### **TENNESSEN WARNING**

(Data Practices Advisory: Minnesota Statute § 13.04)

This information is used for collection purposes should the resident become delinquent in payments on their utility account or city services (weeds, mowing, etc). This information is also used for the purposes of contacting the resident should an emergency occur in regard to the utilities. Others who may have legal access to the data: supervisors, management, administrators and other individuals within the entity that have a need to know; your authorized representative; attorneys representing any of the above individuals or entities; municipal, county, state and federal agencies and governments; and any other person or entity authorized by law or court order.
