DISCUSSION ITEMS

1. Waste Management Proposed Rate Increase.

Dave Schaab was unable to attend the meeting.

David Plyman addressed the memo that he issued and suggested the council look into the increase further before a decision is made. He would like for the council to be able to hear from Schaab himself.

2. Proposed 5-Year Road Plan.

Jeremy Palm discussed the 5 Year road plan and stated that the reason for some of the changes that have been made are due to deteriorating road conditions because of the past winter.

Kathy Scudder – resident at 705 Iowa Ave., presented her concerns for Iowa Ave., stating that trucks are going down the road and shaking her house more than normal; and also, the problem of speeding vehicles in general. She would like more police presence in the area, and for the road to get fixed sooner than later. Palm suggested that Court Street be added into the plan and it was agreed by council that it be added in as well. He stated that Court St. will be put on the plan for 2022 and the rest of the plan will be adjusted accordingly.

3. Proposed ordinance amending the City of Streator's fence code to allow the installation of up to 6' – 4' privacy fences on corner lots in limited situations.
