiles local high school students who excel

## BLUE HILLS REGIONAL DISTRICT SCHOOL

academically and have demonstrated outstanding character and maturity. Beverly, a senior, served as student representative to the Blue Hills District School Committee and was class president in addition to being a talented multi-sport athlete. She competed as a member of the boys' football team.

English department Head Linda Campbell and now-retired school nurse Kathy Vachon were honored by the Norfolk County Teachers Association. Eileen Dailey was named Teacher of the Week on April 26, 2005 by the Patriot Ledger. Dennis Ratzlaff received an Appreciation Award from MASSPAC (Massachusetts Association of Special Education Parent Advisory Councils). Three instructors - Larry Contrino, Virginia Parker and Barbara Adams - were selected for inclusion in Who's Who Among America's Teachers.

Many graduates from the Class of 2005 shared in outstanding scholarships and awards. Late in 2004, Gov. Mitt Romney announced the inception of the John and Abigail Adams Scholarships, which are given to high school students in recognition of their outstanding MCAS scores. The scholarships entitle the recipients to four years of free tuition at the University of Massachusetts, or any state or community college in Massachusetts. Seven members of the Class of 2005 at Blue Hills won Adams Scholarships.

Several teachers, coaches and students earned prestigious honors. Paul Torney was named Massachusetts Athletic Director of the Year by the Massachusetts Secondary Schools Athletic Directors Association. Other sports-related awards went to Vin Hickey, Mayflower League Coach of the Year and Boston Globe Coach of the Year, Div. 3A (football); Steve Woods, Mayflower League Coach of the Year (hockey); and Chris Flynn, Mayflower League Coach of the Year (basketball).

Members of the Class of 2005 received well over \$250,000 in scholarships and awards at the annual Scholarship and Awards night in May.

The Massachusetts Association of Vocational Administrators (MAVA) Outstanding Vocational Technical Student was Samantha Maccini of Randolph.

The school received a total of \$1,112,054 in funded grants contracts during the school year 2004-2005.

The school also held its first Norwood Day meeting. This informal breakfast get-together in the Blue Hills Regional student-run restaurant allowed invited guests from Norwood including officials and civic leaders to meet school administrators, hear an update on exciting new educational milestones at the school, and tour the building to visit classes in session.

On Wednesday, December 14, 2005, an assembly presentation which includes the Blue Hills Regional video, "An Education for the 21st Century," was made to all eighth graders at the Dr. Philip O'Coakley Middle School by Marybeth Joyce, Admissions and Financial Aid Officer. Principal Joseph Ciccolo and Recruitment Assistant Joseph Scarbo also participated in the assembly presentation. Two seniors from the Class of 2006, Brendan Gearty from the Construction Technology Program

and Julie Griffin from the Health Occupations Program, also addressed the eighth graders. Both Brendan and Julie are graduates from Norwood Public Middle School. A tour and interview program was provided to all interested Norwood students on January 5, 2006.

Scores on the math portion of the MCAS rose dramatically at the school. Of the current 11th graders who took the test last year as sophomores, 22 percent scored in the advanced range, "a tremendous jump" from just four percent in the advanced category in 2003, said Blue Hills Academic and Curriculum Coordinator Alan Bernstein. The school's advanced math scores have gone up more than five-fold, Bernstein observed. One student achieved a perfect math score of 280, the first time that has happened at Blue Hills Regional.

The pre-engineering program successfully entered its second year at Blue Hills Regional. The program, which conforms to national standards in math, science and technology education, can be used by students for college credit. They develop an awareness of potential high-wage, high-demand careers, learn problem solving skills, participate in hands-on team activities, and use the latest computer software and equipment.

On the sports scene, the boys' basketball team concluded their best season in school history with a tremendous record of 19 wins and one loss. They won the Mayflower League championship on February 16, when they beat Chatham by a score of 56 to 52. The girls varsity basketball team enjoyed a fantastic season, highlighted by wins over powerhouses Sacred Heart and Westport, the first time the school has bested them since 1987. The varsity hockey team won its sixth straight Mayflower League championship.

There were 168 students from the Class of 2005 enrolled in Blue Hills' 14 vocational programs. Sixty members (60) of the class entered the workforce after graduation, and 108 individuals continued their education. As of October 1, 2005, enrollment in the high school was 827 students.

Blue Hills is proud to offer various services to district residents - and in some cases, the general public - from the vocational shops. This practice allows students to utilize their training in practical, hands-on situations that nicely augment their classroom work. Furthermore, these professional-quality services are available at well below commercial cost.

Students in Cosmetology offer a full range of services for hair, skin and nails by appointment. All members of the public are welcome. Full-course lunches prepared by students are served to the public during the school year in the Blue Hills Regional restaurant, the Chateau de Bleu. Bakery goods are available for purchase, and the facility can also be used for civic group meetings.

The Early Education Center features a preschool program for youngsters who are two years nine months old to kindergarten entrance age. It is accredited by the National Association for the Education of Young Children. The program also provides a learning environment for students studying Early Childhood Education.

# POLICE DEPARTMENT

Each year, Blue Hills' Construction Technology students usually build a house and a major home addition. District residents are invited to submit applications for these projects, which must last the full school year and have significant educational value. The two most recent projects were a home addition located at 55 Carroll Avenue, Westwood and a three-story garage at 9 Jaybarry Lane, Norwood.

During the school year 2004-2005, students from the Auto Body and Auto Repair departments did several jobs for Norwood residents at considerable savings to them.

Respectfully submitted,

Kevin L. Connolly  
Norwood Representative

December 31, 2005

## 2005 ANNUAL REPORT OF THE NORWOOD POLICE DEPARTMENT

Herein is the Police Department's Annual Report for calendar year 2005.

This year proved to be a very busy year for the Department. Overall, our records show that the Department responded to 31,815 calls for police services – a 20% increase over the prior year.

The Department also issued motor vehicle citations for 6,041 traffic offenses and filed criminal complaints for 2,498 criminal offenses – a 19% and 4% increase respectively over the prior year.

Along with the filing of this report, I want to take this opportunity to thank all of the Town's officials and employees, together with the good people of Norwood, for their assistance and support of the Police Department over the past year.

Respectfully submitted,

In 2005, the Norwood Police Department made **1,121** arrests, and responded to a total of **31,815** calls for police services.

## 2005 ANNUAL REPORT OF THE ANIMAL CONTROL OFFICER

I respectfully submit the Annual Report of the Animal Control Officer for the calendar year ending December 31, 2005. I would like to extend my gratitude to all of the responsible animal owners in town.

Farms in Norwood were inspected and a report was submitted to the Department of Agricultural Resources.

## 2005 ANNUAL REPORT OF THE FIRE DEPARTMENT

I hereby submit the Annual Report of the Fire Department for the year 2005. The Firefighters, Officers and Chief of the Department would like to thank the Board of Selectmen, Finance Commission, Town Meeting Members and the Residents of Norwood for their support of the Fire Department during 2005. I would also like to express the Fire Department's appreciation of the General Manager's Office and various Town Departments for their assistance and cooperation in completing our mission and helping us to achieve our goals.

## SIGNIFICANT DEPARTMENTAL EVENTS

2005 was a very active year in general for the Department, with many important projects underway we were also forced to deal with events occurring locally and nationally. A series of snow storms over a five day period in January increased emergency responses to over 500 for the month, the largest one month total in the history of the Department. In an effort to decrease reliance on property tax revenues we requested that Ambulance billing rates be increased in March of 2005, as a direct result Ambulance Revenues were up by \$41,600.00 or 16% as of January 1, 2006 (compared to the same period in FY-05). The Department of Homeland Security awarded the Department a Thermal Imaging Camera and the associated training for it in June. Also in June 2005, Norwood's Fire Lt. Robert Henry was given a Heroism Award from Fire House Magazine in recognition of his actions during the rescue of two elderly occupants during a 2003 house fire. Hurricane Katrina Devastated the Gulf Coast on August 29<sup>th</sup> and for the first time; the Federal Emergency Management Agency requested the direct aid of Fire Departments from across the Nation. The Town of Norwood responded without delay, deploying four Department members, Lt. Paul Butters, FF Ed Brown, FF Jack Drinkwater and FF Bill LeBlanc, to the disaster region for a month. These individuals assisted local residents with recovery efforts in incredibly adverse conditions for a minimum of 12 hours per day throughout the deployment. On the down side, Norwood experienced one fire death in 2005, (in a motor vehicle) our goal is always zero and we regret that we couldn't achieve it. Departmental committees have continued to complete many projects for the betterment of the Department in the areas of communications, equipment, apparatus, public education, media relations, record keeping and computer management, building maintenance, EMS, fire investigation, dispatch policies, emergency management, and the Mass Decontamination Unit. The Department continued to be involved with, and assist in, many Community Events throughout Town.

## GRANTS

The Commonwealth of Massachusetts awarded the Department a Firefighter Safety Grant of \$31,000 that was used in bringing our apparatus into NFPA and ISO compliance with required equipment. Additionally the State awarded us a S.A.F.E. Fire Education Grant of more than \$4,300 that was utilized to continue delivery of Fire Safety Educational programs in the schools and to the Elderly.

## PERSONNEL

Late in the year Firefighter Gerald Mahoney returned to the Department after more than a year in Iraq with the U.S. Army. While in Iraq, Gerry was awarded a Bronze Star with Valor for his heroic actions there. Welcome home! Congratulations, we are all proud of you. We also welcomed new firefighters Jennifer Gover and John Cody to our Department. They are both Emergency Medical Technicians and will spend a considerable portion of their time training here and at the Fire Academy to enhance their new career during the next year. Three of our full time dispatchers have completed EMT Training with two currently certified. Two Firefighters completed Paramedic training, with one currently certified with one other very near certification. Finally, 32 members of the Department were awarded Massachusetts Career Firefighter Service Awards in June of 2005 for periods of service ranging from 20 to 40 years.

## EQUIPMENT

In February we lost our command vehicle (1998 Ford Expedition) to an engine fire. The Board of Selectmen and the Finance Commission allowed us to replace it with a 2004 Chevy Tahoe which we were able to purchase through the statewide vehicle bid list, saving a considerable amount vs. a retail purchase. It entered service with the Department at the end of March. 2005 also saw the permanent "retirement" of Engine 6 (the last Lime green Engine) and two out of our three, pieces of Brush Fire Apparatus. The two New Class I Engines approved by the Voters entered Service early in the year. These acquisitions allowed us to move the two older front line Engines to backup status, extending their service lives and giving us reliable backup apparatus for the first time in several years. The Special Town Meeting in November approved the purchase of a new 4x4 Squad that will serve as a brush truck and as a "severe weather" front line engine. Squad Two, the vehicle being replaced, was the only piece of Fire Apparatus moving during the Blizzard of '78. In November 2005 the Department refurbished our oldest Ambulance to give it new life as a Special Response Squad. This vehicle is set up for rehabilitation and provides a wide assortment of equipment that is available to all Town Departments as needed.

## ADVANCED LIFE SUPPORT

In June of 2004 the Department began the development of a plan to provide Advanced Life Support Emergency Medical Service to the Town. The plan was presented to the Board of Selectmen in October of that year, who then appointed a study committee to analyze our proposal. Near constant review and regular communication between the Department, The Town's ALS committee and a consultant hired by the Town's ALS committee has produced a workable positional document and the Town's Committee is now very close to completing their efforts. We hope this issue will be presented to the Annual Town Meeting for consideration in the spring of 2006. The

# FIRE DEPARTMENT

upgrade of the Town's Emergency Medical Services will be of benefit to our entire population, cutting across geographical, political and socio-economic boundaries. Please join us to support this important matter.

In closing, I want to thank the Board of Selectmen for their leadership, continued support and assistance as we move forward. I have been here more than 19 months now and I feel fortunate to lead a very dedicated and hardworking group of employees.

The Officers and Members of the Department wish to extend their Thanks to Selectman Gary Lee for his 17 years of service to the Town and his leadership and support to the Department during that time.

I wish to thank all the personnel of the Department for their devotion and dedication to duty. To the Officers and Firefighters of Norwood's surrounding Towns, I convey our gratitude for their professional assistance given through our mutual aid agreements.

Respectfully Submitted,

Michael J. Howard, Chief  
Norwood Fire Department

**Edward Williamson with grandson Thomas  
Memorial Day 2005**

**IN RETIREMENT  
Edward C. Williamson  
FIREFIGHTER**

On June 30, 2005 Senior Firefighter Ed Williamson retired from the Fire Department. Ed was appointed to the Fire Department on June 1, 1964. With over 41 years of dedicated service to the Town, Ed's absence will surely be felt in the years ahead. His knowledge of the Community and the Department, and his willingness to share it, has been a cornerstone of education for our newer Firefighters over the years. All of the members of this Department wish Ed and his family good health and happiness in his retirement and congratulate him for a job well done.

**IN RETIREMENT  
Thomas Tierney  
FIREFIGHTER**

On September 1, 2005 Firefighter Thomas Tierney retired from the Fire Department after serving the Town of Norwood for more than twenty-three years. "T" was appointed to the Department as a Firefighter in November 1982 and since that time has become well known for his sense of humor and compassion. The members of the Fire Department wish to extend gratitude to Tom for his years of service and wish him well in his retirement.

Sign Penalty	1	120	4,000
Signs	80	4,690	301,170

All of us in inspectional services wish to take this opportunity to congratulate those of you who have successfully completed a desired project this year. We continue to extend our services and expertise to you and your contractor in the upcoming years. It is our goal, and we hope yours, to maintain a high standard of living within our community. We acknowledge the support given this department by town agencies and we wish to thank the people of Norwood for making every effort to inform yourselves of your responsibilities and abiding by the requirements of our local and state laws. Applications-fee schedules-informational brochures see [WWW.CI.NORWOOD.MA.US/INSPECTORS](http://WWW.CI.NORWOOD.MA.US/INSPECTORS)

## 2005 ANNUAL REPORT OF THE DEPARTMENT OF PUBLIC WORKS

As Superintendent of Public Works, I submit the Annual Report of the Public Works Department for the year 2005.

The citizens of Norwood utilize the services of this department on a daily basis, from rubbish removal, sewer, water related problems, snow and ice, to highway, parks and playground issues. The personnel of this department strive to fulfill the needs of the public in a way that is a benefit to all.

The year 2005 was again, construction wise, a very busy year.

The bid for the reconstruction of Walpole Street between Saunders Avenue and Chapel Street was awarded to Pavao Construction Company of Dighton, Ma. This company used approximately 520 tons of bituminous concrete in resurfacing over 1100 feet of roadway. The street was cold planned to increase the curb reveal and to reshape the road. Almost 1700 linear feet of granite curbing was installed and 1320 s.f. of concrete sidewalk was poured.

The Various Street Resurfacing Contract was awarded to the Mario Susi & Sons of Dorchester, MA. The streets under this contract were; Wilson, Walpole, to the Walpole Town line, Countryside Lane from Garden Parkway to the Walpole town line, and Varwood Circle in its' entirety. All areas were cold planned, 3830 linear of asphalt berm was installed and 1300 tons of bituminous concrete was used in resurfacing 6780 linear feet of roadways.

The Susi Company also was awarded the Sidewalk Resurfacing Contract, and completed the resurfacing of over 17 miles of sidewalk in all sections of the community.

A new walk and berm was installed on Brook Street, between Nichols Street and Albemarle Road for safety reasons.

Concrete sidewalks were replaced on Florence Avenue and a majority of the residents took advantage of the Town Granite Curbing Program.

As a part of the Town's effort to improve our water system and eliminate calls for discolored (rusty) water complaints, the Biszko Company of Fall River was awarded the cleaning and lining of water mains on Winslow Avenue, Walnut Avenue, Press Avenue, Douglas Avenue, Hoyle Street, Everett Avenue as well as Cameron Road. In all, the project included the rehabilitation of 12,200 linear feet of 6", and 2100 linear feet of 8' water mains and also the installation of new distribution valves and hydrants. With the exception of permanent patch, this contract has been completed.

In an effort to reactivate the Buckmaster Pond well in Westwood, pump tests and pilot tests were performed by Fay Spofford and Thorndike during the months of August and September 2005. This was a requirement of the Department of Environmental Protections. The existing well was pumped for 17 days, at a rate that averaged a little over 1 million gallons per day.

A contract to rehabilitate the Norwood Gardens Pumping Station was awarded to Pumping Systems Inc of Whitman. This project

was funded through the MWRA Infiltration and Inflow Local Financial Assistance Program. The rehabilitation included the replacement of the existing pumps, valves, control panels and telemetry systems.

In response to the Department of Environmental Protection regulations, a construction project to replace lead water services was designed and funded through the MWRA Local Pipeline Assistance Program. The apparent low bidder was the Frederickson Jones Company of Walpole. This contract is scheduled to start in the spring of 2006.

Public works crews were involved in 33 snow related incidents. Of this number, 17 were salting and sanding operations, 12 were plowing operations, 9 of which required the use of private contractors, and 4 were snow removal operations from our business districts.

Highway personnel assisted the Board of Health with the set up of the Hazardous Waste Day, Recycling Day and the paint swap and disposal.

The Highway Asphalt Division used a total of 1022 tons of bituminous concrete in maintaining our service trenches, roadway hazards as well as sidewalk repair. This crew excavated, graded and installed 350 feet of sidewalk on Pleasant Street near Morse Street. A total of 1330 feet of berm was installed at various locations. Seven hundred and sixty feet was installed as part of our 50/50 program and the remainder was repairs due to winter damage.

The highway sign person installed or replaced 391 street and traffic control signs as well as some specialty signs requested by the Police Department and the Traffic Safety Committee. This person also painted stop lines and cross walks, and with the assistance of other highway personnel, did a professional job on signage, road closings and litter pickup for Norwood Day.

Highway crews continued installing guardrail on Pleasant Street by Sumner. An additional 270 feet was installed and 75 feet was installed on Walpole Street at Chapel St.

The Highway sweeper is out on a daily basis, and during the winter, as weather permits. We also use a backup sweeper in the spring.

Highway Division picked up leaves and bundled brush at curbside during the months of March, April, May, October and November. They also manned the Material Recycling Center on alternate Saturdays, from April through November.

A total of 60,831 leaf bags were sold during the year of 2005.

Some of the other duties of the Highway Division were the mowing and trimming of roadway shoulders and conservation areas, maintaining Holiday displays and assisting with the 4<sup>th</sup> of July parade. They also assisted various departments with a variety of tasks.

The Public works sewer and drain division responded to, and cleared obstructions from 242 house services, and 26 mains that were plugged from grease and other obstructions. These

## PUBLIC WORKS

were flushed on a regular basis. A bacterial treatment was added to mains as required.

This crew made repairs to 19 sewer services and one main and also assisted a private contractor with the repair of our 24 inch drain that runs through the Bond Street Playground that was severely root obstructed.

Sewer and drain crews cleared open drains and culverts on a regular basis. They also cleaned approximately 1800 catch basins. All pumping stations were maintained and operated on a regular basis.

Sewer and drain crews repaired or rebuilt 51 catch basins and 26 manholes.

The Public Works water division was responsible for the repair of replacement of the following:

Water Services Repaired	102
Hydrants Painted	347
Hydrants Repaired or Replaced	63
Hydrants were flushed in season and flagged for winter	
Mark outs for utility contractors were done on an as needed basis.	
Replaced damaged meters	14
Installed new meters	76
Service calls for low pressure	41
Rusty water and shut offs	513
Water Main Breaks	5

This crew replaced 2100 feet of 2" water mains and 6 upright water faucets at Highland Cemetery to service 3 sections that were out of water.

Water crews replaced 8 services on Winslow Avenue and installed 330- feet of new 6" ductile iron pipe and two valves to complete the loop between St. Paul and St. Joseph Avenue in order to eliminate 2 dead ends in that area.

The maximum flow day of water for the year 2005 occurred on June 8, with a flow of 4,912 MGD.

The maximum flow week for 2005 was the week ending June 29, with a total of 29.36MG.

The consumption of water for the Town of Norwood in the year 2005 was 1164.462.

The Norwood backflow program was very active in this year, and to date, we have now located/installed over 238 backflows as of this writing. These backflows were tested twice during the year, and the revenue from these tests will be in excess of \$35,000. The survey program will continue as well as bi-annual testing for these devices.

The Highland Cemetery Crew prepared and conducted 330 interments in the past year. Thirty five foundations for monuments were excavated and poured and 16 were recapped.

A total of 51 Veterans markers were formed, poured and installed on various lots. Flags were placed on all Veterans graves before Memorial Day at both cemeteries.

The grounds at both Highland and Old Parish Cemetery were groomed and fertilized through the growing season. There were no burials at Old Parish Cemetery.

In the past year, 33 companion (2 grave), 8 Garden (family lots) and 4 single graves were sold at Highland Cemetery.

### In Memoriam William Curran

William "Billy" Curran was born on June 26, 1931, the youngest of six children. He grew up on Pine Street in Norwood, was educated in Norwood along with his brothers and sisters, having graduated in 1950. His father Peter was a police officer for the Town of Norwood, and his mother Barbara was a homemaker, having emigrated here from Ireland. Billy also served his country during the Korean War.

Billy worked for the William Mogan Co. for over 35 years, before coming to the Town of Norwood, Public Works Department in 1990. He worked there for over 11 years, before retiring in September 2001 at the age of seventy. He was asked out of retirement in 2003 to work for the Norwood Light Department as Clerk of the Works, where he worked for many months. He was asked again out of retirement, this time for the Norwood Engineering Department under Mark Ryan, Town Engineer, where he worked until his death on April 26, 2005.

His family was his greatest joy; he loved spending time with his grandchildren. During his retirement he made a beautiful dollhouse for his oldest granddaughter Caitlin. Billy was an artist, and for many years was a member of the Norwood Art Association. He loved to paint, making beautiful paintings for family and close friends. He also loved birding, and would plan a day where he and his friends would take off to Quabbin for an entire day. He had such a love of birds; he began making bird houses, which he placed at the Norwood Landfill, to bring back the Blue Bird and other birds. He would often spend time at the landfill, cleaning out the feeders, making sure everything was alright for the birds.

Those that had the privilege of knowing him, remember him with a smile on his face, and kindness to all. We were so blessed to have him as a husband, father, grandfather, friend, and co worker; he is truly missed by all.

# LIGHT DEPARTMENT

## 2005 ANNUAL REPORT OF THE LIGHT DEPARTMENT

I herewith submit my report as Superintendent of the Norwood Municipal Light Department for the year 2005.

The Future Electric Power and Gas Needs Supply Committee (FEPGSNC) and the Light Department completed the construction of the 115 kV Ellis Substation to meet the Town's energy requirements. The substation transformers have been re-installed and the station is servicing load in the northern part of Norwood. The Board of Selectmen has reactivated the FEPGSNC for the purpose of examining the long and term options for providing reliable electric service at competitive rates for Norwood customers.

Norwood presently has what is called an "All Requirement Contract" for our purchase power needs. Our contract has extremely favorable rates to the Norwood Light Department compared to the present cost of power. In 2006 the Light Department will pay 4.3 cents per kWh, with the cost going up to 4.5 cents in 2008. The present wholesale power costs for the utility industry are running in the 10 to 12 cents per kilowatt hour (kWh) range. These rates allow us to sell power at extremely low prices compared to most other municipal and private suppliers of electricity in Massachusetts.

The short-term power cost projections are very uncertain but are estimated by some experts to be in the 10 cent per kWh range. The unknown factors that cause this uncertainty are not just the production of the power, but the regulations which are constantly changing with respect to transmitting the power throughout the Northeast region.

Regarding generation there are a lot of unknown factors that are in the formulation stage. These factors deal with capacity charges due to the limited amount of capacity in the region. Many people fear there will be power shortages in the near future. Recently a New England Independent System Operator (ISO-NE) spokesman gave a report of possible rolling blackouts in New England this winter. The FEPGSNC Committee will be studying different ways to reduce Norwood's risk and try to balance the risk vs. benefits of different scenarios for Power Supply in the future. This Committee will also look at alternatives on how to handle and/or avoid the rate shock to our retail customers when our present contract ends in 2008.

The Town continues to see continued growth of its energy needs. From 2004 to 2005 there was approximately a 3% increase in kilowatt-hours (kWh) purchased and a 10% increase in peak demand.

A recent comparison between the Norwood Light Department and NStar based on January 2006 rates shows that Norwood's rates are much cheaper. A large part of this difference is due mainly to Norwood's very favorable power contract. While usages between customers vary, it is typical to use 500 kWh to represent the average residential customer when performing comparisons. In Norwood the cost for 500 kWh is \$40.81 and in neighboring towns (served by NStar, such as Westwood, Canton, Walpole, and Dedham) the cost for 500 kWh is \$106.56. The following table shows the actual rate comparison between NLD and NSTAR at various levels of usage

## RESIDENTIAL RATE COMPARISON BETWEEN NORWOOD ELECTRIC AND NSTAR ELECTRIC

MONTHLY USAGE	NLD	NSTAR	Difference	% MORE THAN NLD
100	\$12.07	\$26.46	\$14.38	119%
250	\$22.85	\$56.50	\$33.65	147%
350	\$30.03	\$76.52	\$46.49	155%
500	\$40.81	\$106.56	\$65.75	161%
600	\$47.99	\$126.59	\$78.59	164%
700	\$55.18	\$146.61	\$91.44	166%
800	\$62.36	\$166.64	\$104.28	167%
900	\$69.54	\$186.66	\$117.12	168%
1000	\$76.73	\$206.69	\$129.96	169%
1200	\$91.10	\$246.74	\$155.64	171%
2000	\$148.57	\$406.95	\$258.38	174%
2500	\$184.49	\$507.08	\$322.59	175%
5000	\$364.10	\$1,007.73	\$643.63	177%

1/1/2006

The Light Department's Conservation and Load Management Program continues to save money by reducing energy consumption and peak demand through capacitor installations, controlled residential electric water heaters, uncontrolled residential electric water heaters, commercial/ industrial lighting retrofits, and residential compact fluorescent bulb giveaways.

There was continued growth and technical development in the Broadband Division of the Norwood Light Department. The fiber optic and coaxial plant continued to be extended into new and existing apartment, condominium and residential neighborhoods, as well as into many businesses in order to provide access to the town's Cable Television and Internet Services. The third full year of operation ended with 4859 television customers and 2264 Internet customers. These numbers reflect slightly higher television customers than expected and slightly lower Internet customers than expected. Subscriber counts are expected to continue to grow through 2006 at a slightly slower pace.

New channels were added to the Expanded and Digital Basic packages. Advanced filtering has been initiated to help protect internet customers from Spam and Computer Viruses. Installation of the Video on Demand (VOD) equipment was started late in the year and rollout of the service is expected early in 2006. Telephone service was also introduced late in 2005 and will continue to be deployed in 2006.

I offer the following statistical data relative to the operation of the Light Department.

Respectfully submitted

Malcolm N. McDonald  
Superintendent

# LIGHT DEPARTMENT / PBCC

Energy Purchased '05	362,654,440
Average cost per kwhr '05	0.08435
Increase in kwhr usage	10,320,460
Percent Growth	2.93%
Increase in Accounts	59

## IN RETIREMENT

### THOMAS J. BALFOUR

Mr. Balfour began his career at the Norwood Light Department as an apprentice Lineman in October of 1966 and he worked in the Line Department for almost 39 years before his retirement in 2005. Tom was promoted to First Class Lineman in 1971 and was made Working Foreman in 1976. In 1986, Mr. Balfour was made General Foreman of the Light Department, a position he performed admirably until his retirement.

Tom saw many changes during his tenure at the Light Department. He was involved in the upgrade when the Dean Street Station was built and helped convert all of the 4 kV distribution to 13.8 kV. His department always performed well during emergency situations. Tom's loyalty and dedication is well known and he was always proud when the Light Department performed well, particularly during storms and emergencies.

Tom is a Norwood native and enjoyed his job and the many friends he made during his time at the Light Department. He was always the first person to arrive in the morning and enjoyed discussing current events before work began. On behalf of everyone at the Light Department, we wish Tom and his wife Claire many years of good health and happiness in their retirement. Sláinte agus saol agaibh.

### RICHARD J. McCOLGAN

Mr. McColgan, known to his friends as "Irish", was a Lineman and Working Line Foreman at the Norwood Light Department for over 25 years. He began his career as an Apprentice Lineman on April 20, 1980 and became a Working Line Foreman in 1999. Rich was involved in upgrading the town from a 4 kV distribution system to 13.8 kV distribution system. The change in distribution voltage made the job considerably more dangerous but Rich continued to perform his duties well.

Rich was a marine who fought in Vietnam and brought that loyalty and responsibility with him to the Light Department. He was well liked by his co-workers and will be missed.

Mr. McColgan retired in March of 2005. The Norwood Light Department wishes Rich many years of good health and happiness in his retirement.

## 2005 ANNUAL REPORT OF THE PERMANENT BUILDING CONSTRUCTION COMMITTEE

The PBCC worked on a number of major projects during the course of the year. The committee met on a weekly basis and reviewed the ongoing projects. Each project was carefully monitored by a sub-committee which was chaired by individual committee members. The sub-committees observed the progress of construction activities and attended all on-site meetings throughout the course of each project. Working with the town's Purchasing, Accounting and Treasury departments, invoices were justified and paid. Funding for all projects were tightly monitored by the committee.

The Police/Fire Station continued to occupy significant committee time. Completion of punch list items and modification of portions of the HVAC system was an ongoing exercise. The dispute between the PBCC and the general contractor is in arbitration at this time.

The School Roofs and Windows project has been completed. This three year project installed new roofs on all nine schools, replaced windows and doors on the Balch, Cleveland and Prescott schools and made major masonry repairs to the Balch school. The project was completed on time and under budget. The town wrote 272 checks against 286 invoices for a project design/construction cost of \$5,052,405. All required paperwork has been submitted for reimbursement. About 60% reimbursement is expected from the Massachusetts School Building Authority.

The window replacement project in Town Hall was completed this year. As there are no American manufacturers of these types of windows, the frames were built in England and shipped to the US for glazing and installation. This type of window retains the classic look of this signature building.

The largest project in PBCC history was started this year with a contract with an architectural firm for a senior high school renovation/expansion feasibility study. The study has been completed and presented to the town for approval. The committee has started the process of hiring an Owner's Project Manager (OPM) for this job as required by a recently enacted state law.

Town Meeting also approved funding in 2005 to expand the Senior Center. The PBCC is in the planning stages for hiring an OPM and an architect to accomplish this task.

The year 2005 will be remembered as a busy year for the PBCC. The major capital projects reported on above are emblematic of the town's commitment to its' fixed assets and its' zeal for serving the citizens of Norwood. The committee is looking forward to managing the High School replacement and the Senior Center expansion in 2006.

Respectfully submitted:

Edward F. McKenna, Chairman  
Richard J. Weiner, Vice-Chairman

Theodore J. Callahan                      Joseph J. Falcone  
Stanley Gaw                                      William O'Connor  
Phillip C. Swain                                Shirley Taylor, Secretary

## 2005 ANNUAL REPORT OF THE NORWOOD BOARD OF HEALTH

### ORGANIZATION OF THE BOARD

Frances J. Harwood, Chairman  
Joan M. Jacobs  
Alice W. Marks

### BOARD REPORT

Phyllis M. Boucher, Superintendent/Director  
Carl J. Bruno, Sanitarian  
Leona P. Ridikas, Administrative Assistant  
Lowell Fox, MD.  
Nabeel Khudairi, OD

### PERMITS & LICENSES ISSUED

Food Service	146	Septic Hauler	9
Catering	10	Massage Establishments	10
Bakery	3	Massage Permits	26
Frozen Desserts	6	Tobacco	45
Mobile Food	13	Hotels/Motels	3
Retail Markets	62	Pools/Whirlpool	19
Funeral Directors	9	Vapor Baths/Showers	7
Burial Permits	675	Retail/Food Service Insp.	496
Tanning Establishments	6	Re-Inspections	298
Summer Camps	8	Pool/Whirlpool Inspections	276

### EMERGENCY PREPAREDNESS

The Health Department continues to participate in Public Health Emergency Preparedness Region 4B. This region's purpose is to act collaboratively in the case of an emergency such as a bioterrorist event, or an infectious disease outbreak. Some of the progress made in 2005 includes the completion of the Board of Health Emergency Operations Plan. An Emergency Dispensing Site has been designated and plans are developing on how we would accommodate the 28,000 Norwood residents in a short timeframe if the need arose. A drill was conducted with other community responders on dealing with the potential impact and aftermath of the Avian Flu or other type of pandemic. We have developed and outlined our emergency call-down lists. Plans are ongoing for Mutual Aid Agreements between Region 4B members and for the development of a Medical Volunteer Corps to assist in times of crisis.

All Board of Health Staff have completed the National Management System (NIMS 700) and Incident Control System (ICS 100) courses as directed by the Federal Government. These classes teach the use of the Incident Command Structure during emergencies.

### NEPONSET VALLEY COMMUNITY HEALTH COALITION

The Health Department continues to work with the Neponset Valley Community Health Coalition. A significant achievement in 2005 was a grant from the Oral Health Foundation to fund a volunteer dental network for elders. Over fourteen area dentists have signed up to volunteer to see low-income, elderly patients at a reduced rate.

### TOBACCO COMPLIANCE CHECKS

Through a grant, the Health Department was able to contract for 4 tobacco compliance checks in 2005. The purpose of these checks is to insure tobacco retailers do not sell to under-aged children. Enforcement resulted in 8 fines being issued and 3, seven-day suspensions.

### NEEDLE DISPOSAL PROGRAM

The Needle Disposal Program is ongoing. This program is a unique opportunity for Norwood residents to dispose of syringes from residential use in an appropriate manner. Sharps containers are sold at cost, returned to the Health Department when full, and properly disposed of by a medical waste company.

### FOOD INSPECTION PROGRAM

Two multi-town food-borne illness prevention seminars were held in April at the Norwood Elks and the Chateau Restaurant. Norwood, Westwood, and Walpole attended. The Massachusetts Department of Public Health, Food & Drug Division, Food Protection Program made the presentations which were centered on Hepatitis A prevention. The theme was "Protect your staff, patrons, and business." Attendance was 300 for both events. The regular May Food Safety Workshop for Norwood businesses was not held. Seventy food workers attended the November workshop which was held at the Civic Center. There were sessions in English and Spanish/Portuguese for Norwood restaurants.

Norwood has attracted more food enterprises. Each new food business was given strict guidelines which must be followed to have a safe restaurant or food store. Compliance with regulations was enforced by the use of fines, citations, and other appropriate measures which included administrative hearings with the Director of Public Health and appearances before the Board of Health. Hand washing was the primary focus during routine inspections in 2005. Proper hand washing is a key element in the prevention of the spread of disease.

The Monthly Sanitarian's Column appeared in the 3 Norwood newspapers. Many topics were covered, including food safety at home, molds, emergency food supplies, 'sushi,' hand washing, and safe cooking temperatures for foods.

### SWIMMING POOL INSPECTION PROGRAM

Swimming pool inspections for outdoor pools were satisfactory. There were several pool closings for low disinfectant levels. Training was ordered for lifeguards to make proper tests and entries into the daily logs. The CPO (Certified Pool Operator) of each pool is responsible for the safe operation of the pool or spa, including monitoring of mandated lifeguards.

### EYE CLINIC

The Board of Health Eye Clinic, conducted by Dr. Nabeel Khudairi, OD, saw 29 students. The following optometric services and tests are provided: distance and near visual acuity, eye muscle alignment, color vision, depth perception, peripheral vision, pupillary response, extra-ocular muscle motion and spectacle lens refraction for eyeglass prescription.

### HAZARDOUS WASTE/RECYCLING

The Hazardous Waste Collection/Recycling Days had over 607 households participating. Two special recycling days collected waste oil, oil filters, antifreeze, and automotive batteries. Electronic/computer recycling continues to be the most active area. Refrigerators, air conditioners, televisions, computer monitors and propane tanks were recycled. Scrap metal filled six 50 yard rolloffs. Fluorescent bulbs, U-tube lamps, mercury thermometers and other mercury containing products were recycled.

# BOARD OF HEALTH

The surplus paint program continues at the DPW Yard. On specified dates, residents can drop off usable surplus paint products and take any paint they may need. Remaining paints were recycled or blended for fuel.

The Board of Health received a grant from DEP for the sale of compost bins. A total of 40 bins were sold in 2005.

The Board acted on several subdivisions.

## PUBLIC HEALTH NURSING SERVICES

Cathleen Ronco, RN, Public Health Nurse  
Stacey Lane, BSN, RN, Public Health Nurse

## HEALTH COUNSELLING & SCREENINGS

The main focus of the public health nursing program is health promotion and disease prevention. Health counseling and blood pressure clinics were offered at various locations in town several times a week. An evening clinic was held once a month in an effort to reach the working population. Diabetes screening was offered to non-diabetic residents to determine their risk for developing diabetes. Diet and lifestyle changes were discussed and medical referrals made if necessary. Vitamin B12 injections were given to those residents with a need and an order from their physician.

## IMMUNIZATIONS

Adult immunizations were available to Norwood Residents. Tetanus Diphtheria (Td), Pneumococcal (PPV23), Measles Mumps Rubella (MMR), Hepatitis B, Polio (IPV) and Varicella immunizations were offered every Tuesday afternoon and over 1450 Flu shots were given in the Fall.

Childhood immunization clinics were held weekly at the Health Department. Lead screenings were performed for children without health insurance. Meningococcal (meningitis) vaccine was offered for a reduced price of \$20 to Norwood graduating seniors who were going to be college freshman living in dormitories during the 2005/2006 school year.

## COMMUNICABLE DISEASE CONTROL AND INVESTIGATION

Communicable disease investigations were conducted to identify sources of infection and control measures were initiated. The Health Department continued Tuberculosis (TB) prevention activities by Mantoux testing high-risk populations. Class II tuberculosis exposure cases were monitored for compliance with clinic appointments and medication regimes.

## COMMUNICABLE DISEASES

Salmonella	11
Campylobacter	7
Giardia	2
Lyme	12
Pertussis	2
Hepatitis B	5
Hepatitis C	1
Streptococcus pneumoniae, invasive	2
Meningitis	1
Varicella	3
Invasive Streptococcus, group A	1
Invasive Streptococcus, group B	2
Malaria	1
Total All Diseases:	50

## EMPLOYEE HEALTH

As part of the Employee Health Program, Hepatitis A and Hepatitis B immunizations, antibody titre testing, Td boosters and tuberculosis screenings were offered to all at-risk emergency personnel. First aid and adult immunizations were administered as needed to all employees. Blood pressure screenings and health counseling were also available.

## HUMAN SERVICES

Local businesses and human service agencies were assisted with health fairs, employee communicable disease post-exposure follow-up, health lectures and staff training.

A free medical equipment loan program was available to any town resident upon request. The loan closet is located at the Council on Aging office on Prospect Street.

The nursing office received many requests for heat and utility assistance, housing, food and clothing from families in town who are facing economic hardship. These requests were evaluated and referred to available resources in an effort to address basic needs.

Information and assistance regarding pharmacy programs, health insurance programs, dental services, physicians and health providers, home health care and nursing services, travel clinics, counseling services, elder services and children's services were available at the nursing office.

The Health Department has purchased and continues to promote and distribute the File of Life folders. The File of Life contains necessary medical data and attaches to the home refrigerator providing instant access to emergency personnel.

Two cardiac defibrillators (AED's) were purchased for the Town Hall. Thirty employees were trained in CPR and use of the AED's.

The Coalition for a Healthy, Active Norwood is a coalition that was formed in response to the growing obesity epidemic. It is a collaborative effort of the Norwood Health Department, Norwood Recreation Department, Norwood Public Schools, Caritas Norwood Hospital, and Massachusetts Department of Public Health to improve nutrition and increase physical activity among all Norwood residents.

Summer camps for children were inspected for compliance and licensed with the state requirements for recreational camps.

The Health Department and Norwood Skate Park Committee sponsored a reduced cost helmet program in an effort to reduce head injuries. Multi-sport bicycle helmets and Extreme helmets are available for \$5.00 at the Health Department Office. Protective pads are also available for \$5.00.

## DENTAL CLINIC

Mark Stone, DMD, Clinic Dentist  
Eileen Johnson, RDH, Clinic Hygienist  
Barbara Doherty, Clinic Dental Assistant

The Clinic Dentist examines all children in grades one through six in the Norwood Public Schools and St. Catherine's Parochial School. With parental approval the children needing dental care are treated at the Dental Clinic. In the school year 2004-2005 a total of 1,037 children were screened. The treatments included

cleaning, plaque control, dental hygiene instruction, fillings and emergency treatments for special needs. A total of 276 children were seen in clinic. The Dental Clinic also offers a sealant program for children in grades two, three and six. Sealants are a plastic resin that prevents tooth decay when applied to the chewing surface of molars. There were 276 cleanings done and 75 children in grades two, three and six had sealants placed on their erupted permanent molars. In January 2005 the clinic dentist did the necessary operative work. Twenty-two letters of referral were sent to parents for their children to see Dr. Stone. Seven patients were actually seen in Dr. Stone's office.

## SCHOOL NURSING SERVICES ST. CATHERINE'S

Lowell Fox, MD, School Physician

Terri Abely, RN, School Nurse

Terri Abely, RN, School Nurse is responsible for the health and well-being of the students and faculty at St. Catherine's school. The School Nurse provides first aid to students and faculty, performs health screenings and maintains records of immunizations, medical problems and tuberculosis status. Any students with incomplete immunizations are followed up and referred to their pediatrician or immunization clinic. Health records are obtained from all new entrants and reviewed. The School Nurse is also responsible for keeping up-to-date orders from the student's physicians. Physical examinations are required for students in grades 4 and 7. Those students who do not have access to a private physician may have their physical exam performed by the school physician. Screenings are performed for pediculosis, vision, hearing, weight and height. Emergency card files are kept on all students. Scoliosis screening is performed on students in grades 5-9. This is not a diagnostic service, but a program to identify young people who should have further medial evaluation. The School Nurse also participates in school staff activities and serves on health education meetings.

Respectfully Submitted,  
NORWOOD BOARD OF HEALTH

Frances J. Harwood, Chairman  
Joan M. Jacobs  
Alice W. Marks

## **2005 ANNUAL REPORT OF THE DEPARTMENT OF VETERANS' SERVICES**

I respectfully submit the report of the Department of Veterans' Services for the year ending December 31, 2005.

Veterans' Benefits will increase as a result of the large number that are unemployed, prolonged illness cases, rising fuel costs, rising hospital and medical costs, along with the customary requests for financial assistance by the veterans' community.

Additionally, returning Norwood veterans of Operation Enduring Freedom and Operation Iraqi Freedom have had a substantial and significant impact in the increase of benefits granted.

For 28 years, the Department of Veterans' Services has taken applications for the fuel assistance program. This program is for the benefit of all Norwood residents who qualify. I am pleased to report that last year this program aided many families in need.

Also, we administrate a Transfare Program for the elderly and disabled. This program is provided to assist citizens with motor vehicle transportation needs.

The Department also processes parking violations. I serve as the hearings officer for parking violations. This office maintains a file of all parking tickets issued by the Police Department. All correspondence, complaints, inquiries and records of payments are handled in this office.

The monetary awards by the Veterans' Administration to veterans and their dependents in the Town of Norwood for fiscal year 2005 exceeded \$2,790,000. This amount will increase due to future adjudication of pending claims, and cost of living adjustments. These benefits are for compensation to dependents of veterans who died in the service or of service connected disabilities, disability pensions, disability compensations, burial awards and special equipment for automobiles for veterans with service connected disabilities, vocational rehabilitation training for the disabled, their sons, daughters, wives, or widows, education readjustment training, veterans' insurance and indemnities.

The Department of Veterans' Services composed as it is in two component parts, is operated under Chapter 115 of the General Laws of the Commonwealth as amended by Chapter 584, Acts of 1946, for the purpose of administering Veterans' Benefits and Services. All assistance cases were investigated and payments made in accordance with Chapter 115 of the General Laws, which assures the Town of Norwood seventy-five (75%) percent reimbursement from the Commonwealth of Massachusetts.

The purpose of the Department of Veterans' Services is to assist veterans and/or their dependents in procuring financial assistance, information and benefits to which they are entitled relative to vocational or other educational opportunities. Additionally, G.I. Loans, hospitalization, medical care, compensation, pensions, on-the-job and apprenticeship training, insurance, burial allowance, grave markers, photostats and other benefits granted under existing State and Federal laws.

Every request for assistance under existing regulations is invariably granted. Our primary mission is to give all veterans and their dependents the best service at all times and to administer the laws and regulations affecting them impartially, efficiently and effectively.

There was complete cooperation with the Veterans' Administration and the various local, civic, and veterans' organizations that interest themselves in veterans' affairs and exceptional cooperation extended this department throughout the year by the State Department of Veterans' Services.

Grateful acknowledgement is made to the Honorable Board of Selectmen, the General Manager and his staff, other Town Departments and all others who have assisted the Director of Veterans' Services in the performance of his duties.

Respectfully,

Edmund W. Mulvehill, Jr.  
Director of Veterans' Services

# COUNCIL ON AGING

## 2005 ANNUAL REPORT OF THE COUNCIL ON AGING

The COA Board consists of 7 members who are appointed by the Board of selectmen. Their responsibilities are to identify the needs of the community's elderly population and to design, promote, or implement programs and services to meet these needs directly or through coordination with other agencies. Also, to educate the community at large in the programs of aging and the needs of its older citizens, and to serve as advocates, thus enhancing the lives of seniors in the community.

John Howard, Frank McDermott, and Mary Walker retired during the year and the Board of Selectmen replaced them with Phyllis McDonough, Anne Lyon, and Betty Mastandrea. Other members are Tom Judge, Frank Malacaria, Edna McCafferty, and Bob Sullivan. Marianne Wohler completed her first full year in September. An election was held in May. Bob Sullivan was elected Chairman, Phyllis McDonough was elected Vice-chairwoman, Anne Lydon was elected Secretary, and Edna McCafferty was elected Treasurer. All elected officers assumed their positions immediately after the adjournment of the meeting.

The Council went before town meeting on May to get endorsement for financing an addition to the senior center and won approval by a vote of 135 to 7. The Council went back to town meeting in November with a request for 2.5 million dollars for the addition and it was approved by a vote of 120 to 30. The presentation was led by the friends of the COA with Bob Capasso steering the program and Bill McCoy giving financial support.

Marianne Wohler, in her first year brought some new ideas and programs. Popular and classical movies are now being shown at the center. In July we started serving lunches at the center that are provided by HESSCO state services and served by our employees. The program started on a trial basis in July and August and was so successful we decided to continue it. An average of 20 seniors attend each day. HESSCO is also presenting a monthly money management program for seniors. There are Tap dancing classes and Oil Painting Classes with Bob McCloud has been brought back. We have day of beauty monthly at the Blue Hills Technical School, and on-site manicures at senior discount rates. There are discussion groups on current issues, and elected officials are invited to inform the public on new programs effecting the community. There is also a senior-student reading program at Balch School. A computerized I.D. system has been set up in the reception area and cards have been issued to all seniors. This will keep records of the hours seniors put in and the activities they attend.

A new flat screen television was donated by Home Theater Concepts through the effort of Frank McKeon. The attendance at the Senior Center has been around 200 people per day and over a period of a year there have been approximately 3400 individuals attending.

Staff includes: Marianne Wohler, Director, Jane Feibelman, Outreach Worker, Kathy St. Cyr, Bus Driver, Susan Woodall, Program Coordinator, Eileen Smith, Program Assistant, Jim McCarthy, Custodian, Jim Ciaccio, Computer and Tony Carrara, Co-editor of the Newsletter.

We would like to thank everyone in the community for their continued support that allows us to benefit the Norwood Seniors. Special thanks to the fund-raisers of the Council on Aging and to the Friends of the Council on Aging who have raised approximately \$300,000 for the future addition to the center.

Respectfully Submitted,

Bob Sullivan, Chairman

## 2005 ANNUAL REPORT OF THE PERSONNEL BOARD AND HUMAN RESOURCES DEPARTMENT

The Norwood Personnel Board and the Human Resources Director are pleased to submit their annual report for calendar year 2005.

The Personnel Board is a five-member board appointed jointly by the Town Moderator, and the Chairs of the Board of Selectmen and Finance Committee. It was established in accordance with Article XXXIX of the Town of Norwood By-laws approved at the 2003 Town Meeting. The Personnel Board generally meets monthly, and meetings are posted and open to the public. Article XXXIX also established a Department of Human Resources.

In calendar year 2005, the Personnel Board and the Human Resources Department continued their development of policies and systems that would provide equity to all employees and applicants.

**Classification:** The Personnel Board finalized the last two job classification appeals negotiated under the HRS classification system approved by ATM. In addition they reviewed and rated three new job descriptions which were added to the Town's classification system by Town meeting. (No new funding positions).

**Policies and Procedures:** Much of the work of Personnel Board is continuing to develop policies for employees and to support procedures for the Human Resources Department. The Town's Sexual Harassment policy was updated and revised to be consistent with new legal requirements and it was disseminated to all employees. The Electronic Telecommunications Policy (computer) was developed and disseminated as was a policy for non union employees working in an acting assignment. In addition, the Personnel Board, with the input of the Finance Committee, developed internal procedures for departments requesting new positions or organizational changes.

**Recruitment and Staffing:** The HR Department assisted in the advertising, recruiting, interviewing and/or background checks of several non-union and union vacancies, including positions in Recreation, Fire, Police, and Public Works departments. Many of the positions were Civil Service. All new hire full time employees, both regular and seasonal, received an orientation to Town Policies by the HR Director.

**Employee Relations and Labor Relations:** HR assists the General Manager on the Town's negotiating team, providing support in terms of research. Four contracts were settled and three units continue bargaining. HR Director provides advice and counsel to department heads, supervisors and union officials to assist in effective employee relations.

**Benefits:** The HR Director assisted the employee Insurance Advisory Committee (IAC) and Health Insurance Task Force in their process of exploring cost effective alternatives for the Town's health benefits. It resulted in going out to bid on both the health and dental insurance program and ultimately saving the Town and employees money, despite nationally escalating costs. The Town brought in the services of an Employee Assistance Program (EAP) to provide help with life problems to all general government employees and their loved ones. Orientation meetings were conducted with supervisors, union officials and employees. Thirty five supervisors and over 170 employees at

public safety, building, library, light department, and town hall attended orientations. All employees were encouraged to attend. All supervisors were mandated to attend.

HR coordinated a town wide Employee Health and Benefits Fair, which was held in May and attended by almost 200 employees with representatives from 12 providers emphasizing wellness programs. Presentations included Social Security and Pre-retirement planning.

### **Programs:** Senior Tax Work Off Program (STWOP)

The Senior Tax Work Off Program ended its first year with 18 placements in various departments in Town, including: Police (2), Fire(1), School(2), Recreation(2), Library(1), Treasurer Collector (1), General Manager/ Purchasing (2), Board of Appeals (1), Board of Health (1.5), and Human Resources (3.5). During the second year which began in July, there have been over 35 applicants for 17 placements: Police (2), Fire (1), Library (2), School (1), Board of Appeals (1), General Manager/ Purchasing (2), Recreation (2), Human Resources (2), Council on Aging (3), and Treasurer/Collector (1). Seniors can earn up to \$500 credit toward their taxes by working a maximum of 75 hours for departments throughout Town. Special thanks to all the seniors who have provided services to the Town.

**Reports and Surveys:** The Town of Norwood complies with EEO-4 report filing requirements of the Equal Employment Opportunity Commission (EEOC) as well as various surveys from other state and federal agencies, including DOL and DUA. We participate in MPPA statewide salary surveys for General Government, Police and Fire, as well as individual surveys on as needed basis to support collective bargaining and individual classification requests.

The Personnel Board would like to thank the General Manager, Assistant General Manager, Finance Commission, Board of Selectmen, Town Meeting Members and town employees who continue their support of a professional Department of Human Resources for the Town of Norwood.

Respectfully Submitted,

Willard Krasnow, Chairman, term expires 5/01/06  
John E. Taylor, term expires 5/01/08  
David Hajjar, term expires 5/01/06  
Richard Wunder, term expires 5/01/07  
Anne Haley, term expires 5/01/08  
Eleanor McGonagle, Human Resources Director

 Standing: Jack Taylor, missing: David Hajjar

**2005 ANNUAL REPORT OF THE SOUTH NORFOLK COUNTY ASSOCIATION FOR RETARDED CITIZENS, INC.**

*Over 50 Years of Accomplishments – The Experience to Face Tomorrow's Challenges* [www.sncarc.org](http://www.sncarc.org)

With funding through the Town of Norwood, the South Norfolk County Association for Retarded Citizens (SNCARC) provides and supports services to citizens of Norwood who are disabled by mental retardation or other developmental disabilities. SNCARC is a private, non-profit membership-based organization founded in 1954 by local parents. For more than half a century SNCARC has been, and continues to be, governed by the family members of the individuals we serve. It is a testament to the good works we perform that the town of Norwood, along with the other eleven towns we serve, continues to provide the vital funding support as it has done for over thirty years.

Our mission is, **“To advocate for and provide supports and services to people disabled by mental retardation and other developmental disabilities and to their families.”**

**Supports and services provided by SNCARC to the citizens of Norwood include:**

**Family Support and Respite Care:**

SNCARC provides temporary in-home or out-of-home professional care and training for children and adults with mental retardation or other developmental disabilities on a planned or emergency basis. It operates after-school and school vacation week programs for children, provides a wide range of support groups for families and operates a resource center for parents and professionals at our home facility in Westwood.

**Family Autism Center:**

The SNCARC Family Autism Center implements high quality programs, services and environments for all persons with an Autism Spectrum Disorder. This program provides individuals with autism, their families and the general community with information and referral services, educational services, parent and sibling support groups and a resource library with Internet access.

**Social-Recreational Programs:**

SNCARC provides special after-school and evening education classes, sports activities, social clubs and events, and special summer programs for individuals with mental retardation. A principal component of these programs is one-to-one volunteer friendships (citizen advocacy).

**Advocacy:**

SNCARC provides specialized education, information and referral services, social support, as well as legal, financial and other consultation support. This program also provides self-advocacy training to individuals and advocacy support to families with members who are disabled by mental retardation or other developmental disabilities.

**Clinical Resource Program:**

SNCARC provides behavioral and other psychological counseling and psychiatric services for children and adults with mental retardation and other developmental disabilities and their families.

**Residential Management:**

SNCARC provides Residential Management Services for residential homes and apartments housing individuals with mental retardation.

**Day Habilitation Program:**

SNCARC provides educational and therapeutic services for adults with severe and multiple developmental disabilities. The program works to help individuals improve their communication skills, physical well being, domestic and self-care skills, community living skills and social skills. This program includes a component for individuals who are elderly and disabled by mental retardation. Its primary objective is to enable these individuals to continue to maintain their functional and social skills and to meaningfully participate in the life of their community.

**Services supported by SNCARC through its affiliate Lifeworks:**

**Vocational Training and Job Placement Programs:**

Lifeworks Employment Services provides vocational rehabilitation for mentally retarded persons age 18 and over. These services include vocational evaluation, work adjustment training, sheltered employment, transitional or supported employment and competitive job placement and follow-up support.

**Residential Programs:**

Lifeworks Residential Programs provides home-like environments and supervision, care and training in independent living skills, functional academics and social skills. These programs include community residences and supervised apartments (both with 24-hour staffing) and cooperative apartments (with staff assistance less than 24 hours per day).

Norwood residents who wish to visit or learn more about our programs or who wish to request services for someone disabled by mental retardation or other developmental disability should contact us at (781) 762-4001.

Respectfully submitted,

William F. Abel, Ph.D.  
President

# RETIREMENT BOARD

## 2005 REPORT OF THE RETIREMENT BOARD

The following report is being submitted for the Norwood Retirement Board to reflect the activities of the Board from January 1, 2005 through December 31, 2005. Whereas the Town's fiscal year end is June 30, the financial statements and other records of the Retirement System are required, by statute, to be maintained on a calendar year basis.

Regular meetings of the Retirement Board were conducted in the Municipal Building on the second Tuesday of every month or as otherwise posted. In addition, special meetings were held at the conclusion of each fiscal quarter with the Board's investment consultant and five portfolio investment managers. These four portfolio meetings were held for the purpose of monitoring the System's investment portfolio performance.

### ORGANIZATION:

In 2005 the Retirement Board was organized as follows:

Julia E. Lundin, Appointed Member and Chairperson  
 Joseph F. Curran, Appointed Member  
 Eileen P. Hickey, Elected Member  
 Thomas F. O'Toole, Elected Member  
 Robert M. Thornton, Ex-Officio Member and Administrator  
 Debra A. Lorenzo, Executive Director & Secretary  
 Donna J. Corcoran, Administrative Assistant

The Retirement Board and Staff would like to acknowledge and thank George Thomas for his many years of dedicated service to the Town of Norwood Retirees and Employees while serving as their elected representative on the Norwood Retirement Board.

### INVESTMENT RESULTS:

The Board worked closely with its Consultant, William M. Mercer, its Actuary, Buck Consultants and its Investment Advisors at The Boston Company Asset Management, Legg Mason Capital Management, State Street Global Advisors, Standish Mellon and the Euro-Pacific Growth Fund to continue to develop the System's strong investment portfolio of \$99,557,758.

# RECREATION DEPARTMENT

## 2005 ANNUAL REPORT OF THE RECREATION DEPT.

I respectfully submit the Annual Report of the Norwood Recreation Department for the year 2005.

Your Recreation Department continues to be a very busy and active department. The staff works hard to provide programs for the community that are diversified, interesting, instructional, educational, healthy, and fun. I am very proud of our staff, both full time and part time, which brings professionalism to the Recreation Department.

The Civic Center is our home base and is where we provide the fun, with a wide variety of programs. Some of the programs and activities offered are: Senior exercise, Golf and Ballroom Dance, Mother/Toddler Programs, Ballet, Tap, Jazz Dance, Modern Dance, Irish Step,(under the direction of Ms. Paula Pelaggi) Gymnastics,(under the direction of Ms. Nora Glynn), Karate, Gym Hockey, Arts and Crafts, Jr. High Dances, Ceramics, Pumpkin Fest, Knitting, Basketball, Baseball Clinics, Soccer Clinics, Volleyball, Line Dancing , Self Defense, Yoga, CPR, Candy Making, Halloween Party, Science, Drama, Magic, Kids Fitness, Interior Design, Guitar, Antique Show, Obstacle Course Challenge, Archery, Children's Yoga, Tot Fitness, Kidzart, Mad Science, Tot Music, numerous one day craft specials, Story Time, Children's Cooking Classes, and Biggest Loser Contest. Our workout area continues to grow in usage as our senior crew is exploding with its numbers.

The Civic Center continues to be an integral part of the community, hosting such events or programs as the Norwood Basketball Association, Health Classes, Red Cross Blood drives, Flu Shots, Elks Free Throw Contest, Lions Club professional wrestling, Karate tournaments, February vacation Elks Basketball and Gym Hockey Tournaments, Election Sites for Districts 3 and 5, and the Post Prom Party.

We also have offered numerous activities that are outside the Civic Center; Ski/Snowboard lessons at the Blue Hills, Golf at the Norwood Country Club, Skating at the Pond, Buckmaster and Iorio Arenas, and Town-wide Easter Egg Hunt.

The Recreation Department always enjoys a very busy summer. Father Mac's and the Coakley Middle School again played host to a thriving Playcamp, including over four hundred children. The summer staff, under the direction of Steve Grenham (Playgrounds) and Kim Farrar (Pools) again did a great job keeping a safe, happy, and fun staff and children going through those hot days. The Playground equipment at both camps and Wilson Street, Ellis, and Murphy field have been a great hit, with vastly improved numbers of users. The Spray Park at Hawes Pool proved to be a great success, with many more smaller children able to use the water elements. The Tot Lot at Eliot Field continues to be a great success, with over one hundred children involved.

Going into its 31<sup>st</sup> year, Camp Challenge continues to be an inspiration for many a youngster. The staff ratio of professional teachers and recreation leaders makes for a great mix for our campers. They enjoy more activities, including pool time; spray park, and field trips.

The swim team (Stingrays) had another successful season, with over 100 members participating in the tough Suburban Swim League. Our lifeguards again provided instruction, safety, and peace of mind at both pools, never an easy job with the heat, sun, and all the swimmers.

The Field Committee continued its progress with the Cleveland (lower), Oldham and Willett fields being brought up to be tip - top fields. The Field Study Committee, through Town Meeting, completed the Willett Baseball Field (Mini Fenway) including our own Green Monster. The next field on the horizon is the Callahan Field which will be recommended to be a large rectangular field for lacrosse and soccer. We hosted many meetings with the abutters to listen to their concerns and provide us with direction

Norwood Day again reigned supreme with 12,000-15,000 attending. This has proven to be a great opportunity for the many youth, civic and fraternal groups to tell their story and raise some monies for their programs.

The Recreation Department is very thankful for the help and support we receive from the D.P.W., Light Department, School Department, Engineering Department, Board of Health, Town Planner, and the General Manager and his staff.

On a sad note, the Recreation Department lost a valuable member of its staff, as Ed Campisano passed away after a long illness. The staff and the community will miss Ed.

On the bright side, we welcomed Mark Brown to our staff. Mark brings a solid work ethic and professionalism to the Civic Staff.

We, at the Recreation Department, are very appreciative of the support, ideas, and suggestions we receive from our residents. It is the residents of Norwood that make your Recreation Department the success it is and we take pride in the reputation we are able to maintain throughout the state.

Respectfully submitted

Gerald F. Miller  
Superintendent of Recreation

### Member

Minuteman Library Network <http://www.mln.lib.ma.us/>

- 41 public and academic libraries
- 6.2 million items owned, 14,532,724 items circulated in FY05
- Non-profit private cooperation, run by its members
- Provides automated services to member libraries.

Metrowest Massachusetts Regional Library System

- State agency provides daily interlibrary delivery (47,175 items to Norwood in FY05)
- Periodical and reference databases
- Purchasing cooperative for supplies and material
- Continuing education and consulting

To make the most of resources available, learn to use the on-line catalog and request system. Ask for help when you are in the library and pick up the brochure to help you make requests from home.

**Morrill Memorial Library is a WIFI Hotspot** – Access is provided by the **Town's Computer Department**. It is easy for people to access the Internet throughout the library building. We appreciate help and support from the Computer Department. Their understanding of the value of this service made it possible.

**Genealogy Anyone?** – Ancestry Library and Heritage Quest Online are great new research tools which are available at the

library. Heritage Quest is also available on your home computer through the library's homepage.

**Literary Lunch** met for the seventh year. Sixth grade students and members of the Senior Center's book group read A Week in the Woods by Massachusetts author Andrew Clements. Lively discussion was enjoyed by all.

### Children's Services and programs

- **Story times** offered year around for preschool children including toddlers
- Going Places @ Your Library, the 2005 Statewide Summer Reading Adventure attracted 644 children who read an average of 20 books each.
- Music with **Harry and the Potters**
- Science with Norwood teacher **Charles Haffey**
- Stories in sign and voice with **Tony Toledo and K.R. Glickman** \*\*
- **Norwood Young Reader's Award** featured book discussions for 4<sup>th</sup> and 5<sup>th</sup> graders with parents and librarians. They voted *Mick Harte was Here* by Barbara Park best book of the year.
- Classes from the Prescott, Balch, and St Catherine's Schools visited for computer training
- Children's Librarian Hope Anderson and Reference Librarian Marie Lydon met regularly with librarians from the schools to coordinate services and programs.

### Adult Programs

- **Fireside Reads** – Margot Sullivan and Beth Goldman suggested books to curl up with
- **See You at the Dance Hall**, Boston's Irish music with Susan Gedutis and friends
- **The Life and Artistry of Georgia O'Keeffe**, a lecture by Gershon Weisenberg
- **Terrific Tuesdays** during the Summer – Craft demonstrations by Marge Hickey and Caroline Pannes, **Beach Reads** by Beth Goldman and Margot Sullivan
- Tour of **Oak View**, one of Norwood's last gems of 19<sup>th</sup> century architecture \*\*
- **Boston by Foot** slide lecture, "The Reshaping of Boston: The Contemporary City" \*\*
- **Christmas Ornament** workshop with Caroline Pannes
- **Musical Sundays** with the rollicking fiddle of Hanneke Cassel and *The Nutcracker* presented by Alfred Watson. Programs made possible by the **Norwood Woman's Club** and the **Cushing Fund**

### Friends of the Library

- Raised **\$2800** from two book sales
- Supported the library collection with generous donations
- Kept the membership list strong with notices in the September electric bills
- Presented **Clarence Darrow**: a one-man show by Richard Clark \*\*
- Promoted the library at **Norwood Day**
- Sponsored **Hot Shots and Heavy Hits** with former undercover drug agent Paul Doyle
- Presented **Author Night** with **Frank Schaeffer** whose books include *Portofino* and *Keeping Faith: A Father-Son Story about Love and the U.S. Marine Corps*

# MORRILL MEMORIAL LIBRARY

**\*\*Funded in Part by the Norwood Cultural Council as funded by the Massachusetts Cultural Council**

## **The Literacy Volunteers of America at Morrill Memorial Library**

- Free, confidential tutoring in Basic Literacy and English as a Second Language
- **134** adult learners, **90** active tutors, **6550** hours of instruction in FY05
- Conversation groups for ESOL students
- The Literacy program received additional funding from the Department of Education.
- Thanks to the **Simoni Foundation** and **Walmart** for their generous support.

Literacy Volunteers are always looking for new tutors and students. Call [Literacy Volunteers at 781-769-4599](tel:781-769-4599)

## **The Outreach Department**

- Delivered 6,284 items to people unable to visit the library or use its resources without help
- Volunteers and library staff took material to people in their homes, in nursing homes, at the Senior Center and at housing facilities
- Presented programs at several locations around town.
- A book group met on the second Friday of the month at the Senior Center.

**Assistive Technology** equipment and software are available for use by individuals with special needs. Call 781-769-0200, x 228 for Outreach services, assistive technology or to volunteer.

**The Women's Community Committee** was the primary sponsor of the library museum pass program. It provided memberships for the Children's Museum, Easton Children's Museum, Isabella Stewart Gardner Museum, JFK Library, Museum of Fine Arts, Museum of Science, New England Aquarium, and the Roger Williams Zoo. These museum passes were used 747 times in 2005 providing a cultural resource worth thousands of dollars and benefiting thousands of people. We are thankful for the generosity of the WCC. Thanks also to **The Norwood Woman's Club and the Friends of the Library** which provided additional funding for museum passes.

## **In Memoriam Anne M. Francis**

The library family mourned the loss of Anne Mitchell Francis. Anne worked at the library as a Reference librarian for 15 years, the last five years as Technology Librarian. She received an MST from the Weston Jesuit School of Theology in May 2005. The photo shows Anne with members of the library staff the day before her graduation. She died on August 31<sup>st</sup> following a long illness. We salute Anne for her skill as a librarian, her enthusiasm for learning, her love for her church and her friends, and most of all, her devotion to her family.

## **Morrill Memorial Library Board of Trustees, 2005**

Seated: Stuart R. Plumer, Vice Chair, Arthur W. Gearty,  
Standing: Elizabeth Dickson, Secretary, Thomas J. Cummings,  
Patricia J. Fanning, Susannah J. P. Petro, Mary Phinney,  
Director, Roger C. MacLeod, Chair

## 2005 ANNUAL REPORT OF THE NORWOOD PLANNING BOARD

The Norwood Planning Board is pleased to submit a summary of its activities and accomplishments in 2005:

### Subdivisions

The Planning Board administers the Subdivision Control Law, which are regulations for the laying out and construction of new roadways. During 2005, the Board approved two residential subdivisions: Red Barn Estates Subdivision, a 6-lot subdivision off Dean Street (between Tamworth Rd. and Whitewood Circle) and Talbot Farm Estates, a 17-lot subdivision off Neponset Street (opposite Wedgewood Drive). Approvals are pending on Coolidge Estates, a 6-lot subdivision off Nahatan Street (near Winfield Street). The Planning Board also approved two industrial subdivisions: Upland Road Industrial Subdivision, a 4-lot industrial subdivision at the former Polaroid property and 825 University Avenue Industrial Subdivision, a 2-lot industrial subdivision located at 825 University Avenue (Instron Corp.). The Board also monitors the construction of several ongoing subdivisions such as Newbury Park Subdivision (Fairfield Circle) and Grandview II - Phase IIIA & B Subdivision (Puritan Place) and issues performance bond releases when appropriate. The Board also endorses Approval Not Required Plans, which are plans not subject to the Subdivision Control Law, allowing simple land divisions along approved rights-of-way.

### Major Projects

The Planning Board is the town's Major Project Special Permit Authority. A Major Project is defined as new construction, addition, or change of use resulting in a net addition of more than 25,000 square feet or 100 or more parking spaces. In 2005, the Planning Board approved the following Major Project permit requests:

- Marriott Residence Inn – Norwood Park South – Marriott Residence Inn is an upper tier extended stay hotel with 96 rooms with 108 parking spaces.
- LTX Corporation – 825 University Avenue – LTX will occupy 50,000 square feet of office space at this office complex along University Space. LTX is in the semiconductor business, employees almost 200 high-tech employees, and will share a building with another high-tech company, Instron Company.
- Clay Nissan – 525 Boston-Providence Highway – Clay Nissan will occupy the former Aldrich Stone Company site and will consist of a 45,000 square foot building with 400 parking and storage spaces.
- Starbucks Coffee Company -1000 Boston-Providence Highway – Starbucks will occupy the former Boch Rental site at the Rte. 1 northbound jughandle. The Planning Board is the permit granting authority for drive-through restaurants.

### Community Development

In the spirit of municipal cooperation and the overall betterment of the Town, the Planning Board utilizes its staff, Town Planner Steve Costello and Administrative Assistant Claire Murphy, to apply for and administer State grants. In the past two years alone, the Planning Board has helped the Town obtain over \$1.2 million in grants to start or continue much needed community development programs (see Norwood Planning Department report). The Planning Board also assists various Town Committees working to make Norwood a better place to live, work and recreate. The Planning Board has seats on the Open Space and Recreation Master Plan Committee; the South Norwood Steering Committee; the Norwood Housing Committee, the Downtown Steering Committee and the Economic Development Committee. The Planning Board provides staff assistance to all of these Committees so that these committees can remain active in shaping residential, industrial and recreational projects to best serve the needs of the citizens of Norwood.

The Planning Department is pleased to submit a summary of community development activities for 2005:

### Community Development Programs

The Town of Norwood has received two significant grants totaling \$1.23 million from the Department of Housing and Community Development to establish two community development programs:

#### **Norwood Housing Rehabilitation Program General Information Guidelines**

#### **INTRODUCTION**

The Norwood Housing Rehabilitation Program is administered by the Norwood Town Planner's office. The Housing Rehabilitation Program (HR Program) is designed to improve housing conditions of low and moderate income resident households by eliminating code violations. To date, 4 housing rehab projects have been completed, with several more in various stages of development. Richard S. Sweeney, CDF Program Coordinator, is the lead contact for the Housing Rehabilitation Program and can be reached at 781-762-8115 x 209

#### **CODE RELATED REPAIRS**

Eligible repair activities will include, but not be limited to, electrical, heating and plumbing work; structural repairs; roof and siding repairs; insulation and window replacement; lead paint and asbestos removal; and handicap accessibility improvements

# PLANNING BOARD

## ELIGIBILITY

Preliminary eligibility is defined as an applicant meeting the initial eligibility requirements in order to qualify to begin the housing rehabilitation process. Final eligibility is determined after the total bid package is received and reviewed by the Town Planner's office.

**APPLICANTS:** This program is targeted to owner-occupied single-family/multi-family and investor owned units in the Downtown Norwood and South Norwood Target Area. At least 51% of the units in the structure must be occupied by low and moderate income households. A low and moderate income household is defined as households who meet the following income levels.

Size of Household	1 Person	2 Person	3 Person	4 Person	5 Person	6 Person	7 Person	8 Person
Income less than	\$46,300	\$52,950	\$59,550	\$66,150	\$71,450	\$76,750	\$82,050	\$87,350

If the structure is a single family owner occupied unit, the owner must meet these income guidelines. If the structure contains rental units, at least 51% of all the households including rental units/renters must meet these income limits.

**Eligibility Determination:** Upon receiving an application and supportive documentation, the Town Planner's Office will verify property ownership by copy of the deed and local property tax bill. Income will be verified by employer verification form and/or copies of the most recent consecutive 8 weeks (minimum) pay stubs. Self-employed applicant will submit their most recent IRS-Certified tax form. All other sources of income will be verified by the Town Planner's office according to HUD approved income verification documentation. In the case of non-owner occupied units, a tenant questionnaire will be distributed to participating households and income verified as stated above.

**Ownership:** The applicants must be the property owner of record for the proposed residential structure.

**Structures:** The primary purpose of the deferred payment loan program is to bring deteriorated residential units into compliance with all applicable Federal, State and local codes. To be eligible, a structure or portion thereof, must be residential and contain one or more code violations. Note: All code violation must be corrected as a condition of participating in the Norwood Housing Rehabilitation Program.

## FUNDING MECHANISM-DEFERRED PAYMENT LOANS

The Norwood Housing Rehabilitation Program offers Deferred-Payment Loans (DPL) to finance rehabilitation of eligible projects. The maximum DPL is \$30,000 per unit to address code violations. An additional \$5,000 per unit is available when improvements include removal of lead paint or asbestos or making handicapped access. The DPL is secured by a lien placed on the property for a period of 15 years. The interest rate is 0%. Deferred Payment Loans do not require monthly loan payments. If a property is sold or transferred within the 15 year period after rehabilitation completion, the funds will be recaptured on a prorated basis. After the 15 year recapture period expires, the loan is forgiven. No payments are made.

The Norwood Housing Rehabilitation Program offers three different levels of assistance for owner occupied homes:

### Owner Occupied Homes

1. If the homeowner's total household income is less than 50% of the median income, the HR Program offers a DPL equal to 100% up to \$30,000 per unit with an additional \$5,000 per unit for removal of lead paint or asbestos or handicapped access.
2. If the homeowner's total household income is between 50% and 80% of the median income, the HR Program offers a DPL up to 75% of the project cost up to \$30,000 per unit with an additional \$5,000 per unit for removal of lead paint or asbestos or handicapped access.
3. If a homeowner does not meet these income guidelines or if the house contains more than 4 units, then the homeowner will be considered an Investor Owner and considered for participation in the Investor Owned Property Program which is detailed below.

The Norwood Housing Rehabilitation Program also has a program for investor owned property with the following program criteria:

### Investor Owned Property

1. If at least 51% of housing units in a building are occupied by households earning less than 80% of median income, the property owner will be considered for a deferred payment loan equal to 50% of project cost up to a maximum of \$30,000 per unit with an additional \$5,000 per unit for removal of lead paint or asbestos or handicapped access. The term is 15 years and the interest rate is 0%.
2. The investor owner must execute an Affordable Housing Restriction that runs with land for a 15 year period.
3. Rents will be restricted to Fair Market Rents and units must be available to low and moderate income tenants for a 15 year period.
4. If the property is sold or transferred within the 15 year period after rehabilitation is completed or if the terms detailed above are violated the funds will be recaptured on a prorated basis. After the 15 year recapture period expires, the loan is forgiven. No payments are made.

## LOW AND MODERATE HOUSEHOLD INCOME LIMITS

Household Size	1	2	3	4	5	6	7	8
50% of Median Income	\$28,950	\$33,100	\$37,200	\$41,350	\$44,650	\$47,950	\$51,250	\$54,600
80% of Median Income	\$46,300	\$52,950	\$59,550	\$66,150	\$71,450	\$76,750	\$82,050	\$87,350

A Housing Rehab Specialist from Neighborhood Housing Services will conduct a site visit and develop a detailed work write-up and cost estimate. The Rehab Specialist will then review these items with the homeowner.

NOTE: The Norwood Housing Rehabilitation Program is a moderate rehabilitation program. If upon completion of a site visit, detailed write-up and cost estimate, the HR Specialist determines that the dollars needed far exceed program limits, the project can be deemed infeasible and funding denied. Appeals can be made by providing the Norwood Town Planner's office with acceptable documentation that owner has access to additional funds necessary to complete the project.

### BIDDING PROCEDURES

Based upon the accepted work write-up, the Norwood Housing Rehab Program staff will solicit bids from a "qualified" contractor list (i.e. contractors who previously submitted evidence of insurance and contractor licenses and whose reference and past work have been reviewed by rehab staff). Bids will be reviewed by the Housing Rehab Specialist and the Housing Program Manager. A minimum of three bids for each project will be sought. A homeowner may choose a contractor other than the lowest qualified contractor. However, the Deferred Payment Loan is based upon the amount submitted by the lowest qualified bidder and the homeowner must fund the difference.

If the completed bid package exceeds the program dollar limit for your project, the Rehabilitation Specialist will first work with the contractor to see if alternative procedures can be performed to lower the bid amount while at the same time accomplishing the primary goal of correcting all code violations. If this is not successful, the project can be re-bid or the homeowner can seek additional financing from other sources.

### CONSTRUCTION PROCEDURES

Upon completion of the application and bidding phase, a contract will be between the homeowner and the contractor will be signed. Contract language will make provisions for payment, warranty, liability, and Norwood staff oversight.

Inspections will be made by the Housing Rehab Specialist during the rehab process to verify that the work is being done in accordance with the approved work write-up, owner/contractor agreement, and applicable codes. The Building Inspector, Wiring Inspector and Plumbing Inspector will approve and verify building code compliance.

No change will be made to the work write-up unless written approval is obtained from the Housing Rehab Specialist, the homeowner, and the contractor by means of a contract amendment or change order. Final approval by the Housing Rehabilitation Program Manager will also be required for the change orders.

### PAYMENT

Progress payments will be made only after inspections by the Housing Rehab Specialist and the homeowner's written acceptance of work performed. All payments under the Norwood Housing Rehabilitation Program will be issued in the name of the homeowner and the contractor. A 10% retainage will be withheld from each progress payment to ensure project completion in accordance with the work write-up.

The contractor will receive final payment only upon completion of construction and of evidence of compliance with local permitting procedures, a Release of Liens, a Warranty, and a homeowner statement of satisfactory completion.

## Norwood Sign and Facade Improvement Program General Information Guidelines

**INTRODUCTION:** The Sign and Facade Improvement Program is intended to assist property owners in the renovation of the exterior of their buildings, to improve the visual quality of the Central Business and South Norwood Business Districts, and to enhance these areas as places to visit, shop and work. To date, 10 sign and facade improvement projects in Norwood Center and 2 sign and facade improvement projects in South Norwood have been completed. Stephen M. Costello, Town Planner, is the lead contact for the Sign and Façade Improvement Program and can be reached at 781-762-1240 x164

facade improvement projects in Norwood Center and 2 sign and facade improvement projects in South Norwood have been completed. Stephen M. Costello, Town Planner, is the lead contact for the Sign and Façade Improvement Program and can be reached at 781-762-1240 x164

**FINANCIAL ASSISTANCE – REBATE:** Eligible property owners participating in the program will receive a rebate equal to 50% of the actual cost of the eligible improvement, or 50% of the cost estimate prepared/reviewed by the Town's Architectural Design Consultant, whichever is less. For example, a project with a total eligible cost of \$100,000 will result in a rebate of \$50,000. Since this is a rebate program, sign and facade assistance is only paid after completion of the project. The Property Owner must provide evidence that all contractors, etc. have been paid in full. Projects are also limited to a maximum rebate of \$100,000. The Town reserves the right to lower the percentage match of the rebate program to accommodate as many qualified property owners as possible.

## PLANNING BOARD

**ARCHITECTURAL DESIGN SERVICES:** The Town of Norwood provides free architectural design services to property owners who do not hire independent architects. Design services provided by the Town include:

- a preliminary meeting between the Architect, the Town Planner and Property Owner;
- consultation and preparation of design alternatives by the Architect for the Property Owner's review;
- preparation of preliminary design drawings, cost estimate and final designs by the Architect;
- final inspection and completion certification by the Architect at the conclusion of the work.

**DEPOSIT:** Property owners receiving free architectural design services from the Town are required to submit a deposit equal to 30% of the architectural fee. The deposit is typically between \$1500 and \$3000. The deposit is refunded upon completion of the project in full compliance with the architectural drawings and the Sign and Facade Improvement Agreement.

The Town of Norwood reserves the right to retain all or part of the deposit to defray architectural costs if a property owner withdraws from the program or violates the program guidelines after the Architect has started work on the project.

**ELIGIBILITY CRITERIA:** All improvements must comply with standards set forth in the Town's Zoning Bylaw, the "Downtown Norwood Design Guidelines" dated October, 1998 or the "South Norwood Business District Design Guidelines" dated August, 2003, whichever is applicable, and the State Building Code. Improvements to buildings without significant architectural features shall be carefully designed and constructed to be in scale with existing structure. Buildings that have significant architectural features are required to restore and maintain those features. State Law requires handicapped access. If such access is required but infeasible, an application for a variance must be filed with the Architectural access Board. Applicants for participation in the program must meet the following eligibility criteria:

- applicants must be commercial building owners;
- commercial buildings must be substantially occupied by operating retail businesses, service establishments or offices;
- commercial properties must be up to date on all federal, state, and local taxes prior to participation in the program;
- commercial properties must comply with state and local code requirements;
- participants must comply with all state and local laws and regulations pertaining to licensing and permits.

**ELIGIBLE AREA – NORWOOD'S CENTRAL BUSINESS AND SOUTH NORWOOD GENERAL BUSINESS DISTRICTS :** Under the Department of Housing and Community Development (DHCD) funding guidelines, Norwood's Sign and Facade Improvement Program funds are restricted to the Norwood Central Business District and South Norwood General Business District, which are areas where commercial properties and economic conditions have been determined to meet the statutory definitions of decadent and blighted. Commercial buildings that have been designated as being in fair to poor condition and in need of repair per the building condition analysis prepared for each business district will be given priority for assistance for the first six months of the program.

**ELIGIBLE IMPROVEMENTS:** The following items are eligible for inclusion in the Sign and Facade Improvement Program.

- removal of elements which cover architectural details;
- replacement of original architectural details;
- new storefront construction within an existing building;
- window replacement and window framing visible from the street;
- removal of handicapped barriers (e.g. steps), construction of new exterior access;
- new signs and awnings;
- cleaning, repainting, repointing, or residing of buildings;
- planting and landscaping, when part of an overall facade renovation project
- exterior lighting;
- exterior trash receptacles, when part of an overall facade restoration renovation project.

**INELIGIBLE IMPROVEMENTS:** Projects that are underway or started prior to the execution of an agreement with the Town of Norwood are not eligible to participate in the Sign and Facade Improvement Program. The following improvements are ineligible under the program:

- interior improvements;
- roof repair not visible from the street;
- removal of architecturally important building features;
- addition to a part of a building;
- sidewalk repairs; plantings or landscaping when not part of an overall facade restoration.

**SIGNAGE:** Signage is an integral component of storefront design, and should be designed to compliment the architectural integrity of the facade and fit within architecturally allotted space. Because signage is an architecturally sensitive element, the Town reviews and approves all signs as part of the design process.

### PLANNING BOARD MEMBERS

*Seated: E. William Bamaber, Marco J. Brancato  
Standing: Thomas J. Wynne, Ernie Paciorkowski,  
Stephen M. Costello, Town Planner  
Absent: Paul J. Donahue*

# CONSERVATION COMMISSION / BOARD OF APPEALS

## 2005 ANNUAL REPORT OF THE CONSERVATION COMMISSION

The purpose of the Conservation Commission is to enforce the Commonwealth's Wetland Protection Act as well as the Town's Wetland by-Law. These laws identify areas subject to protection and include banks, wetlands, marshes, swamps and flats bordering on a body of water. In addition, land under a body of water and land subject to flooding are included as well as a 200-foot riparian zone along each side of a river or perennial stream. Any activity within these areas is subject to regulations as is any activity within a 100-foot buffer zone of the areas protected which would alter either the area under the protection or the buffer zone. The term activity refers to any act, which would remove, fill, dredge or alter.

The Conservation Commission issues Determinations identifying an activity as significant or non-significant. If significant, a Notice of Intent must be filed and work may only proceed under an Order of Conditions issued by the Commission. The Commission conducts site reviews on work in progress as well as at project end. If the work performed is the same as that initially proposed a Certificate of Compliance would be issued. This is an abbreviated description of the Commission's responsibility.

### Norwood Conservation Commission Members

Thomas Curran, Chairman	Joseph DiMaria
Carol Fishman, Vice-Chairman	Janice Sloan-Riolo
Howard Allen-(resigned July 2005)	Al Goetz, Agent

### 2005 Filings

Norwood Engineering - Providence Hwy Realty Trust - David Spiegel  
 LEC Environmental - Joseph & Dorothy Robicheau  
 TEC Associates- Mass Bay Commuter Railroad  
 TEC Associates- CSX Transportation  
 Sparrow Environmental Services - Seth Miller

 Rizzo Associates, Inc.-CFRI/Doherty University Ave.-Mike  
 Boujoulian

### Monies Collected

Revolving Account – Wetland Protection Act	\$16,489.11
General Account – Town By-Law Filing Fee	\$ <u>6,280.00</u>
Total	\$22,769.11

## 2005 REPORT OF THE BOARD OF APPEALS

The Board of Appeals submits herewith its Annual Report for the year 2004, which shows a total of 65 cases, were withdrawn without prejudice prior to the decision being made or the public hearing being opened.

A summary of the applications received and cases heard during the past year is as follows:

1. Requests for Special Permits	23
Approved	17
Denied	3
Withdrawn	3
Null & Void	0
Open cases	0
2. Requests for Variances	102
Approved	75
Denied	22
Withdrawn	5
Open cases	0
3. Requests for Amendments	2
Approved	2
Denied	0
Withdrawn	0
Open cases	0

In addition to the hearings there were four requests for extensions to prior decisions.

Harry T. Spence, Barbara A. Kinter, Patrick J. Mulvehill, John R. Perry and Philip W. Riley, wish to thank Associate Members, Joseph Randall, Paul W. Eysie, and Deborah A. Holmwood, along with the Inspector of Buildings Mark Chubet and his staff for their cooperation and dedication. Thanks are also extended to the various elected and appointed Town Officials for their assistance during the past year.

Respectfully submitted,  
 Harry T. Spence, Chairman

# ENGINEERING DEPARTMENT

## 2005 ANNUAL REPORT OF THE TOWN ENGINEER

The Engineering Department, through the Town Engineer, respectfully submits the annual report for 2005.

The Engineering Department consists of the Town Engineer, an Assistant Town Engineer, a Grade IV Civil Engineer and a part time draftsman. On occasion, a local engineering student on break from studies provides the department with valuable assistance while gaining insight to his future profession. All three department engineer's have Bachelor of Science degrees in civil engineering and are also approved by the Department of Environmental Protection (DEP) as Soil Evaluator's. The Town Engineer is registered as a Professional Engineer and Professional Land Surveyor. The Assistant Town Engineer is also registered as a Professional Land Surveyor.

The Engineering Department provides a broad range of services. This department provides technical support to all municipal departments and town boards. The following is a sample of the assistance provided: plan review, cost estimates and inspection services for the Planning Board; plan review and engineering opinions to the Board of Appeals and Conservation Commission; construction design, cost estimate and engineering services to the Department of Public Works; assistance to the Recreation Department on a variety of recreation projects; assisting the Assessor's Office in maintaining up to date tax maps; provide assistance to the General Manager and Board of Selectmen on a variety of municipal projects. This department also has its own individual projects that require performing survey work, traffic surveys and construction project design and supervision. In addition, the department provides engineering assistance to residents, contractors, builders and engineers that visit this office on a daily basis seeking guidance.

During 2005, the Engineering Department was intimately involved in a wide range of projects which proved both challenging and rewarding. It also showcased the talents and capabilities this engineering department provides. Some of the more exciting projects included:

- Walpole Street Reconstruction – Designed and performed construction administration and supervision for the reconstruction of Walpole Street between Saunders Road and Chapel Street. The project involved cold planing and repaving of the roadway, removal of existing sidewalks and replacement with cement concrete, installation of new cement sidewalks, installation of granite curbing, drainage improvements and roadway striping. The project length was 1,100 feet.
- Annual Road Resurfacing – Designed and provided construction administration and supervision of the annual road resurfacing project. Project involved cold planing existing bituminous concrete and installing a bituminous concrete overlay on the following streets: Varwood Circle – Entire Street (1,065 feet); Countryside Lane – From Garden Parkway to the Walpole Town Line (430 feet); Wilson Street – From Walpole Street to the Walpole Town Line (2,670 feet)
- Annual Sidewalk Construction and Overlay – Designed the annual bituminous concrete sidewalk construction and overlay project. Construction assistance and supervision to the Superintendent of Public Works was also provided when required.
- Norwood Center Streetscape Phase I –The Engineering Department provided detailed inspection of historic light poles installed in Norwood Center in 2002 and identified numerous product deficiencies. Working along with the pole manufacturer, over 50 street light poles were removed and replaced during 2005.
- Margaret Street and Surrey Road Sewer Rehabilitation – The Town of Norwood identified failures in sewer mains on Surrey Road and Margaret Street. These failures, or cracks and breaks in the pipe, allow groundwater into the sewer system thereby increasing the cost the Town of Norwood is charged by the MWRA for treatment of sewage. The Engineering Department designed plans and specifications for the replacement of 561 linear of failed sewer mains on Margaret Street and Surrey Road. The Engineering Department provided construction administration for the project and supervision assistance to the Department of Public Works. The pipe laying portion of the project was completed in 2005 with final paving planned for the spring of 2006.
- Geographic Information System (GIS) – The Engineering Department continued working on developing the GIS. At this point, the Assessor's Tax Maps, Water System, Drain System and Zoning Map have been converted to electronic format. The system allows the Engineering Department to produce various maps and plans for the Engineering Department and various department and boards. These plans are developed quickly and accurately which provides the ability for informed decisions to be made expeditiously. The GIS is an excellent investment and further support is a wise decision.
- The Engineering Department prepared plans and specifications for the replacement of 47 lead water services within the Town right of way and 67 lead water services on private property. Project is the result of a mandate by the EPA to replace the nearly 150 lead water services throughout Norwood. Bid opening is scheduled for January, 2006 with construction expected to commence by May, 2006.
- Provided solution and cost estimate for the chronic basement flooding situation at the Town owned building at the corner of Nahatan St and Central St. (171 Nahatan Street; a.k.a Olde Colonial Restaurant). Monies were appropriated at Fall special town meeting with actual implementation expected in 2006.
- The Engineering Department provided the Field Study Committee with conceptual field layout designs and cost estimates for the Callahan School ballfield. Efforts to obtain grant funding were unsuccessful in 2005, but, it is expected approval for grant funding will be provided in 2006.
- Pleasant Street and Morse Street Intersection – The Engineering Department negotiated a design contract with the Town's traffic consultant, VHB, for the design of traffic signals at Pleasant Street and Morse Street. Actual design will occur in 2006 with construction, contingent on State funding, expected to be performed in 2007 or 2008.
- University Avenue PWED – The Engineering Department provided valuable assistance to the University Avenue Public Works Economic Development grant application. Grant application requests funding for streetscape improvements along University Avenue from Route One to Canton Street.

# FINANCE COMMISSION

- Brook Street Sidewalk – Provided design and construction supervision for the installation of a bituminous concrete sidewalk on Brook Street between Nichols Street and Albemarle Road.

The upcoming year 2006 is expected to be equally challenging. The Engineering Department anticipates the following work to be performed: construction administration and supervision of the lead water service contract; topographic survey of town owned land on University Avenue and permitting the site for gravel removal; design of the Callahan School ballfield; traffic signal design for the intersection of Pleasant Street and Morse Street; design and construction of basement flood prevention for town owned building at 171 Nahatan Street; design and construction of the Annual Street Resurfacing project; development of the Town of Norwood owned Buckmaster Pond Well in Westwood; continued development of the Geographic Information System; and various street acceptances.

Respectfully submitted:  
 Mark P. Ryan – Town Engineer

**FINANCE COMMISSION**

To the Citizens of Norwood:

The Finance Commission was organized in the year 2005 as follows:

- Alan D. Slater, Chairman (Term Expires 2007)
- Joseph P. Greeley (Term Expires 2006)
- John W. Hayes (Term Expires, 2006)
- Judith A. Langone (Term Expires, 2008)
- Eleanor M. Travers (Term Expires 2007)

The Finance Commission held numerous meetings during the year for the purpose of reviewing departmental Reserve Fund transfer requests as well as detailed annual budget requests for the next fiscal year. After deliberation with department heads charged with the responsibility for expending budgetary funds, the Finance Commission then made detailed budget recommendations for FY 2006 to the Annual Town Meeting.

The sum of 125,000 was appropriated for the FY 2005 Reserve Fund. The following Reserve Fund transfers were approved during the year by the Finance Commission

**FY 05 SCHEDULE OF RESERVE FUND TRANSFERS**

<u>DATE</u>	<u>PURPOSE OF TRANSFER</u>	<u>TRANSFER AMOUNT</u>
6/15/05	Board of Appeals - Salaries	\$ 225
02/9/05	Fire New Equipment – S.U.V.	\$45,000
3/22/05	Garage Maint. – Gas/OT	\$10,000
09/9/04	Cte. Of 21 – Admin. Expenses	\$10,000
7/20/04	Economic Development Cte. – Admin. Exp.	<u>\$ 5,000</u>
	<b>Total Transfers</b>	<b>\$70,225</b>

**FINANCE COMMISSION**

Left to Right: Joseph P. Greeley, Eleanor M. Travers, Alan D. Slater, Chairman, Judith A. Langone, Robert M. Thornton

# BUDGET SUMMARY

## BUDGET SUMMARY BY FUNCTION

To the Board of Selectmen  
Town of Norwood, Massachusetts

We have audited the financial statements of the Town of Norwood, Massachusetts as of and for the year ended June 30, 2005 and have issued our report thereon dated October 27, 2005. As part of our audit, we made a study and evaluation of the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purposes of such evaluations are to establish a basis for reliance on the system of internal accounting control in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements.

The management of the Town of Norwood, Massachusetts is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgments by them are required to assess the expected benefits and related costs of control procedures. The objectives of such a system are to provide reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with required authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

Because of inherent limitations in any system of internal accounting control, errors or irregularities may still occur without being detected. Also, projection of any evaluation of the system to future periods is subject to the risks that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

*Additional Offices  
Nashua, NH • Greenfield, MA • Ellsworth, ME*

## AUDIT

We are also submitting for your consideration a number of comments and recommendations that are intended to improve operations and internal accounting control.

After you have had an opportunity to consider our comments and recommendations, we would be pleased to discuss them with you.

*Melanson, Heath + Company P.C.*

Andover, Massachusetts

October 27, 2005

**PRIOR YEAR ISSUES:****1. Improve Departmental Receipt Procedures**

The Town has several departments that receive and process their own receipts, many of which have small administrative staffs, often consisting of one or two employees. As a result, there is an inherent risk that these receipts may not be properly recorded, remitted, or safeguarded.

We noted that Town currently does not have formal written policies and procedures for departments to follow for collecting and remitting departmental receipts. Formal policies and procedures would provide a framework for department heads to gauge whether their internal records are sufficient, or to provide an illustration of appropriate documentation should no internal records exist.

We recommend the Town establish formal documented policies and procedures for overall departmental Town receipts. In addition to stipulating the appropriate format of receipt records/logs, the policies and procedures should also address the establishment of audit trails, frequency of remittances to the Treasurer, and overnight security. This will provide guidance to departments and improve consistency, which could reduce the risk of errors or irregularities occurring and going undetected.

**Town's Response:**

We agree, and are in the process of formalizing policies and procedures for departmental receipts.

**2. Discontinue Check Cashing Policy**

In our testing of the Tax Collector receipt procedures, we noted that occasionally Town employees are permitted to cash checks with cash proceeds in the Tax Collector's Office. Because cash is subject to increased risk of irregularities, it is critical that the audit trail of all cash (currency) receipts remain intact. Cashing employee checks diminishes the audit trail.

We recommend the Tax Collector's Office discontinue the policy of cashing employee checks. This will improve the audit trail over currency receipts and will reduce the likelihood of irregularities occurring and going undetected.

Town's Response:

We disagree. It has been a longstanding policy to cash checks for employees on an emergency basis with the approval of the Treasurer. We don't see this practice to be a burden to the audit trail or a practice that would cause irregularities.

**CURRENT YEAR ISSUES:**

**3. Improve Documentation of Cash Receipts**

In our testing of receipt procedures in the Tax Collector's Office, we noted that receipts in cash (currency) are not documented on the receipt stubs to indicate those that were paid by cash. Because of the increased exposure in handling cash, it is very important that a clear audit trail exist from the time cash is accepted at the counter, to the daily bank deposit.

We recommend the Tax Collector's Office include a notation on the receipt stub of those payments that were made by cash, and that the daily cash out documentation provide a break down of currency and check receipts. Also, the amount of currency deposited in the bank should be proven to the receipt stubs and daily cash out reports. This will improve controls over cash receipts and will minimize the risk of irregularities occurring and going undetected.

Town Response:

We agree with the audit recommendation, and began to make notation on the receipt stub for cash items in May, 2005.

**4. Automate Compensated Absence Tracking**

The Town's accounting for employee sick and vacation days is currently maintained on a decentralized basis, with departments tracking employee balances earned and used time. Maintaining these records on a decentralized basis increases the risk of errors or abuses occurring.

We recommend the Town convert compensated absences to an automated system that is integrated with payroll. This will improve efficiency and accuracy over the tracking of compensated absences.

Town Response:

The Town is in the process of centralizing this tracking through the Office of the Human Resources Director. The Town has procured a new payroll/personnel software package that will be implemented in the second half of Fiscal 2006. This new software will have the capability of tracking compensated absence data on a centralized, automated basis.

**5. Establish Infrastructure Fixed Assets**

The Town's June 30, 2005 financial statements include only the infrastructure fixed assets (streets, sidewalks, etc.) acquired during fiscal year 2005. The Governmental Accounting Standards Board Statement 34, allows governments additional time to compile the historical cost information of a community's infrastructure assets. The Town is required to include the retroactive reporting of infrastructure assets, acquired since fiscal 1980, in the June 30, 2007 financial statements.

We recommend that the Town establish complete infrastructure assets within the required timeframe.

Town Response:

The Town already contracted with American Appraisal Company to prepare fixed asset records for *all assets* (including infrastructure assets) in the year 2002. Because the infrastructure component of that American Appraisal data had a few open areas and we were not required to include this in our financial statements until Fiscal 2007, this is still an open item. We will be providing the auditors with the infrastructure fixed asset work that we have already had completed by American Appraisal so that we can work together towards completing this project by Fiscal 2007.

**6. Prepare for Implementation of GASB Statement 45**

In June 2004 the Governmental Accounting Standards Board (GASB) issued GASB 45, which addresses other post-employment benefits (OPEB), including medical, dental, vision, and other health-related benefits provided to terminated or retired employees and their dependents and beneficiaries. The standard, which will be applicable to the Town in fiscal year 2008, requires employers to obtain an actuarial valuation and to disclose certain information relating to the funding progress of the plan, including:

- Actuarial valuation date
- Accrued liability and total unfunded liability
- Annual covered payroll
- Ratio of the unfunded actuarial liability to annual covered payroll

We recommend that the Town begin the process of implementing this requirement, specifically by budgeting for an actuarial valuation. This will assure the Town is prepared to meet the upcoming reporting requirements of GASB 45.

**Town Response:**

The Town is aware of the fact that we will be required to comply with GASB 45 reporting on OPEB by June 30, 2008. We have already commenced preliminary discussions with the Town's actuaries, Buck and Company, for the purpose of determining the timing, scope and cost of having their Firm prepare this actuarial study by Fiscal 2008.

## 2005 ANNUAL REPORT OF THE BOARD OF ASSESSORS

The duties of the Assessors are complex and comply with Massachusetts General Law, Chapter 59

The primary function of the Board is to assess property at full and fair cash market value for the purpose of taxation. The three main sources of tax revenue are Real Estate, Personal Property and Motor Vehicle Excise. The department is responsible for the update and maintenance of the property ownership records, personal property records, exempt property and town owned property records, sub-division records and apportioned street and sewer records. Other duties include the reviewing and maintenance of building permits, tax exempt appeals, tax appeal cases, Appellate Tax Board cases, motor vehicle excise tax appeals and new business certificates. The Board is responsible for Real Estate, Personal Property and Motor Vehicle commitments.

The Fiscal Year 2005 residential and open space tax rate was \$8.27. The commercial, industrial and personal property tax rate was \$15.29.

CLASS	LEVY%	VALUATION	LEVY	PARCEL
RESIDENTIAL	58.9741	2,856,624,569	23,624,285.19	7,804
COMMERCIAL	27.6889	725,620,631	11,094,739.45	527
INDUSTRIAL	10.5596	276,729,000	4,231,186.41	149
PERSONAL	2.7774	72,786,650	1,112,907.88	1,403
<b>TOTALS</b>	<b>100.0000</b>	<b>3,931,760,850</b>	<b>40,063,118.93</b>	<b>9,883</b>

### FISCAL YEAR 2005 TAX RATE SUMMARY

Total Amount To Be Raised	104,671,680.73
Total Estimated Receipts & Other Sources	64,608,562.00
Tax Levy	40,063,118.73

### **MOTOR VEHICLE AND TRAILER EXCISE**

In the year 2005 there were 30,613 Motor Vehicle and Trailer excise tax bills committed in the amount of \$3,694,487.88.

Respectfully submitted,

Paul F. Wanecek, Chairman  
 Joseph T. Turner, Member  
 Joseph F. Palleiko, Member

# NORFOLK COUNTY MOSQUITO CONTROL

## 2005 ANNUAL REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

The operational program of the Project integrates all proven technologies into an Integrated Pest Management (IPM) system of mosquito control and vector management that is rational, environmentally sensitive and cost effective.

All mosquito eggs need water to hatch and to sustain larval growth.

**Water Management Activities:** An important component of our IPM approach is the management of shallow, standing, stagnant water, and the maintenance of existing flow systems which is neglected can contribute to mosquito breeding. In addition to normal drainage system maintenance, Project personnel advised residents on removal of water holding artificial containers on their property for the purpose of eliminating potential West Nile virus mosquito breeding habitat.

Drainage ditches check/cleaned	8,630	feet
Culverts checked / cleaned	69	culverts
Water Management	50	feet

**Larval Control:** Treatment of mosquito larvae during aquatic development is the next most effective control effort. The products used during these applications were Bti and Methoprene.

Spring aerial larvicide applications	442	acres
Larval control using briquette & granular application	3.3	acres
Rain Basin treatments using briquettes (west Nile Virus Control)	1,902	basins

**Adult Control:** The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying, and/or threaten public health. The product used during these applications was Sumithrin.

Adult control aerosol applications from trucks	13,348	acres
--	--------	-------

**Surveillance:** Surveys, inspections, and monitoring in support of our program include GIS mapping of breeding areas, larval and adult collections, and fieldwork evaluations leading to better water management. West Nile virus and Eastern Equine Encephalitis have been active in Norfolk County over the past several years that has resulted in an expansion of the surveillance program in collaboration with the Massachusetts Department of Public Health (MDPH), State Laboratory Institute. MDPH has requested that the Norfolk County Mosquito Control Project expand mosquito surveillance across the county for the purpose of detecting viruses in collected mosquitoes as an early warning system for the residents of the county. Considerable manpower has been reallocated to these efforts, which is not reflected in this report.

Respectfully submitted,

John J. Smith, Director

**TOWN OF NORWOOD**

**SERVE YOUR COMMUNITY – ACT NOW!**

Town Government needs citizens who are willing to contribute time and expertise in the service of their community. Norwood will best be served if as broad a segment of the community as possible is involved in the functioning of our local government.

**A TALENT BANK** has been established by the Selectmen, the General Manager, and the Town Moderator as a means of compiling names of citizens who are interested in serving on boards or committees on a voluntary basis. This file is available at the Office of the Board of Selectmen also for use by the public.

**TALENT BANK** files are continually being updated to indicate categories consistent with the changing needs of the Town. Your order of preference should be indicated and the form below returned to:
