Good Morning,

All Department Heads, Town Staff, Boards & Commissions and Quasi-Municipal agencies;

Due to the current situation concerning the COVID-19 virus and updated guidance from the Department of Health and the CDC, this notice is to advise you to cancel all meetings, hearings and public gatherings from today until at April 1st, 2020 or until further guidance is given.

I urge all private entities to join us in an attempt to control the spread of this virus by considering and committing to limiting or cancelling all gatherings, while following the same precautions and suggestions by the Department of Health.

Thank you all for your cooperation.

John Robinson, Director
Scituate EMA
