**911:**

-Commissioner asked Hoffman to come up to ask about the 911 system. We currently have Solocom and other counties currently using Solocom, are having issues with repair. All other counties use Intrado Viper (JC/Cole County is switching to). As of now we take the information and then contact the county needing to be contacted. Advantages is that it's a direct line and if our building was a total loss, we could go to another county and log in as Osage County and operate as normal. Our contract had recently been refreshed and Hoffman said we are locked in for 5 years.

**Old Business:**

-Dudenhoeffer spoke with Kevin at Fence Pro, he will be out Tuesday July 6, 2021 to start work on the courthouse antenna fencing.
