CITY OF SHELTON PARKS AND RECREATION FACILITY RESERVATION FORM

The City of Shelton's Parks and Recreation facilities are available to all citizens of the community. They are operated and maintained by the city as an integral part of the public recreation program.

Due to the extremely heavy use of shelters and ballfield areas by the public, certain restrictions have been placed on their use to help achieve maximum use efficiency. No group will be refused use of facilities if the planned program is of community-wide interest and the time and/or facility is available.

Scheduled events in City park facilities may be canceled by the City of Shelton at any time if the facility is deemed unsafe or the ballfield playing surface is damaged severely.

Proof of liability insurance may be necessary for competitive/league play, fairs, carnivals, or special events.

Inflatable (bounce houses) structures, water slides, pools, slip n' slides, etc. must obtain prior approval. Proof of insurance and Washington State certification must be submitted to the city in advance. Locations and sites will be limited and/or excluded based on impact to park or facility.

Large Group/Public Events: For all events larger than 100 people and or open to the public, a special event permit application may be required and approved. No person shall use a city park for a public event with or without permit.

Cancellations: Cancellations must be made within 14 days prior to the reservation to be eligible for a refund. No refunds will be made due to inclement weather for picnic shelter reservations.
