PUBLIC COMMENT

Dayna Johnston of 543 McMunn stated she is here to announce she is running for City Council. She stated she is a longtime member of the community, a graduate of South Lyon Schools, as well as her siblings and children. She stated this is a great community and she wants to be more of a part of South Lyon. This Council has been standing for our Council for many years and she would like to work with everyone on Council. She stated Council doesn’t make all the motions, they are backed up by the City Manager, Police, Fire and everyone that works in the office every day. She hopes to bring somethings she knows to enhance the City Council. She stated she has a background in Art, she is not a lawyer, a finance person, a lawyer but she is a volunteer. Ms. Johnston stated she was part of the first Pumpkinfest Committee, and she is still in charge of the Memorial Day Parade. She further stated she has started many things that are still going on in this community. She stated she believes in this community, the people and where South Lyon is going. She further stated she remembers when there was only one light in town, and we were the horse capital of Michigan. We have a lot of great people and she wants to be more a part of it. She then stated she is having a meet and greet on September 16th at the Corner Caffé.

Josie Kearns of 229 Lyon Blvd stated there are 4 new artworks that have been installed as part of the Art & Commerce in the pocket park between the new kitchen place and the barber shop. There will be 4 more to be installed later this week. There is a new part which include poets writing poems about different businesses such as the furniture store, jewelry store, hardware, bicycle and hopefully a baker poem. She stated we have been delayed due to the wonderful NASA photos which is almost over, and thank you to Amelia of the Salem South Lyon Library and the City Manager who helped with that. She then thanked KV Sports for the donation of $95.00 for the metal plaques that are on them identifying the Michigan Arts and Cultural Affairs that gave them the grants and the Cultural Arts Commission. Ms. Kearns thanked Ken Michalik who is a great graphics designer and right now is developing a brochure for the project and it will thank everyone involved. She stated he also designed the water tower design. She stated he is amazing. She then thanked Ron Brock and his team for making the frames and installing them. She then thanked Jeff Robinson from Third Monk Brewing for hosting the Moonwalk Poetry Reading. She then stated there will be a poetry walk in October and if you volunteer 4 hours with the Cultural Arts Commission, Joe Matuzak will do a presentation on how to set up an eBay account and sell on eBay.

Ryan Lare of 716 Grand Court stated today he viewed Steve Kennedy’s literature on his run for City Council. He stated there are some discrepancies he would like to clear up. He stated the literature stated you designed the water tower, as Josie mentioned, Ken Mihalic designed the graphics and he thinks it is terrible that he would take responsibility for it. He then stated he is taking credit for snow plows and vehicles for the DPW, these are hard working people that are working behind the scenes and it is funny you are taking credit for these things that are going on yet, the Fire, DPW and Water. There are other people that have done the work and you are taking the credit for it. He then stated why don’t you recognize all the city employees that helped get the truck, the plow, or the life saving device like Chief Vogel and Deputy Weir. He further stated if you want to be on Council, you have to tell the truth. The truth is important, honesty is important. If you want to be in public office, you should start now. Mr. Lare stated you have no consideration for other people. He stated he asked for a copy of the pamphlet and he was ignored and that was rude.

Carol Sadoko of Raleigh Court stated she spoke at a council meeting about a year ago about the city taking the responsibility for the green building in town and how horrible it looked. She is thrilled to see
that it is finally being fixed up and she wanted to thank Council for that. She stated she spoke with the only Councilmember that she knows about the small house next to the Cemetery and she is happy to see the eyesore has been taken down. She thanked Council for everything.

DISCUSSION- Downtown

Bob Donohue stated they are moving along with Cool Yule. He stated there will be more details at the next meeting. Mr. Donohue stated the distribution of the business survey has been completed and it is on schedule. Mr. Donohue stated he wanted to remind everyone of some downtown events, such as the Downtown Trick or Treating will be on October 24th and Ladies Night Out will be on November 15th. Mr. Donohue thanked the Cultural Arts Commission for their efforts to bring art downtown and throughout the community.

Councilmember Walton stated when the city purchased the property and McHattie and Pontiac Trail, she had spoken with a Councilmember regarding that becoming a gathering spot for our community. She stated we could put in a fire pit, places to sit as well as some art in the park. She further stated we encourage people to come to come to our city, but she would like to see a gathering spot as some other communities do. Mr. Donohue stated the DDA is going to be creating an economic development committee to look at available properties in the DDA. He further stated some of her ideas have been discussed for that property as well as Farmers Market or sale of the property. They are going to be looking at what could be the better use of the vacant parcels.

Councilmember Richards stated someone from the Veterans club asked him about the Veterans rock. Mr. Donohue stated a member of the American Legion approached him when he first began at the City. Harvey Wedell asked if we could have a better monument for the Veterans. He stated we looked at designs to expand the monument. We started with the American Legion, then the Veterans. We never had approval, but we had support and they asked us to take it through the process and we had approval at every step. He stated it then became a funding situation. We have been able to gain most of the $40,000 in in-kind services along with some cash donations. He stated the site plan has not changed, but the position of the flag poles has slightly changed. He further stated he was asked by the veterans to have a document stating the monument will face the road and the brick pavers would be in front of the marker as well. Mr. Donohue stated they stated if the monument was moved, they would want to sell the property. He stated we have verified the property the monument is currently sitting on is owned by the City. He further stated by moving it from one City property to another will create a better atmosphere so people don’t have to stand in the street during ceremonies. He further stated Lyon Township is proposing a large
elaborate veterans memorial and the City should do the same. He further stated we have a wonderful plan and now we are close to moving forward.

Councilmember Parisien asked if there is a time frame to have the business surveys returned to City Hall. Mr. Donohue stated it is steered toward Survey Monkey, but they do have the option to mail it to the city as well. He further stated they are working with Survey Monkey to gather the information, then the work groups will look through it and put it into a format to be turned into Council. City Manager Zelenak stated the information should be given to Council in October.

NEW BUSINESS

1. Purchase of new F-350 w/ plow package for DPW

This purchase is accounted for in the 2019 budget under line item #641-959-300, vehicle equipment replacement fund. This truck will be built in November and not available for use until early 2020. He stated we received 3 quotes and Varsity is the low bid with the amount of $40,238.80. Councilmember Kivell stated he is happy that Varsity was such a substantial amount lower than the competition. Councilmember Richards stated he is happy we are using Ford because they are the most rugged for the job.

3. “South Lyon Eve”, New year’s Eve Event

Councilmember Richards stated this is the first he has heard of it. He stated there are people living on McHattie Street and Washington. Have the residents been notified there will be live music and a big party on New Year’s Eve. He further stated there will be complaints. He said people came to him and complained about the music from Blues and Brews. Mr. Donohue stated we had to have approval before the event is publicized, which is why he hasn’t heard of it. Councilmember Richards asked if the security will be the same as Pumpkifest. Mr. Donohue stated the event is similar to Pumpkifest. The City Police Department will do the security and will be paid for it. The barricades will be put out by the DPW as is the case with Pumpkifest. Councilmember Richards stated he is in favor of this event, but a New Year’s Eve party caught him off guard. He stated you can’t count on the weather. Jeff Heinanen stated there will be a tent and there will be heaters in the tents. Councilmember Richards asked if there is a plan for parking. Mr. Heinanen stated there is parking downtown and many people will probably plan on walking as they do for other city events. It is important to bring people to the downtown. Councilmember Walton stated she is excited about this event. She stated she would be happy to volunteer.

Councilmember Kurtzweil questioned the 40 ft pole for the ball drop. Mr. Heinanen stated it will actually be about 30 feet and it is a temporary. Councilmember Kurtzweil stated they may need a variance from the ZBA. Councilmember Parisien asked the City Attorney since this is a city event and money is coming through the non-profit to pay for the tree, will it be a problem. Attorney Hamameh stated if the city isn’t using city funds to purchase anything for a private event, it isn’t an unlawful expenditure. Mr. Donohue stated this is a DDA event so the DDA will be spending funds for promotions and marketing as we do for all DDA events. Councilmember Parisien stated she is happy about the event, she just wanted to ensure the city wasn’t funding the tree or anything with the event. Councilmember Kivell stated he thinks this is a cool event. He further stated he wants the City Attorney to review all the paperwork to ensure everything is done right to make sure no city funds are going towards anything it shouldn’t. He further stated this could be a long-standing real event so we need to nurture it to make sure it is successful. Mr. Donohue stated the same scrutiny of the process should be applied to Pumpkifest to make sure they don’t run into any issues as well. Councilmember Parisien stated we need to have a standard operating procedure so that everyone follows the same rules. Attorney Hamameh stated she is happy to work with the DDA Director to come up with a check list to ensure everything is being followed through.

BUDGET

Councilmember Kurtzweil stated there is an article she would like to be part of the minutes tonight. It is from the Detroit News and it is titled “Michigan Cities Must tackle pension debt”. She stated the first sentence states “unfunded liabilities, including pensions remains one of the biggest drags on Michigan
communities”. She suggests that after the Election, we form a committee to explore options, and she 
would like to be a part of it. She stated we are a small city, and five million dollars is a lot of money. She 
then stated she will contact the Oakland County Treasurer to find out how they took care of their 
unfunded pension liability. She further stated she believes they bonded out. She then stated we currently 
have a bond for water and sewer so she doesn’t know if that is a possibility or not. She further stated 
even though the economy is good now, doesn’t mean it will be months from now and we need to be 
prepared.

MANAGER’S REPORT

City Manager Zelenak stated he included the mural ordinance language with his managers report dated 
August 30th. City Manager Zelenak stated we are trying to get the veterans groups together to hear all 
their concerns regarding the Veterans monument.

PUBLIC COMMENT- None

Chief Vogel stated he has been in contact with the dealer regarding the Jaws of Life and the set is being 
sent back to the manufacturer since it is a demo, they will look at it to ensure it is working properly so we 
an get the full warranty. 
Chief Vogel stated he has been working on a study on the opioid crisis in our City. He thanked Briann, 
and Chief Sovik for their help on this. He stated the numbers are much more staggering than we thought. 
He further stated the reason this came about is because there was a call that affected his staff. He thought 
this is really taking a toll on our city, our staff and our budgets. He further stated each time Narcan is 
used, it costs $141.00 He stated he has done a lot of work on this, but he has a lot more to go. 
Councilmember Kurtzweil stated she spent Labor Day weekend with some union workers and they were 
discussing the Jaws of Life. She then asked Chief Vogel if it is the electric battery or the hydraulic. 
Chief Vogel stated it is the electric battery, it is quicker, lighter and the staff is familiar with it. 
Councilmember Kurtzweil stated she understands the hydraulic jaws restricts the distance you can go, but 
the electric one doesn’t. Chief Vogel stated this is better technology as well. 
Councilmember Walton thanked him and Chief Sovik for their special attention to the opioid crisis. It is 
not only a problem in our City for many others as well. Her daughter lost a friend over the weekend 
and this is very near and dear to her heart. Chief Vogel stated that also affected his department. He stated it 
happened outside of the City, but he was a South Lyon High graduate and had been struggling and our 
hearts go out to his family. Chief Vogel stated he is having some issues getting the real numbers from 
Oakland County, but he believes there was a 10-12% increase but that spiked last year. Councilmember 
Kivell stated he is sure that Chief Sovik has a lot of innate information from family members that are 
going through this. Councilmember Richards thanked Chief Vogel for having a fire truck at Depot Day, 
the children loved it.

Chief Sovik stated Sgt. Wittrock is leaving law enforcement to pursue a business adventure with his 
father. He has an MBA and has been considering this for a couple of years. We will miss his leadership 
and his presence after 17 ½ years. Sgt. Hoydic will be stepping into the Sargent role and we will be 
looking to hire another officer. He further stated we will be losing someone at top pay, but the new 
officer will be hired in at a lower pay rate and with the defined contribution retirement plan.
COUNCIL COMMENTS

Councilmember Richards stated the Cemetery is looking much better. The 7 gentlemen that work there have been taking care of it all summer. He further stated the vandalism has been repaired as well. He stated the gardens were smaller this year, and it is getting to be harvest time. Councilmember Richards stated he has taken pictures of the work that has been done on the Artcraft building. He stated they are sandblasting the building to not damage the bricks. Councilmember Richards stated he likes the way the bills are arranged; it is easier for him to read. Councilmember Richards thanked Patricia for her innovation. Councilmember Richards stated this was the best Depot Day and there were probably 700 people there. The Kiwanis never ran out of food or pop. He further stated there was a vendor from Dexter that had a hit or miss gas powered engine. He stated he had an excerpt of a copy of an 1886 newspaper and there was historical account of a train wreck in South Lyon that he had never heard of. He stated his area is research and development.

Councilmember Walton thanked Cook Automotive for the 3-4 carts of food they brought into Active Faith. Councilmember Walton stated Oak Pointe Church dropped off several boxes of backpacks and school supplies. She then mentioned a little girl that held a garage sale and a lemonade stand and donated the proceeds to Active Faith. She stated with the holidays coming, we should think about adopting a family. It makes the holidays a lot less stressful for those families. Councilmember Walton stated Michigan is now a no kill stated for rescue. She further stated she wanted to mention Depot Day and what a great event that was. She stated Dayna Johnston was there dressed as a clown, and Lisa Dilg was there volunteering. She stated Dayna Johnston painted the butterfly mural at the café. She stated she wanted to thank the cultural arts commission for all the art that they have brought to our town. There are so many great things that are bringing people to our city. Councilmember Walton thanked the DPW for filling in the pot holes at the Dorothy and McMinn Street parking lot and for cutting down the dead tree and the large wasp nest. She further stated Coach Smith and the cross country team had another successful Witches Hat Run. Councilmember Walton stated we have a vibrant community and as we are approaching September 11, she asks for everyone to think about how you can make a difference in other peoples lives. She further stated take a moment to make an extra donation at the grocery store. She wants to remind everyone that your friends and families would rather spend hours talking to you on the phone rather than a few minutes reading your obituary.

Councilmember Kurtzweil thanked Keith Bradley for his time on the planning commission. This is a tremendous loss to the planning commission. She wished Keith and his family luck.
Councilmember Kurtzweil stated she ran into Kathy Swann and she was volunteering for another organization. She then reminded everyone of the pumpkin pie baking contest during Pumpkinfest.
Councilmember Kurtzweil stated she is a strong advocate for fighting substance abuse, and she thanked our Governor for her working very hard on the new administrative order to ban vaping. It is important to know the juice is from China and they do not have an FDA as we do. Councilmember Kurtzweil stated it is a health crisis. Councilmember Kurtzweil stated there are 3 businesses that are looking for workers. Aubree’s is hiring, and Tuffy Tire and Auto, and South Lyon Collision is hiring as well. She stated this weekend she spent some time with union workers and it is important to understand the trade individuals probably have a better mass skill then anyone sitting here tonight. She further stated they are a great group of guys. Councilmember Kurtzweil stated you can’t automate a pipefitters job and you can’t automate an electrician. Those jobs are secure.

9-9-19
Councilmember Kurtzweil stated on September 30th there will be a seminar at the Novi Library from 10:00 to 11:30. It's being hosted by Jim Runestad. She further stated this is a great event for anyone that is an elder or cares for the elderly.

Councilmember Kurtzweil stated Dr. Ray will be at St. Joseph's church on Saturday, September 15th at 7:00 p.m. for a discussion regarding parenting.

Councilmember Kurtzweil stated September 11th is approaching and she hopes everyone can find time to think about all the people that lost their lives or family members that day. She stated she remembers where she was on that day. There will be a ceremony at the Michigan Fallen Hero's memorial in Pontiac at 6:00. She then stated be nice to someone, remember the events of September 11th and be grateful that didn't happen to you.

Councilmember Kennedy stated in the interest of accuracy let's talk about the erroneous comments made by the mayoral candidate. He states that he has taken full credit for various activities that have occurred. Nothing could be farther from the truth. Here are the statements contained on my campaign flyer:

- Worked with the South Lyon Fire Department to obtain the Life Saving Lucas CPR device at no cost.
- Worked with the South Lyon DPW to replace equipment (Backhoe and Snow Removal Truck)
- Assisted the South Lyon Water Department with Water Tower Renovation and Graphic Design
- Worked with the South Lyon Fire Department to provide Free Smoke Detectors and Carbon Monoxide Alarms to Residents

Each listed item was a collaborative effort between this Council Member and the various departments. That is exactly how each statement reads. How novel that a Council Member reached out, worked with the city departments for the benefit of the city and its residents. With regard to the graphic design for the water tower absolutely Ken Michalik from the Cultural Arts did design the graphic that is on there. That was then provided to the City Council members for their review and input. Two members from the council said “it looks good!” four members from the council provided no feedback: and he provided additional feedback to Superintendent Mike Boven, and that was included in the graphic. There was discussion about the font size and exactly what it was going to look like. He stated he added the “Established 1873 (Est. 1873)” to the graphic because he thought it needed to be highlighted how old the city is and how long it's been here. Further, he worked with the Fire Chief, with the Police Chief, with the DPW Superintendent and the Water Department Chief Engineer in drafting each statement and obtaining their approval before including it in my flyer. In fact, the mayoral candidate took the information to Chief Vogel and he, Chief Vogel, verified that statement exactly and then that mayoral candidate proceeds to come here and provide false information tonight. The innuendo, baseless allegations and outright lies on the part of the mayoral candidate should perhaps cause the voters to think long and hard and decide if those are the characteristics, they want in an individual representing our great city. For a candidate who has stated that “he treats everybody with absolute respect,” Councilmember Kennedy stated he would say his actions speak louder than his words. So, for the mayoral candidate, if you want to be the Mayor, as you've already said, you'll have to remember that honesty is important. And as has been said before, for the residents and voters in the city, do your homework in preparation for the upcoming elections and pay attention to who you are truly voting for. Councilmember Kennedy stated this Friday, September 13, there will be another Movie in the Park. This week will feature the movie Ralph Breaks the Internet, rated PG, starting at dusk in McHattie Park. He then congratulated the Salem-South Lyon District Library for a successful Summer Reading Program with 1,430 children, teens and adults participating in the reading programs compared to 897 individuals last year. And finally, at last count the library currently has about 87,000 print and media items available as well as access to another 882,000 digital downloadable items.
available for the residents in our community. Just a great job providing a wealth of services for its patrons.

Councilmember Parisien thanked the DPW, Fire and Police for keeping things running over the weekend. Councilmember Parisien thanked Keith Bradley for his time on the planning commission and she wished him luck with his future endeavors. Councilmember Parisien reminded everyone to volunteer for boards/commissions and Pumpkinfest still needs volunteers. Councilmember Parisien thanked Sergeant Wittrock for all his years of service, he will be missed. Councilmember Parisien reminded everyone to do their research and look at the candidates and see if their values agree with your values. She stated there are meets and greets and be open minded. Even if you have different views, it is good to be challenged. She then stated everyone should look at past Council meetings to see how the current councilmembers work together.

Councilmember Kivell stated the Depot Day was very well attended and everyone was happy. Councilmember stated he ran into Kathy Swann, and she said they are still looking for volunteers for Pumpkinfest. Councilmember Kivell thanked Keith Bradley for his time on the Planning Commission and he knows he is enjoying his retirement. Councilmember Kivell stated Mike Wittrock is such a nice guy and we are sorry to see him move on.

Mayor Pelchat thanked Sergeant Wittrock for his service to the City. He then thanked Keith Bradley for his time on the Planning Commission. Mayor Pelchat thanked Tim Wilhelm for his years with the City and welcomed Lisa Hamaneh our new City Attorney. Councilmember Parisien thanked Attorney Wilhelm for all his years with the City as well. Councilmember Kurtzweil stated she has friends that applied for the City Attorney for the City of Ann Arbor. This is a great job for him and he has earned it. He is a brilliant attorney.

MEETING MINUTES – SEPTEMBER 12, 2019

I. Call to Order: Meeting called to order at 8:02 am by Chairperson, Gene Carroll.

II. Approval of Agenda: Due to a time restriction, Annie is requesting Ladies Night be moved up on the agenda from D to A under Old Business. Paul so moved. Supported by Norm. Approved to change agenda.

III. Roll Call: Present: Mark Childs, Dereck Mashburn, Jeff Heinanen, Norm Fultz, Gene Carroll, Annie Buchtrup, Paul Zelenak. Excused: Bob Donohue, Tanya Nevitt. Also present, Tim Davids, Lisa Dilg, Gary Fagin.

IV. Approval of the August 8, 2019 DDA Board Meeting Minutes. Mark commented that the flooding on Pontiac Trail is not a recent occurrence, but has been ongoing for many years. Minutes corrected. Jeff made a motion to accept the minutes as corrected. Supported by Paul. Motion passed unanimously.

V. Citizens Comments: Lisa Dilg, candidate for City Council, was present at the DDA Board meeting. She is sitting in on board and commission meetings to get a better idea of what each committee handles.

VI. Budget: Budget reports were included in the DDA packet. Paul said very little has been collected at this point since taxes are not due until September 30.

VII. New Business:

   B. Gary Fagin introduced himself as a potential board member. He submitted his application to the clerk’s office in August. He was previously on the DDA Board, is very pro-South Lyon, and feels he can bring positive action to the board. Norm made a motion to recommend Gary Fagin for the open position on the DDA
Board. Supported by Annie. Motion passed unanimously. Gary’s application will be presented to the Mayor, possibly at the next city council meeting.

C. Downtown Kids Trick or Treat. Event is scheduled for Thursday, October 24, 6-8 pm. Abe Ayoub still wants to be involved, but we need a DDA Board Member to co-chair. Norm says he will co-chair. Norm needs to contact Bob and Abe and schedule a meeting to discuss the event and what Norm will be responsible for.

D. DDA Economic Development Activity Update. Bob’s report that he presented to City Manager and Council last week was included in the packet. He is continuing to work on Cool Yule and South Lyon Eve events with Jeff Heinanen; continuing to work with local veteran’s organizations for in-kind donations for dedication of the new Veteran’s Memorial; all local businesses have been notified that the Business Survey is available online at Survey Monkey and responses are due by September 30; Bob is continuing to meet with realtors and prospective developers regarding property on N. and S. Lafayette; held a pre-development meeting with Superb Fabricating to discuss a proposed addition to their building on Reese Street; began planning for Downtown Kids Trick or Treat; continued planning for Fall Downtown Ladies Night. Dereck brought up the upcoming DDA Meetings that will be open to the public. October 10 will be a regularly scheduled meeting and then there is a possible meeting on Monday, November 4 in the evening. Location to be determined.

VIII. Old Business:

A. Ladies Night, Friday, November 15, 2019. Annie reported that the graphics were emailed to board members for approval. Approved. Unfortunately, the billboard is not available, so the committee is looking into the poke-in-the-ground signs. They will also be doing the over-the-road banner. Working hard to get more businesses involved in this event. 700 goodie bags have been ordered. Window posters will also be ordered once sponsors are confirmed. Board recommends checking with Bob to confirm amount available from the DDA Board vs. what’s allotted in the City annual budget. Norm asked if there will ever be sole sponsorship by the DDA for this event. Yes, possibly down the road.

B. Farmers Market. Tim Davids reported that there were five markets in August and they were all successful. Weather has been great. August 24 was Dog Day at the market. Pet Supplies Plus sponsored this rescheduled event. Unfortunately, not everyone who committed to the original date was able to make the reschedule. The August 31 Kids Day was a success. Looking forward to some great events coming up at the Market. September 28 will be Farmer & Artisans Day. October 5 will be Cultural Arts. October 26 will be Trick or Treat at the Market. Like our page on Facebook and be sure to share our posts so we can increase our coverage. September 21 will be Breast Cancer Awareness at the market. Tim shared the Taste the Local Difference Guide and he would like us to be listed in the 2020 event guide. The cost is $85 annually. The guide features local farmers
markets, but it also highlights local restaurants. Guide comes out twice a year.
Gene asked Tim to put together a recommendation and send it out to the DDA
Board Members for review.

C. Enforcement of Maintenance Ordinance Update:
   1. Inspection of 110 Detroit Street and 333 S. Lafayette to be reviewed. Follow
      up with engineer for 333 S. Lafayette.

D. Lake Street Cruise-In Car Show. Last show of the season will be Wednesday,
   September 25, 2019.

E. Cool Yule, December 6 & 7. Cool Yule update covered earlier in Bob’s report to
   City Manager. Bob and Jeff are working on a budget and to get sponsorships. A
   fireplace is being fabricated and will be located on the Heinanen Patio.

F. Streetscape Brick Repairs. Recent rains have affected the bricks even more. This
   is an ongoing issue that must be addressed in conjunction with drainage repairs
   to Pontiac Trail.

G. Drainage issues near S. Lafayette and McHattie Street. Drainage issues continue
   to be an ongoing problem with heavy rainfall. Paul is trying to schedule a
   meeting with Oakland County and Lyon Township regarding this issue. The
   entirety of Pontiac Trail, from Lyon Township through the City of South Lyon,
   needs to be addressed in regard to the impact on our community.

IX. Board Member Comments. Paul reported that he is participating in Real Men Wear
    Pink to help raise funds for breast cancer awareness. He will be sitting in a big pink
    chair in the Farmers Market parking lot from Noon on Friday, September 20 until
    Noon on Saturday, September 21. Flyers and posters will be distributed soon.

X. Adjournment. Dereck made a motion to adjourn. Supported by Paul. Meeting
    adjourned at 9:12 am.

ARTICLE 7
Indemnification of Officers, Directors, Employees and Agents

7.1 Indemnification of Directors and Officers: Claims Brought by Third Parties. The Foundation shall, to the fullest extent authorized or permitted by the Michigan Nonprofit Foundation Act or other applicable law, as the same presently exists or may hereafter be amended (the "Act"), indemnify a director or officer (the "Indemnitee") who was or is a party or is threatened to be made a party to a threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal, other than an action by or in the right of the Foundation, by reason of the fact that he or she is or was a director, officer, employee or agent of the Foundation, or is or was serving at the request of the Foundation as a director, officer, partner, trustee, employee or agent of another foreign or domestic Foundation, business Foundation, partnership, joint venture, trust, or other enterprise, whether for profit or not for profit, against expenses, including attorneys' fees, judgments, penalties, fines, and amounts paid in settlement actually and reasonably incurred by the Indemnitee in connection with the action, suit,
or proceeding, if the Indemnitee acted in good faith and in a manner the Indemnitee reasonably believed to be in or not opposed to the best interests of the Foundation, and with respect to any criminal action or proceeding, if the Indemnitee had no reasonable cause to believe the conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest or its equivalent, does not, of itself, create a presumption that the Indemnitee did not act in good faith and in a manner which the Indemnitee reasonably believed to be in or not opposed to the best interests of the Foundation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the conduct was unlawful.

7.2 Indemnification of Directors and Officers: Claims Brought by or in the Right of the Foundation. The Foundation shall, to the fullest extent authorized or permitted by the Act or other applicable law, as the same presently exists or may hereafter be amended, indemnify a director or officer who was or is a party to or is threatened to be made a party to a threatened, pending, or completed action or suit by or in the right of the Foundation to procure a judgment in its favor by reason of the fact that the Indemnitee is or was a director, officer, employee or agent of the Foundation, or is or was serving at the request of the Foundation as a director, officer, partner, trustee, employee or agent of another foreign or domestic Foundation, business Foundation, partnership, joint venture, trust, or other enterprise, whether for profit or not, against expenses, including actual and reasonable attorneys' fees, and amounts paid in settlement incurred by the person in connection with the action of suit, if the Indemnitee acted in good faith and in a manner the Indemnitee reasonably believed to be in or not opposed to the best interests of the Foundation. However, indemnification under this Section shall not be made for a claim, issue, or matter in which the Indemnitee has been found liable to the Foundation unless and only to the extent that the court in which the action or suit was brought has determined upon application that, despite the adjudication of liability but in view of all circumstances of the case, the Indemnitee is fairly and reasonably entitled to indemnification for the expenses which the court considers proper.

7.3 Actions Brought by the Indemnitee. Notwithstanding the provisions of Sections 1 and 2 of this Article, the Foundation shall not indemnify an Indemnitee in connection with any action, suit, proceeding or claim (or part thereof) brought or made by such Indemnitee; unless such action, suit, proceeding or claim (or part thereof) (i) was authorized by the Board of Directors of the Foundation, or (ii) was brought or made to enforce this Article and such Indemnitee has been successful in such action, suit, proceeding or claim (or part thereof).

7.4 Approval of Indemnification. An indemnification under Sections 1 or 3 of this Article, unless ordered by a court, shall be made by the Foundation only as authorized in the specific case upon a determination that indemnification of the Indemnitee is proper in the circumstances because the Indemnitee has met the applicable standard of conduct set forth in Sections 1 and 3 of this Article. This determination shall be made promptly in any of the following ways:

(a) By a majority vote of a quorum of the Board consisting of directors who were not parties to the action, suit, or proceeding.

(b) If the quorum described in subdivision (A) is not obtainable, then by a majority vote of a committee of directors who are not parties to the action. The committee shall consist of not less than two (2) disinterested directors.

(c) By independent legal counsel in a written opinion.

7.5 Advancement of Expenses. Expenses incurred in defending a civil or criminal action, suit, or proceeding described in Sections 1 or 3 of this Article shall be paid promptly by the Foundation in
advance of the final disposition of the action, suit, or proceeding upon receipt of any undertaking by or on behalf of the Indemnitee to repay the expenses if it is ultimately determined that the Indemnitee is not entitled to be indemnified by the Foundation. The undertaking shall be by unlimited general obligation of the person on whose behalf advances are made but need not be secured.

7.6 **Partial Indemnification.** If an Indemnitee is entitled to indemnification under Sections 1 or 3 of this Article for a portion of expenses including attorneys' fees, judgments, penalties, fines, and amounts paid in settlement, but not for the total amount thereof, the Foundation shall indemnify the Indemnitee for the portion of the expenses, judgments, penalties, fines, or amounts paid in settlement for which the Indemnitee is entitled to be indemnified.

7.7 **Indemnification of Employees and Agents.** Any person who is not covered by the foregoing provisions of this Article and who is or was an employee or agent of the Foundation, or is or was serving at the request of the Foundation as a director, officer, employee or agent of another foreign or domestic Foundation, business Foundation, partnership, joint venture, trust, or other enterprise, whether for profit or not for profit, may be indemnified to the fullest extent authorized or permitted by the Act or other applicable law, as the same exist or may hereafter be amended, but in the case of any such amendment, only to the extent such amendment permits the Foundation to provide broader indemnification rights than before such amendment, but in any event only to the extent authorized at any time or from time to time by the Board of Directors.

7.8 **Other Rights of Indemnification.** The indemnification or advancement of expenses provided under Sections 1 to 7 of this Article is not exclusive of other rights to which a person seeking indemnification or advancement of expenses may be entitled under the articles of incorporation, bylaws, or a contractual agreement. However, the total amount of expenses advanced or indemnified from all sources combined shall not exceed the amount of actual expenses incurred by the person seeking indemnification or advancement or expenses. The indemnification provided for in Sections 1 to 5 of this Article continues as to a person who ceases to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of the person.

7.9 **Liability Insurance.** The Foundation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Foundation, or is or was serving at the request of the Foundation as a director, officer, employee or agent of another Foundation, business Foundation, partnership, joint venture, trust or other enterprise against any liability asserted against the person and incurred by the person in any such capacity or arising out of the person's status as such, whether or not the Foundation would have the power to indemnify the person against such liability under the provisions of the Act.

7.10 **Severability.** Each and every paragraph, sentence, term and provision of this Article shall be considered severable in that, in the event a court finds any paragraph, sentence, term or provision to be invalid or unenforceable, the validity and enforceability, operation, or effect of the remaining paragraphs, sentences, terms, or provisions shall not be affected, and this Article shall be construed in all respects as if the invalid or unenforceable matter had been omitted.

7.11 **Definitions.** "Other enterprises" shall include employee benefit plans; "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and "serving at the request of the Foundation" shall include any service as a director, officer, employee, or agent of the Foundation which imposes duties on, or involves services by, the director, officer, employee, or agent with respect to an employee benefit plan, its participants or beneficiaries; and a person who
acted in good faith and in a manner he or she reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be considered to have acted in a manner "not opposed to the best interests of the Foundation as referred to in Sections 1 and 2."

ARTICLE 8
Conflicts of Interest and Fiduciary Responsibility

8.1 Conflict of Interest Policy. All officers, directors, committee members and employees of the Foundation shall avoid any conflict between their own respective individual interests and the interests of the Foundation, in any and all actions taken by them on behalf of the Foundation in their respective capacities.

8.2 Fiduciary Responsibility. It shall be the policy of this Foundation that the Board of Directors shall assume and discharge fiduciary responsibility with respect to all funds held or administered by the Foundation.

8.3 Conflicts; Common or Dual Interest. The Foundation and these Bylaws recognize that while both actual and apparent conflicts may occur, it is also understood and expected that directors, committee members and other volunteers share a duality of interest in the affairs of this Foundation due to the common interest of those individuals serving as volunteers to the Foundation. A common interest in the Foundation and an individual's within the community and in relation to South Lyon Community Schools does not necessarily equate to or amount to an actual or apparent conflict. All actual or apparent conflicts, as defined herein, shall be disclosed to the Foundation and shall be addressed as provided under this Article.

8.4 Disclosure of Conflicts. All Directors, officers, agents and employees of the Foundation shall disclose any suspected conflict, whether actual or apparent, in writing to the Foundation.

8.5 Dealing with the Foundation. A contract or other transaction between the Foundation and one or more of its directors or officers, or between the Foundation and a domestic or foreign corporation, firm or association of any type or kind in which one or more of the Foundation's directors or officers are trustees or officers, or are otherwise interested, is not void or voidable solely because of such common trusteeship, officership or interest, or solely because such directors are present at the meeting of the Board of Directors or committee thereof at which such contract or transaction is acted upon, or solely because their votes are counted for such purpose, if any of the following conditions is satisfied:

(a) The contract or other transaction is fair and reasonable to the Foundation when it is authorized, approved or ratified; or

(b) The material facts as to such trustee's relationship or interest and as to the contract or transaction are disclosed or known to the Board of Directors or committee thereof and the Board of Directors or committee thereof authorizes, approves or ratifies the contract or transaction by a vote sufficient for the purpose without counting the vote of any common or interested director.
8.6 **Procedure in Event of Potential Conflict of Interest.** In the event that any officer, trustee, committee member or employee of the Foundation shall have any direct or indirect interest in, or relationship with, any individual or organization which proposes to enter into any transaction with the Foundation, such officer, director, committee member or employee shall give the Board of Directors notice of such interest or relationship and shall thereafter refrain from voting or otherwise attempting to exert any influence on the Foundation, its Board of Directors, or its committees, to affect its decision to participate or not to participate in such transaction.

8.7 **Special Voting Rules.** Any member of the Board of Directors who has a conflict of interest on any matter involving the Foundation shall not be counted in determining the quorum for the meeting at which the matter is to be acted upon, even when permitted by law. The minutes of the meeting shall reflect that a disclosure was made, the abstention from voting, and the quorum situation.

**ARTICLE 9**  
**Dissolution**

9.1 **General.** In the event of dissolution of the Foundation, all of the Foundation's assets, real and personal, shall be distributed as provided in Article VII of the Foundation's Articles of Incorporation. The Foundation may be dissolved upon a super-majority vote of the Board of Directors or as a matter of law or order of a court of competent jurisdiction.

9.2 **No Inurement.** No part of the net earnings of the Foundation shall be distributed to or inure to the benefit of any Director or Officer of the Foundation, as prohibited by Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (or corresponding provisions of subsequent federal tax laws), or the Michigan General Sales Tax Act or the Michigan Use Tax Act. Upon the dissolution of the Foundation, the Board shall, after paying or making provision for the payment of all of the liabilities of the Foundation, dispose of all of the assets of the Foundation in accordance with the requirements of state and federal law.

**ARTICLE 10**  
**Miscellaneous**

10.1 **Amendment.** These Bylaws may be altered, amended or repealed by an affirmative vote of a majority of the Board of Directors at any duly called meeting of the Directors, at which a quorum is present by a majority of the Directors, provided that written notice naming the substance of the proposed amendment has been sent to each Director of the Foundation at least ten (10) days in advance of the date of the meeting, unless such notice is waived by all the Directors.

10.2 **Bonds.** The Foundation may obtain a bond(s) on such people and in such amounts as may from time to time be deemed necessary by the Board of Directors.

10.3 **Written Policies.** The Foundation may develop written policies to effectuate the Bylaws, as amended from time to time, provided that such policies shall not be inconsistent with or in contravention of any provision of the Articles of Incorporation or these Bylaws. The Foundation shall develop and adopt a written policy with respect the expenditure of funds and investment of funds no later than six (6) months from the adoption of these Bylaws. Other written policies addressing the Foundation governance, conduct of meetings and operations in general as determined by and approved by a majority of the Board of Directors.
10.4 Execution of Instruments. All Foundation instruments and documents, including, but not limited to, checks, drafts, bills or exchange, acceptances, notes or other obligations or orders for the payment of money, shall be signed as provided by a resolution of the Board of Directors.

10.5 Borrowing. Loans and renewals of loans shall be contracted on behalf of the Foundation as provided by a resolution of the Board of Directors.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. AGENDA NOTE
New Business: Item #1

MEETING DATE: September 23, 2019

PERSON PLACING ITEM ON AGENDA: Douglas Varney, Director, Utilities and DPW

AGENDA TOPIC: Air Handler Unit replacement for the entrance works at the Wastewater Treatment Plant.

EXPLANATION OF TOPIC: The WWTP has had an inspection performed by the EGLE representative on June 5, 2019 who informed us that we need to replace the Air Handler Unit for the wetwell. The ICE Air Handler Unit that services the entrance works has been abandoned and is beyond any possible repair. This item has been budgeted and planned for replacement under line item 592.557.970. We have obtained bids (5) for this project. Direct replacement with the explosion proof model as engineered by HRC is determined to be the most logical course of action as it is the exact unit for the curb design on the roof. Four of the five bids have elected to go with an ICE unit to replace the current unit.

MATERIALS ATTACHED AS SUPPORTING DOCUMENTS:
1.1 Quote by Covenant Environmental for review
1.2 Image of direct replacement unit
1.3 Bid sheet detailing all quotes

POSSIBLE COURSES OF ACTION: Approve/deny the purchase and installation of the Air Handler Unit (ICE MODEL GIDM-40) that provides ventilation and heat for the entrance works by Covenant Environmental for the amount of $50,210.00.

SUGGESTED MOTION: Motion by ____________________, supported by ____________________ to approve the purchase of a new Air Handler Unit for the entrance works at the wastewater treatment plant to be installed by Covenant Environmental for the amount of $50,210.00 as outlined in the current budget under line item 592.557.970.

MEETING DATE: September 23, 2019

PERSON PLACING ITEM ON AGENDA: Douglas Varney, Director, Utilities & DPW

AGENDA TOPIC: Purchase and installation of a new 1050 gallon double wall diesel storage tank that supplies fuel to the generator set at the wastewater treatment plant.

EXPLANATION OF TOPIC: The diesel storage tank at the wastewater plant is well past its use and in danger of failure. This could cause potential catastrophic problems and should be replaced as soon as possible. We have received three quotes and although Corrigan is not the lowest, they provide the service for the switching of tanks. This unplanned expenditure can be purchased out of the building and equipment maintenance account under line item 592.557-931 and all quotes are attached for review.

MATERIALS ATTACHED AS SUPPORTING DOCUMENTS:
1.1 Quotes for diesel tank replacement (3)
1.2 Photos of current tank and areas of concern
1.3 Replacement tank

POSSIBLE COURSES OF ACTION: Approve/deny the purchase and installation of new double wall diesel tank for the generator at the wastewater treatment plant for $5,012.42 plus fuel transferring fees by Corrigan Oil Company. The lowest bid (STAFCO) estimated a delivery charge of $350 but their quote includes no installation or ability to transfer the diesel fuel. They do not offer a service to remove the current tank and place the new on the existing concrete pad.

SUGGESTED MOTION: Motion by __________________________, supported by __________________________ to approve the purchase from Corrigan Oil Company of a double wall diesel storage tank for the generator at the wastewater treatment plant for $5,012.42 plus fees to transfer the diesel and charge to the corresponding line item 592.557-931 as it is for building and equipment maintenance.
