Recycling Questions (360) 432-5102 Service and Billing Questions (360) 426-4491

Using the pick up calendar is easy:

Garbage is picked up on YELLOW weeks
Recycling is picked up on WHITE weeks

Don't Forget! Make sure all garbage, recycling, and yard waste carts are out by 6:00 a.m. on your pick up day to ensure timely pick up.

Holiday Questions? Holiday schedule changes for trash and recycling pick up will be noted on your previous month's utility bill. If you're unsure about when to set your cans out during holidays call Jason at 432-5102, or Jill and Lanita at 426-4491, to inquire about your holiday pick up schedule.

RECYCLE YOUR YARD TRIMMINGS!
Curbside Yard Waste collection is now available! The City of Shelton is now offering optional yard waste pick up to City (residential) utility customers for a reasonable fee. Yard Waste carts are picked up on recycling pick up weeks on Wednesday. Collected material is recycled into mulch rather than placed in the landfill!
Sign up and have your 95-gallon yard waste container delivered today! Call the City of Shelton Front Desk at 426-4491 to set it up!

NO PLASTIC BAGS!!

Plastic grocery bags are not recycled when you place them in your recycling bins. In fact, they "gum up" the works at today's highly automated recycling facilities!! Please, do not place them in your recycle bins but take them with you on your next trip to the supermarket and place them in the bag collection facilities there (usually located near the entrance).

What can I recycle?

BLUE CART—Containers. Aluminum cans, tin cans, soda cans, dairy tubs, plastic jugs, plastic jars, glass bottles, glass jars, etc.
PLEASE NO PLASTIC BAGS.

GREEN CART—Paper. Magazines and Catalogs, newspaper, junk mail (window envelopes), telephone books, cardboard (broken down), cereal and dry food boxes (broken down), paper bags and sacks, milk cartons and juice boxes, shredded paper (place in paper bag!), gift wrap (no shiny foil), etc. **PLEASE NO PLASTIC BAGS.**
