Regular City Council Meeting
March 11, 2013
Agenda

7:30 p.m.  Call to Order
           Pledge of Allegiance
           Roll Call
           Minutes – February 25, 2013
           Monthly Bills
           Approval of Agenda
           Public Comment:

I.       Old Business
         None

II.      New Business

   1. Tri-Party Funds

   2. Closed session to discuss written legal opinions regarding utilities pursuant
to Section 8(h) of the Open Meetings Act.

III.     Manager’s Report

IV.      Council Comments

V.       Adjournment
Mayor Pro Tem Wedell called the meeting to order at 7:30 p.m.
Mayor Pro Tem Wedell led those present in the Pledge of Allegiance

PRESENT: Mayor Pro Tem Wedell
Council Members: Kivell, Kopkowski, Kramer, Ryzyi, and Dixson
ALSO PRESENT: City Manager Murphy, City Attorney Wilhelm, Chief Kennedy, Chief Collins, and Department Head Martin and Deputy Clerk/Treasurer Deaton

APPROVAL OF AGENDA

Mayor Pro Tem Wedell stated he would like to hold the Managrs report and Council Comments portion before the Closed Session.

CM 2-1-13 MOTION TO APPROVE AGENDA

Motion by Kramer, supported by Dixson
To approve the agenda as amended.

VOTE: MOTION CARRIED UNANIMOUSLY

APPROVAL OF MINUTES FEBRUARY 11, 2013

CM 2-2-13 MOTION TO APPROVE MINUTES AS PRESENTED

Motion by Kivell, supported by Kopkowski
To approve the minutes as presented.

VOTE: MOTION CARRIED UNANIMOUSLY

PUBLIC COMMENT – None

OLD BUSINESS- None

NEW BUSINESS

1. Acceptance of Donation
Attorney Wilhelm stated this item involves a resident that would like to donate some graves to the City. There is a discrepancy and the gentleman’s mother is in the hospital so he is asking Council to table this item indefinitely.

**CM 2-3-13 MOTION TO TABLE DONATION OF CEMETERY PLOTS INDEFINITELY**

Motion by Kivell, supported by Kramer

**VOTE:** MOTION CARRIED UNANIMOUSLY

2. Traffic Control Order 13-01

Chief Collins stated this is a follow up from the last meeting. Council approved the use of the two parking lots on Pontiac Trail and Liberty to be used for the Farmers Market on Saturdays; therefore we need to prohibit parking in those two lots on that day each week. Department Head Martin will need to order the signage for each of the lots.

**CM 2-4-13 MOTION TO APPROVE THE TRAFFIC CONTROL ORDER 13-01 TO AUTHORIZE SIGNAGE RESERVING BOTH LOTS ON PONTIAC TRAIL AND LIBERTY FOR THE FARMERS MARKET**

Motion by Dixson, supported by Kramer

Motion to approve the traffic control order 13-01 to authorize signage reserving both parking lots at Pontiac Trail and Liberty for the use of the Farmers Market from May thru October.

**VOTE:** MOTION CARRIED UNANIMOUSLY

**MANAGERS REPORT:**

City Manager Murphy stated the Capital Conference is being held in Lansing on April 9 and 10th. He further stated the RCOC biennial meeting is being held March 13th here at City Hall. He further stated letters were mailed out to the private hydrant owners letting them know they must have their hydrants checked by April.

Department Head Martin stated it was with a heavy heart he is reporting to Council that Troy Dehoff is leaving the Department of Public Works. He has been a very qualified and trusted employee for 18 years. He further stated that the wealth of knowledge the guys have after all the years of working for the City is impossible to replace. Troy will be moving to South Carolina with his family, and he will be missed.

**COUNCIL COMMENTS:**
Councilman Kivell stated he recently had the opportunity to visit the South Lyon Theatre and they have a new projector, screen and audio. He further stated his family watched Life of Pi in 3D and it was a great experience. He further stated the owners have made a real investment in our community and he hopes the community will support them.

Council Member Kopkowski stated she has heard Reps is going to be putting in a community center. She suggested we check into what their intentions are so we don’t duplicate our efforts. Councilman Kramer stated he spoke with them and they are planning on having a large gym with basketball courts, with a soccer field, but they are still having funding issues. He further stated he will be meeting with them again after the next Recreation Center meeting.

Councilman Ryzyi stated there is a new place going in the Brookdale Plaza that will have batting cages, basketball and he would like to make sure we aren’t duplicating efforts.

Councilman Kramer stated he talked to a disgruntled resident regarding the length of our winter parking ordinance. He further stated he has heard from many residents about this issue, and suggested that maybe Council could take a look at this at an upcoming meeting. Councilman Kivell asked if it would be possible if residents could let the Police Department know if they are going to be having overnight company for a special occasion and the Police could make an exception. Chief Collins stated that is something the Police Department has already been doing.

CM 2-5-13 MOTION TO ENTER INTO CLOSED SESSION TO DISCUSS LEGAL OPINION REGARDING UTILITIES PURSUANT TO SECTION 8 (h) OF THE OPEN MEETINGS ACT

Motion by Kivell, supported by Kopkowski
Motion to enter into closed session to discuss legal opinion regarding utilities pursuant to Section 8 (h) of the Open Meetings Act at 7:45 p.m.

VOTE: MOTION CARRIED UNANIMOUSLY

ROLL CALL VOTE MOTION CARRIED UNANIMOUSLY

CM 2-6-13 MOTION TO AUTHORIZE THE CITY MANAGER AND CITY ATTORNEY TO TAKE ACTION PURSUANT TO THE SUBJECT OF UTILITIES IN THE CLOSED SESSION

Motion by Kramer, supported by Kivell
Motion to authorize the City Manger City Attorney to take action pursuant to the subject of utilities discussed in the closed session.

VOTE: MOTION CARRIED UNANIMOUSLY

ADJOURNMENT
CM 2-7-13 MOTION TO ADJOURN REGULAR COUNCIL MEETING

Motion by Kramer, supported by Dixson
Motion to adjourn the regular Council Meeting at 8:25 p.m.

VOTE: MOTION CARRIED UNANIMOUSLY

Respectfully submitted,

_________________________  __________________________
Harvey Wedell, Mayor Pro Tem  Lisa Deaton Deputy Clerk/Treasurer
AGENDA NOTE
New Business: Item #1

MEETING DATE: March 11, 2013

PERSON PLACING ITEM ON AGENDA: Manager

AGENDA TOPIC: Tri-Party Money

EXPLANATION OF TOPIC: The Road Commission for Oakland County (RCOC) is asking how the City of South Lyon wants to utilize its’ 2013 Tri-Party funds. The City has $25,461 from 2012, $33,408 from a share of unused money that was awarded to the City if we were to use it in 2013 and $26,587 for 2013 for a total of $85,456. The City has to pay 1/3 of the total so the amount we would actually receive from the County would be $56,970. The City could leave this be and put it towards a future county road project or it could be utilized for a mill and overlay for E. Lake Street between Pontiac Trail and the Rail Road Tracks. This is the project I submitted to RCOC to receive some of the unused tri-party funds. Tom Noechel, Programming Supervisor, made a few suggestions about potential projects, but after a phone conversation with him, I think it would be best for the City to use the money for E. Lake Street. The total estimated cost to mill and overlay E. Lake Street is $209,000, when the tri-party funds are deducted out the estimated cost the City is $152,030.

MATERIALS ATTACHED AS SUPPORTING DOCUMENTS: Letter from Dennis Kolar, Managing Director, RCOC, on re-distribution of Tri-Party funds, Letter from Tom Noechel, Programming Supervisor for RCOC and a cost estimate for the E. Lake Street Project from HRC.

POSSIBLE COURSES OF ACTION: Approve/do not approve using Tri-Party funds for a future county road project or for the E. Lake Street project.

RECOMMENDATION: Approve using all the Tri-Party funds for the E. Lake Street project.

SUGGESTED MOTION: Motion by ________________________, supported by ____________________, to approve using all available Tri-Party funds for the E. Lake Street project which consists of a mill and overlay.

3/11/2013
October 5, 2012

Mr. David Murphy  
City Manager  
City of South Lyon  
335 South Warren  
South Lyon, MI 48178

Subject: Re-Distribution of Tri-Party Program Funds

Dear Mr. Murphy:

As a follow-up to the August 13, 2012 letter indicating $2.9 million in uncommitted Tri-Party Program funds, we are pleased to announce that the City of South Lyon will receive an additional $33,408.

Due to the overwhelming number of requests for the additional funds, which far exceeded the funds available, the County of Oakland and the Road Commission for Oakland County agreed to use the current Tri-Party Program distribution formula to allocate the additional funds.

Also, an updated history spreadsheet is attached for your reference.

Please contact Tom Noechel at (248) 645-2000, Extension 2266 to discuss implementing a project.

Sincerely,

Dennis Kolar, P.E.  
Managing Director

C - Project complete  

10/4/2012 History Spreadsheet
February 13, 2013

Mr. David M. Murphy, Manager
City of South Lyon
335 South Warren
South Lyon, MI 48178

RE: FY 2013 Tri-Party Program

Dear Mr. Murphy:

Your participation is requested in the FY 2013 Tri-Party Program for road improvements. The fiscal year governing this program is October 1, 2012 through September 30, 2013. The Oakland County Board of Commissioners has approved a Tri-Party budget of $1,000,000 to create a $3,000,000 program for FY 2013. A total of $1,500,000 will be designated for townships and a total of $1,500,000 will be designated for cities and villages.

The distribution formula and method of calculation of Tri-Party allocations have remained the same. For cities and villages, it includes RCOC road miles and three-year average annual accidents. For townships, the most recent census population figures are combined with RCOC road miles and three-year annual accidents. The figures for these three factors (population, miles and accidents) are calculated as the individual community’s percentage of the total of each factor in each type of community. For example, county road accidents in a city or village are divided by the total of all county road accidents in all cities and villages. The distribution formulas have been used for years in an attempt to most equitably distribute the Tri-Party dollars.

Separate formulas are used because population in the city/village equation would skew the results toward more densely populated cities with fewer RCOC road miles. In townships, on the other hand, population has been used as a determining factor to prevent the distribution from being skewed toward townships with high road miles and small populations.
City / Village Formula:  
Community Allocation = \frac{A_{d_v}(C_a + R_m)}{2}

Where:  
- $A_{d_v}$ = Total Amount for distribution to cities and villages
- $C_a$ = Community % of total accidents on county roads in cities and villages
- $R_m$ = Community % of total county road miles in cities and Villages

(Note that accidents are an annual average for a three-year period)

Township Formula:  
Community Allocation = \frac{A_{d_T}(C_a + P_c + R_m)}{3}

Where:  
- $A_{d_T}$ = Total Amount for distribution to townships
- $C_a$ = Community % of total accidents on county roads in all townships
- $P_c$ = Community % of total population in all townships
- $R_m$ = Community % of total county road miles in all townships

(Note that accidents are an annual average for a three-year period)

Although the method of calculation and the factors involved have remained the same, the data on which those calculations are based has changed.

Population data is changed only after a decennial census or if the Census Bureau issues revised numbers. The data includes the most recent counts from the 2010 Census.

As in the past, RCOC road miles change only to reflect abandonments, transfers of jurisdiction, or the addition of new roads.

The most recent traffic accident data available from the Traffic Improvement Association of Oakland County is used. Currently, the average annual crash data from 2009 to 2011 is being used.

Your program allotment for this year is $26,587 and your share will be $8,862. RCOC is encouraging your community to allocate and spend these funds on a specific project as soon as possible. If you do not wish to participate in this program, please contact me as soon as possible, so your program allotment can be distributed as necessary.
The Tri-Party Program operates as follows:

1) Projects intended for 2013 construction must be selected and submitted with a local board or council resolution by May 2013.

2) Project locations and concepts must be approved by the County Board and the Road Commission for Oakland County.

3) Projects that cost more than the allocation may be selected if the community provides the additional funding.

4) Funding agreements must be executed before bids are accepted. On larger projects, a separate agreement for preliminary engineering or right of way may be executed prior to initiation of these phases.

5) Projects that improve road safety take precedence over other project types, e.g., congestion or drainage.

6) Due to the Road Commission’s current road project commitments, preliminary and construction engineering may need to be provided by consultant engineers at a maximum rate of 10% and 15%, respectively, of estimated construction costs.

A schedule of events has been established as detailed below. If you are unable to meet any of the dates below, please inform me as soon as possible.

<table>
<thead>
<tr>
<th>DEADLINE</th>
<th>ACTIVITY</th>
</tr>
</thead>
<tbody>
<tr>
<td>May 2013</td>
<td>Potential project locations submitted to Programming Division for review.</td>
</tr>
<tr>
<td>June 2013</td>
<td>Local council resolutions and project commitments submitted for projects to be constructed in 2013.</td>
</tr>
<tr>
<td>July 2013</td>
<td>Project approval for Road Commission and County Board.</td>
</tr>
<tr>
<td>July – December 2013</td>
<td>Design, bidding and/or construction period.</td>
</tr>
</tbody>
</table>

I urge you to consider your options for projects now and involve your council members early in the process. Please contact me as soon as possible for cost estimates. The closer we follow the above schedule, the more successful our 2013 Tri-Party construction season will be.
A list of suggested project locations is attached. The list indicates some project possibilities collected from local officials, citizens, police reports, accident locations, Department of Customer Services, and Road Commission staff. The list is not in priority order and most do not yet have cost estimates. Also shown are some typical costs for comparison purposes.

In addition, a historical report of your community’s Tri-Party Program participation is also attached. The report lists the projects that have been completed with their associated costs. The report also shows the allocations that have been reserved for future Tri-Party projects.

Please contact me at (248) 645-2000, extension 2266 for further discussion or assistance.

Sincerely,

Thomas G. Noechel
Programming Supervisor

City of South Lyon
335 South Warren
South Lyon, MI 48178

Attention: Mr. David M. Murphy, City Manager

Re: Lake Street Pavement Rehabilitation – Pontiac Trail to CSX RR

Proposal for Professional Engineering Services

HRC Job No. 20120685.02

Dear Mr. Murphy:

At your request, we have reviewed the limits of the proposed Lake Street Pavement Rehabilitation – Pontiac Trail to CSX RR. We understand that the City wishes to upgrade the existing pavement cross-section in an effort to meet the minimum criteria that are outlined in the City of South Lyon Standard Engineering Specifications and Road Commission Standards. Note that this estimate does not include any utility work.

We have prepared a preliminary construction cost and total project cost estimate that includes the following major items of work:

1. Mill the existing pavement bituminous pavement from curb to curb from the Pontiac Trail right-of-way to the CSX Railroad right-of-way.

2. Overlay the milled section with a bituminous overlay that meets Road Commission for Oakland County (RCOC) standards.

3. Stripe the new bituminous pavement to match the existing road striping and parking space layout.

4. In order to address areas of minimal asphalt pavement thickness a cost has been budgeted for the removal and replacement of a portion of the existing pavement and sub base section with undercutting. Final quantities will be calculated during the design phase.

Based upon our preliminary project cost estimates, the following Table 1 is a summary that reflects the preliminary apportionment of costs that will be incurred to each of the City budgets for streets, water and sewer improvements, respectively.
Table 1:

<table>
<thead>
<tr>
<th></th>

<tr>
<td>Apportioned Engineering Fees =</td>
<td>$41,800.00</td>
<td>$0</td>
<td>$0</td>
</tr>
<tr>
<td><strong>Total Apportioned Costs =</strong></td>
<td><strong>$209,000.00</strong></td>
<td><strong>$0</strong></td>
<td><strong>$0</strong></td>
</tr>
</tbody>
</table>

Attached herewith, please find the itemized preliminary apportionment and project cost estimates for construction of the improvements as illustrated herein.

Our fees for this project would be based on providing preliminary engineering, design, bidding and construction engineering services, as well construction observation. Our tasks can be summarized as follows:

- Collect field data of the existing roads, utilities, and topographic information necessary to prepare construction drawings.
- Prepare preliminary construction drawings and specifications.
- Prepare applications obtain clearance from DNR, SHPO, and MDOT Road Agency Programming Division as required for TEA program funding.
- Prepare permit applications for necessary Road Commission for Oakland County, Soil Erosion Control, and Michigan Department of Environmental Quality permits.
- Prepare an engineer’s estimate of construction cost for the Owner’s review and submission to MDOT.
- Provide Grade Inspection (GI) engineering.
- Engineer Final Plans at submit to MDOT Local Contract Agency with request to advertise for bidding.
- Distribute plans for bidding, review bids, and make recommendation of award to the City and MDOT.
- Provide field layout staking for alignment, and utilities.
- Provide construction engineering services including contract administration, review of contractor pay estimate requests, change orders, interpreting the construction documents for the contractor, and keeping the City informed of the progress of the work.
- Provide materials testing services for quality control including compaction testing for sub base and subgrade, utility bedding, bituminous density and mix design verification.
- Provide a field observer to observe the construction of the work and to report to the City on the progress of the work.
Fees for these services would be as follows:

<table>
<thead>
<tr>
<th>Item</th>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Preliminary Engineering</td>
<td>$2,500.00</td>
</tr>
<tr>
<td>Topographic Survey</td>
<td>$5,400.00</td>
</tr>
<tr>
<td>Design Services</td>
<td>$12,900.00</td>
</tr>
<tr>
<td>Quality Control</td>
<td>$3,300.00</td>
</tr>
<tr>
<td>Resident Representative</td>
<td>$7,500.00</td>
</tr>
<tr>
<td>Construction Engineering</td>
<td>$4,300.00</td>
</tr>
<tr>
<td>Construction Layout</td>
<td>$5,900.00</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$41,800.00</strong></td>
</tr>
</tbody>
</table>

The cost for Resident Representation is based on an estimated 12 days for a construction observer to be on the site. We will include in the construction bid an item for “Field Observation Crew Days.” This item will make the contractor subject to additional resident representative costs incurred due to delays caused by the contractor. The fees for as-built construction drawings are not included since the scope of this project is currently limited to roadway surface improvements.

Fees will be invoiced monthly and based on our contract with the city. The total fee for the design and construction engineering services as described herein is $41,800 and will not exceed that amount without your prior authorization. In order to commence with the Preliminary Engineering, Topographic Survey and complete the Design Services it is recommended that the City authorize $20,800.00 to commence with the design engineering as soon as practicable.

If this proposal is deemed acceptable to the City, please sign and return one copy to this office and retain one for your files. Thank you for the opportunity to serve the City on this project.

If you have any questions or require any additional information, please feel free to contact our office at (586) 569-5000.

Very truly yours,

HUBBELL, ROTH & CLARK, INC.
