Mayor Wallace presented the 2012 Townie Award to Mrs. Dayna Johnston. Mrs. Johnston thanked Mayor Wallace and his family for such an honor. Mayor Wallace stated that she was chosen for the Norma Jean Wallace Townie Award for her humble dedication to organizing the annual Memorial Day parade for decades; working with the high school color guards; and being a founding member and active volunteer of Pumpkinfest, as well as working with fire victims and promoting fire safety. She was also a member of the Jaycees, which sponsored the Easter Egg Hunt in McHattie Park.

Dayna Johnston stated that this year the Memorial Day Parade will be concentrating on the families of active military members and are asking them to walk and carry pictures of their family member. We will begin at Bartlett Elementary School (at Warren and Second Street), along 10 Mile Road and ultimately into the South Lyon Cemetery for a memorial service. The line-up begins at 8 a.m., and the parade steps off at 9 a.m. She stated that this is a community-oriented event that effectively pays tribute to veterans from every branch of the United States military who have served in any war, foreign or domestic, as well as members of the police and fire departments. They are actively seeking military pets as well.

Whereas, National Curves Day is a celebration of women taking responsibility for their own health through greater knowledge and understanding;

Whereas, National Curves Day celebrates the efforts of national and community organizations working with partners and volunteers through fundraising efforts to improve awareness of key women’s health issues;

Now, Therefore, I Tedd Wallace, Mayor of the City of South Lyon do hereby proclaim the Thursday following Mother’s Day, Thursday, May 17, 2012 to be National Curves Day in the City of South Lyon and urge all citizens to participate in the activities planned.

He already picks up cigarettes, etc. He also has safety concern. Parking concern has been brought up in the past and now we are talking about giving up four of our parking spots. The business was open knowing full well there was no outdoor dining. He is totally opposed to this and does not see why Council would entertain the idea.

We can make this inspection for approximately $4,500.
