PUBLIC COMMENT:

Doreen Hannon, Director of the Salem-South Lyon District Library at 9800 Pontiac Trail provided an update of the Library. She stated that the mission is to educate, enrich and empower the people of the community. The
library is really well used. She stated that when they went through their expansion a couple of years ago, they added more parking and it is generally full. She discussed this year’s summer reading program, the use of the 55 computer stations and other programs offered by the library. She stated that South Lyon is the highest users. They also put in radio frequency, digitized the South Lyon Herald from 1929 to present, digitized South Lyon High School Yearbooks, etc. She further discussed the Book n Trilogy run and the library’s budget. Finally she thanked Council for their wisdom and generosity in paying for the path that will lead to the library and stated that Council is more than welcome to come in for a tour. The library’s website is ssdl.info.

OLD BUSINESS: None

NEW BUSINESS:

1. Pumpkinfest Parade

Phil Weipert of 135 N. Warren and Randy Clark of 415 S. Lafayette were present representing the Pumpkinfest Committee. Mr. Clark stated that they have spoken with Chief Collins and provided the necessary application. They have received approval from the Township. He stated that the parade will start at Lyon Trail Subdivision due to the fact that the middle school is being used for the craft show. It will proceed north to 9 mile and then the typical route. It is a little longer but it will enable people to view it from various locations that were not available in the past.

Discussion was held on the staging area. Mr. Clark stated that have about 25 volunteers committed so far for the staging area and along the parade route.

The question was asked if there is an estimated length of time for the parade. Chief Collins stated that they have requested 1.5 hours and it is approximately 1.8 miles. His concern was the age of some of the participants. It will be long, but the committee feels that it will work and they will be providing volunteers. We can try it and make adjustments in the future if needed. He has been in contact with the Oakland County Sheriff’s Department who has assured us they will have enough deputies to cover the Lyon Township area. He advised Council that the insurance provided by the Committee will expire prior to the parade so they will have to provide the City with a renewal.

Discussion was held on stopping northbound traffic on Pontiac Trail at Lyon Trail to allow the participants to enter the staging area. Chief Collins stated that he did not have that specific discussion with the Sheriff’s Department, but he will follow up. Mr. Clark stated that they will have volunteers to help control traffic as well.

CM 8-4-11 – PUMPKINFEST PARADE

Motion by Kramer, supported by Kopkowski

Resolved That Julie Zemke, City Clerk/Treasurer is hereby authorized to make application to the Road Commission for Oakland County on behalf of the City of South Lyon in the County of Oakland, Michigan for the necessary permit to conduct the Pumpkinfest Parade on October 1, 2011 at 10:00 a.m. to 11:30 a.m. and the related street closures:

Pontiac Trail from 9 Mile Road to Liberty Street; West Liberty St. from Lafayette to Warren St.; Warren St. from West Liberty St. to Bartlett Elementary School
And that the City of South Lyon in the County of Oakland, Michigan will faithfully fulfill all permit requirements, and shall save harmless, indemnify, defend, and represent the Board against any and all claims for bodily injury or property damage, or any other claim arising out of or related to operations authorized by such permits as issued.

2. WWTP Grant

MOTION CARRIED UNANIMOUSLY

Superintendent Martin stated that 2 years ago we entered an agreement with the Michigan Suburb Alliance to try to help us find ways to reduce energy. Since that time we have been able to reduced our energy cost by $20,000. We would like to go the next step. We have a SCADA system (Supervisory Control and Data Acquisition) for our water system. We have had it in our master plan to bring this into our wastewater treatment plant as well so that we can operate the plant through this system and monitor what takes place when we are not there and make adjustments accordingly. He further discussed the use of the SCADA system. The Suburbs Alliance came to us and liked it and offered $250,000 toward the project. We do not need that much money, but we can take what we have, come up with the scope of the project and install this system. From that we can start putting in controls to micromanage our plant. We can take this plant to another level. Our goal is to get our utility spending down. He stated that we feel that we would be able to pay back the Suburbs Alliance in not more than 3-4 years.

Councilman Kivell questioned the power monitors and asked why we would want to monitor the generators. Superintendent Martin stated that is a minor thing, and this is strictly for the plant generators. When we lost the transformer it was 33 years old. We went to an oil cooled and we are seeing a $4-5,000 reduction in Edison costs just from the installation of the new transformer.

Councilman Kivell would like to talk to Edison about our rates. Superintendent Martin stated that we have looked very closely at our bills. We have had discussions with them.

Councilman Kramer asked the life of the equipment. Superintendent Martin discussed the need to upgrade computers just like you would in your home.

Discussion was held on the payback to Suburbs Alliance. Superintendent Martin stated that we will pay the original $35,000 then we will get a check from Suburbs Alliance when the work is complete. We will pay them over a 3-4 year period until it is paid back.

Councilman Kivell stated that other than using someone else’s money, this is something that we would have done anyway and realized all of the savings. Superintendent Martin stated that it would have been a budgeted item, but given the economy he chose not to put it in the budget.

Discussion was held on the grant for the energy audit.

CM 8-5-11 – WWTP GRANT

Motion by Kopkowski, supported by Morelli

To approve grant amount of $35,919.00 from Michigan Suburbs Alliance for the Clean Water Plant

VOTE: MOTION CARRIED UNANIMOUSLY
Superintendent Martin stated that Steve Renwick & David Murphy did a lot of the leg work.

3. MML Convention

City Clerk/Treasurer Zemke stated that this is notification of the MML annual convention October 4-7th. The early bird rate is good through September 6th and asked Council would let her know in time to meet that deadline.

Councilman Morelli and Wedell indicated that they would not be attending the convention.

MANAGER'S REPORT:

City Manager Murphy asked Superintendent Renwick to give an update on McMunn Street. Superintendent Renwick stated that Saturday morning we received a call about a hole on McMunn Street. When we got there, we found that the whole area around the culvert had sunk into the road. We informed Oakland County Drain Commission who came out to look at it. We will be meeting with them tomorrow morning to review our options. In the meantime we have closed McMunn from Ada Street to the bike trail.

Councilman Kivell asked why we could not put a plate over it. Superintendent Renwick stated that it is a rather large area that has been compromised.

City Manager Murphy stated that we have received notice that our insurance company will not be covering the replacement of the transformer at the plant. In reviewing the policy, it does state that it does not cover transformers and other electrical devices. He has spoken with our agent to see if there are any other options.

COUNCIL COMMENTS:

Councilman Kivell referred to the memo from Tim Kniga at HRC regarding the improvements to 9 Mile Road. He was surprised that it meets specifications yet people are still not satisfied. City Manager Murphy stated that they are within MDOT specifications. Councilman Kramer stated that you can still feel it near the School crossing.

Mayor Wallace stated that he received a copy of a letter sent to the Parks & Recreation Commission from Michigan Seamless Tube donating $1,000 toward the construction of the new ball diamond at Mhattie Park.

CM 8-6-11 – ACCEPTANCE OF GIFT – MICHIGAN SEAMLESS TUBE

Motion by Morelli, supported by Kramer

To accept the gift of $1,000 from Michigan Seamless Tube with thanks

VOTE: MOTION CARRIED UNANIMOUSLY

Mayor Wallace stated we did not have a function downtown yet this summer. The Chamber will be sponsoring an event downtown September 17th with an adult beverage tent, kids’ games and other vendors. They feel that they can help promote Pumpkinfest by doing this.
ADJOURNMENT:

CM 8-7-11 ADJOURNMENT

Motion by Morelli supported by Kramer

To adjourn meeting at 8:13 p.m.

VOTE: MOTION CARRIED UNANIMOUSLY

Memorandum

To: David Murphy, City Manager

From: Chief Lloyd T. Collins

Subject: Pumpkinfest 2011 – Downtown Event/Road Closures

Date: August 16, 2011

I have received a permit request for the above-mentioned event. The road closures for the downtown event are scheduled from 12:00 noon on Friday, September 30, 2011 until 8:00 p.m. on Sunday October 2, 2011. It should be noted that two business owners, (Diane’s Dollhouse and Lake St. Mercantile), have not approved the requested road closures.

The Police Department will work closely with event organizers and city staff to facilitate the event and control traffic. Therefore, I have approved the event and have so notified the organizers. I have attached a copy of the application and approval for your review, and for inclusion on the City Council agenda, relative to necessary road closures.

Proposal for New Baseball/Softball Diamond in McHattie Park

The South Lyon Parks & Recreation Commission, in conjunction with the South Lyon Junior League, would like to construct a new, small baseball/softball diamond in McHattie Park.

Due to increasing numbers of area youngsters interested in participating in the League’s programs, there is a great need for additional fields, especially small fields.

Several Commissioners, along with representatives from the Junior League, will present the following for City Council consideration at its August 22, 2011 meeting:

Background information
Description of the new field
Description of renovations to the existing field
Proposed timeline for construction

From: Chief Lloyd T. Collins

Subject: 2011 Fall Witch’s Hat Run

Date: August 16, 2011

I have received a permit request for the above-mentioned event. I reviewed the proposed route, which is similar to previous years. The event is scheduled to begin at 9:30 a.m. on Saturday, September 10, 2011. It will conclude by 10:30 a.m. A copy of the application for permit is attached for your information.

The planned event should cause only minimal disruption to normal traffic in the area. The Police Department will provide support for the event, including the requested road closures. Therefore, I have approved the request and have so notified the organizers.

APPROVAL OF ROAD CLOSURES-

Motion by __________________, supported by __________________

Resolved That Julie Zemke, City Clerk/Treasurer is hereby authorized to make application to the Road Commission for Oakland County on behalf of the City of South Lyon in the County of Oakland, Michigan for the necessary permit to conduct the 2011 Fall Witch’s Hat Run on September 10, 2011 at 9:30 a.m., and the related street closures:

Eleven Mile Road – East Drive of South Lyon High School to Eagle Heights Drive

Martindale Road – Arrow to Eleven Mile Road

And that the City of South Lyon in the County of Oakland, Michigan will faithfully fulfill all permit requirements, and shall save harmless, indemnify, defend, and represent the Board against any and all claims for bodily injury or property damage, or any other claim arising out of or related to operations authorized by such permits as issued.

VOTE:

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of South Lyon, County of Oakland, State of Michigan, at a regularly scheduled meeting of ________________, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, and that the minutes of said meeting were kept and will be or have been made available as required by said act.

AGENDA TOPIC: Replacement Mobile Video System

EXPLANATION OF TOPIC: Only two of the six mobile video units in patrol vehicles are operational. The supplier of the mobile video system has gone out of business. Parts and repair service are unavailable due to the closure. A replacement system is needed to have visual/audio evidence available to support officer testimony in criminal prosecutions such as Driving Under the Influence, (DUI), and numerous other matters. Mobile video has also been used to exonerate officers in cases of false accusations by citizens, thereby reducing potential civil liability.

MATERIALS ATTACHED AS SUPPORTING DOCUMENTS: City Purchase Request, memo from Chief Collins, memos from Lt. Sharpe, quotes from L3 Mobile Vision, (pricing per Ann Arbor Bridge Contract), and Panasonic, (incomplete).

POSSIBLE COURSES OF ACTION: Approve/deny the purchase request of the replacement mobile video system as quoted by L3 Mobile Vision, Inc. for a total cost of $45,359.08

RECOMMENDATION: Approve the purchase request of the replacement mobile video system as quoted.

SUGGESTED MOTION: Motion by ______________________, supported by ______________________ to approve the purchase of the replacement mobile video system as quoted by L3 Mobile Vision, Inc. for a total cost of $45,359.08.

From: Chief Lloyd T. Collins

Subject: Mobile Video System Replacement

Date: August 17, 2011

The Police Department mobile video system, (in-car cameras), is in need of replacement. The supplier of the original mobile video system, (International Police Technologies- IPT), has gone out of business. Only two of the existing six mobile units are operational. Parts and repair service are unavailable due to the closure of IPT.

A replacement system is needed to have visual/audio evidence available to support officer testimony in criminal prosecutions such as Driving Under the Influence, DUI. Mobile video has also been used to exonerate officers in cases of false accusations by citizens, thereby reducing potential civil liability. The replacement system would include in-car cameras, microphones, uploading and recording hardware/software, and video reproduction equipment.

Research of mobile video systems indicates that L3 Mobile-Vision, Inc. can supply an excellent product, including support and repairs, to meet Police Department specifications for $45,359.08. Other vendors either failed to respond to Requests For Proposals, or supplied incomplete quotations. One example of an incomplete quotation was from Panasonic Corporation. Their bid was $34,590 for in-car cameras only, without support equipment and software. Despite repeated requests, Panasonic representatives failed to return calls requesting a complete bid package.
Funding for replacement of the Police Department mobile video system is included in the budget for this fiscal year - $30,188. Grant funds are also available from Michigan Municipal Risk Management Authority, (MMRMA), in the amount of $1,500 per unit for a total of $9,000. While the total cost for the replacement system is higher than the originally budgeted/grant amount, it is believed that the system’s capabilities are well worth the additional investment.
Subject: In-car Camera System

To: Chief Lloyd T. Collins

From: Lt. Steven Sharpe

Date: 7-27-11

I have researched several In-Car Camera systems offered by various vendors.

Panasonic has not returned several calls and therefore I have not been able to get a complete quote. I will have to assume that this type of customer service is inherent to this organization.

L-3 Mobile is being utilized by the following Police agencies:

1. Berkley PD
2. Beverly Hills Public Safety
3. Waterford Twp. PD
7. Livingston County Sheriff
8 Northville Twp.: OK system.

Panasonic In-Car Video Cam Systems:

Attended Panasonic demonstration. Met District Sales Rep, Duane Miller.

Price per cam: $5765.00  X 6 = $34,590

Attempted to get additional costs for Server and associated software from Duane Miller.

Left messages for Duane Miller on 11-12-10, 11-18-10, and on 7-1-11. Miller has not responded to any requests for complete quotes.

OTHER SYSTEMS DID NOT MEET OUR REQUIREMENTS OR WERE NOT PRICED COMPETITIVELY!

FLASHBACK2

At L-3 Mobile-Vision, we understand that choosing a digital solution for your mobile video needs is one of the most important technology decisions you will make. Only L-3 Mobile-Vision produces a solution that virtually eliminates manual intervention - from video capture, to transfer, to storage. The system is designed to work for agencies of all sizes and we will work with you to understand your needs and provide a solution that includes the features and functions that best fit your agency. It is flexible enough to meet your needs today, and adaptable enough to grow with.

Features & Functions

- Concurrent Recording Capabilities - records 2 cameras and 3 audio sources concurrently

- File Transfer - wireless download of data via 802.11 (a/b/g) with patent-pending Intelligent Wireless Transfer and load balancing for peak efficiency. Removable compact flash media is also available.

- Wireless Automatic Firmware Updates (DEP and DET users only) - Eliminate costly manual upgrades and ensure inactivity of all your updates

- In-Vehicle Incident Classification - the ability to designate an incident (DUI, Reckless, Distracted, etc.) immediately after the incident is concluded. This classification (or priority level) is passed to the management solution in the agency where definable operational rules allow for the automated processing and categorization of specific classes of incidents.

- GPS Module Included - allows for searchability by location, sets system clock and synchronizes all departmental vehicles to actual/real-time

- TRACE Feature - enables fast and accurate tracking of location(s) for evidence that was discarded during a chase sequence with new MAP IT pinpointing capability from evidence management solution in the agency

- Pre-Event Recording - captures up to 60 seconds of video prior to RECORD mode activation

- Compact Flash Card - Available in 8GB, 16GB or 32GB for storing 8-32 hours of high quality D1 Video

- Advanced MPEG-4 Compression - 720 x 480 resolution, providing a balance between good quality video and file storage requirements

- User Identification - simple and easy to use USB key log-in feature

- Digital Video Authentication - Encrypted hash on file using DVRe 1024 bit key for integrity and authentication

- External Triggers - turns on with lights, sirens, configurable speed trigger or VLP wireless microphone

- Vehicle Battery Friendly - requires only 1.5 amps, equipped with intelligent auto-off feature

Dear Mr. Whitver,

The South Lyon Parks & Recreation Commission would like to thank you and Michigan Seamless Tube for the donation of $1000 to be used in the construction of our new baseball/softball field at McHattie Park. We appreciate your support and also are pleased that your donation is made in honor of the park's namesake, Mr. William McHattie.

With funding for our projects limited by the current economic climate, we are grateful for community supporters like Michigan Seamless Tube. Thank you again for your generosity.
