Mr. Richards stated there has been a lot happening at South Lyon Square since the last meeting and they are doing a great job on the parking lot and it is a victory for our City. OLD BUSINESS
1. Consider approval of Resolution establishing policies and guidelines for granting poverty exemption from payment of property taxes and poverty exemption application

11/14/16
Attorney Wilhelm stated this was tabled in August for more review and numerous revisions have been made. He stated after further discussion with Oakland County Equalization, one of the changes is that a property held in trust may under certain circumstances be eligible for an exemption. He further stated upon their suggestion there is now a statement in the resolution that reflects a person 65 or older can increase their household size by 1 for determining eligibility. Attorney Wilhelm stated they also removed the formula for a partial exemption based on their suggestion as well. He further stated they changed some of the terminology in the household resources to help clarify and it is much more straightforward. He further stated Oakland County Equalization will be doing training with our Board of Review members and they will make sure they have a full understanding of the new resolution and application. Councilmember Kvell asked what the advantage is for not using a formula for a partial exemption. Attorney Wilhelm after discussing this with OCE, they suggested that be removed because the Board of Review will be hearing the story of the applicant and will be making the decision based on all of the information. Councilmember Kvell stated he agrees with that, but if OCE is so vital in this, why do we have a Board of Review. Attorney Wilhelm stated they act as a staff member, but according to our Charter, the Board of Review is the decision maker. Councilmember Kurtzweil stated it is not intended to be a controlled decision by the County. The Board of Review members live in the community and they may be familiar with the applicant’s situation and they know the backgrounds. She further stated this is a major overhaul for the Board of Review, it has been archaic in the past. She is very impressed with the information Attorney Wilhelm came up with. She stated there is additional criteria that may require some additional policy issue and review. She further stated we need to discuss if we will limit the number of years’ people can apply or receive an exemption for taxes, as well as someone with a very high S.E.V should be approved for an exemption. She would like this discussion as an agenda item at a future meeting. Councilmember Kurtzweil stated she is very interested in the management of this form, and sometimes we do things at the last minute and we don’t have the training to go along with it, but she is happy to hear there will be training involved to anyone dealing with the Board of Review. We need to follow through on this.

Councilmember Kramer asked if OCE will look at the application before the Board of Review. Attorney Wilhelm stated the application will be turned into the Clerk’s office, then it will go to OCE and they will make sure all information that is necessary is supplied. Councilmember Ryzy stated he would like to commend Attorney Wilhelm on the hard work they did on this as it was a lot of work to overhaul this process. He further stated the City is finally following the correct procedure, and in the past he believes we were in violation of our City Charter regarding terms for the Board of Review members. He further stated he wants to commend Councilmember Kurtzweil for pushing for this issue to be handled.

NEW BUSINESS

1. Mayoral proclamation for TUBACHRISTMAS
Mayor Galeas read a proclamation proclaiming December 12, 2016 as TUBACHRISTMAS DAY. He further stated this honors all great tuba and euphonium players through the legendary artist/teacher William J Bell and pays tribute to all composers who have given solo and ensemble literature to these grand and deserving instruments through American composer Alec Wilder who contributed his arrangements of Christmas carols to TUBACHRISTMAS. He further stated he invites everyone to attend the event at the Salem/South Lyon District Library on December 12th at 7:00 p.m. Mayor Galeas stated he played clarinet and trumpet as a kid, but he also liked sports, and he has a heartfelt feeling about this event.

2. Consider approval of application for CDBG funds for FY 2017
City Manager Ladner stated we are continuing to support the Center for Active Aging as well as Haven. She stated we are anticipating $36,024 with $31,024 going to the Senior Center and $5,000 going to Haven.

3. Consider proposal from HRC to begin preliminary design work for Federal Aid project on McMunn Street
City Manager Ladner stated we have $90,000 earmarked federal funds that was originally marked for Lafayette between Liberty and McHattie. The Federal legislature approved a new bill which allows for us to relocate within 50 miles of the original earmarked area. She stated SEMCOG asked if we would donate our money for other work to be done, and she said no, we will use this money within our own City. She further stated we are asking for permission to begin a preliminary design for McMunn Street between Dorothy and McHattie. She stated the total project would be $461,630 which $90,000 would be from the earmarked funds. Councilmember Kramer stated this would be two tenths of a mile. City Manager Ladner stated we are limited on any streets we can use the federal money on. She stated we looked at what streets are eligible with the paver study. Councilmember Kramer stated there is a lot of heavy truck traffic on that street. City Manager Ladner stated the new street would be able to withstand the truck traffic. Councilmember Kurtzweil asked where this money would come out of the budget. City Manager Ladner stated this was not anticipated, therefore we would do a budget amendment. Councilmember Kurtzweil asked if we would lose the federal earmarked money if we don’t do this project until after we work on the project. City Manager Ladner stated we would. Councilmember Kurtzweil stated she is not comfortable with this with the budget being as it is. Further discussion was held regarding the fund balance of local and major streets. Councilmember Ryzyi asked what the cost was for the water main break at Waters Edge to the City. Department Head Martin stated there were two projects done at that time, one cost $24,000 and the second was $30,000. Councilmember Ryzyi stated there are always unforeseen circumstances that could cost the City additional money. He further stated we need to look at all options. Department Head Martin stated he is getting mixed signals, because he thought roads were a priority and he and City Manager Ladner are bringing this to Council for a possibility of fixing the roads, not to upset Council. Councilmember

11/14/16
Dedakis stated our roads are a priority for our residents and we need to show we are taking some type of effort, and at this point we haven’t done much of that, but this effort is appreciated. She further asked Mike Darga of HRC if they do a core sample if that would give closer estimate of the cost if we don’t go for the highest cost. Mr. Darga stated we could spend approximately $2,000 to get a core sample to see what is left underneath the road. Councilmember Dedakis stated her opinion is to pay the $2,000 to get the core sample to possibly get an understanding if another option is available. She further stated roads are a priority and needs to be addressed. Councilmember Kivell asked if we spoke with the Oakland County Road Commission to see if they are interested in assisting to pay with some of the road costs. City Manager Ladner stated she has not, they are the ones that wanted to use our federal money outside of the City. She further stated she is hoping to meet with them regarding Pontiac Trail. City Manager Ladner stated to work on Pontiac Trail, we have to work with the Road Commission and use tri-party funds. Department Head Martin stated they are already scheduling for 2018.

Councilmember Kurtzweil stated she understands that City Manager Ladner is frustrated, but when the Road Commissions budget was passed, it was raised. She further stated we should be making a presence, such as Lyon Township does, and the benefits are going to them. She stated we need to get the networking done and that was not done in the past. Councilmember Kurtzweil stated the corrective action plan from the State of Michigan raises flags. She further stated other communities received this as well, but it is a problem. She further stated we cannot drain our rainy-day fund, we need to get back to fiscal responsibility. She stated she wants to know if the deficiency in the operating loss in the sewer/water department is being taken care of and if the mill increase has helped with the operating loss. Councilmember Kurtzweil stated the problems with the budget plays an intricate part of how we operate the City including the roads. She stated she needs more financial information. Councilmember Dedakis stated she wants to ensure the total cost of the core sample will not exceed $2,000. Mr. Darga of HRC stated it will not exceed $2,000. Councilmember Ryzyi stated in the past we asked HRC to look at Dorothy Street parking lot, and we ended up with a bill for $15,000. He further stated he understands they will not work for free, but HRC gets all the City’s engineering work and he thinks they should give the City a break in the future. Amber King of 791 Westbrook asked if the City has considered asking Michigan Seamless Tube to assist with paying for the road work. Department Head Martin stated it is a public road, and everyone uses that road not just MST. Mayor Galeas stated he understands truck traffic is a big issue in South Lyon and he thanked Department Head Martin for bringing this to their attention, but he would like more information regarding what is needed as well. Carl Richards of 390 Lenox stated he lived on McMunn for many years and he has been working on this project for 6 years, and his plan is three times the cost of what is presented tonight, but that included the MST paying for two thirds of the cost by special assessments. He further stated at this time he is willing to share what he knows with the HRC people for the benefit of the City.

CM 11-6-16 MOTION TO POSTPONE THE PROPOSAL FROM HRC

Motion by Kramer, supported by Dedakis
Motion to postpone the proposal from HRC for the preliminary design for McMunn Street until we have a better understanding of the condition of McMunn Street

VOTE: MOTION CARRIED UNANIMOUSLY

4. Consider approval of final site plan for Thomasville Development

11/14/16
City Manager Ladner stated the developer Lorenzo Cavaliere is here to answer any questions Council may have. Attorney Wilhelm stated he was not able to do a full review the document sent to him on Friday. Mr. Cavaliere stated the intent of the letter is very clear, the document states we are agreeing with Colonial Acres for a cross access agreement. He further stated it is a cross access easement agreement, this is what Police and the Fire Department has asked for, and it isn’t controversial and we would like to move forward. Councilmember Kivell stated he has not seen anything from Colonial Acres stating they have agreed to the cross-access easement. Councilmember Kramer asked why this project has taken so long, and how the developer is now coming to have this approved, without the agreement with Colonial Acres for the cross easement. He further stated the problem is this is coming to Council at the last minute, but without anyone from Colonial Acres signing and approving the agreement. Mr. Cavaliere stated he just came onto this project in early 2016, and there were some delays that were out of his control. He is asking Council to understand the intent and approve this tonight. Councilmember Dedakis asked if he discussed this with Colonial Acres. Mr. Cavaliere stated yes they have. Mr. Cavaliere stated without that easement agreement there is no Thomasville Development. Mayor Galeas stated the agreement is something that needs to be signed by Colonial Acres. Councilmember Ryzyi stated he will not approve this tonight without a signed document from Colonial Acres, there were many residents in Colonial Acres that were very concerned with this. Councilmember Kivell stated he is not comfortable without our City Attorney reviewing it. Councilmember Kurtzwell stated she is a real estate attorney and she understands the hard work he has put into this. She further stated there were some restrictions that she recalls from when she was on the Planning Commission that is not represented on this document, such as swing sets, dog houses, sand boxes, and basketball nets. Carmine Avantini of CIB Planning stated the Planning Commission decided some of the restrictions were too restrictive, such as saying no to dogs. He stated Colonial Acres residents were concerned because they didn’t want big families living in this development. He further stated, it is anticipated that there will be few or none with many children. Council member Ryzyi stated he would like to see the list of restrictions that is still part of the agreement. This was supposed to be a smooth transition between Colonial Acres and this development. Councilmember Kurtzwell stated she would also like a full list of restrictions. She further stated Colonial Acres wants assurance that this development will be compatible with their lifestyle, which is why the restrictions are so important. Mr. Avantini stated there are two items on the agenda this evening, but Council may approve the plan conditional of the approval of the condo documents, if Council is happy with the plan. He further stated it was his understanding the owner of Colonial Acres understood the easements would be necessary. Further discussion was held regarding the cross-access agreement. Attorney Wilhelm suggested Council wait until they have the signed agreement with Colonial Acres. He further stated we will have to review the restrictions as well. Councilmember Kurtzwell stated she doesn’t believe the backyards will be large enough for inground pools and that should be looked at as well. Councilmember Ryzyi stated there are issues that need to be dealt with.

7. Consider approval of first reading of Housing Commission Ordinance Amendment

Attorney Wilhelm stated this is the first reading of an ordinance amendment for Article 6 Chapter 34 for the Housing Commission. This is the precursor for asking the City to quit claim the deed of the property dismissing any claim the City had of the Washington Street property to the Housing Commission. The current ordinance states the City must be on the deed, but there has been an amendment by the State that no longer requires the City to be on the Deed. He further stated there is some additional clean-up of the ordinance.

8. Consider approving Traffic Control Orders 16-01; 16-02

Chief Collins stated he was able to get the results of a traffic study for the Knolls and Glen Meadows. He stated he is suggesting an addition of 2 stop signs in the Knolls. There is currently a stop sign there, but the traffic study suggested to make that a 3 way stop. Chief Collins stated traffic control order 16-02 is for Glen Meadows. He stated the streets have already been dedicated and most signs are existing, but after doing the traffic study, the TIA suggested to erect a stop sign at southbound Glen Meadows and Norchester. Councilmember Ryzyi stated he recalls this was discussed before and this is a really important safety issue because there are so many children and frustrating because sometimes red tape gets in the way of things and he thanked Chief Collins for pursuing this.

Bob Donohue stated the road closures are the same as last year from 5:30 to 6:15 p.m. Chief Collins stated he would like to change the ending time to 6:30 p.m. Councilmember Ryziy asked who is leading this event. Mr. Donohue stated he is representing the City, as this is really a City event. Councilmember Ryziy stated it was a wonderful event last year and asked if it will be similar this year. Mr. Donohue stated there will be additional activities as well. City Manager Ladner stated they are centralizing the events in a tent in the Veterans parking lot or the Draft Street parking lot. Instead of having people having to go around town for the activities, they are combining it in one area, and there will be heaters and entertainment in the tent as well. Councilmember Ryziy stated this is a wonderful event and it seems to be mostly a South Lyon and Lyon Township event, and he is hoping there is a way we can advertise to get other communities involved as well. This along with Pumpkinfest is one of our best events in the City. Mr. Donohue stated he wants to thank Kathy Swan for chairing this great event. Mayor Galeas asked if the key to the City was found. Mr. Donohue stated it was.

Councilmember Kurtzweil stated there are many people that are very happy and she thanked City Manager Ladner handling that. Councilmember Kurtzweil asked how board resignations are handled. City Manager Ladner stated Council approves all resignations.

She further stated she found out the CEO will be attending a Bloomfield Township meeting and she would like the same treatment and she would like to see him at our next Council meeting to answer our questions.

Councilmember Ryzyi stated that is great news that the CEO will be attending the next meeting, given the allegations that have happened and having them here answering our questions on tape will kind of put their feet to the fire. He stated DTE changed their ways after being before our Council and on tape, so this is great he will be here to discuss this.

COUNCIL COMMENTS
Councilmember Dedakis stated she wanted to give a shout out to South Lyon High marching band that did a great job at States and they sounded fantastic and our community is proud of them. She stated
she is excited about the quilt show and wishes a Happy Thanksgiving to everyone. City Manager Ladner stated South Lyon East participated as well for their first year and they placed 8th out of 13.

Councilmember Ryzyi stated it is hard to believe Halloween has already passed and he wanted to thank our Firefighters and Police Officers for handing out candy to all the children. He further stated he would like any interested residents to run for Council in 2017 and he will assist anyone interested.

Councilmember Kramer asked the City Attorney about a letter regarding G.F.L and Rizzo and it seems we don’t have all the information regarding the assignment for the City and other Cities as well. He asked if we can substantiate GFL’s claim that it wasn’t an assignment. Attorney Wilhelm stated it is not clear if RRASC will see any of the documentation because of confidentiality. Councilmember Kramer stated it will be interesting to see if they hide behind that.

Councilmember Kurtzweil stated the reason she called Rich is because she is interested if this was a stock purchase agreement or asset purchase agreement. AGENDA NOTE

MEETING DATE: November 28, 2016

PERSON PLACING ITEM ON AGENDA: City Attorney

AGENDA TOPIC: Approve the second reading of the Housing Commission Ordinance Amendment

EXPLANATION OF TOPIC: The South Lyon Housing Commission is pursuing a Rental Assistance Demonstration (RAD) conversion through HUD which will allow it to utilize different financial mechanisms to provide housing assistance. HUD requires that the South Lyon Housing Commission have clear title to the property which is subject to the HUD agreements. The property in question was deeded to the City acting on behalf of the South Lyon Housing Commission which was required per ordinance (Code Section 34-87). HUD has advised that the City must quit claim its interest to the Housing Commission or sign the HUD agreements. The latter is not recommended.

Section 34-87 prohibits the City from quit claiming its interest in the property to the Housing Commission. In 1996, the Michigan legislature amended the Housing Facilities Act to clarify that housing commissions are separate legal public corporations. Thus, the requirement in Section 34-87 that deeds be in the name of the city is no longer required. The Housing Commission is a separate legal entity and can own and hold property, among other things, without the City being involved even if in name only. The repeal of Section 34-87 is to enable the City to execute a quit claim deed to the Housing Commission to satisfy HUD requirements for the RAD conversion. The quit claim deed will be presented separately for Council approval.

In addition, in June 2012, at the Housing Commission's request, the Council approved an ordinance adding provisions to the Code of Ordinance pertaining to the Housing Commission which included, among other things, procurement provisions. HUD advised that the 2012 ordinance amendments were in conflict with HUD regulations and the Housing Commission's separate legal existence as clarified by the 1996 amendments to the Michigan Housing Facilities Act. Thus, the proposed ordinance amendment repeals Sections 34-88 through 34-91.

Lastly, the proposed ordinance amends Section 34-84 relating to the South Lyon Housing Commission's Powers and Duties to clarify that it has all powers, duties, rights and obligations provided for under statute, including the Michigan Facilities Act, Public Act 18 of 1933, 125.651 et. seq.

No changes from first reading.

The manager shall act as purchasing agent of the city. The manager shall adopt any necessary rules respecting requisitions and purchase orders.

Sec. 34-88. - Written contract required.

All purchases and sales, regardless of monetary value, shall be made the subject of a written contract. A purchase order shall be a sufficient written contract in cases where the expenditure is in the usual and ordinary course of the city's affairs.

Sec. 34-89. - Approval for purchases or contracts over $2,000.00; competitive bidding for purchases or contracts over $5,000.00.

Any expenditure for supplies, materials, equipment, construction project or contract obligating the city, where the amount of the city's obligation is in excess of $2,000.00, shall be first approved by the city council. Where such expenditure or contract exceeds $5,000.00, it shall be subject to competitive bidding as herein prescribed except where the council shall determine that no advantage to the city would result or where the expenditure or contract is for professional services. Where competitive bidding is required, the following procedure will apply.

(1) The purchasing agent shall solicit bids from a reasonable number of such qualified prospective bidders as are known to him by sending each a copy of the notice requesting bids and notice thereof
shall be posted in the city hall. Bids shall also be solicited by newspaper advertisement when directed by
the city council.

(2) Unless prescribed by the council, the manager shall prescribe the amount of any security to be
deposited with any bid, which deposit shall be in the form of cash, certified or cashier’s check or bond
written by a surety company authorized to do business in the State of Michigan. The amount of such
security shall be expressed in terms of percentage of the bid submitted. Unless fixed by the council, the
manager shall fix the amount of the performance bond and in the case of construction contracts, the
amount of the labor and materials bond to be required of the successful bidders.

(3) Bids shall be opened in public at the time and place designated in the notice requesting bids in the
presence of the purchasing agent, the city clerk and at least one other city official, preferably the head
of the department most closely concerned with the subject of the contract. The bids shall thereupon be
carefully examined and tabulated and reported to the council with the recommendation of the
purchasing agent at the next council meeting. After tabulation all bids may be inspected by the
competing bidders. In lieu of the procedure for opening bids herein specified, the council may direct
that bids be opened at a council meeting.

(4) When such bids are submitted to the council, if the council shall find any of the bids to be
satisfactory, it shall award the contract to the lowest competent bidder meeting specifications, unless
the council shall determine that the public interest will be better served by accepting a higher bid. Such
award may be by resolution or ordinance. The council shall have the right to reject any or all bids and to
waive irregularities in bidding and to accept bids which do not conform in every respect to the bidding
requirements.

(5) At the time the contract is executed by him, the contractor shall file a bond executed by a surety
company authorized to do business in the State of Michigan, to the city, conditioned to pay all laborers,
mechanics, subcontractors and material-men as well as all just debts, dues and demands incurred in the
performance of such work and shall file a performance bond when one is required. Said contractor shall
also file evidence of public liability insurance in an amount satisfactory to the city manager, and agree to
save the city harmless from loss or damage caused to any person or property by reason of the
contractor’s negligence.

(6) All bids and deposits of certified or cashier’s checks may be retained until the contract is awarded
and signed. If any successful bidder fails or refuses to enter into the contract awarded to him within five
days after the same has been awarded, or file any bond required within the same time, the deposit
accompanying his bid shall be forfeited to the city, and the council may, in its discretion, award the
contract to the next lower competent bidder meeting specifications, or to another competent bidder
meeting specifications if the council shall determine that the public interest will be better served by
accepting such other bid, or said contract may be readvertised.

Sec. 34-90 - Inspection of materials.

The responsibility for the inspection and acceptance of all materials, supplies and equipment shall rest
with the ordering department.

Sec. 34-91 - Sale of property.

Whenever any city property, real or personal, is no longer needed for corporate or public purposes, the
same may be offered for sale. Personal property not exceeding $500.00 in value may be sold for cash by
the purchasing agent after receiving quotations or competitive bids therefore for the best price
obtainable. Property with a value in excess of $500.00 may be sold after advertising and receiving
competitive bids, as provided in section 2-224 of the Code and after approval of the sale has been given by the council.

AGENDA NOTE

MEETING DATE: November 28, 2016

PERSON PLACING ITEM ON AGENDA: City Attorney

AGENDA TOPIC: Consider approval of quit claim deed from City to South Lyon Housing Commission

EXPLANATION OF TOPIC: The South Lyon Housing Commission is pursuing a Rental Assistance Demonstration (RAD) conversion through HUD as authorized under Public Law 112-55. HUD requires that the South Lyon Housing Commission have clear title to the property which is subject to the HUD agreements and the declaration of trust. The property in question was deeded to the City acting on behalf of the South Lyon Housing Commission in 1964. The City was included as the grantee as required by ordinance.

Based on Amendments to the Michigan Housing Facilities Act which clarify that housing commissions are separate legal public corporations; the City has repealed Section 34-87 requiring the deeds need to be in the name of the City acting on behalf of the Housing Commission.

In order to allow the RAD conversion to proceed, which is in the best interest of the Housing Commission and the residents of South Lyon, the Housing Commission has requested that the City quit claim its interests in the property used for housing assistance to the Housing Commission to comply with HUD for the RAD conversion. Alternatively, the City would need to be added as a party to the HUD agreements which is not recommended.

This Rental Assistance Demonstration Use Agreement (hereinafter called the "Agreement") made the __ day of __, 20__ by and between the United States of America, Secretary of Housing and Urban Development (hereinafter called "HUD") and __ South Lyon Housing Commission __, Owner, (hereinafter called the "Owner"), provides as follows:

Whereas, Rental Assistance Demonstration (hereinafter called "RAD") provides the opportunity to test the conversion of public housing and other HUD-assisted properties to long-term, project-based Section 8 rental assistance to achieve certain goals, including the preservation and improvement of these properties through access by Owners to private debt and equity to address immediate and long-term capital needs.

Whereas, Projects funded under the public housing programs may under RAD convert their assistance to long-term, project-based Section 8 rental assistance contracts. Under this component of RAD, Owners may choose between two forms of Section 8 Housing Assistance Payment (HAP) contracts: project-based vouchers (PBVs) or project-based rental assistance (PBRA). No incremental funds are authorized for this component. Owners will convert their assistance at current subsidy levels.

Whereas, Projects shall have a RAD Use Agreement that will be recorded superior to other liens on the property, run for the same term as the initial term of the HAP contract, automatically renew upon each extension or renewal of the HAP contract for a term that runs with each renewal of the HAP contract, and remain in effect in the case of abatement or termination of the HAP contract (for the term the HAP contract would have run, absent the abatement or termination).

Whereas, HUD has approved the conversion of the "Project" identified as __ Washington Manor __ and covering real property as described in Exhibit "A" attached hereto; and that this approval is evidenced by and through the terms of the RAD Conversion Commitment as described in Exhibit "B" attached hereto; and that was previously subject to a public housing Declaration of Trust dated __ November 4, 1964 __ and recorded on __ December 21, 1964 __ in the Recorder's Office of __ Oakland __ County as document number __ 4668 __, Liber __ 555 __, Page __ Page __; and such public housing Declaration of Trust was released on __ date __, Liber __ 4668 __, Page __ 555 __; and such public housing Declaration of Trust was recorded on __ date __, Liber __ 4668 __, Page __ 555 __; and such public housing Declaration of Trust was recorded on __ date __, Liber __ 4668 __, Page __ 555 __.

Whereas, pursuant to the Consolidated and Further Continuing Appropriations Act of 2012 (Public Law 112-55, approved November 18, 2011) and the corresponding PHA Notice 2012-32 published on July 26, 2012 (hereinafter called the "RAD Notice"), which this Use Agreement incorporates, in exchange for HUD's agreement to permit this conversion to PBVs or PBRA, the Owner has agreed to continue to operate the assisted PBV or PBRA units only as rental housing for the initial term, and each renewal term of the HAP Contract, unless otherwise approved by HUD;

Now Therefore, in consideration of the mutual promises set forth herein and of other valuable consideration, the parties hereby agree as follows:

1. Definitions. All terms used in this Agreement have the same meaning as set forth in the definitions in RAD Notice.

2. Term. The initial term shall be __ 20 years __. Unless otherwise approved by HUD, this Agreement shall remain in effect through the initial term, and for an additional period to coincide with any renewal term of the HAP Contract. This Agreement will survive HAP abatement or termination of the HAP Contract unless otherwise approved by HUD.

3. Use Restriction and Tenant Incomes. The HAP-assisted units within this Project shall be used solely as rental housing for tenants meeting the eligibility and income-targeting requirements under the HAP Contract. In the case that the HAP Contract is terminated (due to, e.g.: breach, or non-compliance), new tenants must have incomes at or below 80 percent of the average median income (AMI) at the time of admission for the remainder of the term of the Agreement, applicable to all units previously covered under the HAP contract. Additionally, rents must not exceed 30% of 80% of median income for an appropriate sized unit. Notwithstanding the foregoing, in the event the Owner is able to demonstrate to HUD's satisfaction that despite the Owner's good faith and diligent efforts to do so, the Owner is unable either (1) to rent a sufficient percentage of Units to Low Income Tenants or Very Low Income Tenants in order to satisfy the restrictions in this paragraph, or (2) to otherwise provide for the financial viability of the Project, HUD may, in its sole discretion, agree to reduce the percentage of units subject to the restriction under this paragraph or otherwise modify this restriction in a manner acceptable to the Owner and HUD. Any such modification of the restrictions listed in this paragraph shall be evidenced by a...
written amendment to this Agreement executed by each of the parties hereto.

4. Subordination. Any mortgage lien will be subject to this Agreement. This Agreement will survive foreclosure and bankruptcy.

5. Fair Housing and Civil Rights Requirements. Compliance with all applicable fair housing and civil rights requirements including the obligation to affirmatively further fair housing and the site selection and neighborhood standards requirements set forth in 24 CFR §§ 1.4(b)(3) and 941.202, as applicable, is required.

6. Federal Accessibility Requirements. Compliance with all applicable federal accessibility requirements under the Fair Housing Act and implementing regulations at 24 CFR Part 100, Section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR Part 8, and Titles II and III of the Americans with Disabilities Act and implementing regulations at 28 CFR Parts 35 and 36, respectively, is required.

7. Transfer of the Agreement. HUD has been granted and is possessed of an interest in the above described Project such that the Owner shall remain subject to the terms and conditions of this Agreement and the HAP Contract. However, the agreement to convey, assign, lease, mortgage, pledge or other encumbrance of said Project or any part thereof without the release of said covenants by HUD. The Owner has constituted HUD as its attorney-in-fact to transfer FHB or PBRA assistance to another entity in the event of default under the HAP Contract. With HUD’s prior written consent, after 10 years from the effective date of the Initial term of the HAP Contract, if the Project is economically non-viable or physically obsolete, assistance may be transferred subject to this Agreement. Any such new Owner assumes all obligations under this Agreement as a condition of any transfer. This Agreement shall be binding upon the Owners and all future successors and assigns until released by HUD.

8. Release. The endorsement by a duly authorized officer of HUD (1) upon any conveyance or transfer made by the Owner of any real or personal property which is determined to be excess to the needs of the Project, or (2) upon any instrument of conveyance or dedication of property, or any interest therein, for use as streets, alleys, or other public rights-of-way, or for the establishment, operation and maintenance of public utilities, or (3) upon any instrument transferring or conveying an interest therein, or (4) upon any instrument of release made by the Owner of the assisted FHB or PBRA units shall be effective to release such property from the restrictive covenants hereby created.

9. Enforcement. In the event of a breach or threatened breach of any of the provisions of this Agreement, any eligible tenant or applicant for occupancy within the Project, or the Secretary or his or her successors or delegates, may institute proper legal action to enforce performance of such provisions, to enjoin any acts in violation of such provisions, to recover whatever damages can be proven, and/or to obtain whatever other relief may be appropriate.

10. Severability. The invalidity, in whole or in part, of any of the provisions set forth in this Agreement shall not affect or invalidate any remaining provisions.

11. Impairment of HAP Contract. The terms and provisions of this Agreement shall continue in full force and effect except as expressly modified herein. Any conflicts between this Agreement and the HAP Contract shall be conclusively resolved by the Secretary.

12. Execution of Other Agreements. The Owner agrees that it has and will not execute any other agreement with provisions contradictory to, or in opposition to, the provisions of this Agreement, and that in any event, the provisions of this Agreement are paramount and controlling as to the rights and obligations set forth and supersede any other conflicting requirements.

13. Subsequent Statutory Amendments. If revisions to the provisions of this Agreement are necessitated by subsequent statutory amendments, the Owner agrees to execute modifications to this Agreement that are needed to conform to the statutory amendments. In the alternative, at HUD’s option, HUD may implement any such statutory amendment through rulemaking.

14. No Negotiation. This Agreement is not subject to negotiation by the Owner or any lender.
In Witness Whereof, HUD and the Owner thereunto duly authorized has caused these presents to be signed in its name and its corporate seal to be hereunto affixed and attested this __________ day of __________________________, 20____.

AGENDA NOTE
New Business: Water Department Vehicle Auction

MEETING DATE: November 28, 2016

PERSON PLACING ITEM ON AGENDA: Robert Martin / Water Department

AGENDA TOPIC: Auction of Retired Service Vehicle

EXPLANATION OF TOPIC: The Department of Public Works utilizes the sale of out of service vehicles by placing them on MITN (Michigan Inter-Governmental Trading Network) website. Our department no longer utilizes the service of a 2002 Dodge Dakota work truck due to its poor condition and repair expense. The truck has 52,000 miles on the odometer and is in very poor shape. The City Code requires Council’s approval to sell/auction any item that meets a $500 threshold (Sec. 2-226. - Sale of property). In the event any of the vehicles sell for at least $500.00, I am requesting council’s permission to approve the sale of the vehicle. We will start the auction at a bid price of $100.00 for this vehicle. It should also be noted that we add 5% to all final bids to cover any and all City costs.

MATERIALS ATTACHED AS SUPPORTING DOCUMENTS: N/A

POSSIBLE COURSES OF ACTION: Approve/do not approve the sale of the vehicle

RECOMMENDATION: Approve the sale of the vehicle

SUGGESTED MOTION: Motion by ______________________, supported by ______________________ to approve the sale of the following vehicle:

AGENDA NOTE

New Business: Item #

MEETING DATE: November 28, 2016

PERSON PLACING ITEM ON AGENDA: Robert J. Martin, Water/Sewer Department Superintendent & DPW Director

AGENDA TOPIC: Purchase of Department Head Vehicle

EXPLANATION OF TOPIC: I am requesting the approval of purchasing a vehicle for the Department Head of the Water/Wastewater Departments and the Department of Public Works. Currently the Department Head is using a 2004 Ford Explorer which was previously used by the South Lyon Police Department. This vehicle is in need of engine and transmission service along with a decaying body (see attached pictures). In the current FY 2016/2017 Water/Wastewater budget (line item 592-556-970 & 592-557-970) we have budgeted at total of $22,000 for the purchase of a vehicle. In the past we have always purchased new vehicles but in this instance we have researched and feel that a certified used vehicle will more than need meet our needs. Varsity Ford is holding a 2014 Ford 4x4 SE Escape, which has 6,213 miles, is in perfect shape and can be purchased for $20,114. This vehicle will be used by the department head and shared with employees when needed for going to educational classes.

POSSIBLE COURSES OF ACTION: Approve/deny the purchase of 2014 Ford 4x4 SE Escape from Varsity Ford.

RECOMMENDATION: Approve purchase of 2014 Ford 4x4 SE Escape from Varsity Ford in the amount of $21,114.

SUGGESTED MOTION: Motion by __________________, supported by __________________ to approve the purchase of 2014 Ford 4x4 SE Escape from Varsity Ford.

Tim,

Great job on CFS #16 - 11/16, "citizen assist"!
Ms. Zimmerman greatly appreciated your help.

Chief Collins

Officer Tim Walton

Thanks So Much for Your Help

Thanks So Much for Your Help

A little kindness makes such a difference in a day...
Saturday, November 5th. I was lost in South Lyon. One of the police officers helped me get back on track. I am staying right now at Staybridge Inn 24105 Michigan Ave.

Dearborn, Mich 48124. As my home at 7270 William is being repurposed from a fire. The police officer gave me to Raynham Road and instructed me to get back to pleasant mile road. I am very thankful.

Your thoughtfulness certainly made a difference in mine.

Thanks Again

Can't tell how much help was appreciated. Didn't get it. Name: Lynn
