Linn, MO 65051

Re: MoDOT Osage County, Route 50 and CC intersection improvement project

Dear Mr. Griffin:

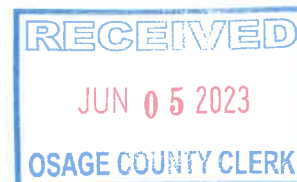

The Missouri Department of Transportation (MoDOT) is preparing roadway plans to make improvements to the intersections of U.S. Route 50 at Route CC and Technology Drive in Linn. The project will improve traffic flow and safety at these intersections by adding turn lanes and signals. MoDOT will be holding an open-house public meeting to provide information about the proposed improvements on Thursday, June 15, 2023 at Osage County Community Center Function Room at 1769 US-50 in Linn from 4:30 – 6 p.m. There is no formal presentation planned and attendees may come and go as they please during that timeframe. MoDOT staff will be available to help answer questions, take comments, and provide information on the proposed project.

Project information can be reviewed and comments can be left on the MoDOT project webpage at <https://www.modot.org/us-route-50route-cc-intersection-improvements-osage-county>.

If you have any questions regarding the webpage or public meeting, please contact Mia Peters at (573) 751-7690 or Preston Kramer at (573) 301-4202.

Sincerely,

Mia Peters, P.E.  
Transportation Project Manager

*Our mission is to provide a world-class transportation system that is safe, innovative, reliable and dedicated to a prosperous Missouri.*
