She stated she received a letter from our planning consultant stating we have yet to receive the information and he apologized for the delay. She stated Mr. Linnell and his client are here if they would like to speak to this, but she suggests we postpone this item to a future meeting after the report is received. Councilmember Wedell asked if we postpone this until the next meeting is that enough time for the report to come in. City Manager Ladner stated we will have it before the next meeting. Councilmember Kivell asked if the West End people were notified about this being tabled. City Manager Ladner stated that was a misunderstanding between her and Carmine, she thought he was going to notify them when he sent her the letter. Councilmember Kivell stated there was enough time when the packet was done that someone should have notified them. Mr. Linnell stated this has been going on for months and the process has been very cumbersome. He would like advanced notice next time. City Manager Ladner stated she will make sure he is notified in the future if this item will be tabled. Mr. Linnell asked if the people doing the report have committed to a date for the report to be ready. City Manager Ladner stated she will check with Carmine, but she believes they have committed to a date. Councilmember Parisien apologized again and suggested if they don’t hear from anyone before the next Council meeting to follow up with the City Manager. Councilmember Kivell asked if we will be waiting for Fuller’s response as well? City Manager Ladner stated no. Councilmember Kivell asked if we can share the report with Mr. Linnell when it is ready. City Manager Ladner stated we can share the information with them. Councilmember Kivell stated he believes that will be in all of our best interest to do so. Council apologized to them for the inconvenience and thanked them for their time.

She further stated including the changes made in the AFSCME contract, this will now include 50% of the full-time employees. Councilmember Kurtzweil asked Attorney Wilhelm why does the motion include all non-union employees, but the resolution does not. Attorney Wilhelm stated this is based on the personnel manual subsection 4 which is Department Heads and the City Manager only. He stated it is separate. He stated it is a little confusing, but he believes he has the information correct. He stated the Department Heads and City Manager are eligible to bank more than other employees. Councilmember Kurtzweil stated he did a nice job on the resolution. Councilmember Kivell stated there is a typo in section III. Attorney Wilhelm stated he will take care of that. Attorney Wilhelm stated there is now a maximum of 5 days to carryover over 2 years with a total of 10 days, but it will not be paid out at the time of separation from the City.

NEW BUSINESS
1. Consider second reading of Ordinance to reduce the number of Planning Commission members from 9 to 7 and bring the division into compliance with the Michigan Planning Enabling Act

Attorney Wilhelm stated there have been no changes from the first reading. He stated they are having a hard time getting 9 members which is a high number for a community of this size and reducing it to 7 is allowed by the law. He stated there were provisions made to bring the commission into compliance with the Michigan Planning Enabling Act. Councilmember Parisien stated she went on our website to see who is on the Planning Commission and the website is out of date. She stated she is requesting to have that information updated. City Manager Ladner stated she will have the website updated tomorrow.

CM 9-7-17 MOTION TO APPROVE SECOND READING

Motion to approve the second reading of the ordinance to repeal the existing and adopt a new Division 4, in Chapter 2, Article V of the Code of Ordinances for the City of South Lyon as presented

VOTE: MOTION CARRIED UNANIMOUSLY

2. Consider second reading of Ordinance to increase the value of purchases requiring City Council approval and competitive bidding and clarify purchasing authority in emergency circumstances

City Manager Ladner stated this has been discussed in the past and this is the second reading. She stated this ordinance updates the purchasing ordinance. She stated this revises the limit the City Manager or a Department Head can spend from $2,000 to $5,000. She further stated this also changes the requirement competitive bidding and we are increasing the no competitive bidding for anything under $10,000 and anything over that dollar amount must be approved by Council. Attorney Wilhelm stated this also clarified that you can solicit bids by telephone, but you must have the quotes or bids in writing.

9-11-17
Councilmember Ryzyi stated this seems to make the process smoother and allows the City Manager to do her job easier. He further stated he envisions this being the first step for local bidders to get preference but they would still have to show they are the most competitive. He further stated Tim did a very good job on this resolution. Councilmember Parisien stated she takes issue with this because if we are having budget issues, she doesn’t want to expand the amount of money they can spend without Council approval, she would rather lower it. Councilmember Kiveli stated nothing can still take place without City Manager approval. Councilmember Parisien stated this is a step back. If we are trying to focus on getting us out of the redline, we shouldn’t be raising the limits. She stated this seems to be a step backward. It would be different if we weren’t having budget issues. She stated this has worked so far, why do we want to change this, especially in a budgetary crisis. Councilmember Kurtzweil clarified that if it is under $10,000 it is open market and needs prior approval from City Council and it is only under $5,000 that you need the City Manager’s approval but not Council’s. She further stated she thinks this is a good step towards modernizing and streamlining governmental decisions. Attorney Wilhelm stated the language doesn’t read well, but it creates more efficiency for the Department Heads and the City Manager.

COUNCIL COMMENTS

Councilmember Kivell stated the Depot Day was spectacular and there was a plaque ceremony for Bob Martin and Bob Tremitiere. He further stated it was nice to see all the DPW guys that attended.

Councilmember Kivell stated Depot Day is an interesting event. He stated they had someone that acted as a Doctor from the late 1700’s that had the apothecary table showing how they would attend to people’s ailments back then. He further stated the Beekeeper is always interesting. He stated the vendors were nice and there were tractors and he enjoyed the fact we capitalized on the parking lot on the south side of Dorothy Street. Councilmember Kivell asked if MERS supplied the City Manager with the information. City Manager Ladner stated she has part of the information and is hoping to get the rest of the information before the next meeting. Councilmember Kivell stated there was a resident that had mentioned that she had a hot water tank replaced and the cost of the permit was $180.00. He stated he spoke with some of the surrounding communities to see what their fees were and they were anywhere from $40.00 to $50.00. He stated he contacted Dennis Smith the building inspector and he suggested we change the cost to $54.00 because that will cover the activity cost of the two inspections that are needed. He further stated he would like this to be addressed and he urges anyone on Council or anyone in the public if they think the fee is too high, call City Hall or let them know and we can review it. He stated when we approved the fee schedule there was an understanding that we were comparable to our neighbors and we aren’t.

Councilmember Kivell asked if there was a reason the City Attorney only had 49 hours. He stated we pay for 80 hours of retainer and he hopes we can stay close to that in the future. Attorney Wilhelm stated there was a period where there wasn’t too much happening, but this month we are close to the 80 hours again. Councilmember Kivell stated how sorry he is for the loss of Steve Renwick and how hard it must be for his parents Jack and Janet Renwick.

Councilmember Kivell stated we have spent a lot of money and time on the website and it is a very lackluster product. There is a lot of stuff that isn’t on there and he would really like Joan or someone like that should have the ability to add things to the website in more real time than what is happening. He further stated we spend a lot of time and money and it should be functional to assist people that live here. He urges the City Manager to loosen the reigns on being the only person allowed to add things to the website. City Manager Ladner stated all office personnel had training and access to make changes to the website. Councilmember Parisien asked if we have a checks and balance system to make sure that someone actually checks to make sure the changes are happening. City Manager Ladner stated the purpose of training everyone was to have each department do their own updates. Councilmember Parisien stated the buck has to stop with someone and there needs to be another check point to make sure
nothing falls through the cracks. We are lacking and we need another system and procedure in place.
She further stated she isn’t blaming anyone but it needs to be tended to. Mayor Galeas stated he agrees
each department should be responsible for their own department and the updates need to be done.
Councilmember Parisien asked if a resident calls City Hall and asks a question, and the person that
normally deals with that isn’t there, she would hope we would offer customer service and do what we can
to get them the answer, or send an email but not passing the buck. She stated we should never be telling
our residents that it is someone else’s fault. City Manager Ladner stated if someone calls City Hall we
will get them any information they need, we do not pass the buck. Councilmember Kivell stated if
someone is not in the office that day whomever answers the phone can send a note or an email to that
person. City Manager Ladner stated we do have a place on the website that someone can ask a question
and it will go to the person in that department. Councilmember Parisien stated she is more concerned
with the City employee part of it. She stated we still need a better system and it shouldn’t be that hard.
Councilmember Kivell stated he is delighted the Fire Department flies the Flag downtown as a tribute to
9/11.

Councilmember Ryzyi stated the City Manager is doing a good job. The website has come a long way, it
has been updated and user friendly. He stated there is always room for improvement. Councilmember
Ryzyi stated other things we have brought up to date is online bill payments, grant software, and he thinks
technologically the City is moving in the right direction. He stated the fee schedule has been updated,
dangerous building codes have been updated, the Board of Review has been revitalized and we have new
businesses coming to town and we are finally working on MERS.
Councilmember Ryzyi stated the South Lyon East Cougars Varsity Football team won their game over
Dexter 42 to 13 and he congratulated them. He stated Wendy’s is offering discounts for our 55 and over
residents. He stated he is looking forward to Pumpkinfest and he knows everyone is looking forward to
it.

Councilmember Parisien stated Pumpkinfest still needs volunteers and if you know a good band, they still
need bands for the Battle of the Bands and anyone can go to southlyonareapumpkinfest.com if they are
interested. She stated she ran in the Witches Hat Run and it is very well done and a great atmosphere
running with all the people. She further stated she wanted to thank the person that made the logo for the
Witches Hat Run, it is totally different and very cool. Councilmember Parisien stated the Pumpkinfest
Run is on the 23rd if anyone is interested, the running community is huge.

Councilmember Wedell thanked the Fire Department for flying the Flag to recognize 9/11.

Councilmember Kramer stated his thoughts and prayers are with Steve Renwick’s family.

Councilmember Kurtzweil stated she wants to let everyone know the Garden Club will be meeting
tomorrow night at the Salem South Lyon Library if anyone is interested. She stated she received
the phone call over the weekend regarding Steve Renwick. She stated it was a tough weekend. Steve
Renwick is of a passing generation. He was the most perfect public servant. He was very humble, he
didn’t look for fanfare, he came to work every day and did his job very quietly, he never asked to be in
the paper. He was just the perfect public servant and he will be missed. She further stated with his
passing it is also a passing of the generation of public servants that served the public and stayed out of the
politics, he just came to work and did his job for the community. She further stated he was the finest head
of the DPW because of his humility and his kindness.

9-11-17
Councilmember Kurtzweil stated she wanted to thank all of the first responders of South Lyon and also the first responders that risked their lives on 9/11. She further stated we need to remember all those that have lost their lives so suddenly, particularly those from 9/11. She stated let’s remember those that have been devastated from the hurricanes and those in Mexico and let’s remember to pray for those families that have been changed by grief and loss. She stated she hopes those that have survived are healed from their memories of devastation and let’s pray for their strength and courage. Councilmember Kurtzweil stated we are blessed to be in a community like South Lyon, we have a roof over head, we have electricity, we have food in our refrigerator, we are able to travel our roads, we are extremely blessed in this community. She stated she hopes in the next few weeks we can donate to the Red Cross and find a way to give someone a hug or find another way to show an act of kindness to help those that are less fortunate. She further stated we need to keep all those individuals that have been hurt by war, terror or natural disasters and keep them in our prayers.

Mayor Galeas stated years ago he was in charge of the music for Pumpkinfest and he is hoping what can potentially happen is we will have many students from the high schools participate and he hopes more bands apply. He stated he doesn’t know anyone personally that was involved with 9/11 and he can remember being in shock and he still is. He goes on to discuss when he was involved in the first tough mudder race that took place after 9/11 and how emotional it was to be involved with firefighters and police and their families. It was very humbling, and he hopes that no one ever forgets what happened and how it has affected all of us.

Mayor Galeas stated there are a lot of changes happening downtown and watching the amount of people coming into town is great. He further stated he wants to challenge everyone to shop local shops, there are a lot going on. Mayor Galeas stated he wants to give his condolences to the Renwick family, Steve was a very humble, amazing man. He had many, many friends and he set a good example for everyone.

AGENDA NOTE

MEETING DATE: September 25, 2017

PERSON PLACING ITEM ON AGENDA: City Attorney

AGENDA TOPIC: First Reading of Liquor Licensing Ordinance

EXPLANATION OF TOPIC: The City does not have a liquor licensing ordinance. It has one (1) Class C quota license available for an on-premises liquor establishment. With renewed interest in the downtown and increasing economic development occurring in the community, Council should consider adopting a liquor licensing ordinance to formalize its process for reviewing and approving or denying applications for liquor licenses, particularly the on-premises Class C quota licenses.

The regulation of alcoholic liquor is governed by the Michigan Liquor Control Code, Public Act 58 of 1998 (the "Act"). The Act created the Michigan Liquor Control Commission (MLCC) which is the State administrative agency responsible for liquor licensing. The Michigan Administrative Code also contains rules applicable to various aspects of alcoholic liquors including licensing and sales.

In 2012 the MLCC made significant changes to the State liquor licensing process. The most important change affecting local communities was the elimination of a local approval requirement for license transfers and other types of permits. Also, in 2012, a federal district struck down, as unconstitutional, the MLCC provisions pertaining to various permits, such as dance, entertainment, topless activity, and extended hours permits. The trend at the state level has been to make liquor licensing more friendly to the applicants and business owners and to eliminate or restrict local approval requirements. Local approval of new (as opposed to transfer licenses) Class C quota licenses is still required under the Act. Liquor licensing involves a broad and complex set of laws and regulations. Documents from the MLCC website and other relevant materials, such as MLCC Bulletins, have been included to provide background and context for the ordinance.

The primary purpose of the proposed liquor licensing ordinance is to provide for an application and review process which the City Administration and Council can use in reaching a decision to approve or deny applications for, primarily, on-premises Class C quota liquor licenses.

The proposed ordinance is intended to be consistent with the Act and applicable regulations. Generally, the ordinance contains requirements and procedures for receiving and reviewing applications. Application and permit forms will need to be prepared. The ordinance provides for investigation by relevant city departments. The review criteria for use by staff and Council are also set forth in detail. This list can be added to or criteria can be deleted. The Economic Development Director has offered additional suggestions for criteria to be added which address priorities for encouraging investment in and preservation of historic buildings, and other criteria such as whether the proposed liquor establishment is located within the historic core downtown area; the DDA-district; and does it comply with the Master Plan.

In addition, there are several concepts included in the ordinance to ensure that Class C quota licenses are utilized within a reasonable period of time and are not escrowed or transferred out of the City for the licensee's profit.

There are provisions addressing license transfers. Note, the changes by MLCC altered the role of local units of government in the license transfer approval process. The City is allowed to offer comments to the MLCC, but local approval is not required. The concern for South Lyon is the transfer of quota licenses out of the City without the City having any ability to control or prohibit the transfer of one of its quota licenses.
Some communities prohibit license transfers for a period of time similar to State law, some restrict transfers to other locations within the community, and others require an agreement and include provisions for the revocation of the license in the event of an attempt to transfer it out of the community. The proposed ordinance includes a restriction on the transfer of on-premises licenses for three years after being issued which is consistent with State law, MCL 436.1501(2). Section 1501(2) also contains a hardship exception which would be applied by the MLCC. This concept may need additional input from Council.

The ordinance also contains a provision restricting the escrowing of a license to one year. However, MLCC Bulletin Council input is needed on this issue.

The ordinance also contains provisions to address conditional approvals which might apply to liquor establishments that need approvals to construct buildings or complete renovations or buildouts.

There are also provisions addressing City objections to renewals of liquor licenses or its request for the revocation of a liquor license. The proposed ordinance contains a provision for an annual review of liquor licenses which may or may not be an administrative procedure the City Administration wants to implement. Nonetheless, it provides criteria and procedures for the City to object to or seek revocation of a liquor license.

Entertainment, dance and other permits are also addressed, but provisions addressing this area have not been challenged in court since the 2012 federal court decision relating to these types of permits.

Generally, the proposed ordinance is intended to be consistent with State law and contains a number of other concepts to protect the City's interests in the Class C quota licenses which other communities have implemented.

The structure of the proposed ordinance is outlined as follows:

The following items which we recently discussed should be considered as additional criteria for granting/approving a Liquor License in the City of South Lyon:

- Is the location of the establishment which would own the Liquor License in the DDA District?
- Is the location of the establishment which would own the Liquor License in the Historic Core Downtown Area (On N. Lafayette Street between Lake Street and the Detroit Street, S. Lafayette Street between Lake Street and McHattie Street, E. Lake street between Wells street and Lafayette Street, and W. Lake Street between Lafayette Street and the first alley west of Lafayette Street?)
- Is the location of the establishment which would own the Liquor License in a Historic Building as noted on the DDA’s List of Buildings Eligible for Listing on the National Register of Historic Places?
- Will improvements to the Historic Building comply with the U.S. Secretary of the Interior’s Standards for Historic Rehabilitation and Historic Preservation and the City of South Lyon’s Design Guidelines?
- Is the location of the establishment which would own the Liquor License in a new building which complies with the City of South Lyon’s New Master Plan?

I hope these are useful and will be considered. Items similar to those that I have provided here above, have been utilized in other communities. Please let me know if there is anything else you need or that I can do regarding the potential new Liquor License Policy.

Thanks,

Bob Donohue, DDA & Economic Development Director

(2) A full-year license issued by the commission shall expire on April 30 following the date of issuance or the date fixed by the commission. A license issued under this act is a contract between the commission and the licensee and shall be signed by both parties. If a licensee dies, the commission may approve the operation of the establishment by a personal representative or independent personal representative duly appointed by a court of competent jurisdiction, pending the settlement of the estate of the deceased licensee. The commission may approve a receiver or trustee appointed by a court of competent jurisdiction to operate the licensed establishment of a licensee. The commission may grant a part-year license for a proportionate part of the license fee specified in section 525. In a resort area the commission shall grant a license for a period of time as short as 3 months. A license may be transferred with the consent of the commission. A class C or specially designated distributor license obtained in a manner other than by transfer shall not be transferred within 3 years after its issuance except under circumstances where the licensee clearly and convincingly demonstrates that unusual hardship will result if the transfer does not receive the consent of the commission. An application for a license to sell alcoholic liquor for consumption on the premises, except in a city having a population of 600,000 or more, shall be approved by the local legislative body in which the applicant’s place of business is located before the license is granted by the commission, except that in the case of an application for renewal of an existing license, if an objection to a renewal has not been filed with the commission by the local legislative body not less than 30 days before the date of expiration of the license, the approval of the local legislative body is not required. The commission shall provide the local legislative body and the local chief of police with the name, home and business addresses, and home and business phone numbers to accomplish the local legislative reviews of new and transferred license applications required by this subsection. Upon request of the local legislative body, after due notice and proper hearing by the local legislative body and the commission, the commission shall revoke the license of a licensee granted a license to sell alcoholic liquor for consumption on the premises or any permit held in conjunction with that license.

(3) A local legislative body, by resolution, may request that the commission revoke the license of a licensee granted a license to sell alcoholic liquor for consumption off the premises whose place of business is located within the local legislative body’s jurisdiction and that has been determined in commission violation hearings to have sold or furnished alcoholic liquor, or at least 3 separate occasions in a consecutive 12-month period, to a minor if those violations did not involve the use of falsified or fraudulent identification by the minor. If the commission verifies that the licensee who is the subject of the resolution has been found to have committed the violations as prescribed in this subsection, the commission may suspend or revoke the
licensee's license and any permit held in conjunction with that license.

(4) This act does not prohibit a hotel that is or was the holder of a license authorizing the retail sale of alcoholic liquor for consumption on the premises from applying for and receiving under this act any other and different type of license authorizing the retail sale of alcoholic liquor for consumption on the premises, and the application for the license shall not be considered a new application for a license if the total number of public licenses for consumption on the premises does not exceed the authorized total established in this act and the sale of alcoholic liquor is approved by the electors. The commission may divide the state into 3 zones and establish for each zone an anniversary date for renewal of full-year retail licenses in the licensing year. The commission shall promulgate rules pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, for the effective administration of the renewal of licenses.

(5) The commission, with the written approval of the department of agriculture and rural development for the Michigan state fairgrounds and the Upper Peninsula state fairgrounds, may issue without regard to the quota provision of section 531 a tavern license to a person as concessionaire leasing or renting a portion of either the Upper Peninsula state fairgrounds or the state fairgrounds, or both, to service the licensed area in use for recreational or exhibition purposes other than at the time of the annual Upper Peninsula state fair under section 2 of 1927 PA 89, MCL 285.142. A license issued under this subsection is not transferable.

(6) The application for initial licensure or for a transfer of a license shall contain a notice in substantial compliance with the following:

When purchasing a license, a buyer can be held liable for tax debts incurred by the previous owner. Prior to committing to the purchase of any license or establishment, the buyer should request a tax clearance certificate from the seller that indicates that all taxes have been paid up to the date of issuance. Obtaining sound professional assistance from an attorney or accountant can be helpful to identify and avoid any pitfalls and hidden liabilities when buying even a portion of a business. Sellers can make a request for the tax clearance certificate through the Michigan department of treasury.

Brief Overview Michigan Liquor Control Commission

- **Commission Overview**
  The Michigan Liquor Control Commission was created upon the repeal of Prohibition by the legislature acting in special session in December of 1933. The act empowered the Commission to control all alcoholic beverage traffic within this state. Today, the Commission is a Type I agency housed within the Department of Licensing and Regulatory Affairs (LARA).

  The Commission consists of five members appointed by the Governor. No more than three of these members may be of the same political party. Three administrative Commissioners are responsible for all matters pertaining to licensing, purchasing, merchandising and enforcement and act as an appeal board for decisions rendered by the hearing commissioners. The remaining two Commissioners are designated as hearing commissioners who preside over violation matters. The full five-member board promulgates rules and establishes bureau policy, such as the issuance of declaratory rulings. The Governor designates one of the five members as the Chairperson.

  The mission of the Liquor Control Commission is to make alcoholic beverages available for consumption while protecting the consumer and the general public through regulation of those involved in the sale and distribution of these alcohol beverage products.

Class C Licensing Requirements & General Information

A Class C license, as defined by MCL 436.1107(2), is a place licensed to sell, at retail, beer, wine, mixed spirit drink, and spirits for consumption on the premises.

Bars or restaurants selling beer, wine, spirits, and mixed drinks require a Class C license in order to sell alcoholic liquor to patrons at their establishment.

How to Apply

All applicants requesting new Class C license, seeking to transfer ownership of a Class C license, or transferring interest (stock or membership interest) in a Class C license must submit the following:

- Application Form
  For a new Class C license or to transfer a Class C license - Retail License & Permit Application (Form LCC-100)

  To transfer interest in a Class C license - License Interest Transfer Application (LCC-101)

- Inspection Fee - A $70.00 nonrefundable inspection fee is required for each license requested in an application. For example, if an applicant has requested to transfer a Class C license that has a Specially Designated Merchant (SDM) license in conjunction, the inspection fee would be $140.00.

- License & Permit Fees - The initial and annual renewal fee for a Class C license is $600.00. Additional fees will vary based upon whether additional licenses and permits are requested in conjunction with a Class C license.

- Livescan Fingerprints - Applicants that have never been licensed through the Michigan Liquor Control Commission must submit fingerprints through the Livescan fingerprinting process - Livescan Fingerprint Background Request Form.

- Purchase Agreement - Applicants requesting to transfer a license from another licensee must submit an executed purchase agreement or other documentation signed by both the applicant and the current licensee, which details the sale of the liquor license(s) and other business assets.

  • Purchase agreements must specifically indicate that the liquor license is being sold and provide the purchase price and terms of the sale.
- Purchasers of on-premises licenses must have at least 10% of the purchase price of the business, excluding real estate.
- Purchase agreements that are not for cash only sales and include real estate must list the personal property, including the licenses, and real estate with the terms and price for each.
- If the personal property and real estate are being purchased by separate people or entities, the purchase agreement must indicate those names and who is purchasing which items.
- If the applicant will not pay the full purchase price at closing, the balance due may be covered by a security agreement or promissory note. Alcoholic beverage inventory cannot be included on a security agreement or promissory note.

- **Property Document** — Applicants must provide documentation that demonstrates they will have control over the property that comprises the proposed licensed premises. Property documents include deeds, land contracts, and lease agreements.
  - A provision to reassign the license in the event of a default on a land contract or termination of a lease agreement may be included, but may only provide for the reassignment subject to Commission approval.
  - If the applicant is a company and its members or stockholders own the real estate as individuals or under another company, a lease agreement is needed.
  - If the applicant is an individual and he or she owns the real estate with a spouse or someone else who will not be named on the license, a lease between the applicant and the owners of the real estate is needed.

In addition to the documents required by all applicants:

**Corporations** must submit the following information per Administrative Rule R 436.1109:
- Copy of current, filed Articles of Incorporation.
- Current Certificate of Good Standing from the state where incorporated and Certificate of Authority to Do Business in Michigan, if incorporated outside of this state.
- Certified copy of the minutes of a meeting of its board of directors or a statement signed by an officer of the corporation naming the persons authorized by corporate resolution to sign the application and other documents required by the Commission (or Part 3 of Form LCC-301).
- Report of Stockholders/Members/Partners (Form LCC-301)

**Limited Liability Companies (LLC)** must submit the following information pursuant to Administrative Rule R 436.1110:
- Copy of Articles of Organization and copies of any amendments to the Articles of Organization.
- Current Certificate of Authority to Do Business in Michigan, if the LLC is a non-Michigan LLC.
- Copy of Operating Agreement entered into by members.
- Copy of most recent annual statement filed with the Corporations Division, if an existing LLC.
• Statement signed by a manager of the limited liability company or by at least 1 member if management is reserved to the members naming the person authorized to sign the application and other documents required by the Commission (or Part 3 of Form LCC-301).

• Report of Stockholders/Members/Partners (Form LCC-301)

Partnerships must submit the following information per Administrative Rule R 436.1111:
• Partnership Agreement, if a Limited Partnership.
• Report of Stockholders/Members/Partners (Form LCC-301)

---

**Licensing Process**

• The Licensing Division reviews the application and corresponding documents for completeness and verifies the appropriate fees have been received. If additional documents, fees, or corrections to documents are needed, Licensing will notify the applicant.

• Once all the necessary documents have been received Licensing will submit the request to the Enforcement Division for its investigation. If an applicant has applied for and meets the requirements for a conditional license, the request will be considered by the Commission.

• The Enforcement Division will contact the applicant to schedule an interview with the applicant (and current licensee for license transfers). At this meeting an investigator will review with the applicant documents, including:
  o purchase agreement
  o financial documents
  o property documents
  o other items pertaining to the application

• After the interview, the investigator will prepare a report for the Commission regarding the investigation and submit the request back to Licensing for further processing.

• Licensing reviews the report from Enforcement and any additional documents received during the interview process. The request is prepared for the Commission to consider and placed on a docket for an upcoming licensing meeting.

• The Commission considers the request, including:
  o the liquor license operating history of the applicant (if a current or prior licensee)
  o the arrest and conviction record of the applicant
  o whether the applicant meets the requirements for a license
  o the applicant's financial information
  o opinions of the local legislative body or police department, if received.
• The Commission will approve or deny the request based on these factors. Occasionally, the Commission will request more information from the applicant before making a final decision.

• After the Commission makes a decision on the request, the file is returned to Licensing for final processing.
  o Approval orders are sent to the applicant requesting any final items before the issuance of the license.
  o Denial orders are sent to the applicant and the applicant may appeal the decision.

• When all the final items are received by Licensing, the completed request is forwarded to the Renewal Unit for the issuance of the physical license documents.
  o Any changes in financial provisions at the time of closing which do not conform to the terms previously indicated and investigated may require submission of new forms and possible additional investigation.

Other Licenses That May Be Held in Conjunction With a Class C License

A Specially Designated Merchant (SDM) license for the sale of beer and wine for consumption off the licensed premises (take-out) may be held in conjunction with a Class C license.

A Brewpub license which allows a licensee to manufacture and sell beer produced on the premises or for take-out with an SDM license may be held in conjunction with a Class C license.

Permits, Permissions, and Authorizations

Specific Purpose Permit - A permit that allows specific types of activities (such as the service of food, sporting activities, meetings, etc.) to occur on the licensed premises outside the legal hours for the sale of alcohol. A specific purpose permit does not allow the sale of alcohol outside of the legal hours of sale.

Entertainment Permit - Permits certain types of live entertainment at a business with an on premises license. An entertainment permit does not allow topless activity. Often combined with a Dance Permit.

Banquet Facility Permit – Authorizes an on-premises licensee to serve alcohol at a separate licensed banquet facility used only for scheduled functions. An on-premises licensee may be issued one Banquet Facility Permit, as an extension of its licensed premises.

Living Quarters Permit - Allows living quarters to be directly connected to the licensed premises.

Topless Activity Permit - Allows topless activity by the employees, agents, or contractors of a business with an on premises license.

Direct Connection permission - Allows connections from the licensed premises to unlicensed premises.

Outdoor Service authorization - Authorization granted by the Commission for a licensee to sell alcohol outdoors in an area controlled by the licensee. This can be a patio area next to the licensed premises or a space as large as a golf course.

License Quotas and Local Government Unit Approval for New Class C Licenses

- Each local governmental unit (city, village, or township) has a limited number of Class C licenses that may be issued based on the population from the most recent federal census.

- An applicant requesting a new Class C license must first verify that the license quota limit for Class C licenses in the local governmental unit has not been reached and an available Class C license exists.
• If an available Class C quota license exists in the local government unit, the applicant must obtain a recommendation from the legislative body of the local governmental unit (city council, village council, or township board).

• The legislative body may pass a resolution to recommend the applicant's application for the new Class C license. It may also record its approval on the Local Government Approval Form (Form LCC-106).

• The resolution must be submitted to the Commission with the initial application and documents.

Churches & Schools

A new application to sell alcoholic beverages at retail, or a request to transfer location of an existing license, may be denied if the proposed location is within 500 feet of a church or school. The Commission may waive the church/school provision if the church or school does not file an objection to the proposed license. If the church or school does file an objection, the Commission shall hold a hearing before making a decision on the issuance of the license.

Proof of Financial Responsibility

• Liquor liability coverage of at least $50,000.00 is required by Michigan law for active operation of a licensed business. Types of acceptable coverage are:
  o liquor liability Insurance
  o cash
  o unencumbered securities
  o constant value bond
  o membership in an authorized group self-insurance pool

• For more information, please read the instructions in the Proof of Financial Responsibility form (Form LC-95).

Notice: When purchasing a license, a buyer can be held liable for tax debts incurred by the previous owner. Prior to committing to the purchase of any license or establishment, the buyer should request a tax clearance certificate from the seller that indicates that all taxes have been paid up to the date of issuance. Obtaining sound professional assistance from an attorney or accountant can be helpful to identify and avoid any pitfalls and hidden liabilities when buying even a portion of a business. Sellers can make a request for the tax clearance certificate through the Michigan Department of Treasury.

Under administrative rule 436.1003, the licensee shall comply with all state and local building, plumbing, zoning, sanitation, and health laws, rules, and ordinances, as determined by the state and local law enforcement officials who have jurisdiction over the licensee. Approval of this application by the Michigan Liquor Control Commission does not waive any of these requirements. The licensee must obtain all other required state and local licenses, permits, and approvals for this business before using this license for the sale of alcoholic liquor on the licensed premises.

I certify that the information contained in this form is true and accurate to the best of my knowledge and belief. On the attached Livescan Fingerprint Background Request form, you must use the correct Code (LL), Agency ID Number (1479J), and Agency Name (MI DEPT OF LICENSING AND REGULATORY AFFAIRS - LIQUOR CONTROL) in order for the fingerprint report to be sent to the Michigan Liquor Control Commission. Payment receipts should not be mailed to the office, but kept for your own records.

You must bring the Livescan Fingerprint Background Request form with a driver's license or other state or federal-issued picture identification to your fingerprint appointment. You will also be required to pay a separate fee to the fingerprint agency when registering and/or scheduling your appointment. A copy of the Livescan Fingerprint Background Request form, which is signed by the Livescan Operator and returned to you, must be submitted with your application in order for your request to be investigated.

When your fingerprints are taken, a technician will perform a scan of your fingerprints and submit the data electronically to the Michigan State Police.

APPLICANTS THAT LIVE OUTSIDE OF MICHIGAN
Applicants for a Michigan liquor license that live outside of Michigan must submit fingerprints through one of the private Livescan vendors approved by Michigan State Police that offer fingerprinting for residents that live outside of Michigan. You may access a list of approved vendors that process fingerprint cards for non-Michigan residents on the Michigan State Police website (contains vendors' websites and contact information): http://www.michigan.gov/msp/0,4643,7-123-1878_8311-237662--00.html.

The applicant must contact a local law enforcement agency, governmental agency, or private fingerprint agency to perform ink fingerprinting on a FBI fingerprint card (FD-258) or fingerprint cards from any other state or local agency (fingerprint cards must be on card stock). These fingerprint cards must be submitted for processing to one of vendors on the Michigan State Police's list of approved vendors. Contact the vendor directly regarding its process and the fee for submitting the fingerprint cards for processing.

Make a copy of the completed and signed Livescan Fingerprint Background Request form and submit that copy with the license application.

WHAT HAPPENS AFTER FINGERPRINTS ARE SUBMITTED
The law enforcement agency or private vendor will submit your fingerprints to the Michigan State Police for analysis.

If no criminal history is found, the Michigan Liquor Control Commission will be notified.

If a criminal history is found, the Michigan State Police will send the record directly to the Michigan Liquor Control Commission for review.

QUESTIONS AND ADDITIONAL INFORMATION
For questions about the Livescan fingerprinting process, call the Michigan State Police at 517-241-0606.

Please do not contact the Michigan Liquor Control Commission regarding your criminal background check, unless you receive further instructions.

Please note: Fingerprint taken for any other agency will not fulfill fingerprint requirements for a liquor license in Michigan.

Objections to Renewals and Recommendations for Revocation

Statutory Authority
MCL 436.1501(2) and (3) provides three tools for local units of government to use concerning licenses issued by the Michigan Liquor Control Commission.

1. Objection to renewal of an on-premise license
2. Request for revocation of an on-premise license
3. Request for revocation of an off-premise license

Objection to Renewal
An objection to a renewal must be filed with the MLCC by the local legislative body not less than 30 days before the date of expiration of the license. While the statute appears to be silent on the rest of the process, the courts have clearly established that a licensee has a property interest in the license, and is therefore entitled to due process protection. [See Bundo v City of Walled Lake, 395 Mich 697 (1976)]

Further, administrative rule R 436.1061 provides that:

"Any permit issued to a licensee by the commission or any privilege granted to a licensee by the commission may be revoked or suspended by the commission or a hearing commissioner, after due notice and proper hearing, if the licensee or the establishment no longer qualifies for the permit or the privilege or if the licensee is found to be in violation of the act or a commission rule which directly pertains to the permit issued or the privilege granted."

If an objection to renewal of a license is received, then the Commission will proceed to schedule and notice a hearing.

Request for Revocation of an On-Premise License
A local unit of government may request the revocation of a license or permit, after due notice and proper hearing at the local level. Upon receipt of this request, the Commission must revoke the license or permit. The statutory language is clear, using the words "shall revoke." This provision applies to on-premise establishments.

If a request for revocation of an on-premise license or permit is received, then the Commission will proceed to schedule and notice a hearing. The Commission will review and consider the information presented from both sides.

For example, in January 2012, the Commission acted on such a request in the case of an on premises licensee. A request was received by the local unit of government to revoke the permit. After a show cause hearing as to whether the license and/or permit should be considered for revocation, the Commission determined that the license as well as the requested permit should be revoked. Under its own motion, administrative rule R 436.1925(1), the Commission revoked the license and well as the permit as requested by the local unit under MCL 436.1501(2).
Request for Revocation of an Off-premise License

For off-premise establishments, a local unit of government may request, by resolution, that the Commission revoke the license if the off-premise licensee has sold or furnished alcoholic liquor to a minor on at least three separate occasions in a consecutive three-month period. The Commission may suspend or revoke the license and any permits.

If a request for revocation of an on-premise license or permit is received, then the Commission will proceed to schedule and notice a hearing. The Commission will review and consider the information presented from both sides.

Documents from the Local Unit of Government

In making any of the requests authorized by law and discussed above, the local unit of government should, at a minimum, present documentation to the Commission concerning the proper notice to the licensee of the hearing held at the local level, any board resolutions pertaining to the request, and any other findings of fact, ordinance, or other relevant information for the Commission to consider in reviewing and considering the request made by the local unit of government.

Documents from the Licensee

The licensee is welcome to submit any information or documentation concerning the license and the request by the local unit of government.

Filing of Papers

Under administrative rule R 436.1927, all documents and papers pertaining to a hearing or appeal hearing shall be filed at the Lansing office of the Commission. The presiding Commissioner has the discretion as to whether or not to allow papers to be filed at a hearing or appeal hearing.
Bulletin No. 2012-12

DATE: June 21, 2012

TO: Local Units of Government, Local Law Enforcement Agencies, and Applicants for MLCC Licenses

FROM: Michigan Liquor Control Commission

SUBJECT: Changes to the License Application Process

This is an important notice about the application process for the Michigan Liquor Control Commission ("Commission"). Effective July 1, 2012, the Commission is changing the procedure for submitting applications to the Commission, and obtaining approvals for licenses. Approvals from local units of government are required only for the issuance of new licenses under MCL 436.1501. The Commission will continue to review all comments received under administrative rule R 436.1105(2), taking into consideration the opinions of the local residents, local legislative body, or local law enforcement agency with regard to the proposed business. The Commission will provide notice to the local legislative body of pending applications.

I. Applications for New Licenses

The first step in the application process for a new on-premises license is to submit the license application to the Commission, along with any license, permit, and inspection fees. This process will result in the immediate assignment of a request identification (RID) number by the Commission at the beginning of the application process. Additionally, this will allow the Commission to conduct an initial review of the application, to notify the applicant of deficient items, and to provide the applicant with the appropriate local and police forms, including blank fingerprint cards, where applicable.

It will continue to be the responsibility of the applicant to directly submit requests for these local approvals to the local unit of government. The Commission cannot proceed with the licensing process or consider an application until that application is “complete,” as defined in MCL
436.1525(6). A completed application must include any information, records, approval, or similar item required by law or rule from a law enforcement agency or local unit of government.

An application for a new license, which has not been previously issued by the Commission, requires approval of the local legislative body under MCL 436.1501(2) and the application will not be considered to be complete until such approval is received."

II. Applications for Transfer of Ownership, Transfer of Interest, or Transfer of Location of Existing Licenses

An application for transfer of ownership of an existing license, transfer of interest in an existing license, or transfer of location of an existing license does not require approval of the local unit of government.

III. Permits

Applications for dance permits, entertainment permits, dance-entertainment permits, topless activity permits, and extended hours permits require approvals from both the local unit of government and local law enforcement agency, in addition to the Commission, under MCL 436.1916(10).

IV. Rescission

Commission Bulletin 2012-05 is hereby immediately rescinded.

Please contact the Commission's Licensing Division at (866) 813-0011 with any questions.
MLCC Bulletin No. 2012-04

DATE: February 28, 2012
TO: Holders of Escrowed Licenses and All Licensees
FROM: Michigan Liquor Control Commission

SUBJECT: Escrow Fees

This is an important notice concerning the payment of escrow fees for those licenses held in escrow with the Michigan Liquor Control Commission ("Commission").

Effective May 1, 2012 the Commission will be enforcing the fee requirements as set forth in administrative rule R 436.1107 regarding escrowed licenses.

Administrative rule R 436.1107 requires a license that is not in active operation to be placed in escrow. A licensee may place a license into escrow for a total of five (5) licensing years. During these five (5) years, the Commission must receive renewal information and payment for a license held in escrow in the same manner as an active license, including payment of all required license fees, each year by April 30.

If the license is not put into active operation within the five (5) years, then the Commission will terminate all rights to the license unless the Commission has received written verification of either of the following:

a. That the license or an interest in the license is the subject of litigation or estate or bankruptcy proceedings in a court of competent jurisdiction.

b. That the license was placed into escrow as a result of damage to the licensed premises by fire, flood, tornado or other natural event that makes the licensed premises unsuitable for the operation of the business and unsafe for public accommodation.

Upon receipt of written verification of court proceedings or of damage as described above, the Commission is authorized to extend the escrow beyond the five (5) years. If the Commission does extend the escrow beyond the five (5) years for these reasons, then the Commission must receive the license fees accruing beyond the five (5) years for each elapsed licensing year before the license can be placed in active operation.

[NOTE: The licensee does not need to pay the licensing fees for the period of elapsing time between the end of the initial five (5) years of escrow and during the pendency of the court proceedings or the repair of the damage. The Commission must receive payment of all accrued license fees before the license can be placed in active operation.]

Further, the Commission is authorized to extend the escrow period for a license after a showing of good cause by the licensee. If the Commission grants a "good cause" extension, then the Commission must receive renewal information and payment in the same manner as an active license, including payment of all required license fees, each year by April 30. The Commission will terminate all rights to a license if the license is not renewed in the same manner as an active license during the entire escrow period.

The Commission reminds licensees that if a license is placed in escrow, then the licensee has the responsibility to provide the Commission with current contact information, in writing, for all correspondence, which includes the name, mailing address, and telephone number.

Please contact the Commission's Licensing Division at (866) 813-0011 if you have any questions.
R 436.1107 Renewal of license.

Rule 7. (1) A license that is not in active operation shall be placed in escrow with the commission.

(2) A licensee shall have only 5 licensing years after the expiration date of the escrowed license to put the license into active operation. If the licensee fails to put the license into active operation within 5 licensing years after its expiration, then all rights to the license shall terminate unless the commission has received written verification of either of the following:

(a) That the license or an interest in the license is the subject of litigation or estate or bankruptcy proceedings in a court of competent jurisdiction.

(b) That the license was placed into escrow as a result of damage to the licensed premises by fire, flood, tornado or other natural event that makes the licensed premises unsuitable for the operation of the business and unsafe for public accommodation.

(3) If the commission extends the length of time for which a licensee may renew the license during the pendency of litigation or estate or bankruptcy proceedings or as a result of damage to the licensed premises for the reasons as stated in subrule (2) of this rule, then the licensee shall pay the required license fee for each elapsed licensing year before placing the license in active operation.

(4) Except as provided in subrule (3) of this rule, a license held in escrow with the commission shall be renewed in the same manner as an active license, including payment of all required license fees, each year by April 30.

(5) A licensee who places a license in escrow with the commission shall be responsible for providing the commission with current contact information, in writing, for all correspondence, which includes the name, mailing address, and telephone number.

(6) Not later than 90 days after the effective date of this rule, the commission shall provide or attempt to provide each licensee whose license is in escrow with a copy of this rule.

(7) A license that is held in escrow with the commission on the effective date of this rule begins the 5-year period allowed by subrule (2) of this rule for a license to be held in escrow on the effective date of this rule.

(Code 1988, § 9.167)
Senate Bill 245 (as enacted)
Sponsor: Senator Rick Jones
Senate Committee: Judiciary
House Committee: Judiciary

Date Completed: 8-15-17

RATIONALE

Section 226a of the Michigan Penal Code prohibits the sale or possession of knives commonly called switchblades, which look like folding pocket knives but are opened by pressure on a spring. Evidently, spring-assisted knives are commonly owned and sold throughout the State. The Code's description of the knives is said to apply to many different types of knives, including utility knives often carried by police officers and members of the National Guard. Although a violation of the prohibition is a misdemeanor, criminal charges apparently are not pursued on a consistent basis. In view of these factors, it was suggested that the prohibition be repealed.

CONTENT

The bill repeals Section 226a of the Michigan Penal Code, and deletes references to that section from the Code.

Section 226a prohibits a person from selling, offering for sale, or possessing a knife having the appearance of a pocket knife, the blade or blades of which can be opened by the flick of a button, pressure on a handle, or other mechanical contrivance. A violation is a misdemeanor punishable by up to one year's imprisonment or a maximum fine of $300, or both. The prohibition does not apply to a one-armed person carrying a knife in connection with his or her living requirements.

Under Section 231, certain provisions of the Code, including Section 226a, do not apply to particular individuals (generally law enforcement and corrections officers and military personnel).

Under Section 237a, an individual who engages in certain proscribed conduct, including that prohibited under Section 226a, in a weapon-free school zone is guilty of a misdemeanor.

The bill repeals Section 226a and deletes the references to it in Sections 231 and 237a.

The bill will take effect on October 11, 2017.

MCL 750.231 & 750.237a

ARGUMENTS

(Please note: The arguments contained in this analysis originate from sources outside the Senate Fiscal Agency. The Senate Fiscal Agency neither supports nor opposes legislation.)

Supporting Argument
Section 226a of the Penal Code was enacted in 1952, when Hollywood movies portrayed the use of switchblades by gangsters and delinquents. Reportedly, however, no data supported the notion that spring-assisted knives presented a problem at that time, and there is no evidence that they
do today. Spring-assisted knives cannot be deployed more quickly than folding knives that can be opened with one hand, and a knife with a fixed blade can be deployed more quickly than a folding knife. On the other hand, folding knives are safer than fixed-blades in the event of a fall or an accident. Switchblades, in particular, are safer because most lock in the closed position.

Spring-assisted knives are owned by many residents of the State and can be purchased easily from major retailers. According to Senate Judiciary Committee testimony on behalf of the Michigan State Police, the chance that a violation of Section 226a will be prosecuted is about 50-50, which means that there is a patchwork of enforcement across the State. Considering how common the knives are, and the likelihood that a violation will not be pursued by law enforcement, it makes sense to repeal the prohibition.

Furthermore, Sections 226 and 227 of the Penal Code will continue to prohibit a person from using a stiletto, dagger, or dirk against another person, or carrying a concealed stiletto, dagger, or dirk, respectively. Section 226 also refers to a knife having a blade over three inches long, and Section 227 includes a double-edged nonfolding stabbing instrument of any length. A violation of either section is a felony punishable by up to five years' imprisonment or a fine of $2,500, or both.

According to testimony on behalf of Knife Rights, Inc., half of the states never enacted a ban of any sort against spring-assisted knives, 43 states today allow civilian possession of switchblades to one degree or another, and 30 allow "everyday carry". Knife Rights also reported that no state has tried to prohibit switchblades since the 1950s, and 12 states have repealed their bans since 2010. With the enactment of Senate Bill 245, Michigan joins these states in repealing an unnecessary and antiquated law.

FISCAL IMPACT

The bill will have no fiscal impact on the State and may have a positive fiscal impact on local government to the extent that violations of Section 226a are currently prosecuted. Any reduction in misdemeanor arrests and convictions will reduce resource demands on law enforcement, court systems, community supervision, and jails. Any associated decrease in fine revenue will reduce funding to public libraries.

SOUTH LYON HISTORICAL COMMISSION MEETING
WEDNESDAY, SEPTEMBER 6, 2017

MINUTES

Members Present: Larry Leduc, Linda Ross, Gary Wickersham, Bob Tremitiere
Members Absent: Jim Race, Bob Martin, Phil Weipert
Others Present: Greg Jacobs, Pete Niedzielski

President Larry Ledbetter called the meeting to order at 7:35 and declared a quorum.

August Minutes: Linda motioned to accept the August minutes. Gary seconded the motion and the motion passed.

New commission member: Larry announced that Bob Martin is our new commission member, replacing Roger Heiple who resigned earlier this year.

Vandalism: Larry reported that vandals kicked out some slats in the gazebo. Jack Matney reported the damage to Larry. Larry replaced the missing/broken slats. Pete said that he was willing to make new ones as needed. Larry thanked him, but said that the father of one of his scouts had already volunteered. Larry also took pictures of the vandalism and reported it to the police.

Depot Day: Larry reported that the tent will be delivered Friday morning, the grass will be cut Thursday, and barricades and parking signs will be delivered. We had some discussion of traffic on Dorothy during the event, and Pete suggested that we ask the police if they could put up a "your speed is" sign during the event. Larry has plenty of help from Scouts and their dads on Friday night to set up. He requested that we be there around 8AM on Saturday to complete the setup. The Scouts will do the opening ceremony. We will be honoring Bob Martin and the DPW.

Linda reported that our original budget was $3000, and so far we are running under budget. We also have about $750 in donations to offset the cost.

Budget: Bob reported that the alarm repair bill (to replace the caboose alarm with a wireless one) came in at $570. Larry thought that CSC had estimated $400. Bob will get a copy of the bill from city hall and forward it to Tom Ross for analysis. We also got a bill for about $150 from Mark Popravsky to repair a leak in the underground irrigation system.

Gazebo floor: Bob said that we need to get Mark Crouch to give us an estimate to do the limited repairs to the gazebo floor and steps that we would like to accomplish this year. We will probably need a competitive bid too.

Gazebo finial: The finial needs to be replaced, and Linda suggested a weathervane instead. This idea was liked. Greg Jacobs suggested that we check windandweather.com as a source. Bob mentioned that he had seen a witch weathervane and that idea was liked. Pete will check with Northville Lumber for a finial, and also suggested Fingerle as a resource.
**Other Business:** Linda brought to our attention a program called Making Places which is being presented by the Michigan Heritage Conference on September 15 at the South Lyon Theater. She also said that the theater is doing some remodeling and they wanted to know if we wanted any of the old seats. We agreed that we have no place to use them, but that we would take two of them.

**Business concluded,** Bob motioned to adjourn. Linda seconded and the meeting ended at 8:20PM
