2023 Texas Case Resolution Campaign

Law enforcement agencies and courts statewide are participating in the 2023 Texas Case Resolution Campaign Week, March 19-25. Beginning Feb. 27, individuals can expect to see public service advertisements and receive contact from Courts regarding the campaign. Agencies will step up efforts to actively resolve outstanding cases beginning March 19.

The campaign is designed to target thousands of defendants with outstanding cases in participating jurisdictions including numerous county, justices of the peace and municipal courts.

Under Texas Law, individuals appearing before a court and making a good faith effort to resolve outstanding Class C cases are afforded safe harbor and not subject to arrest. Additionally, if a judgment is rendered against an individual who is unable to pay the judgment, the individual may request a judge to assess their ability to pay and offer alternative means to satisfy the judgment.

Individuals with outstanding cases are encouraged to contact the Court to voluntarily resolve their cases before being compelled to appear in Court.

For more information, contact the *Somerville Municipal Court* at *979-596-3068*.
