

GREETINGS To all the citizens of Norwood:

As always, the Board in its entirety, along with our colleagues, past and present, throughout Town, has strived to assure our Town and our residents that they are safe, secure and provided for in their homes and in their person. Of particular concern to the Board, is the unease under which we all appear to be operating these days. The lessons and shock of September 11, 2001 have not left us. Only now are we seeing and experiencing the true threat of terrorism here and abroad, and experiencing first hand the unease with which we and our Country have been forced to operate. Our security, our liberties, and our way of life are at risk. Not only for ourselves, but for our children, our grandchildren, and their children we must be concerned. We can do no greater good here at home, in our beloved Town of Norwood, than to assure our residents that they are safe and that our lives shall go on as we know it.

A Very Grateful Norwood Board of Selectmen,

Gary M. Lee

Gary M. Lee, Chairman
William J. Plasko
Helen Abdallah Donohue
Denis M. Drummey
Gerard J. Kelleher

COVER

ABOUT THE COVER

The cover of this year's Annual Report is a photograph of the stained glass window in Memorial Hall, at the Norwood Town Hall, 566 Washington Street. The stained glass was installed as a part of the Centennial Celebration held in 1972. the window was recently cleaned as part of the Town Hall renovations that were done in 2004.

The photograph was taken by Catherine A. Mackey, the Town's Contract Administrator and the Town Hall building manager.

ORGANIZATION

Gary M. Lee, Chairman
Julia A. Liddy, Clerk
Frances L. Jessoe, Secretary

The Meetings of the Board of Selectmen during the year 2004 were held primarily in the Harry B. Butters Chambers, Room 34, Norwood Memorial Municipal Building, on Tuesday evenings, with some meetings being conducted in other locations from time to time as required.

Gary M. Lee and Helen Abdallah Donohue were reelected to the Board at the Annual Election which took place on Monday, April 5, 2004. The Board elected Mr. Lee Chairman.

During forty three regular meetings and a number of special or emergency meetings in calendar year 2004, the Board of Selectmen conducted public hearings as mandated by statute or policy. They also held innumerable public meetings and conferences on specific problems and subjects of interest and concern to the community.

During the Year, the Norwood Board Of Selectmen, the Chief Elected Officials of the Town, brought forward and oversaw:

The successful completion of Phase Two of the Downtown Revitalization Effort extending the cityscape, lighting, street, sidewalk and Building Facade Programs onto Central Street, Guild Square, the Uptown Area and through the Ward and our South Norwood Community.

The continued efforts of our Economic Development Committee, spearheaded by Selectman Drummey, to assure a strong and stable commercial tax base to allow us to continue to keep the residential tax rate low for our citizens.

The organization of our ALS, Advanced Life Support, Task Force Committee, brought forward and chaired by Selectman Plasko, to assure our ambulances, public safety and fire Rescue Operations are state of the art and fully equipped in a First Response.

The Board called for and organized a joint Schools Task Force Committee, chaired by Selectman Kelleher, to assure, as a Town, we study and explore the scope and costs of much needed repairs and renovations to our Senior and Junior High Schools.

The Board, in the wake of a most unfortunate traffic fatality, has called for and adopted a town wide Pedestrian Task Force to study and improve all traffic intersections through out Town, in particular public access points approaching and leaving the elementary, middle and senior high schools to assure public safety.

The Board, and our Due Diligence Committee has been in constant communications and negotiations with the YMCA over bringing a state of the art health, fitness & recreation facility to the Town, a facility that will be used and enjoyed by citizens and families of all ages.

The South Norwood Steering Committee, chaired by Selectman Donohue, has received a grant from the state to begin the revitalization effort in South Norwood. This continues progress the Board started to improve the Uptown Area, the Ward and South Norwood.

The Board continues to push forward and find better ways to improve the quality of life for its residents and has continued the recreation and field improvements at the Cleveland, Willett, Oldham Schools and is in the final stages of finalizing plans to improve the access and use of the fields and facilities at the Junior High/"Dr. Philip O. Coakley Middle School" here in Town.

The Board continues to meet with the State and Massachusetts Highway Department for a firm commitment to improve traffic & gridlock along Route 1, Dean Street, Neponset Street and most recently Washington Street in South Norwood.

Working through the General Manager the Board continued its efforts to bring Buckmaster Pond on-line as a secondary water supply and as a buffer to the escalating MWRA water rates.

The Board conducted interviews for the position of Fire Chief and Michael J. Howard was unanimously selected by the Board. Chief Howard was sworn in by Chairman Lee as his family proudly watched.

The Board joined with the Conservation Commission in trying to continue to find ways to open up Ellis Pond for the public, while continuing to work together to address those

BOARD OF SELECTMEN

concerns raised by neighbors and abutters in the area.

The Board remained committed to true reform of Chapter 40B and the usurpation of local zoning and land use planning in the hopes of striking a balance between providing housing for those truly in need, and assuring local zoning and private property rights are protected.

The Board again took the lead in trying to find ways to control escalating MWRA water and sewer rates in our Town and has raised the issue with the Governor's office and the State Legislature for reform to a system that allows a lack of public accountability and an unfair method of being assessed charges without recourse.

The Board and its DPW task force committee continue to explore sites in which to better house our DPW personnel, staff and equipment, and to provide a more efficient and professional service to the Town.

Norwood Public Access Television, Inc. has been designated the entity for local cable programming and cablecasts the Selectmen's meeting live to both Norwood Light Broadband and Comcast customers.

As a result of the School Committee's request for funding of major additions and renovations to the High School and Junior High School, the Board held joint meetings which included the Finance Commission to place the two matters before the voters in the form of Proposition 21/2 debt exclusion. The ballot questions were defeated at the 2004 Annual Town Election.

At the Special Town Meeting in May, Town Meeting approved the Board's article to form a "Committee of 21" to study the school's request. The Committee is comprised of representatives from each district selected by the Moderator, and representatives from the schools, Finance Commission, the PBCC and the Selectmen. Selectman Gerard Kelleher was chosen by the Board to be Chairman pro tem. The committee will report back to Town Meeting in the fall.

Anthony Mastandrea was appointed to serve as Norwood's representative to the MBTA Advisory Board. Bernard S. Cooper was appointed to serve as Norwood's Alternate.

Former Selectman Thomas A. Riolo was appointed as the Board's representative to the Norfolk County Advisory Board. Superintendent of Public Works, Joseph Welch, and Alternate, Gary Schorer, continued to serve as Designees to the Neponset River Watershed Association.

Budget meetings were held on February 14, 2004, and the approach to various items was very cautious. Town Accountant Robert M. Thornton provided an overview before the budget was discussed. The state of the economy was foremost in everyone's mind and concern for town

finances cast a long shadow. Because of budget constraints imposed by the Governor, a considerable amount of time was spent on the budget.

Student Government Day was held on Wednesday, May 12th.

Ernest Boch Jr. increased his family's donation and asked that the fund be named in honor of his father. The Board reviews and considers each request and this year's recipients include Norwood Historical Society, Exchange Club of Norwood, American Legion Baseball, Friends of the Council on Aging, Morse House Restoration, Circle of Hope, Morrill Memorial Library, Norwood High School Gymnastics, Norwood Legion Building Corp., Concerts on the Common, Friends of Norwood Football, RINC, Norwood Diamond Club, League of Women Voters, Norwood Art Assoc., Friends of Norwood High Track and Rec. Dept. Jimmy Fund Motorized Track.

Letters of commendation were awarded to members of the Police Department, Fire Department and Public Works Department for performing over and above the call of duty.

A letter of commendation was sent to Philip J. McManus, General Foreman, and the employees of the Cemetery Division for the consistently fine job they do maintaining the grounds. Their hard work and efforts made the holidays, especially Memorial Day, even more meaningful.

A number of Norwood residents, including the Girls Scouts, Cub Scouts, and the Norwood Scholarship Foundation, were able to enjoy the beauty of the Walter J. Dempsey Memorial Bandstand. Joyful brides and grooms used the Bandstand as a background for their wedding vows and photographs. Young and old alike were brought together at the Bandstand on Sunday evenings to listen to the music of our Summer Concert Series.

The Board was very proud to recognize the efforts and athletic achievements of the young people in Town for their training, dedication and talent.

Norwood Day was held on September 18, 2004. The event is put together by the Town under the sponsorship of Recreation Superintendent Jerry Miller and his committee. For the first time in over thirty (30) years the Town, with the sponsorship of the Norwood Exchange Club and the Norwood Day Committee, re-instituted a fire works display to be held hereafter the night before our Annual Norwood Day festivities. An impressive display of fireworks was held the night before, sponsored by the Norwood Exchange Club. Although this year's festivities were dampened by a terrible rain storm, many members of the community participated in Norwood Day. We hope this will be another much anticipated annual community event.

The Board would like to express deep appreciation to

BOARD OF SELECTMEN/LICENSES & PERMITS

Superintendent Joseph M. Welch, Public Works and his entire department for the extraordinary effort that took place on December 20, 2004 in subfreezing weather to cap a water break at Ellis Avenue and Route 1. The hours they spent in intolerable conditions, were deeply appreciated by the Board and all the residents of the Town. All department of the Town, including the Fire Department and Police Department worked together in this effort.

The Board of Selectmen would like to express our sincere gratitude to the hundreds of citizens who volunteer their time and energy on committees and commissions to make Norwood the great American Town that it is. This involvement is integral to the professional and participatory nature of town government in Norwood. We are also very grateful to the dedicated and effective service rendered by the Town's work force. These employees are dedicated to the ideals of public service. Finally, the Board expresses its sincere appreciation to its department heads and the General Manager for their leadership and hard work.

LICENSES AND PERMITS

On application therefore and after appropriate investigation, licenses and permits were granted, renewed or transferred for various activities as delineated under Massachusetts General Laws, as amended, including, but not limited to, the following: on and off-premises liquor licenses, common victualer licenses, one-day all alcoholic beverages licenses, dance permits, music and entertainment licenses, juke box and automatic amusement device licenses, lodging house licenses, licenses for storage of volatile inflammable fluids, taxi-cab and limousine licenses, Class I, II and III Motor vehicle licenses, billiard parlor licenses, tag days, parades, and other special event permits.

WEIGHTS AND MEASURES

This office continues to inspect all devices mandated by our Massachusetts General Laws. These inspections include all devices for weighing and payment of our goods. This year has seen gasoline prices approaching \$2.00 per gallon. These record high prices are making consumers more aware and keeping a closer eye on their purchases. Gasoline stations continue to remodel and install new self-serve and full-serve motor fuel dispensers. These, as well as new and existing scales, oil trucks, taxi meters and other devices continue to be inspected, sealed and monitored for the protection of our consumers.

The Weights and Measures Office operates in conjunction with our Building Department as part of our towns' inspectional services.

Respectfully submitted,
 Paul D. Starratt

REPORT OF THE NORWOOD AIRPORT COMMISSION

The Norwood Airport Commission is pleased to submit its annual report for calendar year 2004.

The Norwood Airport Commission is a 5 member commission appointed by the Board of Selectmen to serve 3 year terms. The Commission oversees the care, custody and management of the Norwood Memorial Airport which encompasses approximately 672 acres. The day to day operation of the airport is managed by the Interim Airport Manager, Mark Raymond. In December of 2003, the Airport Manager Francis "Russ" Maquire answered the call for service in the National Guard where he serves as a Warrant Officer. We all wish Russ a safe and speedy return. While Russ serves his country, Warren Smith has stepped in to periodically assist the Interim Airport Manager and will be on board until further notice. Warren has served as Airport Manager in the past at Plymouth Airport and has provided valuable assistance to the Airport. We at Norwood Memorial Airport are fortunate to have him.

Norwood Memorial Airport is one of 41 airports within the Commonwealth that provide general aviation services. These services include providing transportation alternatives to corporate businesses, television and sport personalities, local, state, national and international politicians, charter services, flight instruction and cargo services. The Airport is available 24 hours per day, especially critical for emergency medical transport. Air ambulance and inter-hospital organ donor flights are providing medical benefits to residents throughout the Commonwealth and the Northeastern United States. With specialized medical centers available in Boston and New York, these air ambulance services provide timely, life saving access for Norwood residents and the surrounding communities. The State Police Air Wing, while no longer a tenant of the Airport, still utilize services provided by Norwood Memorial Airport. As you can see, the Airport is not a one dimensional facility that many perceive as benefiting a handful of recreational pilots. We all benefit in some way!

An economic impact analysis conducted in 1997 of the 41 public use airports in the Commonwealth, excluding Logan International and Hanscom Field, rated Norwood Memorial Airport fourth in total economic impact on a statewide and county wide basis. The analysis indicated an economic benefit of \$51.8 million statewide and \$49.0 million within Norfolk County. In addition to the recreational pilots who use the Airport, there are a number of commercial companies that call Norwood Memorial Airport home. The following is a list of companies based at the Airport and the services they provide:

- Eastern Air Center Charter services, Medical Flights, Organ Donor Flights, Aircraft Maintenance, Fueling

- Boston Air Charter Facilities, Car Rentals Charter Services, Fueling Facilities
- Kestrel Aviation Charter Service
- A.D.S. Flight Center Fixed Wing Flight School, Sightseeing Tours
- R.H. Hammer Aviation Fixed Wing Flight School
- New England Helicopter Flight instruction/Rental Academy
- Swift Air Service Aircraft Maintenance
- Aviation Capital Corp. Aircraft Financing
- Aerial Productions Aerial Video Productions, Powerline Surveys
- Air Combat USA Simulated Air Combat (seasonal)
- Skyways Communications Electronic News Gathering, Aerial Photography
- Robinson Van Buren Air Traffic Control
- Norwood Flight Center Flight Instruction/Rentals
- Pilot Shop Retail

The comprehensive noise education/abatement program consisting of airfield signage & a flight book informational insert that was instituted in the year 2000 continues to be a program the Airport Commission considers as a high priority. The program has been embraced by the pilot community and the decrease in noise complaints is a testament to that. During 2004, noise complaints remained on the decline. Out of respect for the community, especially our neighbors, the Commission is committed to further reductions in noise related complaints through policing and education.

The installation in 2001 of a wildlife fence around the perimeter of the airfield continues to be a huge success. During 2004, as was experienced in 2002 and 2003, the number of incidents involving wildlife incursions on the airfield was virtually non existent. This is obviously a benefit to the users of the Airport, but it also negated the need for seasonal hunting of deer on the Airport property.

Since the events of September 11, 2001, the Airport Commission proceeded forward with enhanced security measures. During 2004, the security and ramp lighting project was completed which further increased the security of the Airport. The project increased lighting on the Airport, provided numerous security cameras and upgraded the card reading system that allows Airport access only for individuals doing business on the Airport. The security system records all entrants electronically and the cameras are monitored 24 hours a day. The Airport Commission is grateful for the support the Norwood Board of Selectmen, the Norwood Finance Commission, the Massachusetts

AIRPORT COMMISSION

Aeronautics Commission and the FAA has provided in funding the security upgrades during 2004. The residents of Norwood and the surrounding communities are the indirect beneficiaries of these security improvements which make Norwood Memorial Airport one of the safest general aviation airports in the Commonwealth, if not the country!

In 2004, Base Apron 1 was completely reconstructed. The apron is located in front of the Control Tower and viewing area and is the tie-down, or parking area, for 32 based airplanes. During 2005, the Airport is planning on reconstructing other apron areas.

During 2004, the Norwood Airport Commission updated the master plan for Norwood Memorial Airport. This comprehensive plan will be the vision for the Airport for the next 25 years and will be the "guiding light" for future Airport Commissions. Phase 1 of the master plan was completed in 2004 while work on Phase 2 of the master plan will also commence in 2005.

The success of Norwood Memorial Airport is due to many but we would be remiss in not mentioning our gratitude to the Board of Selectmen, the Finance Commission, and Town Meeting representatives who all recognize the importance of the Airport to the transportation system of the nation and the economy of the Town of Norwood and the Commonwealth. The Commission is especially grateful to the support, financial and otherwise, that the Massachusetts Aeronautics Commission has provided the Airport in the past and we look forward to a continued productive partnership in the future.

The Airport provides an ideal viewing area for flight enthusiasts and the surrounding scenic beauty including Blue Hills. The Commission continues to upgrade the viewing areas with benches and picnic tables. We invite all to pay a visit to this tremendous asset known as NORWOOD MEMORIAL AIRPORT.

The Airport administration office is located 125 Access Road. Please feel free to contact the manager's office with your questions or comments at 781-255-5615. For you web surfers, check out the Airports web page located at www.ci.norwood.ma.us. Click on Norwood Airport and enjoy the ride!

Respectfully submitted, Norwood Airport Commission

2004 ANNUAL REPORT OF THE NORWOOD CABLE COMMISSION

The Norwood Cable Commission Members are appointed for three-year terms by the Norwood Board of Selectmen, in its role as the License Authority for cable operations in the Town of Norwood.

The Cable Commission Members during 2004 were as follows: Chairman Paul McGee, Vice-Chairman Joan Jacobs, Albert Fiske, Bryan Corbett and Paul Poznick who was appointed on November 30, 2004 to replace Gordon Smith who retired from the Commission on March 15, 2004. Commission Secretary is Harriet Simons.

The Cable Commission usually meets on the 3rd Monday of each month at 7:30 p.m. in the Drummey Room at the Norwood Town Hall. The public is invited to attend these meetings.

A 10-year renewal license was finalized with Comcast Corp. in January 2004, and became effective on February 1, 2004. The new license agreement provides the Town of Norwood with an annual payment of 5% of Comcast revenues. The Town also receives 5% of the revenues generated by Norwood Light Broadband. Norwood is one of few towns in the Commonwealth that has its own cable corporation. The Norwood Light Department runs Norwood Light Broadband and is responsible for the development of the network and the providing of all cable services including high speed internet services. The competition between the two available cable companies, Norwood Light Broadband and Comcast provides the citizens of Norwood a choice of cable programming and internet services. Both Cable providers have added to the products available to their subscribers. Digital Video Recorders (DVR) are now offered by both Norwood Light and Comcast. Comcast also offers to its subscribers Video on Demand (VOD).

Revenues received from the cable companies are distributed to the Norwood Public Access Corporation to be used for local programming. This non-profit corporation was formed by the Board of Selectmen in 2003 to provide quality public access, educational and governmental programming over the town's cable television systems, both Norwood Light and Comcast.

Norwood is also unique in that two non-profit cable access companies function within the town. In addition to the newly formed Norwood Public Access Corporation appointed by the Selectmen, and identified as NPA TV, Norwood Cable Television Corp., known as NCTC, although now unfunded, remains operational. For many years, NCTC has provided a valuable public access service to the community. It is a goal of the Cable Commission that the remaining resources, talent and knowledge of NCTC can be encouraged to work with Norwood Public Access Corporation and

complement the programming activities of NPA TV for the better good of all cable subscribers and citizens of Norwood. Towards this end, the Commission has encouraged the Board of NCTC to send a representative to the Commission monthly meetings. They have chosen not to attend. The Board of NPA TV has however advised the Commission that they will be attending on a regular basis.

It is important to note that although neither the Board of Selectmen nor the Cable Commission has any control over rate changes instituted by the providers, cable subscribers can raise their objections and/or comments to the Mass State Commission and the Federal Communications Commission. (For further information contact the Norwood Cable Commission). In this regard, the Board of Selectmen did raise a number of questions with the Cable Television Division of the Mass. Department of Telecommunications and Energy in March of 2004 regarding what were perceived as billing inaccuracies and other matters relating to the town's relationship with Comcast. Comcast provided a response on May 5, 2004 which apparently satisfied the state regulatory authority.

Norwood Public Access Corp. has made excellent progress in its first full year of operation. In addition to bringing the studio at the High School on line, many local events were broadcast during the year including the weekly Selectmen's meetings, School Committee meetings, Norwood High graduation and athletic events; Little League, Memorial Day and the July 4th parades; Town Meetings; Summerfest and Concerts on the Common plus the Senior Center Fundraiser and Sen. Kennedy's regular Capitol Perspectives Talk Show, to mention a few.

In the year 2005, the Cable Commission, in cooperation with Norwood Public Access Corporation and Jack Tolman - Norwood Schools TV Director, will encourage the continued expansion of locally produced programming. Also, we will continue to inform the Cable companies at our monthly meetings of all requests, comments and recommendations offered by the subscribers with the goal to improve the Norwood Cable TV system.

The Cable Commission thanks the members of the Board of Selectmen, Town Manager John Carroll, the Selectmen's Administrative Assistant Julia Liddy, and all other town officials for their assistance to the Commission members.

Respectfully submitted,

Norwood Cable Communications Commission

Paul J. McGee, Chairman

TOWN CLERK

2004 REPORT OF THE TOWN CLERK

TOWN CLERK AND ACCOUNTANT'S STATEMENT TO THE BOARD OF SELECTMEN

The Honorable Board of Selectmen:

The annual report of the Town Clerk and Accountant for 2004 is hereby respectfully submitted. Included in this report is a summary of the major activities that transpired in the Office of the Town Clerk and Accountant during fiscal 2004.

TOWN CLERK'S REPORT

The following represents a summary of some of the significant events in the Town Clerk's facet of this department during 2004.

Licenses and permits issued:

The issuance of various licenses and permits through this office resulted in a collection of \$134,480 in fees to be used to offset the tax levy in FY 2004.

Elections:

During Fiscal 2004 the Town Clerk's Office presided over three (3) elections. The Special Town Election in October, 2003, the Presidential Primary Election in March, 2004, and the Annual Town Election in April, 2004. Complete results are listed elsewhere in this report.

Census and Voter Registration:

The results of the January 2004 census conducted by this office revealed that there were 28,410 residents in Norwood. The number of registered voters in Norwood in 2004 was 17,009. The following analysis of the population and number of registered voters in Norwood in the last five (5) years reveals a continued condition of stability, with negligible growth or decline patterns noted.

Year	Population	Registered Voter
2004	28,410	17,009
2003	28,399	16,252
2002	28,434	16,424
2001	28,587	17,058
2000	28,304	16,683

Town Meetings:

The results of the votes taken at town meetings were recorded and made a part of the town's permanent records by this office. During fiscal 2004 there were three (3) Special Town Meetings held in addition to the Annual Town Meeting held in May. A complete listing of each town meeting held during the fiscal year is incorporated as part of this

report.

TOWN OF NORWOOD

Vital Statistics:

The Town Clerk's office is responsible for recording, issuing and maintaining all records relating to births, deaths and marriages in the town. A summary of the last three (3) years' vital statistic records accumulated in this office is as follows:

Births:	2002	2003	2004
Norwood Residents born in Norwood	93	104	100
Norwood residents born out of town	<u>248</u>	<u>244</u>	<u>214</u>
Sub total - Norwood Residents	<u>341</u>	<u>348</u>	<u>314</u>
Non-residents born in Norwood	458	455	<u>409</u>
Total Births	<u>799</u>	<u>803</u>	<u>723</u>

Deaths:

Norwood residents dying in Norwood	236	221	234
Norwood residents dying out of town	<u>80</u>	<u>85</u>	<u>78</u>
Sub total - Norwood Residents	316	306	312

TOWN ACCOUNTANT'S REPORT

Separate accounting reports and the town's audited financial statements for Fiscal 2004 are filed hereunder after the conclusion of the Clerk's report

CONCLUSION

I would like to publicly acknowledge and thank the entire staff of the office of the Town Clerk and Accountant for their continued dedication, courtesy and patience in serving the public in 2004. Their efficiency in responding to the many telephone calls, letters and personal requests for the various public documents, licenses, and financial data that this office maintains is sincerely appreciated.

Thank you also to the Board of Selectmen for their continued support to this office during the year.

Respectfully submitted,

Robert M. Thornton
Town Clerk and Accountant

SPECIAL TOWN ELECTION OCT. 15, 2003

**COMMONWEALTH OF MASSACHUSETTS
TOWN OF NORWOOD
SPECIAL TOWN ELECTION
(SEAL)**

**OCTOBER 15, 2003
Norfolk, ss.**

In pursuance with the foregoing warrant, the inhabitants of the Town qualified to vote in elections met in the various voting precincts designated for their districts in Norwood on Wednesday, the fifteenth of October, 2003 at 12:00 noon.

The following election officers were sworn by the Warden in each precinct to the faithful performance of their duty.

District 1 and 2 - Oldham School: Marilyn A. May, Mary H. Hemman, Frances C. Sullivan, Bernice R. Wenstrom, Emily W. Tibbetts, Mildred E. Bowan, Ellen Marie Baker, Phyllis A. McDonough, Jacqueline Herman, Theresa Sampson and Robert T. Sullivan.

District 3 and 5 - Civic Center: Frances A. Phipps, Evelyn A. Jurgelewicz, Arlene E. Lindblom, Mary C. Amirault, John F. Conton, Louise M. Conton, Charlotte Bashian, Angela M. Daly, Gloria J. Lind, Charles P. Daly and Pius J. Amirault.

District 4 - Cleveland School: Elizabeth J. Sullivan, Anne P. Shannon, Angela R. Smith, Myra A. Romanelli, Porta Fruci, Margaret C. Duggan and Thomas M. Sullivan.

District 6 & 7 - Balch School: Helen Ivatts, Ann K. Rogers, Robert H. Ivatts, Charles J. Jurgelewicz, Virginia Abromowski, Christine B. Hanscom, Muriel A. Gerry, Beverly A. DiFlaminies, Ruth C. Nemeth and Samera E. Mike.

District 8 - Callahan School: Eileen T. Barss, Juliette A. Bugeau, Lillian K. Gorski, William F. Pellowe, William V. Gorski, Suzanne Maciejewski and Normand P. Bugeau.

District 9 - Prescott School: Maureen P. MacEachern, Edith A. Buck, Agnes C. Ball, Anna M. Greene, Barbara V. Dias and Jean W. Buck

In accordance with the laws of the Commonwealth of Massachusetts governing elections, the voting precincts designated for their districts were fitted up as polling places, a place railed off and compartments provided for the convenience of voters in marking their ballots, and each compartment was supplied with cards of instruction and other necessary facilities.

Cards of instruction and specimen ballots were posted in five different parts of each polling place outside the railing. The Town Clerk and Accountant delivered to the ballot

clerks packages marked "Official Ballots October 15, 2003" and their receipts thereof.

The ballot Clerks were provided with duplicate sets of registered voters of the Town, as prepared by the Registrars of Voters for use at this election. They were supplied with official ballots taken from the packages received from the Town Clerk and were stationed by the entrances and exits of the polling places with instructions to deliver such ballots only to voters whose names were found and checked on the voting list. The ballot boxes used in elections were opened in public meeting, examined by the Wardens and other officials and found to be empty. The registers were then set to zero.

The polls were declared open for the reception of ballots at 12:00 o'clock noon and were declared closed at 8:00 P.M. At the close of the polls an actual canvass of the ballots showed that eight hundred fifty six (856) votes were cast.

The names checked on the voting list by the ballot clerks at the entrances of each polling place were counted and found to agree, and the total number of names so checked equaled the same as above.

The vote is as follows:

FINANCE COMMISSION (TERM TO EXPIRE 4/5/04)
(VOTE FOR NOT MORE THAN ONE)
(TO FILL A VACANCY)

Peter R. Bamber-143
James C. Carroll-55
Alan D. Slater-344
Eleanor M. Travers-306

A True Record

Attest: Robert M. Thornton
Town Clerk and Accountant

**COMMONWEALTH OF MASSACHUSETTS
SPECIAL TOWN MEETING
(SEAL)
TOWN OF NORWOOD**

Norfolk, ss.

In pursuance with the foregoing warrant, the inhabitants of the Town of Norwood and Town Meeting Members qualified to vote in elections and Town affairs, to meet in the Auditorium of the Junior High South on Washington Street in said Town on Monday, November 17, 2003, at 7:30 o'clock in the afternoon.

The Moderator, David Hern Jr. declared a quorum present and called the meeting to order. The Warrant calling the

SPECIAL TOWN MEETING NOV. 17, 2003

meeting to order was read by the Town Clerk and Accountant. Tellers being appointed and sworn the following action was taken on the articles of the foregoing warrant.

The first item of business, because of the vacancy for the Moderator position created by Mr. McCarthy's resignation, was to take nominations for moderator from the Town Meeting floor. Mr. Hern was nominated and elected by town meeting members as moderator pro tempore.

ARTICLE 1. To see what sum of money the Town will vote to transfer from funds previously appropriated pursuant to Article 1 of the Annual Town Meeting of May 12, 2003, or from other available funds, and appropriate for the purpose of General Government Wage Increases for Fiscal Year 2004, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, duly seconded by William J. Plasko, Jr., it was

Recommended by the Finance Commission:

VOTED: That the sum of \$251,729 be transferred from the FY04 Article 1 Wage Increase Reserve Account and appropriated for wage increases for the following General Government employees groups:

• Police Patrol Officers.....	\$60,289
• Police Superior Officers.....	\$21,839
• Firefighters.....	\$78,961
• AFSCME - Clerica.....	\$25,545
• Non-Union.....	\$65,095
Total.....	\$251,729

Motion declared Carried by Voice Vote.

ARTICLE 2. To see if the Town will vote to petition the Massachusetts Legislature for enactment of a special law to provide the following for Joseph Fernandes, a Norwood Police Officer who sustained catastrophic and permanently disabling injuries in the line of duty:

1. A pension benefit equal to the amount he would have received as compensation, had he continued as a Norwood Police Officer;
2. his retirement shall be retroactive to the last date on which he received his regular compensation;
3. upon his retirement, the Norwood Retirement System shall forthwith pay to him the amount of his accumulated total deductions in annuity savings;
4. he shall hereafter be indemnified for all hospital, medical and related expenses incurred following his retirement as a result of the injuries resulting in his disability;
5. upon the death of Fernandes, if his wife shall survive him, she shall receive a pension equal to three-quarters of the pension payable to Fernandes at his death, so

long as she remains unmarried; if she shall remarry or die, then the said three-quarters pension shall be paid for the benefit of Fernandes surviving child or children until they shall reach the age of eighteen years; or take any other action in the matter.

(On petition of Joseph Fernandes)

On a motion offered by Thomas J. McQuaid, duly seconded by William J. Plasko, Jr., it was

Recommended by the Finance Commission:

VOTED: Indefinite Postponement

Motion declared Carried by Voice Vote.

ARTICLE 3. To see if the Town will vote to accept the provisions of Section 128 of Chapter 46 of the Acts of 2003, an act establishing a so-called Municipal Local Option Unfunded Liability Pension Holiday, or take any other action in the matter. (On petition of the Retirement Board)

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: That the town accept the provisions of Section 128 of Chapter 46 of the Acts of 2003, an act establishing a so called Municipal Local Option Unfunded Liability Pension Holiday.

Motion declared Carried by Voice Vote.

ARTICLE 4. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow, or otherwise provide a sum of money for the purpose of hiring an architect to draw up plans and bid specifications for renovations and additions to Norwood Junior High School, or take any other action in the matter. (On petition of School Committee)

On a motion offered by Thomas J. McQuaid, duly seconded by William J. Plasko, Jr., it was

MOVED: That action under this Article be indefinitely postponed except that

The Town Meeting Representative hereby acknowledges that the Norwood School Committee has raised a general awareness among this body that significant improvements including renovations and additions to the physical plant at the Norwood Junior High School are desirable for the School Department's plans to provide further education opportunities for Norwood's Public School Students.

And,

Whereas, in the opinion of this body, the financial cost of

SPECIAL TOWN MEETING NOV. 17, 2005

the School Committee's plans, to meet these needs are beyond the Town's ability to finance within the Town's Tax Levy Limit,

THEREFORE, it is resolved that the Norwood Representative Town Meeting calls upon the Norwood Board of Selectmen, working in cooperation with the Norwood School Committee, to place a Proposition 2 1/2 Debt Exclusion question on the April 2004 Annual Town Election Warrant, to determine if the residents of Norwood will support the School Committee's Plans for renovations and additions to the Norwood Junior High School, including necessary design plans and specifications, and further to approve funding of such design plans and specifications, renovations and additions construction cost; by means of a Proposition 2 1/2 Debt Exclusion to the town's tax levy.

Motion declared Carried by Voice Vote.

ARTICLE 5. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow, or otherwise provide a sum of money for the purpose of hiring an architect to draw up plans and bid specifications for renovations and additions to Norwood High School, or take any other action in the matter. (On petition of School Committee)

On a motion offered by Thomas J. McQuaid, duly seconded by William J. Plasko, Jr., it was

MOVED: That action under this Article be indefinitely postponed except that

The Town Meeting Representative hereby acknowledges that the Norwood School Committee has raised a general awareness among this body that significant improvements including renovations and additions to the physical plant at the Norwood Senior High School are desirable for the School Department's plans to provide further education opportunities for Norwood's Public School Students.

And,

Whereas, in the opinion of this body, the financial cost of the School Committee's plans, to meet these needs are beyond the Town's ability to finance within the Town's Tax Levy Limit,

THEREFORE, it is resolved that the Norwood Representative Town Meeting calls upon the Norwood Board of Selectmen, working in cooperation with the Norwood School Committee, to place a Proposition 2 1/2 Debt Exclusion question on the April 2004 Annual Town Election Warrant, to determine if the residents of Norwood will support the School Committee's Plans for renovations and additions to the Norwood Senior High School, including necessary design plans and specifications, and further to approve funding of such design plans and specifications,

renovations and additions construction cost; by means of a Proposition 2 1/2 Debt Exclusion to the town's tax levy. Motion declared Carried by Voice Vote.

ARTICLE 6. To see if the Town will vote, pursuant to Section 15A of Chapter 40 of the Mass. General Laws, to transfer care, custody and control of approximately 156,100 square feet of land as depicted on a plan entitled "Town of Norwood, Massachusetts Plan showing Willett School land to be transferred to the Recreation Department for the new playing fields - Scale: 1" = 80', dated October 14, 2003, Mark P. Ryan, PE, PLS, Town Engineer", and to place the said parcel under the care, custody and control of the Recreation Department, and to dedicate the said parcel to park use pursuant to Chapter 45 of the general laws, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: Indefinite Postponement

A substitute motion to amend offered by William J. Plasko, duly seconded by Gerard J. Kelleher

MOVED: That the motion of the Finance Commission for Indefinite Postponement be amended by substituting the following therefore:

That the Town transfer care, custody and control of approximately 156,100 square feet of land, as depicted on a plan entitled "Town of Norwood, Massachusetts Plan showing Willett School land to be transferred to the Recreation Department for the new playing fields - Scale: 1" = 80', dated October 14, 2003, Mark P. Ryan, PE, RLS, Town Engineer", from the Norwood School Department to the Norwood Recreation Department, and that the aforesaid parcel be dedicated to park use pursuant to Chapter 45 of the Mass General Laws;

And be it further voted that such transfer shall be considered null and void if the Town's application of the Commonwealth for funds for the construction of fields within the aforesaid parcel is not approved or otherwise acted upon by June 30, 2004.

Substitute motion to amend declared Carried by Voice Vote.

Main Motion, as amended, was declared Carried by Voice Vote.

ARTICLE 7. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow, or otherwise provide a sum of money for the construction of athletic fields at the Willett School, or take any other action in the matter.

ADJOURNED SPECIAL TOWN MEETING NOV. 20, 2003

On a motion offered by Thomas J. McQuaid, duly seconded by William J. Plasko, Jr., it was

Recommended by the Finance Commission:

VOTED: Indefinite Postponement

A substitute motion to amend offered by William J. Plasko, duly seconded by Gerard J. Kelleher

MOVED: That the motion of the Finance Commission for Indefinite Postponement be amended by substituting the following therefore:

That the sum of \$339,000 be raised and appropriated for the construction of a Recreation field and related facilities at the Willett Playground; and that to finance this appropriation, the sum of \$142,380 be transferred from the "Proceeds from the Sale of the Civic Center" account, commonly referred to as the "Civic Trust Fund", and the Treasurer be authorized to borrow or otherwise provide the sum of \$196,620 pursuant to M.G.L. Chapter 44, section 20 A in anticipation of reimbursement by the Commonwealth of Massachusetts:

And be it further voted that no funds shall be expended unless and until the Town's application to the Commonwealth for construction of the aforesaid facilities has been approved, and further, that if such application is disapproved or not acted upon by June 30, 2004, the appropriation of \$142,380 shall revert to the Civic Trust Fund account, and the authorization of the Treasurer to borrow or otherwise provide funds shall expire.

Substitute motion to amend declared Carried by Standing Vote of: Yes: 160 No: 10

Main Motion, as amended, was declared Carried by Standing Vote of: Yes: 160 No: 10

Meeting adjourned until Thursday November 20, 2003.

ADJOURNED SPECIAL TOWN MEETING TOWN OF NORWOOD

Pursuant to the provisions of the by-laws of the town of Norwood, notice is hereby given that at the Adjourned Special Town Meeting of the inhabitants of the town of Norwood held on Monday evening, November 17, 2003, it was voted that the meeting stand adjourned to meet at **7:30 P.M. on Thursday**, November 20, 2003 in the Junior High School South Auditorium on Washington Street.

It was further voted that Article 8 through Article 19 be laid on the table and acted upon at the adjourned session of this meeting.

Motion declared Carried by Standing Vote.

Yes: 135 No: 1

ARTICLE 19. To see if the Town will vote to repeal the action taken under Article 12 at the Special Town Meeting held on March 24, 1926 to establish a Fire Department pursuant to Chapter 48, section 42 of the Massachusetts General Laws; and further to see if the Town will vote to petition the Legislature to Amend the Special Legislative Act of March 18, 1914, commonly referred to as the Town Charter, by inserting the following paragraph (j) to "Section 9. The powers and duties of the general manager shall include the following",

(j) To have the control and supervision of the fire department of the town, subject however to the direction of the selectmen; and the appointment or removal of the chief or head of said fire department shall not be subject to the civil service laws of the commonwealth, but shall be made in accordance with the provisions of this act. The chief or head of the fire department shall be in immediate control of all the town property used by the department, and of the officers and firemen, who shall obey his order, or take any other action in the matter.

On a motion offered by William J. Plasko, seconded by Gerard J. Kelleher.

MOVED: That the Representative Town Meeting votes further amend the Special legislative Act of March 18, 1914 relating to the governance of the Town, commonly referred to as the "Town Charter", by inserting paragraph (j) to Section 9, concerning the control and supervision of the Fire Department as follows:

(j) To have the control and supervision of the fire department of the town, subject however to the direction of the selectmen; and the appointment or removal of the chief or head of said fire department shall not be subject to the civil service laws of the commonwealth, but shall be made in accordance with the provisions of this act. The chief or head of the fire department shall be in immediate control of all the property used by the department, and of the officers and firemen, who shall obey his order. The Chief or head of the department shall exercise all the powers and discharge all duties conferred or imposed by statute upon engineers or fire chiefs.

AND FURTHER to recind action taken under Article 12 at the Special Town Meeting held on March 24, 1926 to establish a Fire Department pursuant to Chapter 48, Section 42 of the Massachusetts General Laws, such rescission to be

effective only upon enactment of the special legislation referred to herein.

Motion declared Lost by Standing Vote:

Yes: 60 No: 82

A motion was made and seconded for reconsideration of Article 1.

Motion for reconsideration declared Carried by Standing Vote: Yes: 130 No: 2

A revised motion for Article 1 offered by William J. Plasko, seconded by Joseph DiMaria:

MOVED: That the recommendation of the Finance Commission adopted by this Town Meeting at its first session be amended by substituting the following therefore:

VOTED: That the sum of \$294,573 be transferred from the FY04 Article 1 Wage Increase Reserve Account and appropriated for wage increases for the following General Government employee groups:

- Police Patrol Officers.....\$60,289
- Police Superior Officers.....\$21,839

**COMMONWEALTH OF MASSACHUSETTS
TOWN OF NORWOOD
PRESIDENTIAL PRIMARY ELECTION
(SEAL)**

MARCH 2, 2004

Norfolk, ss.

In pursuance with the foregoing warrant, the inhabitants of the Town qualified to vote in elections met in the various voting precincts designated for their districts in Norwood on Tuesday, the Second of March, 2004 at 7:00 AM.

The following election officers were sworn by the Warden in

PRESIDENTIAL PRIMARY ELECTION MARCH 2, 2004

each precinct to the faithful performance of their duty.

District 1 and 2 - Oldham School: Marilyn A. May, Mary H. Hemman, Frances C. Sullivan, Bernice R. Wenstrom, Jacqueline Herman, Dorothy L. Rich, Ellen Marie Baker, Phyllis A. McDonough, Mildred E. Bowan and Robert T. Sullivan.

District 3 and 5 - Civic Center: Frances A. Phipps, Mary Burns Bodge, Arlene E. Lindblom, Janet F. McAuliffe, Mary C. Amirault, Judith A. Langone, Julia O'Malley, Angela M. Daly, Gloria J. Lind, Charles P. Daly and Pius J. Amirault.

District 4 - Cleveland School: Edith A. Buck, Porta Fruci, Anna Murphy, Margaret M. Bonvoulor, Joan P. Fruci and A. Virginia Cardile.

District 6 & 7 - Balch School: Helen Ivatts, Robert H. Ivatts, Ruth M. Sullivan, Virginia Abromowski, Christine B. Hanscom, Muriel A. Gerry, Catherine Esper Moseley, Beverly A. DiFlaminies, Ruth C. Nemeth and Samera E. Mike.

District 8 - Callahan School: Juliette A. Bugeau, Lillian K. Gorski, William F. Pellowe, William V. Gorski, Suzanne Maciejewski and Normand P. Bugeau.

District 9 - Prescott School: Maureen P. MacEachern, Agnes C. Ball, Dolores Elias, Anna M. Greene, Barbara V. Dias and Jean W. Buck

In accordance with the laws of the Commonwealth of Massachusetts governing elections, the voting precincts designated for their districts were fitted up as polling places, a place railed off and compartments provided for the convenience of voters in marking their ballots, and each compartment was supplied with cards of instruction and other necessary facilities.

Cards of instruction and specimen ballots were posted in five different parts of each polling place outside the railing. The Town Clerk and Accountant delivered to the ballot clerks packages marked "Official Ballots March 2, 2004" and their receipts thereof.

The ballot Clerks were provided with duplicate sets of registered voters of the Town, as prepared by the Registrars of Voters for use at this election. They were supplied with official ballots taken from the packages received from the Town Clerk and were stationed by the entrances and exits of the polling places with instructions to deliver such ballots only to voters whose names were found and checked on the voting list. The ballot boxes used in elections were opened in public meeting, examined by the Wardens and other officials and found to be empty. The registers were then set to zero.

The polls were declared open for the reception of ballots at 7:00 A.M. and were declared closed at 8:00 P.M. At the

close of the polls an actual canvass of the ballots showed that three thousand five hundred Ninety-six (3,596) votes were cast in the Democratic Party, three hundred seventy-six (376) votes were cast in the Republican party; six (6) votes were cast in the Libertarian Party; and two (2) votes were cast in the Green-Rainbow Party.

The names checked on the voting list by the ballot clerks at the entrances of each polling place were counted and found to agree, and the total number of names so checked equaled the same as above.

The vote is as follows:

Increment Financing Agreement between the Town and David Spiegel, as Trustee of Irene Realty Trust, substantially in the form as is on file with the Town Clerk (the "TIF Agreement"), pursuant to GL c. 40, Sec. 59, and to confirm the Board of Selectmen's designation of the location of the project shown on Norwood Assessors' Map 15, Section 7, Lot 4 as an Economic Opportunity Area ("Carnegie Row Economic Opportunity Area"), and to authorize the Board of Selectmen to submit an Economic Opportunity Area Application, Tax Increment Financing Plan, and Certified Project Application to the Massachusetts Economic Assistance Coordinating Council all relating to the project as described in the TIF Agreement to be located in the Carnegie Row Economic Opportunity Area, and to take such other actions as may be necessary to obtain approval of the Certified Project Application, the Economic Opportunity Area, the Tax Increment Financing Plan and TIF Zone and to implement the TIF Agreement.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

MOVED: That the Town approve the Tax Increment Financing Agreement between the Town and David Spiegel, as Trustee of Irene Realty Trust, substantially in the form as is on file with the Town Clerk (the "TIF Agreement"), pursuant to GL c. 40, Sec. 59, and to confirm the Board of Selectmen's designation of the location of the project shown on Norwood Assessors' Map 15, Section 7, Lot 4 as an Economic Opportunity Area ("Carnegie Row Economic Opportunity Area"), and to authorize the Board of Selectmen to submit an Economic Opportunity Area Application, Tax Increment Financing Plan, and Certified Project Application to the Massachusetts Economic Assistance Coordinating Council all relating to the project as described in the TIF Agreement to be located in the Carnegie Row Economic Opportunity Area, and to take such other actions as may be necessary to obtain approval of the Certified Project Application, the Economic Opportunity Area, the Tax Increment Financing Plan and TIF Zone and to implement the TIF Agreement.

Motion declared Carried by Voice Vote

ARTICLE 2. To see if the Town will vote to amend Section 5124 of the Zoning Bylaws entitled "Parking Structures" by adding the following language (shown in bold highlight) at end of the section so that revised Section 5124 reads as follows, or take any other action in the matter.

5124. Parking Structures

Parking shall be maintained only at ground level, not either elevated above grade or depressed below grade in structures provided, however, that parking structures shall be allowed in an Economic Opportunity Area duly established pursuant to the Massachusetts Economic

Development Incentive Program and which parking structure has been specifically described in a Tax Increment Financing agreement approved by the Board of Selectmen and Town Meeting. Said parking structures shall otherwise be in conformity with the height and other dimensional requirements of the Zoning Bylaws.

On a motion offered by Ernest Paciorkowski, duly seconded by E. William Bamber

MOVED: That the Town vote to amend Section 5124 of the Zoning Bylaws entitled "Parking Structures" so that revised Section 5124 reads as follows:

Section 5124. Parking Structures

Parking shall be maintained only at ground level, not either elevated above grade or depressed below grade in structures provided, however, that parking structures shall be allowed in an Economic Opportunity Area duly established pursuant to the Massachusetts Economic Development Incentive Program and which parking structure has been specifically described in a Tax Increment Financing agreement approved by the Board of Selectmen and Town Meeting. Said parking structures shall otherwise be in conformity with the height and other dimensional requirements of the Zoning Bylaws.

Motion declared Carried by Standing Vote:

Yes: 123 No: 42

ARTICLE 3. To see if the Town will vote to approve the Tax Increment Financing Agreement between the Town and CFRI/CQ Norwood Upland, L.L.C., substantially in the form as is on file with the Town Clerk (the "TIF Agreement"), pursuant to GL. C. 40, Sec. 59, and to authorize the Board of Selectmen to designate, from time to time, the land and buildings shown on Norwood Assessors' Map 14, Section 1, Lot 7, or any portions thereof should said property be subdivided, as one or more Economic Opportunity Areas and to authorize the Board of Selectmen to submit, from time to time, one or more Economic Opportunity Area Applications, Tax Increment Financing Plans, and Certified Project Applications to the Massachusetts Economic Assistance Coordinating Council all relating to any Certified Projects as described in the TIF Agreement and to be located in said Economic Opportunity Areas, and to take such other actions as may be necessary to obtain approval of the Certified Project Applications, the Economic Opportunity Areas, the Tax Increment Financing Plans and TIF Zones and to implement the TIF Agreement, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

MOVED: That the Town approve the Tax Increment

ARTICLE 4. To see if the Town will vote to amend Sections 3310.I of the Use Regulations of the Zoning Bylaw.

On a motion offered by E. William Bamber, duly seconded by Paul J. Donohue

MOVED: That the Town vote "Indefinite Postponement".

A motion to amend offered by Scott Murphy, seconded by William Phipps:

MOVED: That Section 3310.I.4 of the Use Regulations of the Zoning By-Law be amended as set forth in the Warrant.

Motion to amend declared Lost by Voice Vote.

Main Motion for indefinite postponement declared Carried by Standing Vote of: Yes: 152 No: 3

ARTICLE 5. To see if the Town will vote to amend Sections 3310.D (Use Regulations); 6170 (Drive through Window Regulations); and 7000 (Definitions) of the Norwood Zoning Bylaws.

On a motion offered by E. William Bamber, duly seconded by Ernest Paciorkowski

MOVED: That the Town vote to amend Sections 3310D (Use Regulations); 6170 (Drive through Window Regulations); and 7000 (Definitions) of the Zoning Bylaws as set forth in the Warrant.

Motion declared Carried by Standing Vote:
Yes: 113 No: 51

ARTICLE 6. To see if the Town will vote to petition the

Massachusetts Legislature for enactment of a special law to provide the following for Joseph Fernandes, a Norwood Police Officer who sustained catastrophic and permanently disabling injuries in the line of duty:

1. A pension benefit equal to the amount he would have received as compensation, had he continued as a Norwood Police Officer;
2. his retirement shall be retroactive to the last date on which he received his regular compensation;
3. upon his retirement, the Norwood Retirement System shall forthwith pay to him the amount of his accumulated total deductions in annuity savings;
4. he shall hereafter be indemnified for all hospital, medical and related expenses incurred following his retirement as a result of the injuries resulting in his disability;
5. upon the death of Fernandes, if his wife shall survive him, she shall receive a pension equal to three-quarters of the pension payable to Fernandes at his death, so long as she remains unmarried; if she shall remarry or die, then the said three-quarters pension shall be paid for the benefit of Fernandes surviving child or children until they shall reach the age of eighteen years; or take any other action in the matter.

(On petition of Joseph Fernandes)

On a motion offered by Thomas J. McQuaid, duly seconded by William J. Plasko, Jr., it was

Recommended by the Finance Commission:

VOTED: Indefinite Postponement

Motion declared Carried by Standing Vote:

Recommended by the Finance Commission:

VOTED: Indefinite Postponement

Motion declared Carried by Voice Vote

ARTICLE 22. To see if the Town will vote to accept the provisions of M.G.L. Chapter 59, Section 5K to authorize the Selectmen to establish a "tax work-off" program for persons over the age of sixty, in accordance with the said Section 5K.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: That the Town hereby accepts the provisions of M.G.L. Chapter 59, Section 5K to authorize the Selectmen to establish a "tax work-off" program for persons over the age of sixty, in accordance with the said Section 5K.

Motion declared Carried by Voice Vote

ARTICLE 23. To see if Town Meeting will vote to petition the Massachusetts State Legislature to pass special legislation that would allow the Town of Norwood to exempt, by majority vote of its Town Meeting, certain senior citizens residing in Norwood that meet income, age, property and other specific criteria, as defined by said Town Meeting, from the impact of the two debt exclusion questions that will appear on the annual town election ballot of Monday, April. 5, or take any other action in the matter.

(On petition of Richard M. Power, 57 Adams Street)

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: Indefinite Postponement

Motion declared Carried by Voice Vote

Meeting Adjourned.

A True Record.

Attest: Robert M. Thornton

TOWN ELECTION APRIL 5, 2004

Town Clerk and Accountant
COMMONWEALTH OF MASSACHUSETTS
TOWN OF NORWOOD
ANNUAL TOWN ELECTION
(SEAL)

APRIL 5, 2004
Norfolk, ss.

In pursuance with the foregoing warrant, the inhabitants of the Town qualified to vote in elections met in the various voting precincts designated for their districts in Norwood on Monday, the fifth of April, 2004 at 7:00 A.M.

The following election officers were sworn by the Warden in each precinct to the faithful performance of their duty.

District 1 and 2 - Oldham School: Marilyn A. May, Mary H. Hemman, Frances C. Sullivan, Emily W. Tibbetts, Jacqueline Herman, Dorothy L. Rich, Ellen Marie Baker, Phyllis A. McDonough, Mildred E. Bowan, Theresa Sampson and Robert T. Sullivan.

District 3 and 5 - Civic Center: Frances A. Phipps, Evelyn A. Jurgelewicz, Arlene E. Lindblom, Mary C. Amirault, John F. Conton, Louise M. Conton, Mary Burns Bodge, Julia O'Malley, Angela M. Daly, Gloria J. Lind, Charles P. Daly, and Pius J. Amirault.

District 4 - Cleveland School: Edith A. Buck, Anne P. Shannon, Porta Fruci, Myra A. Romanelli, Angela R. Smith, Margaret M. Bonvouloir and Thomas M. Sullivan.

District 6 & 7 - Balch School: Helen Ivatts, Ann K. Rogers, Robert H. Ivatts, Charles J. Jurgelewicz, Ruth M. Sullivan, Virginia Abromowski, Christine B. Hanscom, Muriel A. Gerry, Catherine Esper Moseley, Beverly A. DiFlaminies, Ruth C. Nemeth and Samera E. Mike.

District 8 - Callahan School: Juliette A. Bugeau, Elizabeth J. Sullivan, Lillian K. Gorski, William F. Pellowe, William V. Gorski, Suzanne Maciejewski, and Normand P. Bugeau.

District 9 - Prescott School: Maureen P. MacEachern, Anna M. Greene, Agnes C. Ball, Dolores Elias, Anna Murphy, Barbara V. Dias and Jean W. Buck.

In accordance with the laws of the Commonwealth of Massachusetts governing elections, the voting precincts designated for their districts were fitted up as polling places, a place railed off and compartments provided for the convenience of voters in marking their ballots, and each compartment was supplied with cards of instruction and other necessary facilities.

Cards of instruction and specimen ballots were posted in five different parts of each polling place outside the railing. The Town Clerk and Accountant delivered to the ballot

clerks packages marked "Official Ballots April 5, 2004" and their receipts thereof.

The ballot Clerks were provided with duplicate sets of registered voters of the Town, as prepared by the Registrars of Voters for use at this election. They were supplied with official ballots taken from the packages received from the Town Clerk and were stationed by the entrances and exits of the polling places with instructions to deliver such ballots only to voters whose names were found and checked on the voting list. The ballot boxes used in elections were opened in public meeting, examined by the Wardens and other officials and found to be empty. The registers were then set to zero. The polls were declared open for the reception of ballots at 7:00 o'clock in the forenoon and were declared closed at 8:00 P.M. At the close of the polls an actual canvass of the ballots showed that six thousand seven hundred nineteen (6,719) votes were cast.

The names checked on the voting list by the ballot clerks at the entrances of each polling place were counted and found to agree, and the total number of names so checked equaled the same as above.

The vote is as follows:

THE COMMONWEALTH OF MASSACHUSETTS ANNUAL TOWN MEETING TOWN OF NORWOOD

Norfolk, ss.

In pursuance with the foregoing warrant, the inhabitants of the Town of Norwood and Town Meeting Members qualified to vote in elections and Town affairs, to meet in the Auditorium of the Junior High South on Washington Street in said Town on Monday, May 17, 2004, at 7:30 o'clock in the afternoon.

The Moderator, David Hern declared a quorum present and called the meeting to order. The Warrant calling the meeting to order was read by the Town Clerk and Accountant. Tellers being appointed and sworn the following action was taken on the articles of the foregoing warrant.

ARTICLE 1. To see what sum or sums of money the Town will vote to raise by taxation and/or transfer from Surplus Revenue for the purpose of appropriating such sum or sums for wage increases for all Town employees, including the School Department, or take any other action in the

matter.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission

VOTED: That the sum of \$69,522 be raised from taxation and appropriated for the purpose of General Government Wage Increases for Fiscal Year 2005, as follows. \$23,797

	\$25,143
Fire Salaries.....	\$1,430
Police Salaries.....	\$671
Animal Control Salaries.....	\$2,038
Engineering Salaries.....	\$1,325
Selectmen Salaries.....	\$2,645
Manager Salaries.....	\$263
Clerk & Accounting Salaries.....	\$3,420
Assessor Salaries.....	\$1,500
Health Dept. Salaries.....	\$1,041
Bldg. Inspector Salaries.....	\$1,081
Veterans Salaries.....	\$2,699
Planning Board Salaries.....	\$2,469
Treasurer/Collector Salaries.....	
Public Works Salaries.....	

Motion declared Carried by Voice Vote.

ARTICLE 1. To hear and act on the reports of Town Officers and Committees.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: That the report of the Finance Commission and its recommendations with respect to appropriation estimates for the fiscal year 2005 be received and acted upon.

And be it further voted that all sums voted for salaries are to be expended in conformance with the official budget of the Finance Commission unless otherwise voted by the town meeting.

All sums voted for new equipment shall be expended for items listed in the budgets approved by the Finance Commission unless otherwise voted by the town meeting.

Motion declared Carried by Voice Vote.

ARTICLE 2. To hear and act on the reports of Town Officers and Committees.

On a motion offered by William J. Plakso, seconded by Helen Abdallah Donohue, it was

Recommended by the Board of Selectmen:

ADJOURNED ANNUAL TOWN MEETING MAY 17, 2004

VOTED: That the Annual Report of the town officials of the Town of Norwood be received and accepted as printed.
Motion declared Carried by Voice Vote.

ARTICLE 3. To see if the Town will vote to authorize the Collector of Taxes to use the same means as a Town Treasurer may use when acting as Collector.

On a motion offered by William J. Plasko, seconded by Helen Abdallah Donohue, it was

Recommended by the Board of Selectmen:

VOTED: That the Town Treasurer and Collector of Taxes, as Collector of Taxes be and hereby is authorized to use all means of collecting taxes which a Town Treasurer may use, according to law, when acting as Collector of Taxes.

Motion declared Carried by Voice Vote.

ARTICLE 4. To see if the Town will vote to authorize the Board of Selectmen to accept and enter into contract for the expenditure of funds allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of public ways under the provisions of Section 34, Chapter 90 of the General Laws, Ter. Ed., and acts in amendments thereof and in addition thereto, or take any action in the matter.

On a motion offered by William J. Plasko, seconded by Helen Abdallah Donohue, it was

Recommended by the Board of Selectmen:

VOTED: That the Board of Selectmen are hereby authorized to accept and enter into contract for the expenditure of any funds allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of public roads under the provisions of Section 34, Chapter 90 of the General Laws.

Motion declared Carried by Voice Vote.

ARTICLE 5. To see what sum of money the Town will vote to raise, borrow, or transfer from available funds in the treasury and appropriate for the fiscal year beginning July 1, 2004 through June 30, 2005 for the following purposes, or take any other action in the matter. "All sums voted for salaries are to be expended in conformance with the official budget of the Finance Commission unless otherwise voted by the Town Meeting. All sums voted for New Equipment shall be expended for items listed in the budgets approved by the Finance Commission and voted by the Town Meeting."

VOTED: Indefinite Postponement.

Motion declared Carried by Voice Vote.

ARTICLE 7. To see what sum the Town will vote to authorize the Board of Assessors to apply from free cash in the treasury in offset to the amount appropriated to be raised

by taxation for the fiscal year beginning July 1, 2004 through June 30, 2005.

On a motion offered by Thomas J. McQuaid, seconded by Eleanor M. Travers

Recommended by the Finance Commission:

VOTED: That the sum of \$1,000,000 be transferred from Free Cash in the Treasury in offset to the amount appropriated to be raised by taxation for the fiscal year beginning July 1, 2004 through June 30, 2005.

Motion declared Carried by Voice Vote.

ARTICLE 8. To see if the Town will vote to allow the Treasurer (from time to time) to enter into compensating balance agreements with banks in accordance with General Law, Chapter 740, with the approval of the Board of Selectmen, or take any other action in the matter. (On petition of Town Treasurer and Tax Collector)

On a motion offered by Thomas J. McQuaid, seconded by Eleanor M. Travers

Recommended by the Finance Commission:

VOTED: That the Town Treasurer be allowed (from time to time) to enter into compensating balance agreements with banks in accordance with Mass General Laws Chapter 740, with the approval of the Board of Selectmen.

Motion declared Carried by Unanimous Vote.

ARTICLE 9. To see if the Town will vote to authorize the Town Treasurer with the approval of the Board of Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 2004, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

On a motion offered by Thomas J. McQuaid, seconded by Eleanor M. Travers

Recommended by the Finance Commission:

VOTED: That the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 2004 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

SPECIAL TOWN MEETING MAY 10, 2004

Motion declared Carried by Unanimous Vote.

ARTICLE 10. To see if the Town will vote to authorize the Board of Selectmen to accept a grant in an amount not to exceed \$99,450 and a non-interest bearing loan in an amount not to exceed \$121,550 from the Massachusetts Water Resources Authority, commonly referred to as the Infiltration & Inflow Local Financial Assistance Program, and to appropriate said funds for repair and rehabilitation of the sewer system; and further, to authorize the Treasurer to borrow the said amount not to exceed \$121,550 from the Massachusetts Water Resources Authority; and to authorize the Board of Selectmen to expend said funds for such purposes, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, seconded by Eleanor M. Travers

Recommended by the Finance Commission:

VOTED: That the Board of Selectmen is hereby authorized to accept a grant in the amount of \$99,450 and a non-interest bearing loan in the amount of \$121,550 from the Massachusetts Water Resources Authority, for repair and rehabilitation of the sewer system, in accordance with the rules and regulations of the Massachusetts Water Resources Authority's Infiltration & Inflow Local Financial Assistance Program; and further, that the Treasurer is hereby authorized to borrow the non-interest bearing loan in the amount of \$121,550 from the Massachusetts Water Resources Authority; and that the Board of Selectmen is hereby authorized to expend said funds for such purposes

Motion declared Carried by Standing Vote - Unanimous Vote

ARTICLE 11. To see if the Town will vote to authorize the Board of Selectmen to borrow the sum of \$1,027,926 at no interest from the Massachusetts Water Resources Authority, in accordance with the rules and regulations of the Local Pipeline Assistance Program, and appropriate said funds for the rehabilitation and/or replacement of water mains and related expenses; and further, to see if the Town will vote to authorize the Treasurer to borrow this sum from the Massachusetts Water Resources Authority, and to authorize the Board of Selectmen to expend said funds for said purposes, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, seconded by Eleanor M. Travers

Recommended by the Finance Commission:

VOTED: That the sum of \$1,027,926 be appropriated for the purpose of cleaning and lining water distribution pipes with linings of not less than one-sixteenth of an inch, and for the rehabilitation and/or replacement of water mains and for expenses related there to; and further, to meet this appropriation, the Treasurer, with the approval of the Board

of Selectmen, is authorized to borrow the aforesaid amount in accordance with M.G.L. Chapter 44, Section 8 from the Massachusetts Water Resources Authority at no interest in accordance with the rules and regulations of the Authority's Local Pipeline Assistance Program; and further, that the Board of Selectmen is authorized to take any other action necessary to complete these projects.

Motion declared Carried by Standing Vote - Unanimous Vote

A motion by Stanley Wasil to Reconsider Article 5 - A-130 - Finance Commission Budget.

Reconsideration Motion declared Lost by Voice Vote.

COMMONWEALTH OF MASSACHUSETTS

SPECIAL TOWN MEETING

(SEAL)

TOWN OF NORWOOD

Norfolk, ss.

In pursuance with the foregoing warrant, the inhabitants of the Town of Norwood and Town Meeting Members qualified to vote in elections and Town affairs, to meet in the Auditorium of the Junior High South on Washington Street in said Town on Monday, May 10, 2004, at 7:40 o'clock in the afternoon.

The Moderator, David Hern Jr. declared a quorum present and called the meeting to order. The Warrant calling the meeting to order was read by the Town Clerk and Accountant. Tellers being appointed and sworn the following action was taken on the articles of the foregoing warrant.

ARTICLE 1. To see if the Town will vote to petition the Massachusetts Legislature for enactment of a special law to provide the following for Joseph Fernandes, a Norwood Police Officer who sustained catastrophic and permanently disabling injuries in the line of duty:

1. A pension benefit equal to the amount he would have received as compensation, had he continued as a Norwood Police Officer;
2. his retirement shall be retroactive to the last date on which he received his regular compensation;
3. upon his retirement, the Norwood Retirement System shall forthwith pay to him the amount of his accumulated total deductions in annuity savings;

SPECIAL TOWN MEETING MAY 10, 2004

4. he shall hereafter be indemnified for all hospital, medical and related expenses incurred following his retirement as a result of the injuries resulting in his disability;
5. upon the death of Fernandes, if his wife shall survive him, she shall receive a pension equal to three-quarters of the pension payable to Fernandes at his death, so long as she remains unmarried; if she shall remarry or die, then the said three-quarters pension shall be paid for the benefit of Fernandes surviving child or children until they shall reach the age of eighteen years; or take any other action in the matter.
(On petition of Norwood Police Patrolman's Union IBPO Local 395)

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: Indefinite Postponement

A substitute motion to amend offered by Gary M. Lee, seconded by William J. Plasko:

MOVED: That the Town Meeting adopt and approve Article 1 as set forth in the Warrant, authorizing the Board of Selectmen to petition the Legislature for the enactment of special legislation to provide the specified benefits to former Police Officer Joseph Fernandes and his family.

A Vote was taken to consider Secret Ballot. This vote was declared Lost by Standing Vote:

Yes: 74 No: 90

The amended motion by Mr. Lee was declared Carried by Standing Vote of:

Yes: 104 No: 60

ARTICLE 2. To see if the Town will vote to widen the existing layout of Mylod Street by accepting and allowing as part of the existing Town way, as laid out and reported by the Board of Selectmen, a two foot wide strip on the north side of the existing way from the town line at Walpole to a point approximately one hundred twenty feet east of Thompson Road, as shown on a plan entitled "Mylod Street Roadway Widening Plan dated February 5, 2003, Mark P. Ryan, Town Engineer", a copy of which is on file at the office of the Town Clerk and available for inspection, and further to see if the Town will appropriate a sum of money for recording fees, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: That the town hereby votes to widen the existing

layout of Mylod Street by accepting and allowing as part of the existing Town way, as laid out and reported by the Board of Selectmen, a two foot wide strip on the north side of the existing way from the town line at Walpole to a point approximately one hundred twenty feet east of Thompson Road, as shown on a plan entitled "Mylod Street Roadway Widening Plan dated February 5, 2003, Mark P. Ryan, Town Engineer", a copy of which is on file at the office of the Town Clerk and available for inspection, and further to see if the Town will appropriate a sum of money for recording fees.

And be it further

VOTED: That the sum of \$200 be transferred from Account #P0111-04 (Engineering Department Salaries - Co-Op Student) and appropriated for the purpose of recording fees (Mylod Street).

Motion declared Carried by Voice Vote.

ARTICLE 3. To see if the Town will vote to accept and allow as a new Town Way, as laid out and reported by the Board of Selectmen, Hamilton Circle, from Station 0+00 to Station 4+18.54, as shown on a plan entitled "Street Acceptance of Hamilton Circle in Norwood, MA dated March 8, 2004, Mark P. Ryan, Town Engineer", a copy of which is on file at the office of the Town Clerk and available for inspection, and further to see if the Town will appropriate a sum of money for recording fees, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: That the town hereby votes to accept and allow as a new Town Way, as laid out and reported by the Board of Selectmen, Hamilton Circle, from Station 0+00 to Station 4+18.54, as shown on a plan entitled "Street Acceptance of Hamilton Circle in Norwood, MA dated March 8, 2004, Mark P. Ryan, Town Engineer", a copy of which is on file at the office of the Town Clerk and available for inspection, and further to see if the Town will appropriate a sum of money for recording fees.

And be it further

VOTED: That the sum of \$200 be transferred from Account #P0111-04 (Engineering Department Salaries - Co-Op Student) and appropriated for the purpose of recording fees (Hamilton Circle).

Motion declared Carried by Voice Vote.

ARTICLE 4. To see if the Town will vote to accept and allow as a new Town Way, as laid out and reported by the Board of Selectmen, Ryan Drive, from Station 0+00 to Station 15+61.35, as shown on a plan entitled "Street Acceptance

SPECIAL TOWN MEETING MAY 10, 2004

of Ryan Drive in Norwood, MA dated March 8, 2004, Mark P. Ryan, Town Engineer", a copy of which is on file at the office of the Town Clerk and available for inspection, and further to see if the Town will appropriate a sum of money for recording fees, or take any other action in the matter. On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: That the town hereby votes to accept and allow as a new Town Way, as laid out and reported by the Board of Selectmen, Ryan Drive, from Station 0+00 to Station 15+61.35, as shown on a plan entitled "Street Acceptance of Ryan Drive in Norwood, MA dated March 8, 2004, Mark P. Ryan, Town Engineer", a copy of which is on file at the office of the Town Clerk and available for inspection, and further to see if the Town will appropriate a sum of money for recording fees.

And be it further

VOTED: That the sum of \$200 be transferred from Account #P0111-04 (Engineering Department Salaries - Co-Op Student) and appropriated for the purpose of recording fees (Ryan Drive).

Motion declared Carried by Voice Vote.

ARTICLE 5. To see if the Town will vote to accept two parcels of land containing a storm detention basin and a buffer strip totaling 23,676 square feet, approximately, shown respectively as Lot 38 (Detention Basin) and Lot 40 (Buffer Strip) on a plan entitled "Plan of Land Endean Meadows, Norwood, Ma. ", by Coler and Colantonio, Engineers, dated August 17, 1992 and recorded with the Norfolk Registry of Deeds as Plan No 54 A and B of 1993 in Plan Book 411, a copy of which is on file at the office of the Town Clerk and available for inspection, or take any other action in the matter.
(On petition of the Planning Board)

On a motion by Gary M. Lee, seconded by William J. Plasko it was:

MOVED: That the town hereby votes to accept two parcels of land located off the end of Ryan Drive, containing a storm water detention basin and an associated buffer strip, as described in the Warrant.

Motion declared Carried by Voice Vote.

ARTICLE 6. To see if the Town will vote to accept and allow as a new Town Way, as laid out and reported by the Board of Selectmen, Thompson Road, from Station 0+00 to Station 8+49.16, as shown on a plan entitled "Street Acceptance of Thompson Road in Norwood, MA dated March 8, 2004, Mark P. Ryan, Town Engineer", a copy of which is on file at the office of the Town Clerk and available

for inspection, and further to see if the Town will appropriate a sum of money for recording fees, or take any other action in the matter

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: That the town hereby votes to accept and allow as a new Town Way, as laid out and reported by the Board of Selectmen, Thompson Road, from Station 0+00 to Station 8+49.16, as shown on a plan entitled "Street Acceptance of Thompson Road in Norwood, MA dated March 8, 2004, Mark P. Ryan, Town Engineer", a copy of which is on file at the office of the Town Clerk and available for inspection, and further to see if the Town will appropriate a sum of money for recording fees.

And be it further

VOTED: That the sum of \$200 be transferred from Account #P0111-04 (Engineering Department Salaries - Co-Op Student) and appropriated for the purpose of recording fees (Thompson Road).

Motion declared Carried by Voice Vote.

ARTICLE 7. To see if the Town will vote to accept and allow as a new Town Way, as laid out and reported by the Board of Selectmen, Essex Road, from Station 0+00 to Station 8+40.90, as shown on a plan entitled "Street Acceptance of Essex Road in Norwood, MA dated March 8, 2004, Mark P. Ryan, Town Engineer", a copy of which is on file at the office of the Town Clerk and available for inspection, and further to see if the Town will appropriate a sum of money for recording fees, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: That the town hereby votes to accept and allow as a new Town Way, as laid out and reported by the Board of Selectmen, Essex Road, from Station 0+00 to Station 8+40.90, as shown on a plan entitled "Street Acceptance of Essex Road in Norwood, MA dated March 8, 2004, Mark P. Ryan, Town Engineer", a copy of which is on file at the office of the Town Clerk and available for inspection, and further to see if the Town will appropriate a sum of money for recording fees.

And be it further

VOTED: That the sum of \$200 be transferred from Account #P0111-04 (Engineering Department Salaries - Co-Op Student) and appropriated for the purpose of recording fees (Essex Road).

SPECIAL TOWN MEETING MAY 10, 2004

Motion declared Carried by Voice Vote.

ARTICLE 8. To see if the Town will vote to accept and allow as a new Town Way, as laid out and reported by the Board of Selectmen, Croydon Road, from Station 0+00 to Station 11+49.31, as shown on a plan entitled "Street Acceptance of Croydon Road in Norwood, Massachusetts dated March 15, 2004, Mark P. Ryan, Town Engineer", a copy of which is on file at the office of the Town Clerk and available for inspection, and further to see if the Town will appropriate a sum of money for recording fees, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: That the town hereby votes to accept and allow as a new Town Way, as laid out and reported by the Board of Selectmen, Croydon Road, from Station 0+00 to Station 11+49.31, as shown on a plan entitled "Street Acceptance of Croydon Road in Norwood, Massachusetts dated March 15, 2004, Mark P. Ryan, Town Engineer", a copy of which is on file at the office of the Town Clerk and available for inspection, and further to see if the Town will appropriate a sum of money for recording fees.

And be it further

VOTED: That the sum of \$200 be transferred from Account #P0111-04 (Engineering Department Salaries - Co-Op Student) and appropriated for the purpose of recording fees (Croydon Road).

Motion declared Carried by Voice Vote.

To see if the Town will vote to accept and allow as a new Town Way, as laid out and reported by the Board of Selectmen, Saunders Road, from Station 0+00 to Station 9+18.59, as shown on a plan entitled "Town of Norwood, MA Plan and Profile Saunders Road Extension dated October 14, 1999, Mark P. Ryan, Town Engineer", a copy of which is on file at the office of the Town Clerk and available for inspection, and further to see if the Town will appropriate a sum of money for recording fees, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: That the town hereby votes to accept and allow as a new Town Way, as laid out and reported by the Board of Selectmen, Saunders Road, from Station 0+00 to Station 9+18.59, as shown on a plan entitled "Town of Norwood, MA Plan and Profile Saunders Road Extension dated October 14, 1999, Mark P. Ryan, Town Engineer", a copy of

which is on file at the office of the Town Clerk and available for inspection, and further to see if the Town will appropriate a sum of money for recording fees.

And be it further

VOTED: That the sum of \$200 be transferred from Account #P0111-04 (Engineering Department Salaries - Co-Op Student) and appropriated for the purpose of recording fees (Saunders Road Extension).

Motion declared Carried by Voice Vote.

ARTICLE 10. To see if the Town will vote to accept a parcel of land together with the appurtenant access easement containing a storm water detention basin and shown, respectively, as Parcel A (Detention Basin) and the "Drainage Easement" across Lot 9, on a plan entitled "Christina Estates Lot Layout - Saunders Road Extension Definitive Subdivision Plan in Norwood, MA" by Norwood Engineering, Inc. dated August 9, 1995 revised December 21, 1995 consisting of three sheets recorded at the Norfolk County Registry of Deeds as Plan No. 546 of 1996 in Plan Book 441, copies of which are on file at the office of the Town Clerk and available for inspection, or take any action in the matter. (On petition of the Planning Board)

On a motion offered by Gary M. Lee, seconded by William J. Plasko it was

MOVED: That the town hereby votes to accept a parcel of land containing a storm water detention basin, together with the appurtenant access easement, located in the so-called Saunders Road Extension sub-division, as described in the Warrant.

Motion declared Carried by Voice Vote.

ARTICLE 11. (adoption of increased Chapter 41C real estate exemption qualifications)

On a motion offered by Gary M. Lee, seconded by William J. Plasko it was

MOVED: That the Town accept the provisions of M.G.L. Chapter 184, Section 51 of the Acts of 2002, amending the provisions of M.G.L. Chapter 59, Section 5, Clause 41C, and that the age, income, and asset limit requirements and exemption amounts be established as set forth in the Warrant.

A substitute motion to amend was voted.

A motion to amend offered by Thomas J. McQuaid, seconded by John M. Hayes

SUBSTITUTE MOTION

To see if the Town will vote to accept the provisions of

SPECIAL TOWN MEETING MAY 10, 2004

M.G.L. Chapter 184, Section 51 of the Acts of 2002, amending the provisions of G.L. Chapter 59, Section 5, Clause 41C that allows cities and towns that have accepted G.L. Chapter 59, Section 5, Clause 41C to adjust (1) the age, income and asset requirements seniors must meet to qualify for the exemption and (2) set the amount of the exemption the community may grant to eligible seniors as follows, or take any other action in the matter.

	Single	Couple
Age	65	65
Income	\$20,000	\$30,000
Asset Limit	\$40,000	\$55,000
Exemption amount	\$1,000	\$1,000

VOTED: That the motion of the Selectmen be hereby amended, and substituted in the place thereof

VOTED: Indefinite Postponement

Motion for Indefinite Postponement declared Carried by Standing Vote: Yes: 88 No: 87

Main motion, as amended, declared Carried by Voice Vote.

ARTICLE 12. (adoption of Chapter 41D real estate exemption cost-of-living provision)

On a motion offered by Gary M. Lee, seconded by William J. Plasko it was

MOVED: That the Town accept the provisions of M.G.L. Chapter 59, Section 5, Clause 41D, allowing annual adjustments to the income and asset eligibility requirements required for certain real estate tax exemptions under M.G.L. Chapter 59, Section 5, clause 41, 41B, and 41C, as determined from time-to-time by the Commissioner of Revenue

A substitute motion to amend offered by Thomas J. McQuaid, seconded by John Hayes

SUBSTITUTE MOTION

To see if the Town will vote to accept the provisions of M.G.L. Chapter 59, Section 5, Clause 41D that allows communities to annually increase the amount of income and assets certain senior citizens may have to qualify for an exemption under G.L. Chapter 59, Section 5, Clauses 41, 41B and 41C by the COLA (cost of living adjustment) determined by the Commissioner of Revenue, or take any other action in the matter.

VOTED: That the recommendation of the Selectmen be hereby amended, and substituted in the place thereof

VOTED: Indefinite Postponement

Amended motion for Indefinite Postponement declared Lost

by Standing Vote: Yes: 81 No: 92

Mr. Lee's motion to accept C. 59, s. (5) (41D) was declared

Carried by Voice Vote.

ARTICLE 13. The Moderator, Mr. Hern, indicated that he had to step down as Moderator on this article, as he was related to one of the proponents of this article. A motion was made by Mr. Plasko, seconded by Mr. Connolly, to appoint Mr. Capasso as temporary Moderator on this Article 13. It was so voted.

On a motion by Ernest Paciorkowski, seconded by Paul W. Eysie it was

MOVED: That the town vote to amend the Zoning Map by rezoing approximately 13 acres of land located off Endicott Street, which was legally described as Exhibit A in the Warrant, from Manufacturing District (M) to Multifamily District (A), or take any other action in the matter.

Motion declared Carried by Standing Vote of: Yes: 162 No: 1

ARTICLE 14. To see if the Town will vote to appropriate a sum of money for the construction of drinking water supply, transmission, and treatment facilities at Buckmaster Pond (DWSRF #1995); to determine whether this appropriation shall be raised by borrowing from the Massachusetts Water Pollution Abatement Trust or otherwise; or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: Indefinite Postponement

Motion declared Carried by Voice Vote.

ARTICLE 15. To see if the Town will vote to appropriate from surplus revenue or other available funds, borrow, or otherwise provide a sum of money in furtherance of the Buckmaster Pond water supply permitting and evaluation project, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: Indefinite Postponement

Motion declared Carried by Voice Vote.

ARTICLE 16. To see what sum of money the Town will vote to transfer from surplus revenue or other available funds

ADJOURNED SPECIAL TOWN MEETING MAY 13, 2004

and appropriate for the purpose of completing unfinished construction at the Police/Fire Station and further that such funds be administered by the Permanent Building Construction Committee, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: Indefinite Postponement

Motion declared Carried by Voice Vote.

Meeting Adjourned to Thursday, May 13, 2004.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: Indefinite Postponement

Motion declared Carried by Voice Vote.

ARTICLE 28. To see what sum of money the Town will vote to transfer from surplus revenue or other available funds,

and appropriate for Unpaid Bills, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: That the sum of \$28,993 be transferred from Account # G01-3151-0000 (Surplus Revenue/Free Cash Account) and appropriated for the purpose of Unpaid Bills.

Motion declared Carried by Unanimous Vote.

ARTICLE 29. To see if the Town will vote to raise and appropriate, borrow, transfer from available funds, or other wise provide the sum of one hundred and forty thousand and 00/100 (\$140,000) dollars for the lease and installation of four (4) portable classrooms at Norwood Junior High School, or take any other action in the matter.

On a motion offered by Thomas J. McQuaid, duly seconded by Judith A. Langone, it was

Recommended by the Finance Commission:

VOTED: That the sum of \$85,180 be transferred from Account #G01-3151-0000 (Surplus Revenue/Free Cash Account) and appropriated for the purpose of Installation of four (4) portable classrooms at Norwood Junior High School.

Motion declared Carried by Voice Vote.

ARTICLE 30. On a motion offered by Gary M. Lee, seconded by William J. Plasko, Jr. it was:

MOVED: that a Task Force of not more than twenty-one members in total be established, composed as follows:

two members each, or their designee, of the Board of Selectmen, Finance Commission, and School Committee, appointed by the respective chairmen; one member each of the Capital Outlay Committee and the Permanent Building Construction Committee, appointed by the respective chairmen; the General Manager; the Town Clerk and Accountant; the Superintendent of Schools; the School Business Manager; and, as nearly as possible, one Town Meeting member from each of nine districts, appointed by the Moderator and further, that the Task Force be charged to study the needs, scope and financing of the capital infrastructure and renovation requirements of the Norwood Senior High School and the Norwood Junior High School, and report to a Town Meeting in October of 2004 (or as close to that date as feasible) with its recommendations.

A motion to amend offered by Paul Poznick, seconded by John Hayes:

To add voting rights and clarification of task force com-

ADJOURNED SPECIAL TOWN MEETING MAY 13, 2004

mittee of 21.

Task Force Committee of 21 comprises:

- 2 Each Board of Selectmen
- 2 Each Finance Commission
- 2 Each School Committee
- 1 Each Capital Outlay Committee
- 9 Each Town Meeting Members - appointed by Moderator

- General Manager
- Town Clerk and Accountant
- Permanent Building Construction Committee
- Superintendent of Schools
- School Business Manager
- Shall be ex-officio members of committee, and shall provide consulting recommendations. They shall not be entitled to vote on recommendations made, which will be in the committee's report.

Motion to amend declared Lost by Voice Vote.

Motion by Mr. Lee declared Carried by Voice Vote.

ARTICLE 31. On a motion offered by Gary M. Lee, seconded by Denis M. Drummey it was

MOVED: that the Town authorizes the Board of Selectmen, to petition the Massachusetts Legislature for special legislation to lease for a period not to exceed (75) seventy-five years a parcel of land of approximately (10) ten acres within "Parcel B", as shown on a plan of land entitled "Compiled Plan of Portion of Town of Norwood Water Supply Land on University Avenue in Norwood, Mass." Dated May 1, 1997;

And further, that prior to filing any such petition, the Board of Selectmen shall obtain an appraisal of the value of said parcel;

And further, that the Board of Selectmen be authorized contingent upon the adoption of such special legislation, to lease the said parcel to a non-profit 501 (c) (3) corporation for up to seventy-five years, with the stipulation in the lease that the land shall revert to the Town in the event that the use is changed at any time from the use originally contemplated;

And further, that the Board of Selectmen shall not execute or sign any such lease without the further approval of Town Meeting.

A first motion to amend offered by Thomas J. McQuaid, seconded by Judith A. Langone it was

VOTED: Indefinite postponement

First motion to amend declared Lost by Voice Vote.

A second motion to amend offered by William J. Plasko, seconded by Anne Marie Haley to

VOTED: To strike the main motion of the Board of Selectmen under Article 31 of the Special Town Meeting of May 10, 2004, adjourned to May 13, 2004 and insert in its place
50

Be it resolved that the Town Meeting Representatives in meeting on May 13, 2004 resolve its support for the establishment of a YMCA in Norwood on town owned land on University Avenue in Norwood.

And further, that the Board of Selectmen are authorized and directed to negotiate with the YMCA for said purpose.

Second motion to amend declared Lost by Voice Vote.

Mr. Lee's motion declared Carried by Standing Vote:

Yes: 106 No: 9

ARTICLE 32. To see if the Town will vote to approve the Tax Increment Financing Agreement between the Town of Norwood, Mystic Scenic Studios, LLC, and 293 Lenox Street, LLC, substantially in the form as is on file with the Town Clerk (the "TIF Agreement"), pursuant to GL c. 40, section 59, and to confirm the Board of Selectmen's designation of the location of the project shown on Norwood Assessors' Map 6, Section 5B, Lot 2 as an Economic Opportunity Area ("Lenox Street Economic Opportunity Area"), and to authorize the Board of Selectmen to submit an Economic Opportunity Area Application, Tax Increment Financing Plan, and Certified Project Application to the Massachusetts Economic Assistance Coordinating Council, all relating to the project as described in the TIF Agreement to be located in the Lenox Street Economic Opportunity Area, and to take such other actions as may be necessary to obtain approval of the Certified Project Application, the Economic Opportunity Area, the Tax Increment Financing Plan and TIF Zone and to implement the TIF Agreement, or take any other action in the matter.

On a motion by Gary M. Lee, seconded by Denis M. Drummey it was

MOVED: That the Town will approve the Tax Increment Financing Agreement between the Town of Norwood, Mystic Scenic Studios, LLC, and 293 Lenox Street, LLC, substantially in the form as presented to the Town Meeting (the "TIF Agreement"), pursuant to MGL c. 40, section 59, and to confirm the Board of Selectmen's designation of the location of the project shown on Norwood Assessors' Map 6, Sheet 5B, Lot 2 as an Economic Opportunity Area ("Lenox Street Economic Opportunity Area"), and to authorize the Board of Selectmen to submit an Economic Opportunity Area Application, Tax Increment Financing Plan, and Certified Project Application to the Massachusetts Economic Assistance Coordinating Council, all relating to the project as described in the TIF Agreement to be located in the Lenox Street Economic Opportunity Area, and to take such other action as may be necessary to obtain approval of the Certified Project Application, the Economic Opportunity Area, the Tax Increment Financing Plan and TIF Zone and to implement the TIF Agreement

Motion declared Carried by Unanimous Vote.
Meeting adjourned.

Dr. Roseli S. Weiss (Assistant Superintendent);

Second Row: Dr. Edward P. Quigley (Superintendent); William J. Plasko, Jr. (Member); Christopher M. Morrison
(Member); Richard M. Power (Member); Joseph M. Pentowski (Member)

NORWOOD PUBLIC SCHOOLS

Norwood Public Schools 2004 System-Wide Annual Report

This section of the Superintendent's Annual Report covers the calendar year January 1, 2004 to December 31, 2004 and summarizes major system-wide initiatives and activities. Following this section are reports from each of the Building Principals.

SCHOOL COMMITTEE

During the last year, some of the issues the School Committee undertook were: (1) in September, 2004 opened the Willett Early Childhood Center which services the system-wide Full-Day Kindergarten classes and all pre-school classes; (2) renamed Norwood Junior High School the Dr. Philip O. Coakley Middle School; (3) opened four portable classrooms at the Middle School in order to alleviate the overcrowding and discontinue conducting classes in the cafeteria; (4) after the failure of the Proposition 2^{1/2} Override, and at the direction of Town Meeting, formed a town-wide Committee of 21 to do a needs-assessment of the Senior High School facility; and (5) approved the 2004-2005 School Improvement Plans for all schools.

Incumbent, Mrs. Toni M. Eosco, was re-elected for a second term, Mr. Christopher M. Morrison was elected for the first time and Mr. Joseph "Mitch" Pentowski was re-elected after serving for many years (1973-1975, 1977-1988 and 1990-1999). The other four members are Mr. Mark P. Joseph, Mrs. Phyllis H. Norwood, Mr. William J. Plasko, Jr. and Mr. Richard M. Power. After many years of distinguished service the following members resigned: Mr. Richard W. Kief (1975-1977, 1982-1987 and 2000-2003) and Mr. John P. Ryan (1992-1998 and 2001-2004). Mr. Joseph was elected Chair in June.

The Norwood School Department operating budget for the 2004-2005 school year, as voted by Town Meeting, was \$27,494,378 with an additional \$1,162,857 of excluded costs to bring the total budget to \$28,657,237. For the third year in a row since the passage of the Educational Reform Act in 1993, the School Department budget exceeded Net School Spending. The original request by the School Committee was \$29,175,205 that was reduced by a combination of offsets and reductions. Difficult cuts were made in all line items in order to reach a budget that was approved by the School Committee and presented to Town Meeting.

ADMINISTRATIVE CHANGES

Between January, 2004 and December, 2004 the following administrators were hired: Mrs. Virginia Ceruti (Principal of the Willett Early Childhood Center), Mrs. Brienne Killion (Principal of the Prescott Elementary School) and Ms. Marjorie Tessier (Principal of the Dr. Philip O. Coakley Middle School).

In addition, Mr. Jack Cook (Principal of the Dr. Philip O.

Coakley Middle School) and Ms. Evelyn Wall (Principal of the Prescott Elementary School) retired.

TECHNOLOGY

The School Department upgraded the technology teaching lab at the Middle School. The older computers were imaged and are being used as the teacher's classroom computer with access to iPass, MS Office, web-based e-mail and the Internet. A new computer was placed in every elementary classroom replacing the 7 year old computers. All classroom computer memories were increased and a newer Windows 2000 based image, with new classroom applications, was applied to all computers. In addition, the computer memory was increased at the Middle School and Senior High School labs. A web-based Help Desk software application was implemented for the school system. A new web-based Student Information System, iPass, was also implemented that provides attendance, grading, and scheduling for the district as well as data for Department of Education reporting. All classrooms at the Willett Early Childhood Center were given computers. A new central VOIP (Voice over Internet Protocol) digital telephone service and 100 IP telephones with voice mail were implemented in all nine schools. Some multi-media devices and network printers were replaced in most schools.

We continue to provide professional development to our teachers to assist them in integrating technology throughout the curriculum. All School Department computers are connected to the Internet via internal networks and the Norwood Broadband's fiber network. We enhanced our network reliability and speed with some new electronic switches. All administrators and support staff have access to modern computer-based productivity tools and applications. We continue to enhance our staff's use of productivity tools that help them in increasing their efficiency and effectiveness. The Central administration and school web sites (www.norwood.k12.ma.us) are also being continuously updated and enhanced.

SCHOOL SECURITY

The Norwood Emergency Planning Committee, consisting of members of the School Department, Norwood Police and Fire Departments, Norwood Board of Health, and local and state public safety agencies continue to meet to ensure we are well-versed in the implementation of our Emergency Response Plans, should the need arise, including security, prevention, preparedness response and recovery.

BUILDINGS & GROUNDS

In cooperation with the Board of Selectmen, School Committee and Permanent Building Construction Committee, the renovations at the Willett Early Childhood Center were completed and the school was opened in September to service all Kindergarten and Pre-School children. We received a grant from the Department of Environmental Protection Agency to remove surplus chemicals from the Senior High School Science Department. The new Balch School Library was completed

NORWOOD PUBLIC SCHOOLS

through donations from the PTO and community, we are currently working on a new boiler at the Balch School and the H.O. Peabody steps were replaced. Ongoing maintenance throughout the school system included window repair, painting of the schools interior and exterior, replacement of window shades, handicap improvements were made and fire alarm systems were brought up to-date.

SPECIAL EDUCATION DEPARTMENT

The Student Services Department provides health, counseling, educational and assessment services to students in Pre-School to age 22. Local funds, as well as state and federal grants, permit the Department to provide specialized instruction to students who meet eligibility standards under Individual Education Programs, 504, or Individual Health Plans. Special Education services are provided to approximately 700 students. The range of services offered within the system continues to expand as new technology, programs and curriculum offerings develop. The range of services also varies to meet the individual needs of each identified student. The Student Services Department, in conjunction with its staff, students and parents, continuously assesses the ever-changing needs of our students to explore new program development and to meet the needs of the students in the 21st century.

Special education students in Grades K-12 have access to the services of Special Education teachers, Speech/Language Pathologists, Occupational and Physical Therapists, Adaptive Physical Education Specialists and Adjustment Counselors. Guidance Counselors in both the Middle and Senior High Schools work with students on course selection, learning and social issues, career and vocational planning and college placements. The Guidance staff plays a key role in transitioning students from the Elementary Schools to the Middle School, the Middle School to the Senior High and Senior High to college or the work environment. In addition, there are full-time nurses in each building who address the increasing medical issues facing our students. These nurses, under the direction of the Nurse Leader for the Department, conduct regular health, dental health, and screenings throughout the school year.

Quality programs exist at all levels that provide our students and staff with education both in health and social issues. Some of the programs offered include peer mediation, social competency, professional teacher development and new teacher mentoring.

ENROLLMENTS

The Norwood Public Schools provides educational services for three thousand six hundred sixty-five (3,665) students. Enrollment by grade level as reported October 1, 2004 was: Pre-School-**86**; Kindergarten-**235**; 1st Grade-**254**; 2nd Grade-**259**; 3rd Grade-**297**; 4th Grade-**276**; 5th Grade-**249**; 6th Grade-**272**; 7th Grade-**304**; 8th Grade-**288**; 9th Grade-

316; 10th Grade-**276**; 11th Grade-**290** and 12th Grade-**261**. Of this population, seven hundred students qualify for Special Education services which represents 19% of the total enrollment. An additional one hundred fifty-four (154) students received English as a Second Language services which represents 4.2% of the total enrollment.

RETIREMENTS

From the period January 1, 2004 to December 31, 2004, the following individuals retired from the Norwood Public Schools: **Senior High School** - Cheryl Brown (Foreign Language), George Fahey (Adjustment Counselor), Christine Focht (Health/Physical Education), Edward Kirker (English), Michael Ohlson (Math), Thomas Smelstor (Social Studies), Carole Smith (Learning Center), Robert Smith (Technology Education); **Middle School** - Maureen Buckley-Walsh (Family & Consumer Science), Richard Dunn (Guidance Counselor), John Hartshorn (Guidance Counselor), Eileen Heneberry (Math), Stephen Jacobs (Science), Nancy Lane (Computers), Raymond Lauzon (Science), Joseph Mooney (Social Studies), Mary Splaine (Foreign Language), Allan Whitty (Social Studies); **Balch School** - Mary Burnell (Librarian); **Callahan School** - Elaine Crowell (Grade 1), Elizabeth Guilfoyle (Grade 2); **Oldham School** - Timothy Ryan (Grade 5); **Prescott School** - Sandra Barner (Grade 2); **Elementary Music** - Robert Raphalian; and Custodial Services - Thomas Lydon.

RESIGNATIONS

From the period January 1, 2004 to December 30, 2004, the following individuals resigned from the Norwood Public Schools: **Senior High School** - Maryann Byrne (Social Studies), Maura Cancellieri (SPED Aide), Erin Combs (Science), Angela Franke (SPED Aide), Sharon Gallagher (Alternative Classroom), Allison Howard (English), Elaine Johnson (SPED Aide), Katie Manley (Para Professional), Timothy McAuliffe (Chemistry), Samuel Porazzo (Industrial Arts/Technology), Holly Scheuuing (Foreign Language), James Sweeney (SPED Aide); **Middle School** - Kimberly Bothwell (SPED Aide), Nancy Kelly (Para Professional), Susan Rothkopf (Resource Room), Tracey Wall (Resource Room), Monica Zeno (Title 1 Math); **Cleveland School** - Joseph Johnson (SPED Aide), Kristine Hughes (Grade 2), Dennis Zabrowski (SPED Aide); **Oldham School** - Kristin Burke (Cooperative Grade 1); **Prescott School** - Beverly Hunter (Instructional Aide), Catherine Kiernan (Grade 5), Corinne McKenzie (Instructional Aide) Amy Scull (Learning Center); **Willett Early Childhood Center** - Heather Conroy (SPED Aide), Andrea Parisi (Cooperative Kindergarten); and **James R. Savage Educational Center** - Katherine Bloom (Extended Day Program), Cheryl Frasca (Wilson Reading), Elizabeth Graham (Occupational Therapist), Christine Longley (Bookkeeper).

NEW STAFF

From January 1, 2004 to December 31, 2004, the following new staff were hired to fill vacancies created by retirements, resignations, promotions and new positions:

NORWOOD PUBLIC SCHOOLS

Senior High School - Rindo Barese (Technology Education), Brian Chamberlain (Alternative Classroom), Richard Cormier (Social Studies), Michael Crowley (Industrial Arts/Technology), Lisa Giuliano (Science), Faith Darling (Math), Kathryn Donovan (English), Rachel Holt (English), Robert Jones (Desktop Support), Erica Knipp (Science), Timothy Pettit (Foreign Language), Nancy Leung (Foreign Language), John Sarianides (Social Studies), Ann Sheffield (Science), Lisa Tartufo-Wood (Adjustment Counselor), Marybeth York (Foreign Language), Geoffrey Zini (Social Studies); **Middle School** - Amy Dalo (Resource Room), Darlene Dion (Alternative Classroom), Benjamin Gibson (Health/Physical Education), Matthew Johnson (Title 1 Math), April Kent (Science), Kathryn Lindquist (Social Studies), Patricia MacKenzie (Reading/Study Skills), Lisa Morrison (Health/Physical Education), Andrea Orlando (Learning Center), Barbara Ratcliffe (Resource Room), Angela Tardanico (Guidance Counselor), Lisa Wilcox (Title I Math); **Balch School** - Rose Hart (LTS Grade 3), Catherine Sastri (LTS Grade 5), Katie Tedesco (Primary Skills) Lora Roberts (Library Media Specialist); **Callahan School** - Jennifer O'Brien (Grade 1), Jennifer Barr (Grade 2), Janice El Bach (Title I); **Cleveland School** - Maureen McHugh (Grade 2), Katherine Paul (Instrumental Music), Megan Wickham (LTS Grade 3), Lisa Drenkhahn (Resource Room); **Oldham School** - Marianne Sullivan (Grade 1 Cooperative), Deborah Saunders (Grade 5); **Prescott School** - Robert Marshalsea (Grade 3), Kathryn Biagini (Grade 4), Lindsey Lloyd (Grade 5), Talia Shanahan (Learning Center); and **Willett Early Childhood Center** - Keri Fredericks (Integrated Pre-School), Kelli Melkus (Early Childhood Life Skills), Jennifer Rossi (Kindergarten).

Instructional Aides - Jyotsna Goel, Michelle Domaney (Willett); **SPED Instructional Aides** - Diane Ehrlich, John Gilmore, Ross MacLean (Senior High School); Theresa Sanchez, Lindsey Winselaar (Middle School); Kelly Colp, Stephanie Vozzella (Balch); Mary D'Aprile (Callahan); Richard Carlson, Margaret Doherty, Ellen Flynn, Maureen Meldrim (Cleveland); Gina Capadilupo, Marcia DiMaria (Oldham); Suzanne Druker, Signe Pagliuca (Prescott); Scott Clinton, Amanda Fitzgerald, Corinne Katinas, Karen Kinosian (Willett); and **Para-Professionals** - Rose Marie Fruci (Balch); Louise Fellini, Sheryl Lane (Willett).

MCAS

The seventh round of the MCAS was administered to 4th, 8th and 10th Grade students in April and May, 2004. Students were assessed in English/Language Arts, Mathematics and Science & Technology/Engineering. In addition, 3rd graders were tested in Reading; 5th graders in Science & Technology/Engineering; 6th graders in Mathematics, and 7th graders in English/Language Arts.

In October, 2004 the Department of Education released the results of the Spring 2004 MCAS. The use of average scaled scores was discontinued by the Department of Education this year. The following chart shows the

percentage of students scoring at each Performance Level:

		Advanced/Proficient		Needs Improvement		Warning/Failing	
		Norwood	State	Norwood	State	Norwood	State
Grade 4	English/Language Arts	71%	56%	25%	35%	4%	9%
	Mathematics	54%	42%	40%	44%	5%	14%
Grade 8	Mathematics	36%	39%	34%	32%	30%	29%
	Science & Tech/Engineering	37%	33%	37%	36%	25%	31%
Grade 10	English/Language Arts	77%	63%	18%	27%	5%	10%
	Mathematics	64%	57%	28%	28%	9%	15%

PROFESSIONAL DEVELOPMENT

Norwood has a comprehensive program for Professional Development. All teachers are provided with opportunities for professional development within the district as well as at other sites. The goal of our Professional Development Plan is to provide staff with opportunities to expand their knowledge, examine assumptions, take risks and devise mechanisms to support collaboration and sharing of ideas. The main goal of our professional development offerings is to assist Norwood educators to: (1) improve student learning through high quality classroom instruction; (2) acquire new knowledge and skills to enhance performance; (3) access opportunities for ongoing support; and (4) assist educators in meeting the state requirements for recertification.

Workshops were held during the full day in September, 2004 followed by two (2) early release days in October and December, 2004. During these days teachers participated in various workshop topics. In addition to these days, other early release days during the year allowed teachers to work in department and grade level groups to write and revise curriculum and collaborate on developing instructional strategies to meet the needs of all learners.

Some of the in-district offerings this year included: Dimensions of Learning - Parts 1 & 2, Mentor Training, Skillful Teacher, Open Circle Training, Using Technology, Balanced Literacy, Curriculum Mapping, Current Trends and Modifications in Special Education. In addition, we have introduced workshops in Smart Board Use for the Classroom, IPass Training, Writing with Young Authors, Differentiating Instruction through Readers' Workshop and Issues in Second Language Acquisition. Lastly, we have partnered with Bridgewater State College to provide a Masters Program in Reading and Para Professional Training and continue to offer workshops and training sessions in the implementation of the Massachusetts Curriculum Frameworks.

CURRICULUM DEVELOPMENT

The Curriculum Revision Plan continues to be followed with all Departments in Gr. 6-12 working on curriculum mapping. **The English Language Arts Curriculum** is aligned with the Massachusetts Curriculum Frameworks and provides content, goals and methodologies to be used by teachers. The document has graded curriculum and an appendix to assist teachers in planning lessons. The second phase of rewriting the **Foreign Language Curriculum** has been

completed and aligns with the Frameworks. The Foreign Language Department installed a new language lab to enhance teaching and learning. In **History/Social Science**, the staff continues to work on developing specific goals and objectives and has developed assessment instruments to evaluate student success in Grades 6-12. In **Math**, teachers in Grades 6-12 are confirming the refining all course outlines and adapting materials using a curriculum mapping approach. In **Science**, teachers in Grades 6-12 continue to work on the integration of new technology and probes for science experiments. The **Art Curriculum** was aligned with the Frameworks in Grades 6-12 and units of study have been developed. The use of portfolios has been implemented for all Art courses at the Senior High School. The **Technology/Engineering Department** continues to work on the Engineering focus of the Frameworks and is making significant progress. **Health and Physical Education/Family and Consumer Science Department** continues to provide a focus on student fitness and the Health Curriculum reflects a strong scope and sequence for all grades and is in alignment with the Frameworks.

At the elementary level, the Norwood Public Schools has partnered with Tufts University to provide sustained professional development for our staff focusing on a balanced literacy model of **Reading** instruction. This model was implemented in Grades K-2 during the 2003-2004 school year, expanded to Grade 3 during the 2004-2005 school year and is planned for Grades 4-5 during the 2005-2006 school year. In **Mathematics**, the implementation of the Everyday Mathematics Program continues in Grades K-5. During the past year, teachers have been reviewing data unit-by-unit to assess student progress and modify curriculum to meet the student's needs. In Science, the Science Center staff continues to review and refine the curriculum, providing six (6) units for each grade level and assists teachers in providing hands-on approaches to Science learning. In **Social Studies**, Grades K-2 uses a selection of trade books for classroom instruction and discussion that focuses around the Frameworks topics. Grade 3 students are studying famous Massachusetts people as a cross curriculum unit on biographies, as well as a unit studying the Town of Norwood, both from a political and historical prospective, to develop a greater understanding of their town and the parallels to American History. In Grades 4-5, students are using textbooks around themes of Regions of the United States and United States History.

SUMMARY

It is my pleasure to submit my third Annual Report as Superintendent of the Norwood Public Schools. I take great pride in the fact that the staff continues to work diligently to grow professionally and is dedicated to providing every student with the best possible education. I would like to thank the School Committee, administration, faculty, support staff and Town officials for all their assistance in helping the School Department achieve the many accom-

plishments outlined in this report despite a very difficult fiscal year. I am confident we will continue to work collaboratively to improve our schools to be one of the best in the Commonwealth and look forward to working with everyone to achieve this goal.

Respectfully submitted,

Edward P. Quigley, D.Ed.
Superintendent of Schools

SENIOR HIGH SCHOOL

NORWOOD SENIOR HIGH SCHOOL 2003-2004 ANNUAL REPORT

On September, 2003, a total of 1107 students enrolled at Norwood High School. The School Council again had an aggressive agenda with five (5) goals targeted for improvement. The staff continued to work on the highlighted recommendations articulated in the 1999 NEASC Evaluation Report in preparation for our 5 year report. Our building needs continue to be a priority and we are making efforts to review plans to improve the Science wing and expand the number of all-purpose classrooms to present to Town Meeting in December. We continued to review important school issues with the Faculty Senate, School Council, PTA and student body. Our on-going discussions center around how to make Norwood High better in order to serve the educational needs of the future. We continue to be well supported by the community and the staff and students are sensitive to their generosity.

FOREIGN LANGUAGES

The aging Sony language lab was replaced in February with a state-of-the-art Tandberg digital lab. In addition to the functions of the old Analog lab, the new lab allows on-line and Internet activities, access to student and teachers folders on the shared drive and digital recording. Teachers also increased class use of the computer labs for many activities, and made several visits to the library. The Department celebrated Foreign Language Week in March with a variety of activities that included: decorating the school with posters, signs and flags; foreign foods were featured in the cafeteria; an international luncheon was held where delicious dishes from around the world were served; during the Morning News notices and greetings in various languages, along with a trivia contest, were given; and several classes combined for competitions on the Punic Wars and lessons in a new language, while other classes made tee-shirts with French or Spanish slogans. Students participated in the National French and Spanish exams and the following French students were National Winners: Giuseppe Caruso, Tatyana Zhukov, Alisha Cooper and Laura Kamfonik. The Spanish winners were: Claire DeRosa, Theodore Aronson and Alec Torres. Winners of the Foreign Language Department Awards for Outstanding Achievement were: *French 5* - Laura Kamfonik; *French 4* - Albert Nadjarian; *French 3* - Nicholas Bunker and Paul Chang; *Spanish 5* - Mridhula Raghupathy; *Spanish 4* - Tracey DaFonte; *Spanish 3* - Dianne Kamfonik; *Latin 4* - Benjamin Webber; and *Latin 3* - Katherine Clifford and George Sweeney.

HISTORY/SOCIAL SCIENCE DEPARTMENT

Curriculum development dominated the Department in four major efforts: (1) curriculum mapping was pursued to better understand what is "actually" taught by individual teachers and to better coordinate our efforts; (2) primary sources were introduced into the curriculum on a wider scale to conform to the Curriculum Frameworks; (3) data was collected on various pathways to find the best path for our

students to succeed on the future MCAS test; and (4) the Department continues to improve mid-terms and final exams with the staff analyzing the tests to ascertain their successes on stated goals and objectives. In February, the Department commemorated Black History Month with classes creating special projects on different aspects of African American life and Law classes had an attorney from a Boston law firm come to discuss the importance of precedents set by the Supreme Court's decision in the *Brown vs. Board of Education of Topeka, Kansas*. In May, students participated in Student Government Day at both the Town and School levels with students participating in a mock Town Meeting as well as a mock School Committee Meeting which were very successful. The Economics classes set records in sales in a mock company that introduced them to the principles of business and continued to compete successfully in Titan, an Internet Interscholastic Business Simulation Competition, and succeeded again in sending representatives to the finals at MIT. Lastly, the Department had a number of speakers and field trips to provide first hand experiences.

MATHEMATICS & TECHNOLOGY

Grades 9-11 are using very contemporary material published by three different groups. One of the Geometry texts relies very heavily on related computer software and the discovery and hands-on components of this approach are exciting to staff and students. The Math Academic Support class, in its second year, served over 50 students very well and 2 staff members assisted students with Algebra, Geometry and MCAS materials. MCAS tutoring services were also provided in several formats: routine review during Math classes, after school sessions supported by state funding and intensive help sessions for students in danger of failing. The Math Department elected the following students as "Math Student of the Year": 2004 - Mridhula Rhagupathy; 2005 - Brendan Dawson, Robert McGuire and Nick Bunker; and 2006 - Claire DeRosa. The Rensselaer Medal Winner for the highest combined Math/Physics average was Brendan Dawson.

The Internet continues to be the single greatest opportunity for technology inclusion at the High School and teachers from every discipline are incorporating Internet use as a tool for learning. The High School newspaper, the Hilltopper, was published for a second year and the High School web page was rejuvenated with increased staff and administration interest with athletic schedules published daily as well as new features being added. A growing number of teachers and students are generating Microsoft PowerPoint presentations to be used for classroom demonstrations. The 6 computer labs are in use almost every period of every day. A library of computer presentations has been established to share the student and staff work. Students and teachers are using this valuable tool to present solid academic ideas in a new and interesting way and PowerPoint presentations are becoming

standard pedagogy in many classes. The departmental booklet has been published on-line at: <http://www.norwood.k12.ma.us/nhs/Math%20Department%20Booklet.PDF>

SCIENCE

In recent years, the Department has identified a number of areas for improvement, has more closely aligned content topics with the Curriculum Frameworks and increased the use of scientific investigations and cooperative lessons. In addition to content standards, the State has put forth guiding principles for science educators. One guiding principle states: "investigation, experimentation and problem-solving are central to science education", therefore, our teachers are preparing and facilitating experiments for students to investigate scientific topics with 9th and 10th grade Biology students investigating genetics in Boston University's mobile lab which is equipped with investigative tools that are similar to those used in hospitals and scientific labs. In order to enhance scientific investigations for the current curriculum, the teachers are in the process of organizing and updating the science materials and equipment inventory. Given the aforementioned guiding principal, the Department has also prioritized the purchase of materials and equipment for hands-on learning. A second guiding principle is "an effective program in science gives students the opportunities to collaborate and communicate their ideas." In light of this principle, the teachers continue to identify and facilitate lesson topics that are appropriate for cooperative group learning by having students work in small groups with focus discussions on specific scientific topics.

LIBRARY

The mission of the Library is to support the curriculum of the High School, provide access to current, adequate and appropriate information resources, and to ensure that all students and staff are effective users of ideas and information. The Library was renovated in the summer of 2000 and the budget was increased to meet state and NEASC standards. In addition to the improved budget, \$5000 worth of books has been donated. With an up-to-date collection of books, there has been increased use of both the facility and its resources and the following departments used the Library to enhance the student's learning experience: Freshmen Physical Education classes began the year by doing a combined health project and library orientation; Science projects were worked on throughout the year regarding elements, biomes, atomic models and genetics; Art classes used the new anatomy, photography, painting and comics collections; English classes perused poetry books and did research on poets; Foreign Language students studied Central and South America and Frida Kahlo; Social Studies classes did research on psychology, sociology, criminal law, imperialism, Eastern Religions, the Middle Ages, Chinese culture, the French Revolution, the Renaissance, African history, Presidents and World War II. The 25 member Student Book Club met

monthly throughout the school year to read and discuss a variety of books that were chosen with the Librarian. Students and staff enjoyed free newspapers from the Boston Herald and USA Today that were distributed through the Library. There is a new High School Library web page that can be accessed from home or school: <http://www.norwood.k12.ma.us/nhs/NHSLibrary/nshlib.html> where students can search the on-line catalog, access powerful magazine and newspapers databases and find book suggestion links easily.

ART

The staff worked on curriculum mapping the entire year and all courses are complete with content and standards. A new DVD player was purchased for the Department. Approximately 524 students have signed up for an art course for the 2004-2005 school year. *The Seventh Annual Fine Arts Festival* was held at the Apollo Function Hall and artwork representing the K-12 Art Program was featured. The Department participated in the *National Scholastic Competition Awards* where we received one Silver Key and one Honorable Mention. Christopher Boakye and Assenia Djaleva were awarded the "Albie Awards;" Christopher Boakye was awarded the "Annual ART Award" on Class Day; James Buck and Christopher Boakye received the *Norwood Art Association Scholarship* and Christopher Boakye received the *Art Scholarship at Graduation*; and Kevin Breen, Andrew McFarland, Kristen DiMarzo, Michelle Thompson and Jeffrey Calligan received *Departmental Awards*. John Radosta designed the CD cover for the *PMA's Music Program* CD. Sara Garver was sent to represent the High School at *Art Allstate* where she was selected as one of the 140 gifted Juniors from the Commonwealth. The Student Chapter of the *National Art Honor Society* inducted 16 new members in March. *Artist in Residence*, Leo Abbott, taught a cartoon course that was funded by the Norwood Cultural Council's FreshAIR Program.

HEALTH/PHYSICAL EDUCATION/FAMILY & CONSUMER SCIENCES

The Department continues to be involved in constant evaluation and subsequent curriculum revision wherever needed and this year's efforts were centered on curriculum mapping. Kathleen DelGrosso, an EMT from Caritas Hospital, spoke to all 9th grade Health classes on general first aid procedures and during the fall they participated in a Library Orientation Program in conjunction with the school Librarian where they were introduced to the Library and given research assignments based on their health unit of study. Officer Giacoppo came to all 11th Grade Health classes and spoke to students about drinking, driving and the law; he brought with him "fatal vision goggles" that actually simulate what it would be like if a person was legally drunk and had to perform a field test. Once again, all 12th graders were certified in Adult CPR through their Senior Health classes. In May, the Health/Physical Education staff and High School nurses invited all students and faculty to

COAKLEY MIDDLE SCHOOL

attend a highly successful Health Fair in the gymnasium that included the following participants: Asthma & Allergy Foundation, American Cancer Society, American Lung Association, Caritas Hospital, Frank Civatone/Weight Lifter & Guinness World Book record holder, Norwood Board of Health, Norwood Police Department, Physical Therapy & Sports Rehab of Norwood and SADD students.

Respectfully submitted,

George S. Usevich
Principal

DR. PHILIP O. COAKLEY MIDDLE SCHOOL 2003-2004 ANNUAL REPORT

In September 2003 we welcomed 926 students to the Middle School. The academic year started with the introduction of the goals established in the spring of 2003 which included providing and maintaining a safe and secure environment for all students, continue the long-range process of improving the facilities and book collection in the library; continue to develop and strengthen a process of eliminating bullying and harassment in the school environment; and develop a character education program.

The Character Education Committee consists of 15 students, 5 teachers and 4 parents who met regularly to develop a program designed to instill respect and responsibility as two core values of the school. The Committee named its program R.O.A.R. (Reach Out and Respect) and is now in the process of developing monthly themes that will help instill in students these core values. The School Council met 7 times throughout the year and offered their expertise to help administration achieve the goals set for the year. The PTA met 8 times and continued to contribute immensely to the School; again took on the challenge of improving the school library; had several fundraising events to help achieve this long-range goal and new books and furniture have been purchased as a result of their efforts. As part of this year's goal of addressing bullying and harassment, Grade 6 viewed an assembly titled "*Doin' The Right Thing*", a dramatic presentation that defined bullying, told students what to do if they are a witness or victim of bullying and why bullying sometimes happens. Grade 7 once again participated in a panel discussion by the Norfolk County District Attorney's Office on the seriousness of the issue and what it looks like in the eyes of the court, as well as participated in a multi-media event titled "Quest for Respect" that used music, media and other teen images to get the message of self-respect out to students. Grade 8 also viewed the multi-media event and understood the message of self-respect and the importance of it in their lives.

The Community Center for Counseling & Education in Walpole provided the following programs for girls of the Middle School: (1) *Intergenerational Project: Students Working with Seniors* was available to 7th and 8th graders who worked after school one day a week with senior citizens from Norwood in creating a mural on the seniors' community room of the local Senior Citizen Center. (2) *The Stand By Me Lunch Group* was available to 8th graders who met the criteria; the goal was to give each participant an opportunity to learn about herself and grow through art, drama and poetry to draw attention to the issues that sometimes quiet girls at this age; the girls were recommended by faculty as leaders, potential for leadership, showing signs of low self-esteem and strength in the arts area; and the girls picked for this program considered it an honor as many had never been picked

before. (3) *Wednesday's Women* is a once a month seminar for 6th, 7th and 8th graders and their mothers; the topics addressed included women portrayed in the media, communication, literature and various other topics of concern for teens and moms at this age.

Mr. Whitty continued to meet with the Image Plus Committee with the emphasis on identifying programs and strategies to defer students from inappropriate or dangerous behavior. Ms. Roberts and Mrs. Mullen's students were again turned into published authors whereby each student prepared their own book which was professionally bound that proved a perfect way to generate writing excitement, improve writing and language skills, and built self-confidence, self-esteem and a sense of pride just like professional authors.

The Faculty Senate continued to meet with the goal to improve the atmosphere at the Middle School. The Senate received proposals from the faculty, evaluated the suggestions for change and made recommendations to administration. For the 3rd year in a row, the Partnership In Norwood Service (P.I.N.S.) continued to encourage 8th graders to "give back" to the community through volunteer work. We believe this will not only create a stronger link between the students and Town, it will start a precedent of volunteerism that will carry on in the high school years and beyond. Six hours of verified community service was required and we are proud to say that 86% of the 8th grade completed their P.I.N.S. points.

STUDENT SERVICES

The major goal of the Student Services Department is to continue to encourage each student to perform to their highest capability, to accept themselves and to appreciate the differences in their schoolmates. They continue to upgrade the Grade 5 Orientation Program that incorporates a video of the school highlighting the programs, showing 6th grade students in classes during a regular school day, and includes a tour of the building and classroom visitation. In November, a presentation was arranged for the 8th graders to hear about course offerings at Blue Hills Regional Vocational School, and students interested toured the school, and were interviewed in February. Programming for the school year consisted of the following activities: in January, a Student Services Department Night Presentation to parents, meetings with 5th grade teachers, and individual conferences with each student regarding course selection. Counselors met throughout the year with individual students to review progress reports and term grades, individual meetings with parents and teachers were ongoing, and weekly progress reports and arranging for parent meetings with teachers were continuous.

ENGLISH/LANGUAGE ARTS

The Department worked to improve the MCAS results by beginning the process of curriculum mapping. During year one, all English/Language Arts staff will complete the

portions of their individual maps that cover standards, content, instructional strategies and assessment and collaborated with team members on interdisciplinary strategies for teaching literacy across the curriculum. For the first time, teachers administered and holistically corrected a writing assessment to gather data on both individual and group performance in the area of organization, content and presentation that will help us make future curriculum decisions. The MCAS long composition was administered to Grade 7 in March and multiple-choice and open response sections were completed in May. Thanks to the generosity of Dedham Bank for Savings, all 8th grade classes enjoyed a performance of *A Midsummer Night's Dream* by Shakespeare Now. The entire 7th grade class attended the annual presentation of Dickens' *A Christmas Carol* at the North Shore Music Theater. The 6th grade class hosted the traditional *Grade 6 Literary Luncheon* held in May

FOREIGN LANGUAGE

The Department organized the following activities to strengthen students' cultural awareness and enhance their language skills: in November, every student in the French Program celebrated "*La Semaine du Français*"; 6th graders played "*boules*", a form of bocce ball, and enjoyed a croissant breakfast; 7th graders participated in a boules competition and celebrated with French pâtisseries and fromage; and 8th graders competed as "garçons/serveuses" in the French Waiters' Race and made dessert crepes. In March, the entire school observed Foreign Language Week. Students made posters promoting the study of foreign languages that decorated the halls, mystery voice and international trivia contests highlighted the week's activities and the Department hosted a breakfast for the winning homeroom in each grade. Over 100 students participated in the National French and Spanish Exams and 6 students received awards from the American Association of Teachers of Spanish and 4 from the American Association of Teachers of French. Winners of the Foreign Language Department Awards were: Melissa Beaton and Michael McCorkle in French; and Hazel Gammad and Julia Babel in Spanish.

MATHEMATICS

Math teachers in Grades 6-8 continue to use new materials published by The Everyday Learning Corp. which are consistent with the new K-5 Everyday Mathematics Program. Grade 6 teachers are in the second year of the Literacy in the Content Area course that is one term in length and every student uses the new program. Teachers have had multiple opportunities for training in the implementation of the Everyday Math program and training, sharing and refining goals continued for the entire academic year. Curriculum days have been used for grade level meetings to review content and construct mid-year and final exams. These exams assist the Department in assessing student progress, determine future material to be covered and set benchmark guidelines for student performance.

COAKLEY MIDDLE SCHOOL

For six months, students in Grades 6-8 participated in the Continental Math League Competition and winners in each grade are: Grade 6 - Raviheja Yelleswarapu, William Gearty and Vincent VanMierlo; Grade 7 - Bridge Lambert, Krishna Yelleswarapu, Michael Chen, Anu Bandi and Nichols O'Neill; and Grade 8 - James Kehoe, Sean Concannon and Zahra Ghadyali.

SCIENCE DEPARTMENT

In recent years, the Department has identified a number of areas for improvement, has more closely aligned content topics with the Curriculum Frameworks and increased the use of scientific investigations and cooperative lessons. In addition to content standards, the State has put forth guiding principles for science educators. One guiding principle states: *"investigation, experimentation and problem-solving are central to science education"*, therefore, our teachers are preparing and facilitating experiments for students to investigate scientific topics with 7th graders investigating genetics in Boston University's mobile lab which is equipped with investigative tools that are similar to those used in hospitals and scientific labs. In order to enhance scientific investigations for the current curriculum, the teachers are in the process of organizing and updating the science materials and equipment inventory. Given the aforementioned guiding principal, the Department has also prioritized the purchase of materials and equipment for hands-on learning. A second guiding principle is *"an effective program in science gives students the opportunities to collaborate and communicate their ideas."* In light of this principle, the teachers continue to identify and facilitate lesson topics that are appropriate for cooperative group learning by having students work in small groups with focus discussions on specific scientific topics.

HISTORY/SOCIAL SCIENCE DEPARTMENT

The Grade 6 Ancient Civilization course covers pre-civilization and ancient civilizations such as Egypt, Greece, Rome, China and India to approximately 900 AD. The Grade 7 World Cultures and Geography class did extensive map work with emphasis on Asia, Europe, Middle East, Africa and Latin America; and studied the environment, climate, landforms, religions, history, government, economics and the lifestyle of each region. Great emphasis was placed on the modern era, modern Japan, China, India, Great Britain and Russia; and students did special units on the problems in Northern Ireland, Bosnia, North Korea, the Arab-Israeli conflict and changes in the new Europe and Russia. The Grade 8 US History course studied the exploration period to 1877 and included extensive units on the American Revolution, Constitution and workings of the government, elements of good citizenship, Civil War, slavery, civil rights, black history, women's movement, 20th century Presidents, native Americans, immigration and the Holocaust. There was continued collaboration between the History and English Departments in writing and evaluating research reports. All 7th and 8th graders were required to write essays throughout the school year on

prejudice, the changing role of women, black history, Civil Rights Movement and the impact of Jackie Robinson and M.L. King. The Departments also worked jointly in teaching the American Revolution, Holocaust and other units by assigning related readings and reports, and analyzing content and grammar. Teachers spent time on the importance of treating all people with respect, stressing multiculturalism, pain of prejudice and celebrating ethnic differences. During the year the following activities were used to enhance the curriculum: (1) current events were discussed daily; (2) films shown on Civil Rights and M.L. King; (3) Living Voice Presentations, where an actor uses interactive video, were given on civil rights and the story of Anne Frank; (4) a Holocaust survivor from Schindler's List spoke to 8th graders; (5) a speaker posing as a Civil War soldier shared thoughts and left inspiring messages; (6) a Norwood policeman spoke to students concerning their rights upon arrest and the role of a policeman; and (7) Grade 6 saw a presentation on Egyptian life from an expert speaker in the field. In addition, the 8th graders went to Lexington, Concord and Boston to visit historic sites, meet local politicians and have a guided tour of Boston; and visited the JFK Museum.

ART DEPARTMENT

The following activities were offered after school: The Artists' Circle for artistically gifted 7th and 8th graders, 3Dimensional Art Group and Photography Club. The Department was actively involved with the PTO fundraising efforts and all initial designs were created in the Art classes. The Seventh Annual Fine Arts Festival was held in April at the Apollo Function Hall and Artwork representing the K-12 Art Program was featured. In January, students participated in the National Scholastic Competition Awards, we had 10 entries and there were two winners: one Gold Key and one Honorable Mention. There were six Department Awards presented this year; students visited the Fogg Art Museum in Cambridge; and sent 14 art pieces to the South Shore Art Festival.

INSTRUCTIONAL MEDIA CENTER

Twelve workshops, covering library/technology, were given to the 6th grade literacy classes; and several 7th and 8th grade classes were scheduled for library research. The Book Fair was held in October and as a result we were able to add 100 new books to the library, and the PTO donated approximately \$3,000 for 100 new Social Studies books, \$1400 for a library table and 4 chairs and raised approximately \$400 through the Book Donation Program. The 6th Annual Literary Luncheon was held in May; and Ms. Ladow's 6th graders and 19 Norwood Senior Citizens read and discussed *Notes From a Liar and Her Dog*. School funds enabled us to purchase and catalog 191 new books for the circulating collection. The Middle School joined MassCAT in October and our non-fiction circulating collection is now on-line. The Library Volunteer Program has been extremely successful this year with 6 mothers volunteering each week and their help is greatly appreciat-

ed. The Goals for 2004-2005 are to integrate the library and information literacy curriculum with each Department's curriculum maps, to focus on fundraising for books, bookshelves and furniture, and to continue to develop the library web page.

HEALTH & PHYSICAL EDUCATION/FAMILY & CONSUMER SCIENCES

The Department continues to address the goals of good health, fitness and positive decision-making for all students because this a most critical age when many habits and attitudes around health and wellness are formed. The Physical Education curriculum continues to focus on each student's fitness and testing in the fall and spring assist in assessing their overall fitness. Students utilize their personal fitness charts and set up goals for the spring. Some highlights from this year's activities include: the Personal Fitness Challenge, Cooperative Games, Paddleball, Volleyball units, and the "High Five Award" to deserving students who the staff feel show leadership, enthusiasm, cooperation and dedication during Physical Education and the winners receive a tee shirt, award certificate and school-wide recognition. Once again, we offered additional programs to enhance our Health curriculum. This year we participated in the "Kick Butts Day" which is a tobacco prevention initiative and together with Caritas Norwood Hospital we conducted tobacco prevention fair. While the focus was prevention, we also remembered those lost to tobacco related deaths as well as those presently addicted. A highlight of the day was the memory quilt where students created paper quilts in memory of a loved one who died from a tobacco related illness, is currently suffering from one or is addicted and this quilt covered an entire wall of the gym. The focus of the Family & Consumer Sciences Department continues to be on preparing students in the area of life skills. Emphasis in the Foods Department is on nutrition, kitchen/food safety and current trends in food preparation. Students learn about making healthy food and snack choices as well as serving sizes by using the food pyramid and reading labels. During class, as students are preparing food, they compare, discuss and choose products. Once again, a nutrition poster contest was held each trimester and winners received school-wide recognition and a healthy lunch with their teacher.

Respectfully submitted,

John W. Cook
Principal

BALCH, CALLAHAN, CLEVELAND, OLDHAM & PRESCOTT ELEMENTARY SCHOOLS 2003 - 2004 ANNUAL REPORT

It is with great pleasure that we submit the following combined Annual Report for the Balch, Callahan, Cleveland, Oldham and Prescott Elementary Schools. The 2003-2004 school year saw a great many educational accomplishments and new initiatives to programs which could not have been achieved without support of the community, the dedication of our PTO's and volunteers, the talents of our teachers and support staff, and the involvement of parents. The following is a summary of these efforts.

BALCH SCHOOL COUNCIL

The following people comprised the Balch School Council: John Condlin (Principal and Co-Chair); Elisabeth Kelly (Teacher and Co-Chair); Jane Gentilli (Teacher); Ilene Gallelo, Sean Geary, Margaret Johnston and John Sabbag (Parents) and submitted the following goals to the Superintendent of Schools:

1. *To increase student achievement and promote high academic standards for all students.*
 - A. Ongoing activity: refine assessment strategies, including MCAS analysis/student remediation process.
 - B. Evaluate the implementation of the Everyday Math Program.
 - C. Evaluate the Balch School Museum or History school-wide initiative.
 - D. Continue the development of the Balch School Archives of historically significant items.
 - E. Investigate funding sources (Cultural Council, Music Association, PTO) to establish an after school drama club.
2. *To increase performance of special education students.*
 - A. Analyze standardized test scores relative to students who receive special education services.
 - B. Evaluate the effectiveness of service delivery to students who receive special education services.
 - C. Provide a forum for staff to discuss effective practices in special education.
3. *To improve communication and dialogue within the Balch School community.*
 - A. Create a regularly updated Balch Web Site utilizing parent volunteers.
 - B. Continue to publish an annual literacy magazine of children's writings.
 - C. Encourage parent/teacher e-mail communication.
4. *To assure a safe, orderly and productive learning environment for Balch School students.*
 - A. Move library to a centralized location.
 - B. Achieve effective utilization of space to improve nurse/administrative functions.
 - C. Evaluate Balch security procedures.
 - D. Continue identifying and communicating safety issues.

ELEMENTARY SCHOOLS

- E. Continue to encourage appropriate student behavior through expanded emphasis of social competency strategies and the school-wide behavior plan.

CALLAHAN SCHOOL COUNCIL

The following people comprised the Callahan School Council: Robert Griffin (Principal and Co-Chair); Carolyn Lynch and Mary Sweeney (Teachers); Diane Stover-Craig (Co-Chair and Parent), Holly Randall and Tim Maguire (Parents) and the following School Improvement Plan Goals were identified and accomplished this year:

1. The Report Card Committee continues to meet to regularly evaluate and revise a new report card for Grades K-5.
2. The district and school literary teams collaborated with consultants from Tufts University to begin implementation of a Balanced Literacy Program for Grades K-2.
3. We received the funding necessary to expand our Integrated Needs Program into Grades 1-2 this year.
4. Grades 3-5 teachers participated in the curriculum mapping necessary to ensure that we are aligned with the latest changes to the Curriculum Frameworks.
5. Our neighborhood sent 5 students to the district's full-day kindergarten pilot program and our teachers and aides are meeting regularly to expedite the transition of all kindergarten students to the full-day program during the 2004-2005 school year.
6. Technological advances included the purchase and training for 2 new Smartboards for classroom use and the purchase and training for a mobile unit that provides access to 20 laptop computers for the students in Grades 4-5.

CLEVELAND SCHOOL COUNCIL

The following people comprised the Cleveland School Council: Michael Czyryca (Principal and Co-Chair); Cynthia Campagna, Janet Maher and Maryanne Rakauskas (Teachers); Linda McCarthy (Co-Chair and Parent), Timothy McDonough and Amy Sobchuk (Parents), and Austin Poirier (Community Representative) and the following School Improvement Plan Goals were identified this year:

1. Literacy - To implement a comprehensive literary model (Balanced Literacy) in grades K-2.
2. History and Social Science - To implement the changes in the revised Curriculum Frameworks.
3. Technology - To increase the use of technology across the curriculum of all grade levels.
4. EUREKA Program - To implement a different model of service delivery.
5. Student Achievement - To increase student achievement in Math by administering unit, mid-year and end-of-the year assessments associated with the Everyday Math Program

to identify progress and grade level goals.

6. Year Three of Cleveland School Library Plan - Acquire additional materials and resources.

OLDHAM SCHOOL COUNCIL

The following people comprised the Oldham School Council: John Burns (Principal and Co-Chair); Caroline Haberlin and Kerri Pritchard (Teachers), Sue Petro (Co-Chair and Parent), Amy Campbell (Parent) and Frank Bilotta (Community Representative) and the following School Improvement Plan Goals were identified and accomplished this year:

1. Continue the teaching of critical thinking skills through Dimensions of Learning.
2. Continue to improve multicultural awareness through events such as International Day.
3. Build upon the established literacy awareness program.
4. Improve open-ended problem solving and open-ended response skills in math.
5. Promote school safety by working toward a school policy on harassment while establishing an environment of respect through the use of social competency.
6. Use simulations that ensures safe egress for students and staff during emergency situations.
7. Improve the academic performance of students most at risk using an inclusive model designed with the support of Title One, Speech, Learning Center and Resource Room teachers.
8. Educate all staff members about the Cooperative Programs and criteria for student placement.
9. Utilize and publicize the new Norwood Elementary School Curriculum Map and Mission Statement and the Oldham School Library Policies Statement as part of the Oldham School Improvement Plan.

PRESCOTT SCHOOL COUNCIL

The following people comprised the Prescott School Council: Evelyn Wall (Principal and Co-Chair); Linda Carta and Jennifer Dube (Teachers); Karen DePoutot (Co-Chair and Parent), Sherri Theos and Joanne Prendergast (Parents) and Marion Boch and Pat Rose (Community Representatives) and the following School Improvement Plan Goals were identified and accomplished this year:

1. Expanded the use of technology as a tool for instruction through donations and the School Department purchasing 20 new laptop computers.
2. Improving playground safety by developing written guidelines and a map for playground volunteers and playground rules for the children.
3. Responding and dealing with bullying as part of the Prescott's Social Competency Program.
4. Actively participated in the Search Committee for the selection of the new Prescott Principal by giving input on the qualities and characteristics desired for this position.

READING PROGRAM & TITLE ONE

Tufts University is providing teacher training in balanced literacy over a three (3) year period. This year the school system adopted a balanced literacy approach to reading instruction in Grades K-4. The Reading Specialist and Title I teachers also worked within each classroom to offer reading modifications to those students who need the extra support for the regular classroom curriculum during the scheduled reading time to improve reading, writing, listening and speaking. They also used a pullout model for those students who needed additional help aside from the regular classroom curriculum and other individualized programs were utilized to provide support for these students. The Specialist and Title I teachers helped to administer many assessments and all testing results were graphed and presented to the classroom teachers to help further their instruction for their students. The classroom teachers used individual assessments to better understand the needs of individual students; evaluated the student's strengths and weaknesses; and provided classroom modifications. In addition, there were many additional activities arranged by the Reading Specialist and Title I teachers in each school to make reading enjoyable so our students strive to become proficient readers and writers.

LIBRARY

This was another productive year in the libraries and children continue to be enthusiastic users of the library with an average circulation of approximately 500 books each week. Many library skills were acquired or reviewed this year. Grade 1 learned how to care for books, be responsible by returning books on time, how to distinguish fiction from non-fiction books and have become familiar with many series books. Grade 2 expanded their reading to include longer fiction books, enjoyed many fairy tales, analyzed characters and their feelings, and explored poetry. Grade 3 learned about different parts of books, explored Tall Tales and became acquainted with the card catalog so they can be independent users of the library. Grades 4-5 polished their card catalog skills and worked on Big6 research projects where the children were required to hand in their notes, drafts and bibliographies, and rubrics were used to assess their reports. Grade 5 visited the Morrill Library to become familiar with the online catalog and the research materials available to them there. As usual, the PTO/PTA's were very active in raising money to purchase new books to help students become enthusiastic and habitual independent readers.

ENGLISH AS A SECOND LANGUAGE (ESL)

The ESL Program serviced 154 students who spoke many different languages from Albania, Bangladesh, Brazil, Canada, China, Columbia, Dominican Republic, Egypt, El Salvador, Germany, India, Japan, Korea, Lebanon, Lithuania, Nigeria, Pakistan, Philippines, Puerto Rico, Romania, Saudi Arabia, Russia, Somalia, Venezuela, Ukraine and Vietnam. After testing was completed, students were broken up into three (3) groups: Non-English

Speakers who received 45 minutes of pullout ESL classes daily; Support Students who received pullout or inclusion services that ranged from daily to 3 times a week for periods of 30-45 minutes depending on their grade and language level; and Monitored Students who are recently exited from the program that may need additional help. All ESL classes focused on increasing vocabulary, rhyming ability, reading and writing skills and supporting classroom subjects such as Science and Social Studies.

STUDENT SUPPORT TEAM

The purpose of Student Support Team (SST) is to have a team of teachers available to meet with classroom teachers to discuss ways to help children who are experiencing difficulty achieving success. The team consists of a classroom teacher, Reading Specialist, Adjustment Counselor, Learning Center/Resource Room teacher and Principal. The SST provides an alternative for teachers other than the SPED referral process, for obtaining input from colleagues on ways to help children achieve success.

SPEECH/LANGUAGE PROGRAM

The Speech/Language Program provides supportive services to children individually or in small groups, depending on the child's need. The responsibilities of the Speech Therapist include participation in the SST as well as performing recommended speech and language evaluations; and a formal report with test results, observations and recommendations is written and presented at the evaluation meetings. The Therapist also works closely with teachers, parents and other specialists to coordinate programs suited to the individual needs of a given students and is part of a team that provides a screening process annually for students entering Kindergarten.

LEARNING CENTER

The Learning Center teacher is a member of the SPED Core Evaluation Team and SST and is responsible for academic testing, interpretation of test results and development of Individual Educational Plans (IEPs). Students are supported in a variety of ways including one-on-one, small group, and/or inclusion settings depending upon their individual needs. These students may need modification of classroom materials; extra time to complete class work; detailed previewing of content; repetition of material with several demonstrations; special visual reinforcements; need to take tests in a separate setting; or need tasks broken down into more manageable steps. Students who are assigned to the Learning Center take evaluative tests such as the MCAS in small groups in the Center. The Center is also a resource for teachers, assisting with modifications and teaching strategies that are appropriate in the classroom, evaluates students who are referred for special services and participates in Kindergarten screening.

RESOURCE ROOM

The Resource Room services children who have a wide

ELEMENTARY SCHOOLS

variety of needs and meet the criteria for SPED services with disabilities ranging from autism, communication, neurological disability, mild to severe specific learning disabilities and behavioral/emotional issues. The SST meets annually to discuss whether the child is making effective progress with this support and the need for services. A less restrictive environment is discussed and the ability of the student to access the general grade level curriculum is addressed. Children are serviced in the Resource Room according to the service delivery that is written into their IEP that requires small group instruction and/or one-on-one assistance and instruction in one or more academic areas. The Resource Room is also available for students to take tests, complete unfinished work or serves as a place for a "time out" or "sensory break". The Resource Room teacher collaborates with the classroom teacher to provide instruction and work on the grade level curriculum, provide modifications and accommodations within the classroom and to include the student in the classroom routine. Behavioral plans are developed and implemented to assist the child in his/her inclusion in the classroom and in unstructured settings (i.e., recess, gym and lunch).

COOPERATIVE CLASSROOM

In each Cooperative Classroom, a regular and Special Education teacher work together to meet the various needs of students, and lessons and activities are modified and planned collaboratively. Therapies and related services are provided both in and out of the classroom and students benefit from having 2 full-time teachers in their classroom that allows for more hands-on activities; differentiated instruction; one-on-one attention for all students; and the stigma is reduced for those students who would otherwise be pulled from the regular education classroom to receive academic support services. Humor, communication and a high degree of comfort truly define the cooperative classroom.

SCHOOL ADJUSTMENT COUNSELOR

The School Adjustment Counselor services those students who have emotional problems, social issues or who present behavior problems in school. Classroom teachers, who are in a position to recognize symptoms of emotional upset, unusual behavior or poor social adjustments, usually refer these students. The Counselor meets with students individually or in a group setting on a regular basis; is in regular contact with parents and teachers regarding concerns they may have with a student; and will observe the student and provide individualized behavior plans for students in need. The Counselor is part of the SPED Evaluation Team and meets with parents of incoming Kindergarteners sharing information about the screening process and helping parents prepare their child for Kindergarten. The Adjustment Counselor has been trained in the Social Competency Program and is able to assist teachers with social skills groups within the classroom.

ADAPTIVE PHYSICAL EDUCATION

The Adaptive Physical Education program coincides with the regular Physical Education Program and offers students a chance to improve their gross motor skills. They also learn the rules and regulations of games that will be part of the Physical Education Program.

PHYSICAL EDUCATION AND HEALTH

Grades K-2 practiced their individual skills in gym such as bounce and catch, toss and catch, dribbling, throwing to a partner and kicking. During the second half of each gym class, games were introduced that allowed students to practice their skills and worked on locomotion such as hopping, skipping, jumping, leaping and slide step. Grades 3-5 were introduced to team sports and taught how to anticipate and handle different situations. The 5th graders participated in a successful DARE Field Day in May.

Topics covered in Health included the following: mental health, drug education, safety and first aid, nutrition and fitness, hygiene and disease. The 5th graders received one lesson on drug education and one lesson on bullying from Officer Giacoppo, the DARE Officer; Peer Leaders came from the High School during the 4th grade drug unit and presented 2 lessons; and the school nurses taught a 5 week nutrition and exercise course this year to the 3rd graders.

HEALTH AND SAFETY

Students participated in the following programs throughout the year. Grades 1-5 participated in the *Reach Out to Schools: A Social Competency Program* that enables teachers and students to better understand themselves and their peers, develop self-esteem and learn strategies for resolving conflicts peacefully. Grades K-5 participated in the Norwood Police Program "*Adopt A Cop*" to help students realize police officers are their friends and are there to help when needed; and Safety Officer Giacoppo spoke to Grades K-1 about Halloween Safety and Grade 5 about the *Say No To Drugs Program*. Fire Safety Officer Faye McDonough presented and actively engaged Grades K-5 in a *Fire Awareness Safety Program*. The American Red Cross presented a *Home Safety Program* to Grades 3-5 and *Water Safety Program* to Grades K-5. High School students involved in the *Alcohol Awareness Peer Leadership Program* visited the 4th Grade Health classes and spoke about drugs, alcohol and how peer pressures can sometimes effect the decisions you make.

MUSIC PROGRAM

The Music Program offers all students many enriching musical experiences that meets all state and national standards emphasizing the basic elements such as rhythm, melody, harmony, tone, expression, music composition and dance movement. Music appreciation, listening skills and the study of composers are stressed in the upper grades. During the school year, the Department collaborates with classroom teachers on multi-curricular projects and all

ELEMENTARY SCHOOLS

students have the opportunity to perform in concerts during the school year. In addition, general music is taught by a music specialist and meets once a week in Kindergarten and twice a week in Grades 1-5. In Grade 3, all students begin their instrumental experiences by playing the recorder and are given the opportunity to begin violin lessons. Instruction for all band and orchestra instruments is offered in the 4th grade and continued in 5th grade.

ART PROGRAM

The Art Program is filled with the learning of new skills and knowledge of different media. The multicultural curriculum continues to expand while closely coordinating with classroom teachers and the Social Studies curriculum to include lessons involving Early American art, regional America, Native Americans, Egypt, China, Canada, Mexico, along with many others. Student artwork was selected for several exhibits this year: the 7th Annual Fine Arts Festival at the Apollo Function Facility; Grade 3 students were involved in creating a poster on "*How The Police Help Keep Us Safe*" for the 2nd Annual Norwood Police Department Exhibit; an Art Computer Club was held for 5th Graders for 12 weeks; and the School Committee Room at the James R. Savage Administration Center.

EUREKA PROGRAM

EUREKA is a district-wide program for Grades 2-5 that includes students who are unequivocally gifted as well as those whose talents are just beginning to be realized. A new model of service delivery was tried for the 2003-2004 school year whereby the EUREKA specialists spent a very concentrated 4 weeks in the fall and lessons focused on the infusion of critical and creative thinking skills into content areas, with emphasis on those skills needed for clarifying ideas, assessing the reasonableness of ideas and honing the thinking processes. Lessons on note taking for doing research and writing reports and the use of a strategy for answering an open-response question were also carried out. During the winter months, Independent Study offers a chance for students to pursue in-depth research on a topic of special importance to them. All interested students must submit an application form in which they have to consider their choice in well-written questions and communicate in writing why they selected that particular topic. Students taking part in this year's study totaled 142 and showcased their work at the Celebratory Night Gathering in March at the Senior High School. In addition the following enrichment activities were held: (1) a Junior Great Books discussion group for Grades 2-5 used grade-appropriate classics for engaging students in shared interpretive questioning and reflective thinking; and (2) the 2004 Geography Bee which made up the first round of the 2004 National Geographic Bee was given to Grade 5.

BALCH PTO

The PTO is an active and essential part of our school community. President Ilene Gallelo provided leadership that allowed the PTO to continue to support the students

and teachers throughout the year. The goal this year was to raise enough money to fund a new library, with the proceeds of most fundraisers going to the library project. In addition, teachers were given funding for their individual classroom needs; field trips, educational supplies, a 5th grade yearbook, a Teacher Appreciation Luncheon, assemblies every month, the After School Drama Club presented "*Alice in Wonderland*", students continued to participate in the "*Save for America*" banking program and various other projects were supported. The calendar of events included the Fall Ice Cream Social, Family Game Night, Pancake Breakfast, The Italian Festival, Balch Math Week and 2 Scholastic Book Fairs were enjoyed by all.

CALLAHAN PTA

The PTA provided our children with a multitude of educational programs, field trips and family activities that included the following: Fall Fun Night, Callahan Family Fun/Run/Walk, bowling evenings, Literacy Night, Kites and Ice Cream Night, Bingo Nights, Teacher Appreciation Luncheon and our end-of-the-year outing. Our Board of Directors for 2003-2004 was as follows: Diane Stover-Craig and Holly Randall (Co-Presidents), Kelly O'Malley (Vice President), Marie Ryan (Secretary), Linda Reilly and Annmarie Ringler (Co-Treasurers), Nancy Trask (Newsletter), Ann Cavanaugh (Membership), Julie Lyons and Chris Larson (Programs), Brenda McAndrews (Book Fairs), a Fundraising Committee and Jayne Serratore (Hospitality).

CLEVELAND PTA

Over 300 parents and teachers supported the PTA and we were awarded a Certificate of Recognition by the State PTA for having over 50 father members. Local businesses supported our school by advertising in the school calendar and donating to our auction; and parents, students, relatives and friends purchased items at our Book Fairs; Gift Wrap, Candle Sale, Square 1-Art and Pumpkin Sale. The money raised funded field trips, cultural arts programs, laptops for the school, books for the library, supplies for the Art Department, an Ice Cream Social in the fall, teacher and staff appreciation luncheons, and numerous other PTA sponsored activities. In addition, the PTA sponsored 4 cultural arts programs, a Halloween Monster Mash costume dance, game nights, the Parents Night Out 2nd Silent Auction, Everyday Math Family Fun Night and Read Across America. Lastly, the PTA collected coats for charity, a stipend was given to every teacher and specialist to support additional educational needs; two scholarships were awarded to graduating High School Seniors who attended the Cleveland School and the Cleveland School Directory and bi-monthly newsletters were published and distributed free of charge to our families.

OLDHAM PTO/ENRICHMENT PROGRAMS

Essential to the school community is an active PTO and under the enthusiastic leadership of President Robyn Cronin it has provided the necessary support that

ELEMENTARY SCHOOLS

supplement the educational environment for our students. Fundraisers provide for enrichment activities, playground equipment, academic support materials, field trips and donations to help a family in financial need. In addition, the following enrichment programs were presented: Made In The Shade: Jazz History, Food Play, Native American Perspectives and Fox 25 Weather. The 3rd International Day was held and the event's concept "to share the gift of diversity" was displayed at each table where children could learn about the country's culture, climate and language through music, food, traditional dress, artwork and books. Literacy Night involved teachers who volunteered to demonstrate to parents and students in Grades K-2 the correct way to read to children and Math Night had teachers and parents working together to demonstrate concepts in Math to Grades K-5. Lastly, the following annual events help strengthen community relations: the Kindergarten Thanksgiving Feast; Mrs. Davis' 2nd graders correspond with pen pals from the Emerald Court Nursing Home; Mrs. Keegan's 4th graders contribute to the Ecumenical Food Pantry by donating their allowance or a la carte money; and all students, under the supervision of Mr. Ryan, participated in the Globe Santa fundraiser.

PRESCOTT PTO

The PTO is an integral part of the school and is committed to providing programs and activities that enrich and expand the educational, social and cultural opportunities of the children. PTO Co-Presidents, Anne Marie Casey and Sarah Sullivan, and the Executive Board encouraged all parents to volunteer their time and talents and to be actively involved in the Prescott community. One of the goals was to work hard to bring new ideas to the school for events and we began the year by participating in Norwood Day. The PTO hosted the following events: a haunted house was added to the Halloween party; in December the Annual Holiday House was held; Mr. Haffey, the Science Specialist, set up his planetarium in the gym and instructed the 3rd and 5th graders in astronomy; in February Mr. Haffey and his daughter set up 4 high powered telescopes for students and parents to view Venus, Saturn, the Moon and nebulae at the Annual Stargazing Night; parents held a Silent Auction/Comedy Night at the Elks; the 1st Annual Movie Night was followed by Game Night; a Field Day Program for grades K-5 was conducted; and the dedication of the Paula Clifford Reading Bench was well attended. Lastly, a sampling of other PTO activities are: monthly publication of the Prescott Press; monthly PTO meetings; Book Fair, School Store, classroom parent volunteer training programs; cultural, educational and social programs; Prescott Graduate Awards; playground supervision and clerical help; financial assistance to the staff; enrichment programs and support for technology projects; buses for field trips; purchasing library books; supporting community projects; and Teacher/Parent Appreciation Luncheons.

CONCLUSION

In conclusion, we would like to express our appreciation to the Norwood School Committee, Central Office administrators and secretaries. We would like to extend our sincere thanks to our PTO/PTA board members for all their hard work throughout the year to help ensure another successful year. Once again, parents and teachers have worked in collaboration to enhance the education of our students by working on the School Council's School Improvement Plan, PTO goals and other initiatives during the school year.

John W. Condlin, Balch School Principal

Robert M. Griffin, Callahan School Principal

Michael T. Czyryca, Cleveland School Principal

John C. Burns, Oldham School Principal

Evelyn L. Wall, Prescott School Principal

WILLET EARLY CHILDHOOD CENTER

GEORGE F. WILLETT EARLY CHILDHOOD CENTER 2003-2004 ANNUAL REPORT

Changes were evident at the George F. Willett Early Childhood Center as the 2003-2004 school year began. Many of the administrative offices that had been housed at the Willett had already begun moving to other sites in Norwood. In September, two full-day kindergarten classrooms joined the four existing integrated preschool classrooms, a preview of the anticipated move of all kindergarten classrooms in the fall of 2004.

INTEGRATED PRE-SCHOOL PROGRAM

As in past years, the staff of the Integrated Preschool Program continued to service students with, and without, special needs. Four classroom teachers, all with special education certification, work with a speech therapist and occupational therapist to provide a developmentally appropriate program that well serves children with special needs and typically developing children. In September 2003, one hundred one (101) students were enrolled in the preschool program. Throughout the school year, students participated in a wide-range of theme-based activities designed to meet the needs of a diverse community of learners.

In November, the Program received accreditation from the National Association for the Education of Young Children. This recognition culminated three years of self-study and included an on-site visit by a program validator. NAEYC accreditation is considered the standard for high quality early childhood education.

The Annual Preschool Open House was held in January to give parents of prospective students the opportunity to learn more about our program. All typically developing students were given a screening for entrance into the program. As the Integrated Preschool Program primarily provides for students with developmental delays, openings for typically developing students are limited.

FULL-DAY KINDERGARTEN PROGRAM

In the Spring of 2003, Norwood applied for, and received, funds through the Department of Education's Quality Full-Day Kindergarten Grant that partially funded the pilot Full-Day Kindergarten Program that opened at the Willett Early Childhood Center in September 2003. Forty (40) students were enrolled in the Program as the school year began, with twenty (20) students being invited based on kindergarten screening results and the remaining (20) twenty students were selected by means of a lottery. Each classroom was staffed with a teacher and an instructional aide as required by the Grant. Students attended school for five (5) hours, as opposed to two and one-half (2 1/2) hours for half-day sessions. While the curriculum and materials are the same as for the half-day program, the additional time in school allowed students more time to practice fine motor, listening, and readiness skills. Students spent more

time in small group activities, exploring a variety of learning opportunities. Large and small group instruction is designed to meet the needs of all children and teachers provided developmentally appropriate activities and experiences in order to engage the students in meaningful learning. Specialists from other elementary schools provided valuable support to the students in the areas of Physical Education, Art and Music. In addition, the Librarian initially brought books from the other elementary schools so the children could learn about fiction and non-fiction books, as well as how to look at, appreciate and care for books. With the support of the Preschool and Kindergarten families, the Librarian began collecting new and used books that would soon become the foundation for the new Willett School library.

SCHOOL EVENTS

In October, kindergarten students traveled by bus to Ward's Berry Farm in Sharon, where students picked pumpkins during a hayride. To celebrate Halloween, preschool and kindergarten students paraded through the school and playground area dressed in a variety of colorful and creative costumes. The first *Annual Willett Book Fair* took place in November and students and families from the preschool and kindergarten classes purchased books, posters and other items. Proceeds from the Book Fair helped provide additional materials for the Library and was very successful. The Norwood Police and Fire Departments welcomed the kindergarten students and provided them with a tour of the new facility during the month of May. During the year, a holiday concert and the performance of *The Three Little Pigs* by the kindergarten students were recorded and shown on local cable, an end-of-the-year concert by some of the preschool students was enjoyed by family and friends, and in other preschool classrooms teachers produced videos of students engaged in work and play, and presented these to families as remembrances of the school year.

BLUE HILLS REGIONAL SCHOOL

A True Record.

Attest: Robert M. Thornton

2004 ANNUAL REPORT OF THE BLUE HILLS REGIONAL DISTRICT SCHOOL

The Blue Hills Regional District School Committee is pleased to submit its Annual Report to the residents of the Town of Norwood.

In its 40th year, Blue Hills Regional Technical School continues its steadfast commitment to providing the highest caliber academic and vocational instruction to district students in grades nine through twelve and to those receiving postgraduate training. The nine towns in the district include Avon, Braintree, Canton, Dedham, Holbrook, Milton, Norwood, Randolph, and Westwood.

John J. Lyons, the Dedham representative, served as Chairman of the Blue Hills Regional District School Committee for the 2003-04 school year, and is the current Chairman. Kevin L. Connolly is the Norwood representative. The Committee meets on the first and third Tuesday of each month at 7:30 p.m. in the District Board Room at the school at 800 Randolph St., Canton. The public is invited to attend. The following members comprise the 2004-05 School Committee:

AVON	P. Michael Doherty (resigned Dec. 17, 2003) Francis J. Fistori (appointed April 1, 2004)
BRAINTREE	Matthew R. Sisk
CANTON	Wayne E. Homer
DEDHAM	John J. Lyons
HOLBROOK	William T. Buckley
MILTON	Philip L. Kliman (deceased Sept. 4, 2003) Festus Joyce (appointed Oct. 21, 2003)
NORWOOD	Kevin L. Connolly
RANDOLPH	Ronald DiGuilio Richard Riman (elected on Nov. 2, 2004)
WESTWOOD	Alan L. Butters

Everyone associated with Blue Hills was stunned to learn that Lance Corporal Alexander S. Arredondo, USMC, was killed in the line of duty in Iraq on August 25, 2004. Alexander, who studied Electrical and graduated in 2002, had been a resident of Norwood and Randolph. A memorial tribute was conducted at the school in September with his family present. A poignant ceremony was also staged by the cheerleading squad during halftime of two football games. A scholarship fund has been established in Alexander's name.

On Nov. 2, 2004, Kevin L. Connolly won re-election to a four-year term as Norwood representative to the Blue Hills District School Committee. He beat Norwood businessman

and Blue Hills alumnus Brendan Gearty by a vote of 44,868 votes to 18,977 votes district wide.

The composition of the School Committee underwent changes. The entire Blue Hills Regional community was deeply saddened by the unexpected passing of Philip L. Kliman, longtime Milton representative to the District School Committee. A respected civic leader who was also a staunch advocate of vocational education, Mr. Kliman's leadership and innovative thinking are his enduring legacy to the school. His family has established a scholarship in his name. Festus Joyce, a retired construction technology instructor at Blue Hills, was appointed to finish Mr. Kliman's unexpired term. He was elected to a four-year term on November 2, 2004.

P. Michael Doherty served as the Avon representative until he resigned on December 17, 2003. Francis J. Fistori was then appointed by the Avon selectmen and Avon School Committee to fill the unexpired two years left in Mr. Doherty's term on April 1, 2004. Mr. Fistori, a 1975 graduate of Blue Hills who is the owner and operator of Modern Auto Body in Brockton, Mass., will be eligible for election to a four-year term in November 2006.

Also, Ronald DiGuilio, Randolph representative to the School Committee for 19 years, was defeated in a write-in campaign by Richard Riman on Nov. 2, 2004.

Several individuals earned prestigious honors. William T. Buckley, Holbrook representative to the District School Committee since 1979, received the Massachusetts Association of School Committees (MASC) Life Membership Award. Kevin L. Connolly was awarded an honorary citation from the Massachusetts House of Representatives for his exemplary service as the District School Committee's Norwood representative since 1992. (He was re-elected on November 2, 2004.)

Paul Torney was named Massachusetts Athletic Director of the Year by the Mass. State Athletic Directors Assn. Varsity hockey coach Steven Woods was the South Shore Chapter of the National Ice Hockey Officials Association's Coach of the Year. Veteran head football coach Vin Hickey was inducted into the Massachusetts High School Football Association's Hall of Fame. Patricia Brooks, secretary to the vocational departments and coordinator, and English Instructor Laretta Boyle were honored by the Norfolk County Teachers Association. James Hanrahan, Culinary Arts department head, received a plaque from the District School Committee in recognition of his exemplary service to the school over many years. Auto Body Instructor Robert Porazzo was named I-Car Education Foundation 2003 Collision Repair Instructor and Network (CRIN) Instructor of the Year.

Two key administrative positions were filled. Alan Bernstein, former principal of North Shore Tech in Middleton, was appointed Academic and Curriculum Coordinator, replacing Frank Longo, who retired. Sheryl

BLUE HILLS REGIONAL SCHOOL

Lovit, coordinator of Blue Hills' Adult Basic Education program, became Continuing Education Coordinator, a post also formerly held by Mr. Longo. She left Blue Hills in September 2004 with good wishes and sincere thanks from the administration and her colleagues. Lovit's Continuing Education duties were assumed by Guidance Counselor Melanie Shaw.

The school successfully launched ambitious new educational initiatives. A program called Exploratory allowed every member of the freshman class to spend one week in each of eight vocational programs prior to selecting one to specialize in. Superintendent-Director Kenneth M. Rocke called Exploratory "a major change in curriculum" which "is intended to help freshmen make more informed choices about which vocation they want to study" at Blue Hills. Sixty-five percent of the freshmen changed their minds about their initial choice of a vocational shop as a direct result of Exploratory, which also led to a doubling of female students in non-traditional shops like Auto Repair.

A rigorous Pre-Engineering program was begun in September 2004 for a select group of juniors who had already shown proficiency in English, math and science. Funded by a \$40,000 grant, it features curricula from Project Lead the Way, a national non-profit organization dedicated to introducing students to engineering concepts and principles before they enter college. The program is taught by Drafting/CAD Department Head Michael Sheehan and Science Instructor Dr. Michael Meyers.

To replace funds lost to budget cuts, the Blue Hills alumni (notably Gary Titus and Ed Tamulionis, both 1975 alumni) and the Blue Hills Foundation jointly created Adopt-a-Shop, an ongoing campaign aimed at attracting tax-deductible donations of money, equipment and materials from the public to support any extracurricular activity, athletic program or academic or vocational program of the school. Its Web site is www.adoptashop.com. To date, Adopt-a-Shop has raised \$50,000 in cash from business, industry and alumni, along with \$150,000 in donated equipment from businesses.

The Norwood-based English as a Second Language (ESL) program for adults, which is run by Blue Hills, received a \$1,500 grant from the Norwood Cooperative Bank to hold classes for six weeks during the summer in classroom space provided by Caritas Norwood Hospital. The grant was presented by Norwood Cooperative Bank President and CEO Ron Mallette. He and Community Benefits Manager Susan McQuaid of Caritas Norwood Hospital both felt that, in Mallette's words, "It would be a great donation for a community bank to make to allow these students to further their education and learn a second language - the English language."

The school received a \$200,000 award from the Commonwealth's Foundation Reserve - sometimes

referred to as "pothole money" - that is administered by the Massachusetts Department of Education. Of the 88 schools that applied for the funding, Blue Hills was one of only 47 selected to receive a share, and one of just 19 schools to receive the maximum amount. Supt.-Dir. Rocke thanked all of the state senators and legislators from the nine-town district who participated in creating the budget that made the award possible.

Blue Hills and Blackstone Valley Technical School in Upton, Mass., will equally share a \$711,000 federal grant spread over three years from the U.S. Department of Education. The funds will be used for new equipment in the Wellness Center, implementation of revamped health curriculum, and work-related injury-prevention instruction. A fitness specialist and nutrition educator will also be hired. Grant Specialist Ronald Linari and Athletic Director Paul Torney collaborated on the grant proposal.

A \$12,000 Perkins grant awarded to Blue Hills in January 2004 will help the school to selectively integrate vocational and academic curricula.

Blue Hills received a total of \$1,172,588 in funded grants contracts from July 1, 2003 to June 30, 2004.

Many students won accolades for vocational or academic excellence. Late in 2004, Gov. Mitt Romney announced the inception of the John and Abigail Adams Scholarships, which are given to high school students in recognition of their outstanding MCAS scores. The scholarships entitle the recipients to four years of free tuition at the University of Massachusetts, or any state or community college in Massachusetts. Seven members of the Class of 2005 at Blue Hills won Adams Scholarships including Adam J. Beckvold, Dedham, Construction Technology; Paul J. Gianci, Holbrook, Electronics; David J. Harter, Milton, Electronics; Tyrell D. Lightbourne, Randolph, Electronics; Matthew A. McDonough, Hull, Electronics; Jonathan J. Ricciarelli, Randolph, Metal Fabrication; Corey L. Ryan, Milton, Computer Technology.

The graduating Class of 2004 received \$285,895 in scholarships and awards, which was divided among 125 students. The Massachusetts Association of Vocational Administrators (MAVA) Outstanding Vocational Technical Students was Ashley Santagata of Holbrook, who was also valedictorian and student representative to the District School Committee.

On the sports scene, the notable highlight was the undefeated regular season of the Warriors football team. Caitlin Hogan, a senior from Randolph in Advertising Art, shared female Athlete of the Year honors with Tracy Keith of Dedham, an Electronics concentrator. Justin Bobillier, a senior in Electronics from Canton, was male Athlete of the Year. He captained the baseball and hockey teams.

BLUE HILLS REGIONAL SCHOOL

Enrollment in the high school is 780. Norwood residents total 62. A total of 49 postgraduate students are enrolled, with one from Norwood.

There were 171 students from the Class of 2004 enrolled in Blue Hills' 14 vocational programs. Post-graduation student placement figures were as follows: 43 graduates (25%) working in a related field; 16 graduates (9%) working in a non-related field; 6 graduates (4%) in the military; and 89 graduates (52%) continuing their education.

Blue Hills is proud to offer various services to district residents - and in some cases, the general public - from the vocational shops. This practice allows students to utilize their training in practical, hands-on situations that nicely augment their classroom work. Furthermore, these professional-quality services are available at well below commercial cost.

Each year, Blue Hills' Construction Technology students usually build a house and a major home addition. District residents are invited to submit applications for these projects, which must last the full school year and have significant educational value. The two most recent projects were located at 20 Magnolia Road, Holbrook and 288 Evergreen Avenue, Braintree. Their combined market value was \$210,000. A home construction project is currently underway at 9 Jaybarry Lane in Norwood.

Graphic Communications did jobs for Norwood with a commercial value of \$989.00. The customer cost was \$326.80, amounting to a total savings of \$662.20.

Respectfully submitted,
Kevin L. Connolly
Norwood Representative

2004 ANNUAL REPORT FOR THE NORWOOD POLICE DEPARTMENT

January 15, 2005

John J. Carroll, General Manager
Town of Norwood
Town Hall
Norwood, MA 02062

Dear Mr. Carroll:

Enclosed is the Police Department's Annual Report for calendar year 2004.

Together with the filing of this report, I want to take this opportunity to thank the Board of Selectmen, the Town Manager, all Town employees and the people of Norwood for their assistance and support for the Police Department throughout the year.

Sincerely,

Bartley E. King, Jr.
Chief of Police

IN MEMORIAM

Officer William J. Spierdowis was appointed to serve as a Police Officer with the Norwood Police Department on December 5, 1954. During his twenty-nine years of service, Officer (Bill) Spierdowis honorably and faithfully served the People of Norwood until his retirement from the Police Department

on February 29, 1984. Officer

Spierdowis passed away on October 10, 2004. He will be sadly missed and always remembered by the members of the Police Department who together with the Town of Norwood extend their deepest sympathies to the Spierdowis family.

IN RETIREMENT

James Keady was appointed to serve as a Police Officer with the Norwood Police Department on September 26, 1983. Officer (Jim) Keady was subsequently promoted to Sergeant on May 1, 1990. Sergeant Keady honorably and faithfully served the People of Norwood for more than twenty

years. Sgt. Keady retired on

August 31, 2004. The Town and the men and woman of the Police Department thank Sergeant Keady for his dedicated service and wish him and his family the best of health and happiness during his retirement.

IN RETIREMENT

Neil Murphy was appointed to serve as a Police Officer with the Norwood Police Department on May 8, 1984. Officer Murphy honorably and faithfully served the People of Norwood for more than twenty years. Officer Murphy retired on May 30, 2004. The Town and the men and woman of the

Police Department thank Officer

Murphy for his dedication and service to the Town and wish him and his family the best of health and happiness during his retirement.

Submitted by,
Henry B. Cerqueira

FIRE DEPARTMENT

2004 ANNUAL REPORT OF THE FIRE DEPARTMENT

I hereby submit the Annual Report of the Fire Department for the year 2004. The Firefighters, Officers and Chief of the Department would like to thank the Board of Selectmen, Town Meeting members and residents of Norwood for their support of the Fire Department during 2004. I would also like to express the Fire Department's appreciation of the various Town departments for their assistance and cooperation in aiding the Fire Department's Operation.

PERSONNEL

We would like to welcome Firefighter Dennis Mawn back to the Department after more than a year in Iraq with the U.S. Army. His sacrifice did not go unnoticed, it is much appreciated by all. As Dennis returned, we bid Firefighter Gerry Mahoney farewell as he deployed to Iraq with the Army, we are not certain when he will be come home but our thoughts and prayers are with him. We also welcomed new firefighter Brian Cullen to our Department late in the year. He will now spend a considerable portion of his time training (here and at the Fire Academy) to enhance his new career. We wish the best to former Firefighter Kevin Kent as he left the Department to pursue a career in a private business and Firefighter Keith Eppich who left our Department and joined the Newton Massachusetts Fire Department.

GRANT FUNDING

In February 2004 we were notified by the Department of Homeland Security that the Department was awarded a grant of more than \$188,000. These funds coupled with the Town's investment of \$20,000 have allowed us to purchase a complete ensemble of Protective Clothing for each member of the Department along with state of the art Breathing Apparatus for all Department vehicles. We will continue to apply for grant funding whenever possible.

NEW EQUIPMENT

Our Ladder Truck has been fully rehabilitated in accordance with the wishes of Town Meeting of 2003 and placed back in service. The Annual Town meeting in May 2004 approved the purchase of a new Ambulance and a Fire Engine. We purchased the Ambulance from dealer stock, saving thousands of dollars and putting the vehicle on the road months earlier than we could have hoped if we had

ordered a custom production. The Fire Engine was placed on the fast track by duplicating the last truck we ordered. As you read this, we expect that we will have two new Fire Engines, a new Ambulance and a virtually new Ladder Truck in service to the Town. We also replaced our aluminum water rescue Rowboat (1960's) with an inflatable Zodiac and outboard motor. This equipment will give us the best chance of a successful rescue in a water emergency. We appreciate the trust and forethought you have shown in committing the funding to achieve this. All townspeople will benefit from the services of these units.

ADVANCED LIFE SUPPORT

Late in 2004 the Department developed a proposal to upgrade our Emergency Medical Capabilities to the Advanced Life Support Paramedic level. Our research has led us to believe that, with your support, we can offer this higher level of medical service to the citizens and produce increased revenues over expenditures. We submitted this proposal, along with detailed cost and revenue projections, to the Board of Selectmen for their consideration. They have directed the formation of a study committee to make a recommendation as to a course of action.

On behalf of myself and the Officers and Members of the Department we want to pay special thanks to Deputy Chief Ronald J. Maggio for his leadership and dedication as the Interim Fire Chief from July 1, 2003 to May 17, 2004. His direction allowed the Department to meet the demands of the citizens on a day-to-day basis and he was instrumental in obtaining the \$188,000 in grants mentioned earlier in this report. We thank him for his time and guidance to all of us during this transition.

In closing, I want to thank the Board of Selectmen for their confidence in hiring me as Fire Chief on May 17, 2004. I am excited to be able to lead an Organization with very dedicated and hard working employees. My Family and I look forward to becoming involved with the community.

I wish to thank all the personnel of the Department for their devotion and dedication to duty. To the Officers and Firefighters of Norwood's surrounding towns, I convey Norwood's gratitude for their professional assistance given through our mutual aid agreements.

Respectfully submitted,

Michael J. Howard, Chief
Norwood Fire Department

FIRE DEPARTMENT

**IN RETIREMENT
SIDNEY SOLOW
DISPATCH SUPERVISOR**

On July 6, 2004, Dispatch Supervisor Sidney Solow retired from the Fire Department. Dispatcher Solow was appointed to the Fire Department on July 5, 1982. Throughout his twenty-two years with the Department Sidney has shown initiative, dedication, and professionalism resulting in his promotion to Dispatch Supervisor in July 1995. The members of this Department wish Sid and his family good health and happiness in his retirement and

2004 ANNUAL REPORT OF THE BUILDING DEPARTMENT

2004 ANNUAL REPORT OF THE DEPARTMENT OF PUBLIC WORKS

The Building Department is responsible for reviewing applications and plans to construct, alter or demolish any building or structure, for compliance with applicable Zoning Bylaws, Mass. State Building Code, Mass. State Fuel, Gas and Plumbing Code, and the Mass. State Electrical Code. For the dates 01/01/2004 to 12/31/2004 the total revenue collected was \$1,020,724.

There were 3013 permits. The breakdown is as follows:

Type	Number	Revenue	<u>Estimated</u> Cost
Annual Bld Restaurants	39	1,950	NA
Annual Bld Lodging			
Hse/Hotel/Motel	11	922	NA
Annual Bld Places of Assembly	18	900	NA

Signs	75	5,727	283,228
Totals	3013	1,020,724	75,273,953

The year of 2004 has been another busy year in the construction area for the Public Works Department. Residents will benefit as a result of our resurfacing and reconstruction projects, sewer, water and drain work, as well as improvements to our athletic fields.

The bid for the Public Works Economic Development (PWED) Phase II was awarded to the Mario Susi and Son of Dorchester MA for their bid of \$845,000.

Under this contract sections of Nahatan Street, Broadway Street, Cottage Street, Central Street and East Cottage Street were cold planed and overlaid with over 2300 tons of asphalt. Concrete sidewalks, aprons and granite curbing were installed.

A concrete paver strip, bordered all new sidewalks. New trash receptacles were installed throughout the project and a 4 sided decorative street clock was installed on the corner of Nahatan and Broadway Streets

The Annual Resurfacing project for 2004 was awarded to D&R General Contracting of Stoneham, MA for their bid of \$165,000.

Nichols Street, Berwick Place to Geraldine Drive was cold paned and overlaid with 560 tons of bituminous concrete. Over 5,000 linear feet of berm was installed and 800 feet of sidewalk was overlaid.

Access Road was cold planed and resurfaced from Route 1, 1600 feet in a southerly direction towards the Norwood Municipal Airport. In all, 460 tons of bituminous concrete was used.

A total of 3200 feet of roadway was overlaid.

The successful bidder for the reconstruction of Walpole Street from Walnut Avenue to Saunders Avenue was the Mario Susi and Son Construction Company of Dorchester, MA. A total of 4750 square yards of cold planning was done on Walpole Street, and approximately 1600 feet of granite

PUBLIC WORKS DEPARTMENT

curbing was installed as well as 1300 square yards of concrete side walks. A total of 390 tons of bituminous concrete was used in overlaying 900 linear feet of roadway.

Public Works water crews worked with the Susi Company renewing all water services from the main to the curb box. In all, 17 water services were replaced.

The renovation of the Plantation Circle retention basin was completed by the Heimlich Landscaping and construction corporation of Woburn, MA. Approximately 4000 square yards of basin area was excavated and regarded and 120 linear feet of concrete swale was installed. Green Acres Landscaper of Lakeville, MA constructed a Babe Ruth League Field at the Willett School ball field, through a project partially funded through an Urban Self Help Grant. This field was complete with automate sprinkler system and a 12ft. high "Green Monster" left field wall.

The Town wide automatic water meter reading system installation has been completed, and the results are very gratifying. All residents now receive their actual water bills on a monthly basis, all water meters have been brought up to date, all meters now are being read over the radio transmission system, and require no entry into the resident's home.

The Engineering Company of Fay, Spofford and Thorndike conducted a lead service study from June to December 2004. In all, FS&T, along with members of the DPW Water Division called on 3196 residences and gain entrance to 1771 of them. Of this number, it was determined that approximately 11% or 154 homes had probably full or partial lead service present. Program requirements included the development of a process to identify lead service pipes that exist within our water system and the implementation of a plan to replace 7% of the identified services on an annual basis.

As part of an ongoing effort to rehabilitate our water distribution system, a contract for \$913,000 was awarded to the Biszko Contracting Corporation of Fall River for the cleaning and lining of the water mains in the neighborhood around Winslow Avenue and also on Cameron Road.

The project which began in the fall of 2004 will improve approximately 14,300 feet of 6" and 8" of unlined water mains, and will include the installation of new distribution valves and hydrants.

To date, the mains on Saunders, Harding and Brookfield Roads have been completed. All water services on Winslow Avenue have been replaced from the main to the curb stop.

The Public Works Highway Division had another productive year and completed a number of projects in the past year.

Highway crews as well as all other DPW personnel were involved in 23 snow related incidents of this number 18 were salting and sanding, 4 were plowing that required the use of private contractors and 1 removal operation.

The Highway sign person installed or replaced 372 street and traffic control signs. He also installed a number of stop lines and crosswalks.

Highway crews assisted with the set up of both the hazardous waste and recycle day at our materials recycling area on Winter Street.

This crew also did a very professional job in the signage, roadway closings and litter pick up for Norwood Day.

The Highway asphalt division used a total of 872 tons of bituminous concrete in caring for our service trenches and roadway hazards. A new section of sidewalk was excavated and paved on Pleasant Street and Downing Street. Over 880 feet of berm was installed as a part of our 50/50 program, or as a result of plow damage.

An 84 foot section of guardrail was installed on Pleasant Street opposite Sumner Street to replace the old cable fence that had been damaged.

Once again, leaf pickup continued throughout the year. The department sold a total of 82,865 amounting to \$16,573.00.

Some of the other duties of the highway department were the mowing and cleaning of conservation areas, maintaining holiday displays and assisting with the 4th of July Parade. They assisted various departments with a variety of tasks and removed 164 dead animals from our roadways.

The Highway sweeper is dispatched on a regular basis as weather permits.

The Public Works Sewer and Drain Division responded to and cleared obstructions in 278 house services. Thirty one mains were cleared of obstructions and mains with grease or other problems were flushed on a regular basis, and bacterial treatment was added as required.

This crew also excavated and repaired the sewer main on Varwood Circle, and made minor repairs to 14 other service areas.

Drain crews cleared the open drain from Countryside Lane to Route 1A, the drain behind the Willett School, installed a galley drain at Father McAleers and excavated and repaired a drain on Audubon Road. All pumping stations were maintained on a regular basis. Sewer and drain crews also continued its effort to eliminate the contamination to Hawes Brook.

PUBLIC WORKS DEPARTMENT

Drain crews repaired or rebuilt 27 catch basins and 17 manholes.

The Public Works water crew was responsible for the repair or replacement of the following water service leaks on the pressure side of the main:

Water Services	93
Hydrants painted	171
Hydrants repaired or Replaced	41
(This total includes the major leak at Route One at Ellis Ave.)	
Replaced damaged meters	17
Service calls for low pressure leaks, rusty water, & shutoffs	422
Valves Replaced	13
Water Main Breaks	7
Frozen Meters or Services	29

Hydrants were flushed in season and flagged for the winter.

Mark outs for utilities, contractors, and plumbers were done on an as needed basis.

Five water services were replaced on Lewis Avenue from the Main to the curb box in anticipation of resurfacing the street. Four services were renewed on Walpole Street, and two lead services were replaced.

This crew also replaced services on Winslow Avenue, repaired a 2" line at Highland Cemetery and installed 280 feet of 8" ductile iron pipe between Roosevelt and Garfield Avenues to complete the loop in that area.

The town-wide backflow program has been very active through the year. Well over 100 backflows have been tested, and will continue to be tested twice yearly. Surveying continues throughout the Town to locate and test all backflows. Any new backflow locations will be surveyed and incorporated into the testing list, to be tested twice yearly as well

The Annual water consumption for the Town of Norwood is the following:

Total for 2004	1149.9 mg
Average Daily Consumption	3.141mg
High Max. Flow Week 6/19-25	27.869mg

The crews at Highland Cemetery prepared and conducted 227 interments in the past year. Thirty nine foundations for monuments were dug and poured and 23 were recapped.

A total of 40 Veteran's markers were also poured and installed and flags were placed on all Veterans' graves before Memorial Day.

The grounds at Old Parish Cemetery were groomed and

fertilized throughout the growing season. Flags and flowers were put on All Veterans graves and again this year, there were no burials at this Cemetery.

In the past year, 49 companion (2 grave), 12 Garden (family), and 3 single graves were sold at Highland Cemetery.

LIGHT DEPARTMENT/PBCC

2004 ANNUAL REPORT OF THE LIGHT DEPARTMENT

I herewith submit my report as Superintendent of the Norwood Municipal Light Department for the year 2004.

The FEPGSNC and the Light Department substantially completed the construction of the 115 kV Ellis Substation to meet the Town's energy requirements. However, there are some issues with the station transformers that are still outstanding. We plan to have the issues resolved completely by the end of April 2005. We are planning on transferring load from the Dean Street substation to the Ellis Substation, which will increase the reliability and longevity of our transmission and distribution systems.

The Light Department's Conservation and Load Management Program continues to save money by reducing energy consumption and peak demand through capacitor installations, controlled residential electric water heaters, uncontrolled residential electric water heaters, commercial / industrial lighting retrofits, and residential compact fluorescent bulb giveaways.

The electric utility industry is still in a period of transition and Norwood Light will endeavor to continue to provide reliable, efficient and low cost power to our customers.

The Broadband Division of the Norwood Light Department continued to develop during 2004. Over 1300 additional apartment and condominium units now have access to the town's Cable Television and Internet services. The second full year of operation ended with 4606 television customers and 1633 Internet customers. These numbers reflect slightly higher television customers than expected and slightly lower Internet customers than expected. Marketing efforts will continue to be used through 2005 in order to maintain solid growth.

New services offered in 2004 include HDTV (High Definition) and DVR (Digital Video Recording). Video on Demand and new Internet Related services are planned for 2005.

I offer the following statistical data relative to the operation of the Light Department.

Respectfully submitted

Malcolm N. McDonald
Superintendent

Energy Purchased '04	352,333,980
Average cost per kwhr '04	0.0832
Increase in kwhr usage	11,695,758
Percent Growth	3.43%
Increase in Accounts	239

2004 ANNUAL REPORT OF THE PERMANENT BUILDING CONSTRUCTION COMMITTEE

The PBCC worked on a number of major projects during the course of the year. The committee met on a weekly basis and reviewed the ongoing projects. Each project was carefully monitored by a sub-committee which was chaired by individual committee members. The sub-committees observed the progress of construction activities and attended all on-site meetings throughout the course of each project. Working with the town's Purchasing, Accounting and Treasury departments, invoices were justified and paid. Funding for all projects were tightly monitored by the committee.

The Police/Fire Station continued to occupy significant committee time. Completion of punch list items and modification of portions of the HVAC system was an ongoing exercise. This project is within budget at this time.

Completion of Phase III of the School Roofs and Windows project was accomplished with only some minor trim items on the Callahan and Prescott schools remaining due to the bankruptcy of the roofing contractor. This three year project installed new roofs on all nine schools, replaced windows and doors on the Balch, Cleveland and Prescott schools and made major masonry repairs to the Balch school. This project was completed on time and under budget (-10%). About 60% reimbursement is expected from the Massachusetts School Building Authority in 2007 or 2008.

The project to replace windows in Town Hall was completed except for punch list work items. As there are no American manufacturers of these types of windows, the frames were built in England and shipped over here for glazing and installation. This type of window retains the classic look of this signature building. The project is slightly over budget (< 5%) at this time.

The year 2004 will be remembered as a busy year for the PBCC. The major capital projects reported on above are emblematic of the town's commitment to its fixed assets and its zeal for serving the citizens of Norwood. The committee is looking forward to managing the High School renovation and addition in 2005.

Respectfully submitted:

Norwood is a member of Public Health Preparedness Region 4B. Region 4B is a group of 27 communities extending from Cambridge to Scituate, whose purpose is to work in a regional manner to respond to public health emergencies on a local level.

The purpose of this 27 member community coalition is to enhance our collective ability to share resources and respond to public health threats and emergencies which include bioterrorism and other outbreaks of infectious disease.

A main focus of public health preparedness is to build the infrastructure within the health department. In order to do this, grant monies were spent on training and communications equipment such as phones and computers. This technology allows us to communicate and receive alerts on a 24 hour basis.

The second round of funding has different "deliverables" or requirements that must be met. It requires that all of our emergency plans be completed, that health department personnel have clear roles in an emergency and that they train in these roles. We are also required to develop mutual aid agreements with our regional communities, provide for 24/7 coverage and enhance our disease surveillance, which is the way we track diseases. We are required to conduct at least 2 drills, one a tabletop exercise

with other Norwood responders, and the second a regional drill on the deployment of the Strategic National Stockpile. The Health Department continues its relationship with the Neponset Valley Community Health Coalition. A planning grant was received from Delta Dental which has enabled the groundwork for a Senior Dental Clinic. This clinic, under the auspicious of volunteer dentists, would provide low-cost dental care to eligible seniors in Norwood and South Norfolk County.

The Board of Health eye clinic, conducted by Dr. Nabeel Khudairi, OD, saw 29 students. The following optometric services and tests are provided: distance and near visual acuity, eye muscle alignment, color vision, depth perception, peripheral vision, pupillary response, extra-ocular muscle motion and spectacle lens refraction for eyeglass prescription.

Radon test kits were offered for sale. A total of 6 kits were sold.

The Board acted upon several subdivisions.

The Hazardous Waste Collection/Recycling Days had over 806 households participating. Two special recycling days collected 500 gallons of waste oil, two, 55 gallon drums of oil filters, 55 gallons of antifreeze, 292 tires, and 49 automotive batteries. Electronic/Computer Recycling continues to be the most active area. A total of 34 refrigerators, 165 air conditioners, 378 televisions, 280 computer monitors, and 211 propane tanks were recycled. Scrap metal filled six 50-yard rolloffs. Fluorescent bulbs, U-tube tamps, mercury thermometers and other mercury containing products were recycled.

The surplus paint program continues at the DPW Yard. On specified dates residents can drop off usable surplus paint products and take any paint they may need. The paints were recycled or blended for fuel.

The Board of Health received a grant from DEP for the sale of compost bins. A total of 50 bins were sold in 2004.

The residential needle disposal program started by the Board of Health is continuing. Residents may obtain sharps containers in the Board of Health office for a nominal donation. Filled sharps containers are returned to the Board of Health where they are disposed of at a medical waste recycling facility.

The Board of Health continues to work with the Massachusetts Department of Health for the surveillance of the West Nile Virus. Positive birds were found throughout the season.

In December, a major water main break caused a near crisis situation with our water supply. The Board ordered all

BOARD OF HEALTH

restaurants closed and subsequently issued a boil water order to the Town. Because of the hard work of many departments, a crisis was avoided. The Board wishes to thank all those who took responsibility and complied with the order despite the financial hardships it may have caused.

Board of Health Evening Hours are held the first Monday of the month from 6:00 p.m. to 7:30 p.m. All Board of Health Services are available.

PUBLIC HEALTH NURSING SERVICES

Cathleen Ronco, RN, Public Health Nurse
Stacey Lane, BSN, RN, Public Health Nurse

HEALTH COUNSELLING & SCREENINGS

The main focus of the public health nursing program is health promotion and disease prevention. Health counseling and blood pressure clinics were offered at various locations in town several times a week. An evening clinic was held once a month in an effort to reach the working population. Diabetes screening was offered to non-diabetic residents to determine their risk for developing diabetes. Diet and lifestyle changes were discussed and medical refers made if necessary. Vitamin B12 injections were given to those residents with a need and an order from their physician.

IMMUNIZATIONS

Adult immunizations were available to Norwood Residents. Tetanus Diphtheria (Td) and Pneumococcal immunizations were offered every Tuesday afternoon and over 1650 Flu shots were given in the Fall.

Childhood immunization clinics were held weekly at the Health Department. Lead screenings were performed for children without health insurance. Meningococcal (meningitis) vaccine was offered for a reduced price of \$20 to Norwood graduating seniors who were going to be college freshman living in dormitories during the 2004/2004 school year.

COMMUNICABLE DISEASE CONTROL AND INVESTIGATION

Communicable disease investigations were conducted to identify sources of infection and control measures were initiated. The Health Department continued Tuberculosis (TB) prevention activities by Mantoux testing high-risk populations. Class II tuberculosis exposure cases were monitored for compliance with clinic appointments and medication regimes.

COMMUNICABLE DISEASES

Salmonella	9	Campylobacter	5
Giardia	2	Lyme	2
Pertussis	5	Hepatitis A	4
Hepatitis B	7	Hepatitis C	12
E. coli 0157:H7	1	Legionellosis	2
Shigella	1	Enterovirus	1

Varicella	9	Invasive Streptococcus	5
Haemophilus Influenzae			1
Streptococcus pneumoniae, invasive			3
Aseptic meningitis			1

Total All Diseases: 70

EMPLOYEE HEALTH

As part of the Employee Health Program, Hepatitis A and Hepatitis B immunizations, antibody titre testing, Td boosters and tuberculosis screenings were offered to all at-risk emergency personnel. First aid and adult immunizations were administered as needed to all employees. Blood pressure screenings and health counseling also were available.

HUMAN SERVICES

Local businesses and human service agencies were assisted with health fairs, employee communicable disease post-exposure follow-up, health lectures and staff training.

A free medical equipment loan program was available to any town resident upon request. The loan closet is located at the Council on Aging office on Prospect Street.

The nursing office received many requests for heat and utility assistance, housing, food and clothing from families in town who are facing economic hardship. These requests were evaluated and referred to available resources in an effort to address basic needs.

Information and assistance regarding pharmacy programs, health insurance programs, dental services, physicians and health providers, home health care and nursing services, travel clinics, counseling services, elder services and children's services were available at the nursing office.

There was continued monthly participation in the Triad Program: a commitment between the Norfolk County Sheriff's Office, Council on Aging, Norwood Police and Norwood Fire Department who work together to develop and implement effective crime prevention, safety and education programs for seniors.

The Health Department has purchased and continues to promote and distribute the File of Life folders. The File of Life contains necessary medical data and attaches to the home refrigerator providing instant access to emergency personnel.

The Coalition for a Healthy, Active Norwood is a new coalition that was formed in response to the growing obesity epidemic. It is a collaborative effort of the Norwood Health Department, Norwood Recreation Department, Norwood Public Schools, Caritas Norwood Hospital, and Massachusetts Department of Public Health to improve nutrition and increase physical activity among all Norwood residents. The members developed and distributed a town-wide survey to assess the barriers to healthy eating and

adequate physical activity. Once the data is analyzed, the coalition will recommend actions to foster healthy eating and active living.

PUBLIC HEALTH

Summer camps for children were inspected for compliance and licensed with the state requirements for recreational camps.

The Health Department along with other Town and State departments participated at the Flu Pandemic, Emergency Planning Committee and Bioterrorism Preparedness meetings.

The Health Department and Norwood Skate Park Committee sponsored a reduced cost helmet program in an effort to reduce head injuries. Multi-sport bicycle helmets and Extreme helmets are available for \$5.00 at the Health Department Office. Protective pads are also available for \$5.00.

The Health Department also participated in the Child Passenger Safety Seat Checkpoint with the Norwood Police Department.

DENTAL CLINIC

Mark Stone, DMD, Clinic Dentist
Eileen Johnson, RDH, Clinic Hygienist
Carolyn Riccardi, Clinic Dental Assistant

The Clinic Dentist examines all children in grades one through six in the Norwood Public Schools and St. Catherine's Parochial School. With parental approval the children needing dental care are treated at the Dental Clinic. In the school year 2003-2004 a total of 1,240 children were screened. The treatments included cleaning, plaque control, dental hygiene instruction, fillings and emergency treatments for special needs. A total of 208 children were seen in clinic. The Dental Clinic also offers a sealant program for children in grades two, three and six. Sealants are a plastic resin that prevents tooth decay when applied to the chewing surface of molars. There were 266 cleanings done and 93 children in grades two, three and six had sealants placed on their erupted permanent molars. In January 2004 the clinic dentist did the necessary operative work. Twenty-seven letters of referral were sent to parents for their children to see Dr. Stone. Eight patients were actually seen in Dr. Stone's office.

SCHOOL NURSING SERVICES ST. CATHERINE'S

Lowell Fox, MD, School Physician
Terri Abely, RN, School Nurse

Terri Abely, RN, School Nurse is responsible for the health and well-being of the students and faculty at St. Catherine's school. The School Nurse provides first aid to students and faculty, performs health screenings and maintains records of immunizations, medical problems and tuberculosis

status. Any students with incomplete immunizations are followed up and referred to their pediatrician or immunization clinic. Health records are obtained from all new entrants and reviewed. The School Nurse is also responsible for keeping up-to-date orders from the student's physicians. Physical examinations are required for students in grades 4 and 7. Those students who do not have access to a private physician may have their physical exam performed by the school physician. Screenings are performed for pediculosis, vision, hearing, weight and height. Emergency card files are kept on all students. Scoliosis screening is performed on students in grades 5-9. This is not a diagnostic service, but a program to identify young people who should have further medial evaluation. The School Nurse also participates in school staff activities and serves on health education meetings.

Respectfully Submitted,
NORWOOD BOARD OF HEALTH

Joan M. Jacobs, Chairman

VETERANS DEPARTMENT

2004 ANNUAL REPORT OF THE DEPARTMENT OF VETERANS' SERVICES

I respectfully submit the report of the Department of Veterans' Services for the year ending December 31, 2004.

Veterans' Benefits will increase as a result of the large number that are unemployed, prolonged illness cases, rising fuel costs, rising hospital and medical costs, along with the customary requests for financial assistance by the veterans community.

Additionally, returning Norwood veterans of Operation Enduring Freedom and Operation Iraqi Freedom have had a substantial impact in the increase of benefits granted.

For 27 years, the Department of Veterans' Services has taken applications for the fuel assistance program. This program is for the benefit of all Norwood residents who qualify. I am pleased to report that last year this program aided many families in need.

Also, we administrate a Transfare Program for the elderly and disabled. This program is provided to assist citizens with motor vehicle transportation needs.

The Department also processes parking violations. I serve as the hearings officer for parking violations. This office maintains a file of all parking tickets issued by the Police Department. All correspondence, complaints, inquiries and records of payments are handled in this office.

The monetary awards by the Veterans' Administration to veterans and their dependents in the Town of Norwood for fiscal year 2004 exceeded \$2,790,000. This amount will increase due to future adjudication of pending claims, and cost of living adjustments. These benefits are for compensation to dependents of veterans who died in the service or of service connected disabilities, disability pensions, disability compensations, burial awards and special equipment for automobiles for veterans with service connected disabilities, vocational rehabilitation training for the disabled, their sons, daughters, wives, or widows, education readjustment training, veterans' insurance and indemnities.

The Department of Veterans' Services composed as it is in two component parts, is operated under Chapter 115 of the General Laws of the Commonwealth as amended by Chapter 584, Acts of 1946, for the purpose of administering Veterans' Benefits and Services. All assistance cases were investigated and payments made in accordance with Chapter 115 of the General Laws, which assures the Town of Norwood seventy-five (75%) percent reimbursement from the Commonwealth of Massachusetts.

The purpose of the Department of Veterans' Services is to assist veterans and/or their dependents in procuring financial assistance, information and benefits to which they are entitled relative to vocational or other educational opportunities. G. I. Loans, hospitalization, medical care, compensation, pensions, on-the-job and apprenticeship training, insurance, burial allowance, grave markers, photostats and other benefits granted under existing State and Federal laws.

Every request for assistance under existing regulations is invariably granted. Our primary mission is to give all veterans and their dependents the best service at all times and to administer the laws and regulations affecting them impartially, efficiently and effectively.

There was complete cooperation with the Veterans' Administration and the various local, civic, and veteran's organizations that interest themselves in veterans' affairs and exceptional cooperation extended this department throughout the year by the State Department of Veterans' Services.

Grateful acknowledgement is made to the Honorable Board of Selectmen, the General Manager and his staff, other Town Departments and all others who have assisted the Director of Veterans' Services in the performance of his duties.

Respectfully,

Edmund W. Mulvehill, Jr.
Director of Veterans' Services

2004 ANNUAL REPORT OF THE COUNCIL ON AGING

The responsibilities of the Council on Aging (COA) are to identify the needs of the Norwood community's elder population and to design, promote and implement programs and services to meet these needs.

Regular Programs: Computer classes, Glee Club, Income Tax Preparations, Dancing Classes, mini Fix-it Shop, Monthly Entertainment, Monthly Speakers, Painting Classes, Reminiscence Hour, Men's Club, Sing-a-long, S.A.L.T. Talks, Osteoporosis Support Group, Diabetic support Group, Knitting and Quilting groups, Theatre Group, C.O.A. Meetings, Friends of C.O.A. Meetings, Book Club, Balance Screening, Blood Pressure clinic weekly, Eye and Oral Cancer Screenings, Flu Shot Clinic through Public Health Office, Weekly Foot Clinic, Medical Equipment loan Program, Early Bird Exercise Program, Moving Muscles, Stretch and Tone Classes, Gentle Aerobics and Strength Training, Walking Clubs, Walk Fit Classes, Tai Chi, Yoga, daily social coffee offered from 8:30-4:00pm.

Volunteers: This year over 130 volunteers serviced the C.O.A. for greater than 30 hours each. Their dedication, kindness, and willingness to share time, knowledge and energy have allowed us to grow tremendously and have enabled us to provide many activities and services to our community.

Staff: Marianne Wohler, Director; Susan Woodall, Program Coordinator; Kathy St. Cyr, Bus Driver by title Jane of all trades by service offered; Jane Feibelman, Outreach Worker; and Eileen Smith, Program Assistant.

We would like to thank everyone in the community for their continued support that allows us to benefit Norwood Seniors. With a special thanks the Council on Aging and the friends of the C.O.A.

HUMAN RESOURCES

2004 ANNUAL REPORT OF THE PERSONNEL BOARD AND HUMAN RESOURCES DEPARTMENT

The Norwood Personnel Board and the Human Resources Department are pleased to submit their annual report for calendar year 2004.

The Personnel Board is a five-member board appointed by the Town Moderator, the Chairman of the Board of Selectmen, and the Chairman of the Finance Committee under Article XXXIX of the Town of Norwood By-laws at the 2003 ATM. Article XXXIX also established a Department of Human Resources. The Personnel Board generally meets the third Wednesday of the month. All meetings are posted and open to the public.

The Personnel Board has been very active hearing the classification appeals for both union and non-union employees as a result of the newly accepted Classification and Compensation system. As a result of the appeals, there were a few changes in job descriptions, new descriptions and some upgrades. Additionally, the Board has been very busy developing policy for non-union employees, holding hearings according to the By-laws, and notifying employees. In accordance with the Policy on Hiring for Non-Civil Service positions, every vacant position that is not filled from within is advertised on the town of Norwood website: www.ci.norwood.ma.us under employment opportunities.

The Human Resources Director has supported the Personnel Board in their work, and provides assistance to managers and staff. Activities include recruitment and staffing assistance, developing and implementing an orientation program for new employees, support for benefits, safety and wellness programs for employees, employee interventions and counseling, and the development and implementation of the new Senior Tax Work Off Program.

In the area of employee recruitment, the Human Resources Department assisted in the recruitment of three senior level staff: Fire Chief, Council on Aging Director, and the General Foreman of Highway & Parks. Additionally, we have provided support for recruitment for public safety dispatchers, custodial help, outreach workers, planning department staff, Board of Health staff, general government town hall support staff, and airport commission temporary staff. Human Resources is working jointly with the Benefits and Payroll staff to develop a process for new employee orientation. At the time of this writing, the New Employee Guidebook is being finalized with input from over 20 managers, employees and union officials.

The Human Resources Director has been active in supporting managers and employees in all aspects of employee relations, including individual and group sessions for organizational development, career counseling, training and referrals. HR conducted five internal

salary surveys to support various department needs, and eight salary surveys in response to external requests. The Human Resources Department actively participated as an ad hoc member of the Employee Insurance Advisory Committee (IAC) established under M.G.L. Chapter 32B, and the Health Insurance Task Force, established at 2004 Annual Town Meeting to seek solutions to the escalating health insurance costs.

The Human Resources Department worked with Quincy Hospital Occupational Health to bring ergonomic programs to office staff, public works, light department employees and library staff. Over 40 employees attended sessions targeting improved, sitting, standing lifting, and computer posture. Individual and building wide ergonomics assessments were conducted for staff at the Morrill Memorial Library with recommendations for cost effective changes. HR worked with Board of Health and the Building Manager to support an environmental health assessment on the Town Hall through the Department of Public Health.

Senior Tax Work Off Program (STWOP)

Accepted at Annual Town Meeting and funded through the Assessors Overlay Budget, the STWOP has allowed the placement of 20 Norwood resident seniors to "work off" \$500 value toward their tax bill. Human Resources, under the program guidance of the Board of Selectmen, developed application forms, and review procedures, placement and follow-up. In its initial year, the 20 seniors have been providing services to the following departments: School, Police, Fire, Board of Health, Board of Appeals, General Manager/Purchasing, Treasurer/Collector, Library, Recreation and Human Resources. Thanks to all who participated. The seniors have provided a valuable service to the departments.

The Personnel Board would like to thank the General Manager, Assistant General Manager, Finance Commission, Board of Selectmen, Town Meeting Members and town employees who continue their support of a professional Department of Human Resources for the Town of Norwood.

Respectfully Submitted,

Willard Krasnow, Chairman, term expires 5/01/06

Jennifer T. Bolduc, term expires 5/01/05

John E. Taylor, term expires 5/01/05

David Hajjar, term expires 5/01/06

Richard Wunder, term expires 5/01/07

Eleanor McGonagle, Human Resources Director

**2004 ANNUAL REPORT OF
THE SOUTH NORFOLK COUNTY
ASSOCIATION FOR RETARDED CITIZENS, INC.
* CELEBRATING 50 YEARS IN 2004 *
www.sncarc.org**

With funding through the Town of Norwood, the South Norfolk County Association for Retarded Citizens (SNCARC) provides and supports services to citizens of Norwood who are disabled by mental retardation or other developmental disabilities. SNCARC is a private, non-profit membership-based organization founded in 1954 by local parents. It is today governed by the family members of those individuals we serve and it is with great joy and sense of accomplishment that we proudly celebrate SNCARC's 50th anniversary. It is a testament to the good works we perform that the town of Norwood, along with the other eleven towns we serve, continues to provide the vital funding support as it has done for so many years.

Our mission is, **"To advocate for and provide supports and services to people disabled by mental retardation and other developmental disabilities and to their families."**

Supports and services provided by SNCARC to the citizens of Norwood:

Family Support and Respite Care:

SNCARC provides temporary in-home or out-of-home professional care and training for children and adults with developmental disabilities on a planned or emergency basis. It operates after-school and school vacation week programs for children with developmental disabilities. It provides a wide range of support groups for families, and a resource center at our home facility in Westwood.

Family Autism Center:

This program serves individuals with autism and their families with information and referral services, educational services, parent and sibling support groups and a resource library with Internet access.

Social-Recreational Programs:

SNCARC provides special after-school and evening education classes, sports activities, social clubs and events, and special summer programs for children and adults with mental retardation. A principal component of these programs is one-to-one volunteer friendships (citizen advocacy). SNCARC provides transportation services to these activities.

Advocacy:

SNCARC provides specialized education, information and referral services, social support, as well as legal, financial and other consultation support. This program also provides self-advocacy training to individuals and advocacy support

to families with members who are disabled by mental retardation.

Clinical Resource Program:

SNCARC provides behavioral and other psychological counseling for children and adults with disabilities and their families. This program provides individual and group education and training in such subjects as sexuality, weight management and social skills.

Residential Management:

SNCARC provides Residential Management Services to for residential homes and apartments housing individuals with mental retardation.

Day Habilitation/Prevocational Programs:

SNCARC provides educational and therapeutic services for severely and multiply handicapped adults. The program works to help individuals improve their communication skills, physical well being, domestic and self-care skills, community living skills and social skills. This program includes a component for individuals who are elderly and mentally retarded. Its primary objective is to enable these individuals to continue to maintain their functional and social skills and to meaningfully participate in the life of their community.

Services supported by SNCARC through its affiliate Lifeworks:

Vocational Training and Job Placement Programs:

Lifeworks Employment Services provides vocational rehabilitation for mentally retarded persons age 18 and over. These services include vocational evaluation, work adjustment training, sheltered employment, transitional or supported employment and competitive job placement and follow-up support.

Residential Programs:

Lifeworks Residential Programs provides home-like environments and supervision, care and training in independent living skills, functional academics and social skills. These programs include community residences and supervised apartments (both with 24-hour staffing) and cooperative apartments (with staff assistance less than 24 hours per day).

Norwood residents who wish to visit or learn more about our programs or who wish to request services for someone disabled by mental retardation or other developmental disability should contact us at (781) 762-4001.

Respectfully submitted,
William F. Abel, Ph.D.
President

RETIREMENT BOARD

2004 REPORT OF THE RETIREMENT BOARD

The following report is being submitted for the Norwood Retirement Board to reflect the activities of the Board from January 1, 2004 through December 31, 2004. Whereas the Town's fiscal year end is June 30, the financial statements and other records of the Retirement System are required, by statute, to be maintained on a calendar year basis.

Regular meetings of the Retirement Board were conducted in the Municipal Building on the second Tuesday of every month or as otherwise posted. In addition, special meetings were held at the conclusion of each fiscal quarter with the Board's investment consultant and five portfolio investment managers. These four portfolio meetings were held for the purpose of monitoring the System's investment portfolio performance.

ORGANIZATION:

In 2004 the Retirement Board was organized as follows:

Julia E. Lundin, Appointed Member and Chairperson
 Joseph F. Curran, Appointed Member
 Eileen P. Hickey, Elected Member
 George Thomas, Elected Member
 Robert M. Thornton, Ex-Officio Member and Administrator
 Debra A. Lorenzo, Executive Director & Secretary
 Donna J. Corcoran, Administrative Assistant

INVESTMENT RESULTS:

The Board worked closely with its Consultant, William M. Mercer, its Actuary, Mellon and its Investment Advisors at The Boston Company Asset Management, Legg Mason Capital Management, State Street Global Advisors, Standish Mellon and the Euro-Pacific Growth Fund to continue to develop the System's strong investment portfolio of \$94,550,955.

RECREATION DEPARTMENT

2004 ANNUAL REPORT FOR THE RECREATION DEPT

I respectfully submit the Annual Report of the Norwood Recreation Department for the year 2004.

I have always believed that the staff, here at your Recreation Department, is the backbone of our highly successful and respected Department. The existing full and part time staff has, again, brought this Department a proud and productive reputation, and I appreciate their support and work ethics.

The Civic Center has been the hub of community meetings and recreation programs that have touched many of our residents. The programs and activities offered here are: senior exercise, golf and dance, mother/toddler program, cheerleading, ballet, tap, jazz dance, modern dance, gymnastics, karate, hi/low aerobics, arts and crafts, ceramics, knitting, babysitting, floor hockey, photography, basketball, bike repair, candy making, holiday crafts, Halloween party/dance, pumpkin fest, line dancing, video editing, volleyball, women's self-defense, dance fit, yoga, and CPR training. We also offer an extensive workout area, with 11-station nautilus, over 3,000 pounds of free weights, and multiple cardiovascular machines.

The Civic Center also has been very instrumental in assisting various community groups. We've hosted the Norwood Basketball Association, Health Clinics, Elks Free Throw Contest, Lions Club Professional Wrestling, Karate, Elks February vacation tournaments, and the Post Prom Party.

We also offered a variety of activities and programs outside of the Civic that proved to be quite popular. These included Ski and Snowboard Lessons at Blue Hills, Golf at McGolf, and the Norwood Country Club, Learn to Skate at Iorio Arena, our town-wide Easter Egg Hunt, and our annual Scavenger Hunt.

The Recreation Department always enjoys a very busy summer, with many varied and interesting programs. Father Mac's and South Jr. High, again, played host to a thriving Playcamp, including over four hundred children. The Playcamps are fun filled days with games, sports, swimming, cookouts, and the ever-popular field trips. Some of the trips this year included Pawtucket Red Sox, Skate Palace, Boston Duck Tours, Water Wizz, and Canobie Lake Park. The dedication of our summer staff is clearly evident, and we thank them all for their support.

The Tot Lot at Eliot Field (behind the Balch School) proved to make life easier for those parking. Our staff here also excelled, with many positive comments from our patrons.

Camp Challenge is in its 31st year, and has been an inspiration to many a youngster. The children play games, swim, do crafts, and take trips to various locations, such as

Capron Park, Pawtucket Red Sox, Riverside Park, Roger Williams Park and the Museum of Science. Here, too, our dedicated staff has made a very positive difference on those children.

Our swim team was very popular with over 100 children participating. The team swam in the tough suburban league, and held their own.

Another program on the rise is the tennis lessons, with well over 100 children learning the game. The "Ivatts" tennis courts at Jr. High South have also some renewed interest from our adult population.

The Eliot Field complex, which includes a baseball field, softball, tot lot, skateboard, basketball court and restroom facilities, had a very busy season.

The Field Study Committee continued its progress with the Willett Field completion, a new state of the art Babe Ruth Baseball Field with its own Green Monster.

We, at the Recreation Department, are very appreciative of the support rendered to the Department and its sponsored activities this past year. A special thanks to the Board of Selectmen, the General Manager and his Staff, the Public Works Department, the Light Department, the School Department, the Town Engineer and Town Planner, Board of Health, and other Town Departments and Boards with whom this Department had contact during this past year.

We are also looking forward to continuing with innovative and interesting programs for our residents. It has been, and will continue to be, a pleasure providing the residents of Norwood with programs and activities to enhance their quality of life.

Respectfully submitted,

Gerald F. Miller
Superintendent of Recreation

The most startling statistic is the increase in borrowing within the Minuteman Network. The change is the result of software which Minuteman Libraries began using in July 2003. It allows a request by a cardholder to be filled by an available item in any Minuteman Library. A Norwood resident with a Minuteman card has access to **the 6.1 million** items owned by the **41 Minuteman** Libraries. During FY04 Minuteman libraries exchanged **1,037,000** items. Daily delivery to all public libraries in Minuteman is provided by the state of Massachusetts through the Metrowest Regional Library System.

To make the most of this resource become familiar with the request system. The library webpage is accessible from Norwood's homepage: www.ci.norwood.ma.us/library/. Minuteman's homepage is www.mln.lib.ma.us. If you need help come to the library, email us (Norwood@minlib.net) or call 781-769-0200.

Library Plan, 2004 to 2008 - In November of 2002 a committee of residents and representatives of general government and the public schools, met to share their vision for Norwood and make suggestions for library services to help the town meet that vision. The library staff and trustees adopted five primary service goals as a result of the committee's work. Each of the service goals will be carried out as the staff meets concrete objectives through spe-

cific activities. Each year the activities will be updated reflecting new technology and community requirements.

1. **General Information** - Library users will have access to the information they need for lifelong education, to fulfill career goals and to make informed decisions in all aspects of life.
2. **Information Literacy** - In a world where opinions and data are plentiful, library users will find information, evaluate its accuracy and relevance and apply it to their needs.
3. **Cultural Awareness** - Residents of Norwood will have resources to understand and explore their personal cultural heritage and the diverse traditions and history of the surrounding community.
4. **Current Topics and Titles** - Lives of library users will be enriched and lifelong-learning encouraged through access to current popular materials and programs.
5. **Public Awareness** - People in the Norwood area will be aware of the resources available at the library. This plan was formally accepted by the Massachusetts Board of Library Commissioners this fall.

In support of the Cultural Awareness Goal the library sponsored Norwood Heritage Day in cooperation with the Friends of the Library, the Literacy Volunteers and the Norwood Historical Society. Held in the afternoon on Sunday, May 2nd, 20 churches, organizations and cultural groups decorated tables, served food, displayed clothing and crafts, played music and danced. Special thanks go to Martha Colamaria who chaired the event and worked tirelessly for many months in preparation. It was a wonderful celebration of Norwood's diverse community.

A Documentary Heritage Grant from the Massachusetts Records Advisory Board and the Secretary of the Commonwealth, awarded in 2003 was completed this fall. The "Norwood Heritage Collaborative," consists of town departments, the Norwood Historical Society, Caritas Norwood Hospital, Norwood Public Schools, and many Norwood churches. An archivist surveyed historical records held by collaborative participants. A booklet summarizes the archivist's findings and a database of items surveyed will appear on the library's webpage.

An LSTA grant for Customer Service administered by the Massachusetts Board of Library Commissioners enabled the library to update various aspects of customer service including brochures, interior library signs and the library's webpage.

A long planned landscape project was completed this fall. Funds for landscaping the library were omitted from the building renovation project to reduce expenses for the town. No public money was used for this project. Private funds were raised by the library Staff, Trustees and Friends to provide the front of the library building with a sign, new lighting, a seating area, and new plantings.

MORRILL MEMORIAL LIBRARY

The Literacy Volunteers of America at Morrill Memorial Library provides free, confidential tutoring in Basic Literacy and English as a Second Language. This program continues to grow both in number of volunteer tutors and in people seeking tutoring services. Several groups of new tutors were trained during the year and are now working with students. Conversation groups for ESOL students meet several times a week throughout the year. The Literacy program receives additional funding from the Department of Education. This year a generous donation was received from the **Simoni Foundation**. Special thanks go to the **Outback Steakhouse and Manager Dave Cobb** for providing a wonderful lunch to tutors and students in early September.

Literacy Volunteers are always looking for new tutors and students. To join them call Literacy Volunteers at the library 781-769-4599

The Children's Department offered programs to meet the growing demands of young people. Story times are available year around for preschool children. During the summer weekly story times were offered at the Bond Street tot lot. A lapsit program for toddlers with a parent was very popular, as were sessions for preschoolers and evening pajama story times. Fifth grade classes from the Balch, Callahan and Prescott Schools visited the library for computer training. The summer reading program, sponsored by Comcast, followed the theme Explore Other Worlds @ Your Library. Programs encouraged children to explore new interests through a variety of programs. 617 children participated in the program reading an average of 22 books each.

Children's Librarian Hope Anderson and Reference Librarian Marie Lydon meet regularly with librarians from the schools to coordinate services and programs. One such program is the Norwood Young Reader's Award program, a book discussion for 4th and 5th graders that began meeting in the library in December.

Literary Lunch, the sixth annual reading and discussion program for 6th graders and Senior Citizens was successful again. Participants read Notes from a Liar and Her Dog by Gennifer Choldenko, a book selected by sixth grade teacher Rebecca Ladow. Opinions on the book varied, but the conversation between the older and younger generation was lively. Librarian Beth Goldman, whose enthusiasm helped create this annual event in 1999, commented that all participants, young and old, know their views will be respected.

Highlights of programs for adults:

- **Beach and Fireside favorites** (seasonal book suggestions) were presented by Margot Sullivan and Beth Goldman
- **Monthly book discussion** groups continued to be

popular

- **The Life and Artistry of Winslow Homer** came alive through a slide presentation by Gershon Weisenberg
- **A workshop on journal and memoir writing** was presented by Susan Clare from Puddingstone Books and Prints
- **The "Wonderful Wednesdays"** summer series was sparked by programs on Calligraphy, Celtic culture and handicraft and finally by a demonstration of Portuguese cooking. Programs were presented by talented library staff members, Cynthia Rudolph, Marge Hickey and Terry Cordeiro respectively.
- **Boston Globe film critics**, Ty Burr and Wesley Morris talked about the year's movie highlights

The Outreach Department provides services to people unable to visit the library or unable to use its resources without assistance. In 2004, more than 6000 items were delivered by the Outreach department staff or by a small but dedicated group of volunteers, to people in their homes, in nursing homes, at the Senior Center and at Senior housing facilities. In addition programs were presented at several locations around town. A flourishing book group meets on the second Friday of the month at the Senior Center.

Assistive Technology equipment and software is available at the library for use by individuals with special needs. Please call the Outreach Department at 781-769-0200, x 228 if you need the services of the Outreach Department, assistive technology or if you would like to become a volunteer.

The Friends of the Library support the library and its services in countless important ways. They sponsor many library programs. On a cold snowy evening in January at a general meeting author Michael Tougias presented a program about the Blizzard of 78. At their annual author evening in April mystery novelists G. H. Ephron and Roberta Isleib spoke about their popular books. In the fall Irish author Aine Greaney talked about her novel Big House. The Friends held two successful book sales, hosted a table at Norwood Day, co-sponsored Heritage Day and provided financial support for library programs and additional money to purchase books, videos and audio books. In times of budget cuts the financial and moral support provided by the Friends is invaluable.

The Women's Community Committee is the primary sponsor of the library museum pass program. They provided memberships for the Children's Museum, Museum of Science, Roger Williams Zoo, Isabella Stewart Gardner Museum, JFK Library, Museum of Fine Arts and Easton Children's Museum. These museum passes were used 700 times in 2004 providing a cultural resource worth thousands of dollars and benefiting thousands of people. We are thankful for the continuous generosity of the WCC.

PLANNING BOARD

The Morrill Memorial Library continues to be a destination point for Norwood residents. The library is a town department people visit because they want to, not because they have to. This continues to be true because of funding from the Town supplemented by the generosity of the Friends, the WCC, the Simoni Foundation and the Boch Betterment Fund. It is also true because of the dedication and enthusiasm of the Library Staff and the interest and commitment of the Board of Trustees. The town is fortunate to have such dedicated people working in our library. If you haven't been to the library for a while we invite you to come in!

Board of Trustees, 2004

Seated: Stuart R. Plumer, Arthur W. Gearty, Chair;
Standing: Elizabeth Dickson, Secretary,
Thomas J. Cummings, Patricia J. Fanning,
Susannah J. P. Petro, Mary Phinney, Director,
Roger C. MacLeod, Vice Chair

2004 ANNUAL REPORT OF THE NORWOOD PLANNING BOARD

The Norwood Planning Board is pleased to submit a summary of its activities and accomplishments in 2004:

Subdivisions

The Planning Board administers the Subdivision Control Law, which are regulations for the laying out, and construction of new roadways. During 2004, the Board approved two Industrial Subdivisions - Upland Woods (former Polaroid property) and 825 University Avenue (former Jet spray property). These subdivisions will help the Town's commercial tax base. The Board also oversees the construction of several residential subdivisions including the Newbury Park Subdivision and the Cotter Farm Estates Subdivision, both of which are located off Neponset Street and the Grandview II - Phase III subdivision located off Plantation Circle and Alden Road. The Board also endorsed several Approval Not Required Plans and Waiver of Frontage Plans pursuant to MGL Chapter 41, Section 81.

Major Projects

The Planning Board is the Town's Major Project Special Permit Authority. A Major Project is defined as new construction, addition, or change of use resulting in a net addition of more than 25,000 square feet or 100 or more parking spaces. In 2004, the Planning Board acted on the following Major Project permit requests:

- **DENIED** - Lowe's Home Improvement Store - 185,000 square foot retail store to be located on Route 1 South (former Grant Gear PCB site)
- **APPROVED** - UTI Technical School - 230,000 Square foot auto technical school to be located on Upland Woods Road (former Polaroid Park)

Community Development Programs

The Town Planner applied for and received a \$800,000 Community Development Fund Grant in July, 2004. These funds will be used to establish two community development programs: the Norwood Housing Rehabilitation Program and the Norwood Sign and Façade Improvement Program. Contact Town Planner Steve Costello at 781-762-1240 for more details.

Respectfully submitted,

THE NORWOOD PLANNING BOARD

CONSERVATION DEPARTMENT

2004 ANNUAL REPORT OF THE CONSERVATION COMMISSION

The purpose of the Conservation Commission is to enforce the Commonwealth's Wetland Protection Act as well as the Town's Wetland by-Law. These laws identify areas subject to protection and include banks, wetlands, marshes, swamps and flats bordering on a body of water. In addition, land under a body of water and land subject to flooding are included as well as a 200-foot riparian zone along each side of a river or perennial stream. Any activity within these areas is subject to regulations as is any activity within a 100-foot buffer zone of the areas protected which would alter either the area under the protection or the buffer zone. The term activity refers to any act, which would remove, fill, dredge or alter.

The Conservation Commission issues Determinations identifying an activity as significant or non-significant. If significant, a Notice of Intent must be filed and work may only proceed under an Order of Conditions issued by the Commission. The Commission conducts site reviews on work in progress as well as at project end. If the work performed is the same as that initially proposed a Certificate of Compliance would be issued. This is an abbreviated description of the Commission's responsibility.

BOARD OF APPEALS

2004 REPORT OF THE BOARD OF APPEALS

The Board of Appeals submits herewith its Annual Report for the year 2004, which shows a total of 85 cases, eleven were withdrawn without prejudice prior to the decision being made or the public hearing being opened.

A summary of the applications received and cases heard during the past year is as follows:

1.	Requests for Special Permits	41
	Approved	34
	Denied	4
	Withdrawn	4
	Null & Void	0
	Open cases	0
2.	Requests for Variances	121
	Approved	100
	Denied	11
	Withdrawn	7
	Open cases	0
3.	Requests for Amendments	4
	Approved	4
	Denied	0
	Withdrawn	0
	Open cases	0

In addition to the hearings there were six requests for extensions to prior decisions.

Barbara A. Kinter, Joseph J. Randall, Philip W. Riley, Harry T. Spence, Patrick J. Mulvehill wish to thank Associate Members, John R. Perry, Paul W. Eysie, and Deborah A. Holmwood, along with the Inspector of Buildings Mark Chubet and his staff for their cooperation and dedication. Thanks are also extended to the various elected and appointed Town Officials for their assistance during the past year.

Respectfully submitted,
Barbara A. Kinter, Chairman

REPORT OF THE TOWN ENGINEER

The Engineering Department, through the Town Engineer, respectfully submits the annual report for 2004.

The Engineering Department consists of the Town Engineer, an Assistant Town Engineer, a Grade IV Civil Engineer and a part time draftsman. On occasion, a local engineering student on break from studies provides the department with valuable assistance while gaining insight to his future profession. All three department engineer's have Bachelor of Science degrees in civil engineering and are also approved by the Department of Environmental Protection (DEP) as Soil Evaluator's. The Town Engineer is registered as a Professional Engineer and Professional Land Surveyor. The Assistant Town Engineer is also registered as a Professional Land Surveyor.

The Engineering Department provides a broad range of services. This department provides technical support to all municipal departments and town boards. The following is a sample of the assistance provided: plan review, cost estimates and inspection services for the Planning Board; plan review and engineering opinions to the Board of Appeals and Conservation Commission; construction design, cost estimate and engineering services to the Department of Public Works; assistance to the Recreation Department on a variety of recreation projects; assisting the Assessor's Office in maintaining up to date tax maps; provide assistance to the General Manager and Board of Selectmen on a variety of municipal projects. This department also has its own individual projects that require performing survey work, traffic surveys and construction project design and supervision. In addition, the department provides engineering assistance to residents, contractors, builders and engineers that visit this office on a daily basis seeking guidance.

During 2004, the Engineering Department was intimately involved in a wide range of projects which proved both challenging and rewarding. It also showcased the talents and capabilities this engineering department provides. Some of the more exciting projects included:

- **Annual Road Resurfacing** - Designed and provided construction administration and supervision of the annual road resurfacing project. Project involved cold planing existing bituminous concrete and installing a bituminous concrete overlay on the following streets: Nichols Street - From Berwick Place to Geraldine Drive (1,525 feet); Access Road - From Route One to Gate 3 of Norwood Memorial Airport (1,605 feet).
- **Annual Sidewalk Construction and Overlay** - Inspected and rated sidewalks Town wide for inclusion in a major sidewalk construction and overlay project planned for 2005.

- **Willett School Babe Ruth Field** - The athletic complex consisting of severely deteriorated tennis courts, under-sized and worn soccer field and a poor excuse for a little league field was transformed to a regulation Babe Ruth field during the summer of 2004. Design supervision, construction supervision and construction administration was provided by the Engineering Department. The field consists of a new backstop and dugouts, subsurface drainage, sprinkler system and an infield consisting of a ballfield clay mix standardized at all of the Town's ballfields. The field also mimics Fenway Park with its own version of the Green Monster in left field. The project benefited from a \$158,800 grant from the Commonwealth of Massachusetts Division of Conservation Services. In order to allow proper germination, the field will not become operational until the Fall of 2005.

- **Norwood Center Streetscape Phase 2A** - Phase 2A of the Norwood Center Streetscape project consisted of installing historic type street light poles and luminaires to compliment the work performed under the Norwood Center Streetscape Phase 1 project. The project was funded by a Public Works Economic Development Grant administered by the Executive Office of Transportation and Construction. The Engineering Department provided construction supervision and administration for the lighting project with a considerable amount of assistance provided by the Norwood Municipal Light Department. During 2004, work was completed on Central Street between Washington Street and Railroad Avenue; Day Street between Washington Street and Central Street; Cottage Street East between Central Street and Broadway; Cottage Street between Washington Street and the Talbot Municipal Parking Lot; the Municipal Parking Lot behind the Theater at the intersection of Nahatan Street and Broadway; Aaron Guild Park across the street from the Post Office. The work included the installation of 28 historic type street lights, 18 historic type pedestrian street lights, 2 street light service pedestals and miscellaneous landscape and parking lot lighting.

- **Norwood Center Streetscape Phase 2B** - The Engineering Department, along with our design consultant, completed the design for Norwood Center Streetscape Phase 2B for work on Central Street, East Cottage Street, Cottage Street, Nahatan Street, Broadway and Day Street. The Engineering Department provided construction supervision and administration for the work which consisted of: new cement concrete sidewalks, brick paver strips, curbing realignment, benches, new trees, trash receptacles, four faced clock and improvements to Frank Swift Park across from the Norwood Civic Center. The project involved cold planning 21, 710 SY of roadway pavement, installing 2,309 TONS of bituminous concrete pavement, installation of 4,600 SY of cement concrete sidewalks, installation of 1,460 SY of concrete brick paver strip, installation and resetting 2,961 LF of granite curbing, installing 7 new benches, 7 new trash receptacles and, as

ENGINEERING DEPARTMENT

mentioned, a four sided clock at the corner of Nahatan Street and Broadway. The work limits consisted of: Central Street between Guild Street and Railroad Ave; Day Street between Washington Street and Central Street; Cottage Street between Washington Street and the Talbot Municipal Parking Lot; Nahatan Street between Washington Street and Broadway; Cottage Street East between Central Street and Broadway; Broadway between Nahatan Street and Day Street.

- **Walpole Street Reconstruction** - The Engineering Department prepared plans, specifications and performed construction supervision and administration for the Walpole Street Reconstruction Project between Walnut Avenue and Saunders Road. The work involved cold planning 4,749 SY of roadway pavement, installing 389 TONS of bituminous concrete pavement; installing 1,323 SY of cement concrete sidewalks and 1,593 LF of granite curbing.

- **Plantation Circle Detention Basin** - The Engineering Department assisted our design engineer in the design and contract document preparation for the rehabilitation of a stormwater detention basin located at the intersection of Plantation Circle and Bay Colony Drive. The Engineering Department provided construction supervision and administration for the transformation of a failing detention basin into a manageable component of the Town's stormwater system. The detention basin work involved removal of the existing vegetation; 845 LF of subdrains installed; installation of a precast concrete swale measuring 120 LF; loam and seed the 4,000 SY basin bottom. The project turned a failing eyesore into a functioning basin that is also aesthetically pleasing.

- **Pedestrian Safety Committee** - The Engineering Department provided assistance to the Pedestrian Safety Committee in their quest to make the Town of Norwood pedestrian friendly. Work involved designing traffic calming measures and making recommendations on improvements.

- **Geographic Information System (GIS)** - The Engineering Department continued working on developing the GIS. At this point, the Assessor's Tax Maps, Water System, Drain System and Zoning Map have been converted to electronic format. The system allows the Engineering Department to produce various maps and plans for the Engineering Department and other Town boards and departments. These plan are developed quickly and accurately which provides the ability for informed decisions to be made expeditiously. The GIS has been an excellent investment and further support is a wise decision.

The upcoming year 2005 is expected to another busy and exciting one. The Engineering Department anticipates the following work to be performed: design and reconstruction of Walpole Street between Saunders Road and Chapel Street; design and construction of the Annual Street

Resurfacing project; design and construction of the Annual Sidewalk Overlay and Construction project; continued investigation of the drain system in the Elm Street, Sycamore Street, Cypress Street area; assistance to the Field Committee in determining the next field project; permitting for the Buckmaster Pond Well in Westwood; assistance to the Pedestrian Safety Committee; continued development of the Geographic Information System and various street acceptances.

Respectfully submitted:

Mark P. Ryan - Town Engineer

FINANCE COMMISSION DEPARTMENT

2004 ANNUAL REPORT OF THE FINANCE COMMISSION

To the Citizens of Norwood:

The Finance Commission was organized in the year 2004 as follows:

- Judith A. Langone, Chairman (Term Expires, 2005)
- John W. Hayes (Term Expires, 2006)
- Thomas J. McQuaid (Term Expires, 2006)
- Alan D. Slater (Term Expires 2007)
- Eleanor M. Travers (Term Expires 2007)

The Finance Commission held numerous meetings during the year for the purpose of reviewing departmental Reserve Fund transfer requests as well as detailed annual budget requests for the next fiscal year. After deliberation with department heads charged with the responsibility for expending budgetary funds, the Finance Commission then made detailed budget recommendations for FY 2005 to the Annual Town Meeting.

The sum of \$135,000 was appropriated for the FY 2004 Reserve Fund. The following Reserve Fund transfers were approved during the year by the Finance Commission

*Front left to right: Alan D. Slater, Judith A. Langone,
John W. Hayes

BOARD OF ASSESSORS

2004 ANNUAL REPORT OF THE BOARD OF ASSESSORS

The duties of the Assessors are complex and comply with Massachusetts General Law, Chapter 59.

The primary function of the Board is to assess property at full and fair cash market value for the purpose of taxation. The three main sources of tax revenue are Real Estate, Personal Property and Motor Vehicle Excise. The department is responsible for the update and maintenance of the property ownership records, personal property records, exempt property and town owned property records, sub-division records and property records,

sub-division records and apportioned street and sewer records.

Other duties include the reviewing and maintenance of building permits, tax exempt appeals, tax appeal cases, Appellate Tax Board cases, motor vehicle excise tax appeals and new business certificates. The Board is responsible for Real Estate, Personal Property and Motor Vehicle commitments.

The Fiscal Year 2004 residential and open space tax rate was \$9.62. The commercial, industrial and personal property tax rate was \$15.07.

CLASS	LEVY%	VALUATION	LEVY	PARCEL
RESIDENTIAL	58.2046	2,316,462,778	22,284,371.92	7,730
COMMERCIAL	27.7675	705,253,022	10,628,163.04	533
INDUSTRIAL	11.0031	279,463,800	4,211,519.47	141
PERSONAL	3.0248	1,157,948.89	1,157,778.67	1,318
TOTALS	100.0000	3,378,006,320	38,281,833.10	9,722

FISCAL YEAR 2004 TAX RATE SUMMARY

Total Amount To Be Raised	103,949,024.10
Total Estimated Receipts & Other Sources	65,667,191.00
Tax Levy	38,281,833.10

MOTOR VEHICLE AND TRAILER EXCISE

In the year 2004 there were 32,121 Motor Vehicle and Trailer excise tax bills committed in the amount of \$3,754,215.98

Respectfully submitted.
Paul F. Wanecek, Chairman
Joseph T. Turner, Member
Joseph F. Palleiko, Member

NORFOLK COUNTY MOSQUITO CONTROL

2004 ANNUAL REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

The operational program of the Project integrates all proven technologies into an Integrated Pest Management (IPM) system of mosquito control and vector management that is rational, environmentally sensitive and cost effective.

All mosquito eggs need water to hatch and to sustain larval growth.

Water Management Activities: An important component of our IPM approach is the management of shallow, standing, stagnant water, and the maintenance of existing flow systems which if neglected can contribute to mosquito breeding. In addition to normal drainage system maintenance, Project personnel advised residents on removal of water holding artificial containers on their property for the purpose of eliminating potential West Nile virus mosquito breeding habitat.

Drainage ditches checked/cleaned	3,115	feet
Culverts checked/cleaned	45	culverts
Brush obstructing drainage cut	250	feet

Larval Control: Treatment of mosquito larvae during aquatic development is the next most effective control effort. The products used during these applications were Bti and Methoprene.

Spring aerial larvicide applications	326	acres
Larval control using briquette & granular applications	0.40	acres
Rain Basin treatments using briquettes (West Nile virus control)	1,622	basins

Adult Control: The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying, and/or threaten public health. The product used during these applications was Sumithrin

Adult control aerosol applications from trucks	9,548	acres
--	-------	-------

Surveillance: Surveys, inspections, and monitoring in support of our program include GIS mapping of breeding areas, larval and adult collections, and fieldwork evaluations leading to better water management. West Nile virus and Eastern Equine Encephalitis have been active in Norfolk County over the past several years which has resulted in an expansion of the surveillance program in collaboration with the Massachusetts Department of Public Health (MDPH), State Laboratory Institute. MDPH has requested that the Norfolk County Mosquito Control Project expand mosquito surveillance across the county for that purpose of detecting viruses in collected mosquitoes as an early warning system for the residents of the county. Considerable manpower has been reallocated to these efforts, which is not reflected in this report.

Respectfully submitted,

John J. Smith, Director

TOWN OF NORWOOD

SERVE YOUR COMMUNITY – ACT NOW!

Town Government needs citizens who are willing to contribute time and expertise in the service of their community. Norwood will best be served if as broad a segment of the community as possible is involved in the functioning of our local government.

A TALENT BANK has been established by the Selectmen, the General Manager, and the Town Moderator as a means of compiling names of citizens who are interested in serving on boards or committees on a voluntary basis. This file is available at the Office of the Board of Selectmen also for use by the public.

TALENT BANK files are continually being updated to indicate categories consistent with the changing needs of the Town. Your order of preference should be indicated and the form below returned to:
