MEMO

To: Mayor Wallace and Council Members
From: Rodney L. Cook, City Manager
Date: May 22, 2014
Re: Communication from the City Manager

I. Old Business

   a. Resolution Adopting Millage Rates
   b. Resolution Adopting Annual Budget

2) Appointments to the Cable Commission:

Applications for Appointment/Resumes for the Cable Commission are enclosed. Council needs to appoint five individuals to this Commission.

Note: There are other vacancies for other Commissions including the DDA and Parks and Recreation Commission. I have requested a recommendation from the DDA to fill a single vacancy, as they have two interested parties. The DDA does not meet again until June 12, 2014. Ms. Ladner can then make the appointment to the DDA. The Mayor is still looking for individuals to appoint to the Parks and Recreation Commission.

II. New Business

1) Youth Assistance Agreement for Fiscal Year 2014-2015 for $13,000

Enclosed is the annual contract for Fiscal Year 2014-2015 for your approval. It appears that the request is the same from previous years. I would recommend Council approve!

2) CDBG Cooperative Agreement 2015-2017

The enclosed letter and contract from Oakland County are an invitation to continue participating in the Oakland County Urban County Community Development Block Grant
(CDBG) program for program years 2015-2017. Every three years our Cooperation Agreement that is currently on file is automatically renewed for another three year cycle unless an amendment is required by HUD. Recent revised requirements have led HUD to request that all Cooperation Agreements be amended to more clearly delineate fair housing and civil rights obligations as well as the use of CDBG funds. I would recommend Council approve this contract.

3) Executive Session: Collective Bargaining AFSCME

General Information

Future New Well Construction: On May 7th, Bob Martin and I met with HRC for the purposes of discussing alternate water sources outside of the current aquifer. Two issues were discussed:

(1) New water source outside the current aquifer either to the west or east.
(2) Connection into Lyon Township’s water supply south City limits, west side of Pontiac Trail.
(3) Possible purchase of property of 1 acre.

This issue is not quite ready for discussion and I don’t have a timeframe at this point.

Pedestrian/Bicycle Trail Closure: Due to the extensive rain on May 12th, a portion of the trail was closed for repair of a cave in just west of the school segment. The trail was closed from 11 Mile to the school segment. The necessary repairs have been made and the trail was reopened on May 19th.

WOW: I have been informed that WOW is in the process of dismantling the facility since it is now obsolete. Next week they will remove everything from the small building and complete outside work prior to June 30, 2014. They have asked if we have any need for the tower and I cannot think of any reason to keep it.

Salem-South Lyon Library: Councilmember Kramer requested information based on a contract the City’s library board member proposed, asking whether the City would be interested in paying 1/3 of the cost. Estimated cost of the project is $153,680. Based on the accident data supplied by Chief Collins, there have been three accidents over the last three years with one accident in the last two year period. Given my discussion with Dorreen Hannon the cost of the improvement should have:

(1) Been completed with the original construction of the library.
(2) Been planned for future capital improvements. (The library has an $800,000 capital improvement fund.)
(3) The library facility is some distance from our corporate limits and outside Oakland County.
(4) Washtenaw County Road Commission is not contributing anything.

Attorney Wilhelm stated MERS treats all non-union employees the same. The vesting period is 8 years. Councilman Kvell stated it seems we are paying the entire cost of the moving expenses, and he was surprised by that. He offered the idea of covering the cost as a loan to be paid back in two years. MANAGERS REPORT

City Manager Cook stated Bricco should be in town today or tomorrow, but there are things they may not be able to do until the end of the week due to the rain. He further stated there was a railroad diagnostic review in December of 2012. They are supposed to work with MDOT to redo that area. He stated he is hoping it will be worked on later this year. The Railroad told MDOT they do not intend on fixing this in 2014 but he doesn’t think the Road Commission will accept that.

COUNCIL COMMENTS

Councilman Kivell stated the grand opening for the Cultural Arts show was really nice, and there were approximately 300 plus people here. He stated the Bricco issue is disappointing. Residents in town are all working on their own yards, and he doesn’t understand why they can’t work on them as well. Mayor Wallace stated originally the agreement was for sod to be put down, but now they are using grass seed. Mayor Wallace stated the contract states it must be finished by the end of June.

Councilman Ryzyi stated he missed the Cultural Arts Commission grand opening, but he did make a donation and he is proud to be a partner of the Cultural Arts. He stated he has spoken with Ms. Lemke from the Cultural Arts Commission and they need volunteers and he would encourage anyone interested in getting involved. They need donations as well.

5/12/14
He further stated he would like to congratulate Dr. Jamie Penn because she was elected the president of the Junior Chamber and he looks forward to working with her as a board member.

Councilman Kramer stated he received a phone call from Salem Township trustee and the Library, County, and Township are all in talks to extend the shoulder across from the Library entrance. City City Manager Cook stated he will call them.
Councilmember Dixson stated she enjoyed the opening for the Arts Commission as well.

Mayor Wallace stated the art will be displayed in the lobby at City Hall for a month. He stated the Memorial Day Parade starts at 9:00 a.m. on the 26th. He stated the next Council Meeting will be on Tuesday the 27th because of the Memorial Day holiday. Mayor Wallace stated he would like to congratulate Aubrees for opening here in South Lyon. He stated he would like to thank the City’s bookkeeper Lori Mosier for attending the meeting tonight in case Council had questions on the contract with the City Manager. Mayor Wallace stated the city-wide clean-up day is Saturday the 17th of May. Department Head Martin stated this event seems to get smaller every year. He stated the church will call him on Wednesday to let him know how many volunteers they have.

The Honorable Tedd Wallace, Mayor
City of South Lyon
335 S Warren
South Lyon MI 48178-1317

RE: 2015-2017 Cooperation Agreements

Dear Mayor Wallace:

We invite the City of South Lyon to continue participating in the Oakland County Urban County Community Development Block Grant (CDBG) program for program years 2015-2017. The City has participated during the past three years. During this period, approximately $81,741 has funded programs to address the needs of low income residents.

The U. S. Department of Housing and Urban Development (HUD) requires the County to renew its Cooperation Agreement with participating communities every three years. Your participation is essential to the County and the other cities, townships, and villages that combine demographics each year to achieve the highest level of federal funding for local projects. Participation in the urban county requires a three year commitment and your community must remain in the program for the three year duration. If your community chooses to remain with the urban county, it is ineligible to apply for grants under the State CDBG program while a part of the urban county.

Besides the annual CDBG allocation, participating communities also benefit from the County's federally funded HOME Investment Partnerships and Emergency Solutions Grant (ESG) programs. HOME funds are combined with CDBG funds each year to improve local housing stock through our Home Improvement Program. ESG funds are used to meet the needs of the homeless through emergency shelters, rapid re-housing, and homeless prevention assistance.

As a current participant, there is a Cooperation Agreement between the City of South Lyon and Oakland County on file. This three year Cooperation Agreement is automatically renewed for each three year cycle unless an amendment is required by HUD. Recent revised requirements have led HUD to request that all Cooperation Agreements be amended to more clearly delineate fair housing and civil rights obligations as well as the use of CDBG funds.

The revised Cooperation Agreement (see attached) contains an explicit provision obligating the county and the cooperating units of general local government to take all actions necessary to assure compliance with the urban county’s certification under section 104(b) of Title I of the Housing and Community Development Act of 1974, as amended, regarding Title VI of the Civil Rights Act of 1964, the Fair Housing Act, and affirmatively furthering fair housing. The provision also includes the obligation to comply with section 109 of Title I of the Housing and Community Development Act of 1974, which incorporates Section 504 of the Rehabilitation Act of 1973 and the Age Discrimination Act of 1975 and an obligation to comply with other applicable laws.
The agreement also contains a provision prohibiting urban county funding for activities in, or in support of, any cooperating unit of general local government that does not affirmatively further fair housing within its own jurisdiction or that impedes the county's actions to comply with the county's fair housing certification. This provision is required because noncompliance by a unit of general local government included in an urban county may constitute noncompliance by the grantee (i.e., the county) that can, in turn, provide cause for funding sanctions or other remedial actions by HUD.

A new requirement regarding the use of CDBG funds was placed in the Transportation, Housing and Urban Development, and Related Agencies Appropriations Act, 2014, Pub. L. 113-76. A unit of general local government may not sell, trade, or otherwise transfer all or any portion of such funds to a metropolitan city, urban county, unit of general local government, or Indian tribe, or insular area that directly or indirectly receives CDBG funds in exchange for any other funds, credits or non-Federal considerations, but must use such funds for activities eligible under Title I of the Housing and Community Development Act of 1974, as amended. This requirement arose as a result of discovering that units of general local government located within an urban county were trading CDBG funds for unrestricted local funds.

In order to continue to participate in the Oakland County urban county program the City must submit the following documents by Friday June, 2014:

1) A resolution (see attached) specifically designed to meet HUD requirements. Please ensure that the original resolution is signed, dated and certified by the Clerk. Alternatively, the original resolution can be signed and dated by the Clerk and embossed with a seal. Please send us the original resolution and keep a copy for your records.

2) A revised Cooperation Agreement (see attached) specifically designed to meet HUD requirements. Please ensure that the Cooperation Agreement is signed, dated and witnessed. Please send us the original Cooperation Agreement and keep a copy for your records.

If you decide to opt out of the urban county program, a letter signed by the chief executive officer is required. This letter should state that the community intends to opt out of the Oakland County urban county program. Due to federal requirements, you must submit this letter to the County and to HUD. Please mail HUD's copy of the letter to: U.S. Department of Housing and Urban Development, Keith E. Hernandez, AICP, Director, Community Planning and Development, Patrick V. McNamara Building, 477 Michigan Ave., Suite 1710, Detroit MI, 48226-2592 by Friday, June 20, 2014. The County's copy of the letter should be mailed to: Carla Spadlin, Grant Compliance & Program Coordinator, by Friday, June 20, 2014. If you have questions, please contact Carla at (248) 858-5312. We look forward to three more years of productive partnership.

Sincerely,

THAT in the event of close-out or change in status of the Community, any program income that is on hand or received subsequent to the close-out or change in status shall be paid to the County; and

THAT the Community shall provide timely notification to the County of any modification or change in the use of the real property from that planned at the time of acquisition or improvement including disposition; and

DWRF WATER MAIN IMPROVEMENTS – SEGMENT I

A contract has been awarded to Bricco Excavating Company for replacement of some 26,000 linear feet of deteriorated water main within the City. The project is scheduled to be completed in the summer of 2014. For more information regarding this project you can access the City’s web site at www.southlyonmi.org.

The reason for this notice is that the contractor will be installing a new water main and sanitary sewer in the alley between Lafayette and Wells Streets. This work is scheduled to begin the week of June 9th and is expected to take three weeks to complete. Access to the alley will not be available during construction. This means that all deliveries, vehicles, trash receptacles, etc. will not be allowed in the alley during this time.

Your patience would be appreciated during the construction period. Every effort will be made to minimize the inconvenience to you and your neighbors. Throughout construction, field representatives from Hubbell, Roth & Clark, Inc. (HRC) and the contractor will be available to address issues as they occur. Thank you Rita!

We will let our neighbors know ASAP. The City of South Lyon will be looking for another approval letter from you just like they did last year. Do you think you could draft one up for us please?

We are still waiting for all approvals before we commit to moving to a different space. We expect to know for sure by the end of next month if we are staying or going. I will let you know as soon as we know.

Thank you so much for your speedy response, that is much appreciated! :)

Cheers!

Hi Rita,

We are wanting to host another outdoor food drive event like we did last year. We are looking at a date of, Saturday, August 23rd. Do I have your permission to host our second annual Fury for a Feast?

We worked with Gleaners Food Bank last year on our Fury for a Feast Event. They said it was their largest contribution in August ever!! August is a hard month for food banks with holidays so far away and schools out for summer break, that is why we would like to do this again this August. Here was what we were able to contribute last year from just that one single event:

Here are the results in meals from your collection:

- 895 pounds of food collected = 1,164 meals
- $3,751 = 11,253 meals (we can provide 3 meals for every $1 collected with our purchasing power!)

We plan to structure and layout this event just like we did last year. Please let me know if I have your permission to start applying for the appropriate permits and whatnot.

Cheers!
