South Lyon Business Owner Survey
Friday, October 18, 2019
Methodology

Methodology:
Surveys were mailed to XXX business owners in the city of South Lyon in September 2019, with an option to complete the survey online. Reminders to complete the survey were posted on Facebook. Twenty-two responses were received.

Of those:
- Thirteen business owners are in the service industry; 5 are in retail.
- Eleven have 5 or fewer employees.
- Six are age 45 or younger, ten are between 46 and 60, and five are 61 or older.

Due to the low number of responses, caution should be exercised when interpreting the results.
Executive Summary

Doing Business in South Lyon:
Over three-fourths of are somewhat or very likely to recommend starting a business in South Lyon.
- Top business advantages include the supportive community, small town feel, growth, location, and affordability.
- Top disadvantages include heavy traffic, lack of business diversity, issues with city officials/regulations, and high taxes.

Q11: What suggestions do you have for improving our services?

Communication

“Communication needs to improve. We have had so many experiences of miscommunication or no communication. City officials taking multiple weeks to reply to an email if at all.”

“Friendlier staff and follow through from all.”

“Downtown South Lyon [Facebook page] seems to consistently favor the same businesses. (Venue, Corner Cafe, Divine Yoga). Many businesses are located within the city and rarely featured or mentioned. Not sure who runs the [page] but seems biased.”

Ordinances

“Better enforcement of established ordinances on flagrant violators.”

“It took a very long time for the owner of King Plaza to be able to attain permits to connect to city water and sewer- it was a disruption to my business during that time as the septic tank was pumped weekly with associated strong odors.”

Other

“Lower taxes and hence the cost of business.”

“Widen Pontiac Trail. Move farmers’ market to high school parking lot to make it larger and draw walking traffic past our location.”
Q12: The City uses their website (www.southlyonmi.org) to communicate information to its residents and businesses. How effective is this means of communication for your business needs?

Of the 13 respondents who rated the website, just over half find it either somewhat or very effective.

- Very effective: 13.6% (3)
- Somewhat effective: 18.2% (4)
- Not at all effective: 40.9% (9)

Answered: 22  Skipped: 0
Q13: If you don’t find the website effective, what improvements would you recommend, or what other means of communication would you prefer?

**Website**

“Be sure to keep the website up to date.”

“It needs to be more current and have more content.”

“Better website, up-to-date information, easier to navigate, more promotional events, more advertising, etc.”

“Make it user friendly.”

**Facebook**

“Social media presence from City Hall would help tremendously. I do not know anyone who randomly visits the city website to look for updates. It is a fine place to put information and updates, but adding social to inform people of updates would be an improvement. The police, fire and schools do a great job posting and updating on social sites, City Hall needs to catch up to really properly communicate. As an example, both the Police and Fire Departments posted a reminder about this survey, we could not find anything from City Hall... There is a Downtown South Lyon page, not sure if this a city page or not, even if it is, only posts about the DDA area, which has not benefit to me or my business.”

**Email**

“Need proactive "pushes" versus looking for information. Send emails. Collect emails from businesses within the city.”

“I prefer emails.”

Q17: If you have any other comments that haven’t been addressed above, please enter them here:

Communication Issues
“An upper level staff member that works at city does not return phone calls or emails. Hard to promote business and city when emails and phone calls not returned.”
“Lack of city sponsored events, poor communication with downtown businesses, very poor choices of event dates with no survey of business input, no return phone calls.”
“The Downtown South Lyon Facebook page STILL lists former City Manager Lynne Ladner as the contact in two different places! On the Events page listing, there have been no events posted since November 2017. Also, since August 27th, there have been 60 posts, with 20 posts being of one of three downtown businesses.”

Other Issues
“Stop building stuff there are already enough vacant buildings in South Lyon and Lyon township.”
“The 2 mechanic places in town are eye sores to the downtown area.”

Positive Feedback
“I love The City of South Lyon.”
“Keep pushing forward.”
“I love to practice my profession in the South Lyon community. It is a wonderful close knit community! Also the police department has been extraordinarily helpful in the past when they responded to past incidences that occurred with previous neighbor tenants. Thank you!”
